Foreword

A multitude of slim light rays pierced the darkness and once more man had immobilized an event upon a strip of film. With his camera he had instantly created an accurate, permanent, and realistic record of the scene which greeted his eyes.

The photograph is one of the outstanding marks of modern life. Its uses are universal. Without it the yearbook, to be sure, would be impossible.

Thus, with cameras, paper, film, chemicals, and flashbulbs we have attempted to capture the events of the past year. Despite all our work, however, we have succeeded only in producing a black and white print, lacking the vivid color of real life. We found our album of activities had none of those really important intangibles which are the heart of campus life. So, to you who peruse this book, we can only recommend that, as you read, you paint within the outline we have drawn the rich hues of remembrance.

When we take a photograph, the light rays reflected from the object pass through the lens, and the picture is recorded as a latent image upon the sensitized film. Even so, a sensitive mind, by looking through the lens of the *Tatler* and by developing its latent memories, will see the picture of William Jewell in 1950.

The President's Home SERVED DURING WORLD WAR II AS A DORMITORY KNOWN AS COLONIAL HALL AND FOLLOWING WAS USED AS A CLASSROOM BUILDING. THIS YEAR THE STRUCTURE HAS BEEN REMODELED AND IS FULFILLING ITS ORIGINAL PURPOSE, THE HOME OF THE PRESIDENT, DR. WALTER POPE BINNS.

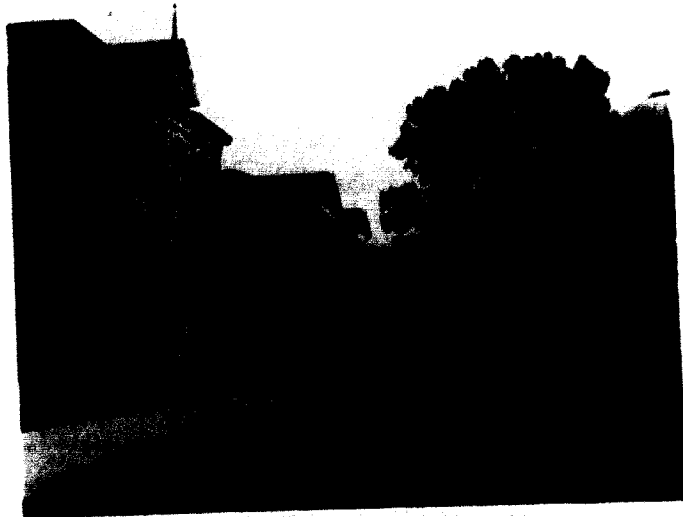

John Gano Chapel IS THE SCENE OF NUMEROUS STUDENT ACTIVITIES AMONG WHICH ARE CHAPEL SERVICES, DRAMATIC AND OPERATIC PRODUCTIONS, *TATLER REVUE*, AND OTHER FEATURE PROGRAMS. WITH THE CONSTRUCTION OF GREENE HALL, THE ADMINISTRATIVE OFFICES HAVE BEEN REPLACED BY MUSIC DEPARTMENT OFFICES AND CLASSROOMS.

Marston Hall is the home of the sciences. Located here are offices, classrooms, and laboratories of the physical sciences. Because of the two years of science required in the liberal arts education, every student has fond memories of classes in Marston and knows full well the smell of ammonia, formaldehyde, and the sound of a tuning fork.

Brown Gymnasium, second newest building on the campus, was erected in 1929. The facilities include a swimming pool, basketball court, and a corrective gymnasium. This building has been the stage for many spirited varsity and intramural sports contests.

The year 1950 has been one of expansion and introduction of new institutions at William Jewell. The Hub, our newly organized Student Union, has been the answer to the much needed gathering place on campus. Old Ely took on a new face and came alive with meetings, coke dates, and sometimes, even classes.

On December 1, 1949, Greene Hall was formally commissioned for use and dedicated. This building was donated as a memorial in honor of John Priest Greene, former President of the College, by W. D. Johnson, who for many years was President of the Board of Trustees. It was of particular significance that the granddaughters of both men were students in school at the time of the dedication, and that they were able to do the unveiling of the memorial plaque.

Administration

The President _____

Although business affairs frequently called Dr. Binns away from the campus this year, his thoughts for each student and teacher's welfare are constantly with all those on the hill.

His wise decisions in the hiring of faculty members have been illustrated by the well coordinated system of teaching here at William Jewell.

Somewhat in a feeling of gratitude the presidential home was turned over to Dr. and Mrs. Binns in December after extensive redecoration had transformed Colonial Hall back into the home of the President.

The President's Message

The members of the Class of 1950 will remember in after years that they belonged to the first class in the second century of the college's history. They will also remember that they saw the completion of the Administration Building, the renovation of New Ely Dormitory and the President's home, and the small beginning of a Student Union.

These things are but the outward form. The really lasting memories will be of men and women on the faculty under whose inspiration and guidance the students learned to see life steady and to see it whole. The passing years will bring clearer vision and growing appreciation of what the college has done for us in its interpretation of life.

The "Tutler" will preserve for us the memory of names and faces of fellow students whose paths will cross many times before we come to the journey's end. Some of these students will write their names on the pages of fame; but it is not these alone that we will remember, for all of their names are written in our hearts. — WALTER POPP BINNS.

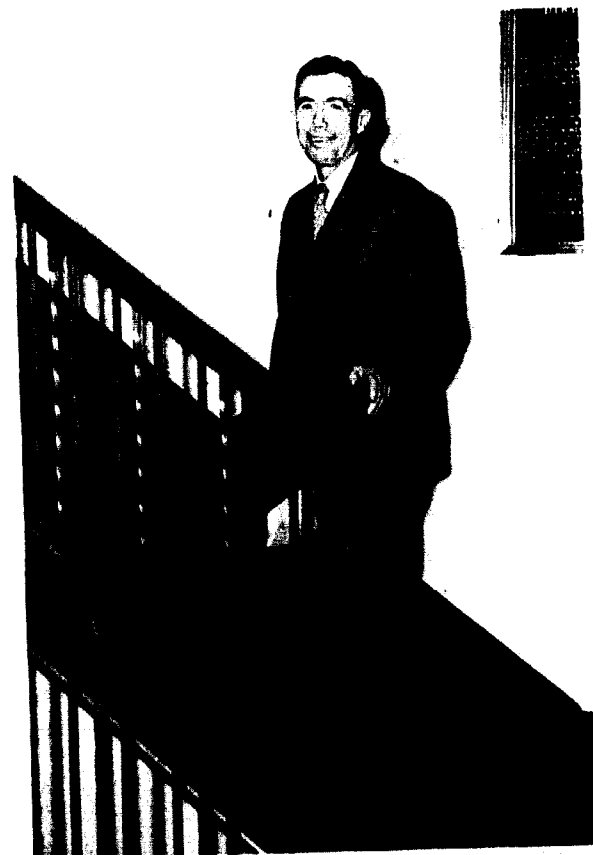

The Vice-Presidents

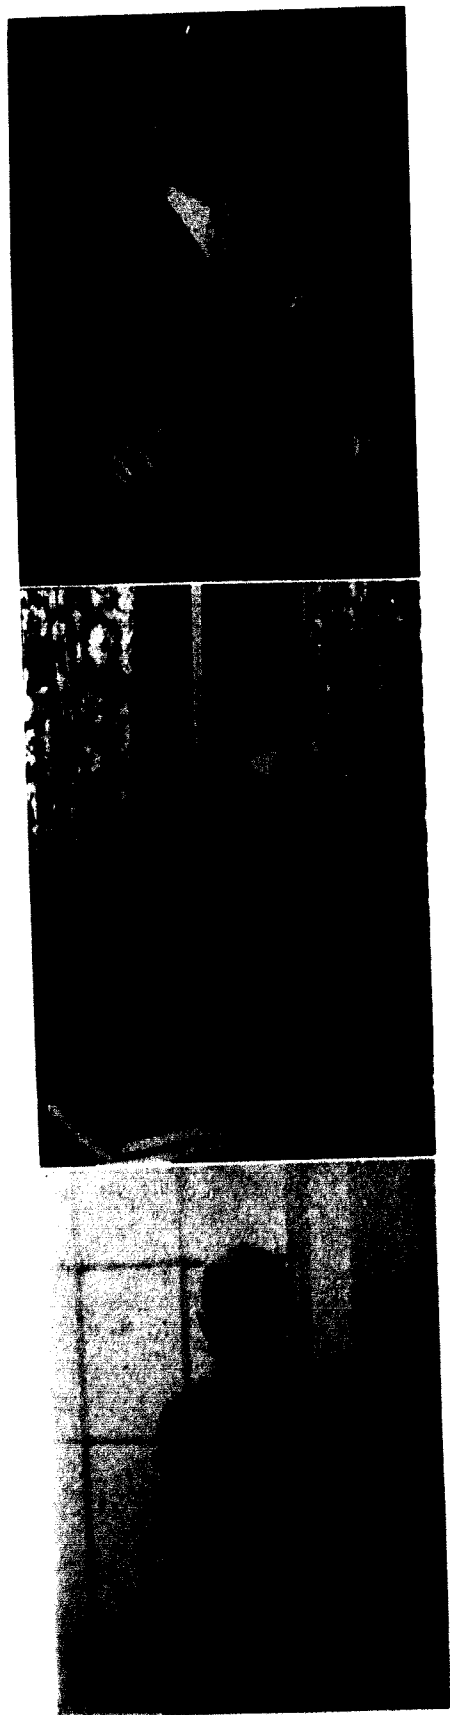

Dr. Hester, Vice-President of the college, is always ready with a warm smile and a friendly greeting to help students and friends. Since coming to William Jewell in 1926, he has established himself as a man of industry and hard work. He was graduated with an A.B. from Wake Forest College and received his Th.M. and Th.D. from Southern Baptist Seminary.

In addition to his administrative duties, Dr. Hester is Head of the Department of Religion and teaches classes in Bible with a scholarly and down-to-earth approach.

Minetry Jones holds the position of Vice-President in charge of Business Administration. His duties in regulating the expenses of the College demand a constant awareness and he has shown this awareness for three years. Much of his time is spent away on business trips which enable him to stay in contact with many of the alumni of the college.

Mr. Jones received his A.B. from William Jewell College.

The Deans _____

Frank G. Edson, Dean of the College and Head of the Chemistry Department, in his first year in the former capacity has assumed his responsibilities readily and proved himself both worthy and successful. This year held for Dean Edson particular significance in that it marked the turn of the College from the term system to the semester system.

Dean Edson, William Jewell Class of '29, received his Ph.D. from the University of Colorado.

Miss Bate's true southern friendliness and drawl characterize the gentle way in which she handles all situations. In her second year at William Jewell, Miss Bates has continued her good work through conferences and group meetings in helping students on the hill. Her wisdom in counseling and her good humor and personality make her a friend to all and a favorite with students and faculty alike.

Dr. Allen J. Moon, Dean Emeritus, has now completed a quarter-century at William Jewell. Since 1925 his personality has been a vital part of William Jewell College.

Dr. Moon was graduated and received his LL.D. from Howard College; he is now professor of Latin and is an aid, guide, and inspiration to all students with whom he works.

Administrative Personnel

These men and women make up a group of people who daily exert an influence upon our lives which is greater than we sometimes realize. They take care of the fundamental needs and spontaneous difficulties which plague an institution. Any of them will gladly give a student help and endeavor to make the student's college life more pleasant. The growth of the campus with new buildings and more activities has necessitated the addition of more personnel this year. William Jewell College is indeed fortunate in having such a competent, cheerful, and industrious staff which is always one step ahead in getting things done.

Melrose Hall, the dormitory for women, accommodates eighty William Jewell Coeds. The recently redecorated dorm is located on the north part of the campus just back of the President's home. Mrs. Margaret Fristoe, Miss Margaret Mitchell, and Mrs. Florence King were the housemothers for '49-'50. During Miss Mitchell's mid-year absence, Mrs. King, formerly a housemother at Baker University, was asked to take over the vacancy. The new recreation room in the basement affords many a pleasant hour for the girls.

New Ely Hall, which was completely redecorated for this year, accommodates one hundred and forty men, and the large dining hall in the basement serves both the men and women. The extensive refurnishing job done in the rooms gives the entire structure an attractive appearance. Dr. and Mrs. Joseph Clapp served as the head-residents of the dormitory *this year*. The dining hall is managed by Miss Urbie Utz who is assisted by student-employees.

The Pep Club

The newly created pep club, which as yet has no official name, was organized this year to promote better and stronger school spirit and more unity among the members of the student body.

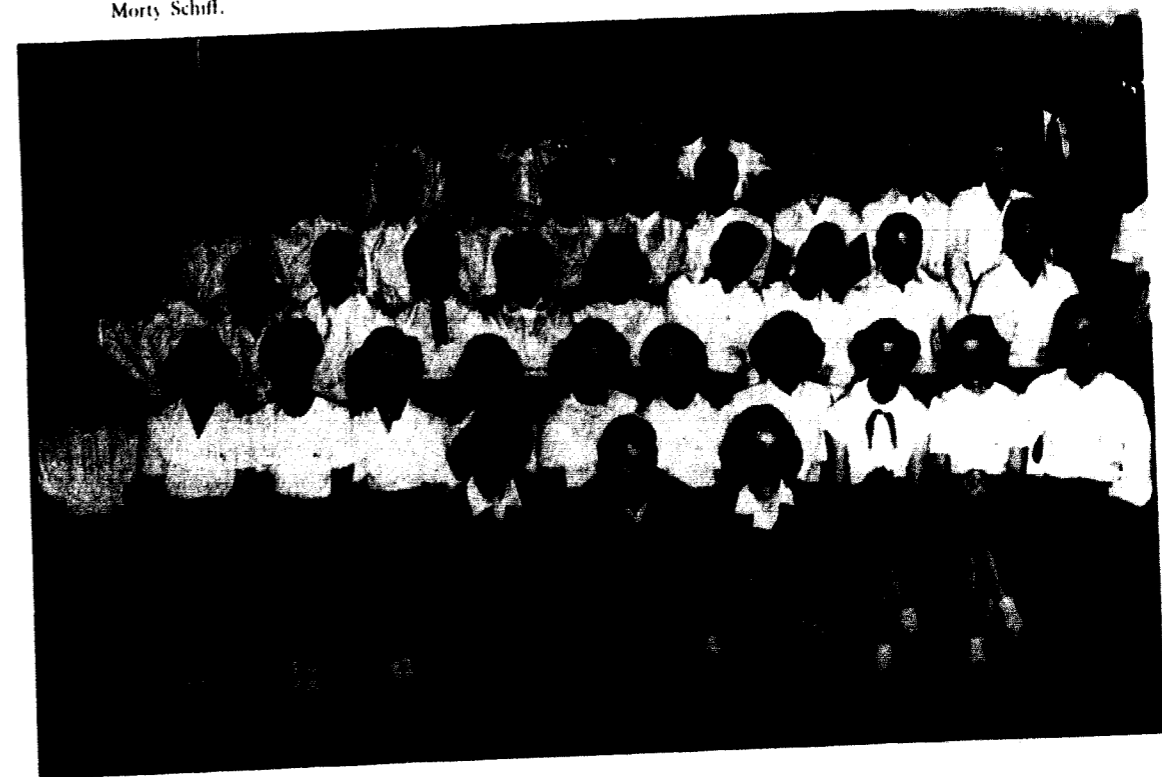

The idea to form such an organization was born in the Student Activities Committee. The Student Senate gave quick approval to the plan. The membership is made up of five members from each fraternity and sorority and the Independent Society and the non-affiliated. The cheer leaders are honorary members and they are also in complete charge of the group at all athletic events.

The club at its first meeting elected Bill Bowman president, Hubert Raborn, vice-president, and Joyce Edson, secretary.

The club has many new projects under way to take effect next year, some of which are: Getting an official uniform for the organization, promoting a school band, obtaining new yells and songs for the school, and obtaining a victory bell to be placed somewhere on the campus to let the townspeople as well as the student body know of our victories in the athletic field.

Most important to remember about the pep club is the fact that this year was an experimental stage but under the competent guidance shown so far it will be ready to go into full swing next fall.

Alpha Phi Omega

Friendship, leadership, and service are the key words for members of Alpha Phi Omega, the National Service Fraternity. This group of William Jewell students, all former Boy Scouts, have joined together for the purpose of being of service to the school, to the community, and to the country.

Since the main emphasis is placed upon service, various service projects have been carried on during the sixteen years the fraternity has been affiliated with the national organization. Among these projects are blood typing, fingerprinting, student directory publications, and parking of cars at football games. For the third straight year a successful blood-donor program has been carried out on the campus. Through this A.P.O. project, which was carried on by the Red Cross, representatives of the Wadsworth, Kans., Veterans' Hospital, and members of the fraternity, about 70 pints of blood were collected for the use of veterans in the Wadsworth and Excelsior Springs hospitals.

Officers for this year are: Bob France, president; Jim Trimble, vice-president; Claude Rhea, treasurer; Ray Brock, secretary.

Student Senate

The Student Senate is the nucleus of William Jewell's student government. The members are elected by the students and are composed of the presidents of all the classes and one representative from each of the chartered social organizations together with the president of the student body, who serves as chairman of the Senate.

The Senate holds a regular weekly meeting which is open to students for suggestions or discussion. The Senate is in charge of student activities such as Freshman Day activities, Homecoming day, special student programs, all-school parties, rallies, and elections. The Senate approves the actions of the Board of Control of Student Publications.

The Senate works in conjunction with the Pep Club and the Student Activities Committee in the planning and execution of all-school projects. This year a competitive sing was arranged as one of the new student activities.

All through the year the Senate strives to accomplish its goal of representing the entire student body in all affairs.

Members serving this year are Bob Shumaker, president of student body; Guy Boyer, president of senior class; Bob Titus, president of junior class; Hugh Mayberry, president of sophomore class; Jim Swinehart, president of freshman class; Ercell Head, Alpha Delta Pi; Pat Lynch, Alpha Gamma Delta; Velta Stout, Beta Sigma Omicron; Jim Helvey, Independent; A. C. MacKinney, Kappa Alpha; Carl Dimoush, Lambda Chi Alpha; Hubert Raborn, Phi Gamma Delta; Ed Shearer, Sigma Nu.

William Jewell Players

The William Jewell Players began their second quarter century on the 'hill' under the direction of Don White, president; Jim Oates, vice-president; and Jeanne Carter, secretary-treasurer.

The major productions of the year were "John Loves Mary," a farce in three acts with Mary Helen Kennedy and Morty Schiff in leading roles, and Shakespeare's "Macbeth," starring Bob Fleshman and Meri Olson.

The English department supplied pamphlets on the appreciation of Shakespeare for the latter production. These were sent to nearby high schools, and more than 200 out of town guests attended.

High on the list of entertainment were the workshop programs, "Christmas Fantasy," and the one-act festival in the spring.

In the former, Elizabeth Derwacter and Helen Doliber were featured in dream sequences of a toy shop window, "Why the Chimes Rang," and "Twentieth Century Lullaby." A melodrama, "Clem, the Miner's Daughter," headed the list of one-act plays. This was written by Jack Barsness, and directed by Helen Doliber. Also presented were Christopher Morley's "Bedroom Suite," directed by Anita McPike, and a scene from Irvin Shaw's "Bury the Dead," directed by Bob Fleshman.

The dramatics and production classes handled these programs in cooperation with the Players and Miss Rice, their sponsor. Important behind the scenes this year were Oren Whitehead, Earl Mann and Bob Heidt on stage; Frank Mosier on publicity; Horace Simon on ticket sales; Rena Jean Hank, Joan Adams and Lea Lanman on make-up.

Beta Beta Beta

Beta Beta Beta is a national biological fraternity whose Lambda chapter was installed at William Jewell in 1927. The organization's aim is to stimulate scholarship, disseminate scientific knowledge, and to promote biological research among the members.

Eligibility for membership depends upon the student's completion of at least three semesters of biology with an average of "B" or above, as well as having above average grades in other subjects. To become an active member of Tri-Beta, the provisional member must prepare a paper on some biological subject and present it at the Tri-Beta meeting.

Along with regular meetings held every other Thursday, there are several annual events, such as a hamburger breakfast at the home of Dr. Gier, and "Biology Day." This year "Biology Day" has been replaced by the regional convention of the Southwest District of the North Central Region of Tri-Beta. On December 27, Paul Pruett and Dr. Gier attended the National Convention in New York City. During the year, Liberty representatives of the medical profession have presented programs. They were: Dr. F. M. Waterman, who spoke on "Newer Treatments for Tuberculosis," Dr. S. O. The Co-op and Snack Bar

The Co-op Book Store was organized in the fall of 1908. While a student in college, Mr. Godfriaux, present chairman of the Co-op Board, was manager of the store for three years, 1911-1914. The annual volume of business at that time was approximately \$10,000 compared to the approximate annual volume of \$30,000 at the present time.

Last September, at the request of the student activities committee, the Co-op board agreed to sponsor the financial investment necessary to provide a snack bar for the student activity center, the Hub. This project necessitated an investment of \$3,000.

The board gives all its time and services free. The only paid persons are the managers and the student help. The Co-op was managed this year by Hugh Breckenridge Smith, assisted by Leonard Fugett. Mrs. Sylvia Clapp is the supervisor of the Snack Bar.

During recent years the profits of the store have been used largely in expansion. However, the electric basketball scoreboard was purchased with profits from the store, and donations of considerable amounts were made to the purchase of the chapel organ and to the project of new tennis courts, which is still in the process of development. The sole purpose and policy of the store is to be an efficient servant to the faculty and students, and to the college in general. Any and all profits will go back to some student or college project.

The William Jewell Student

The Student, published weekly by the students of William Jewell, began its 56th year by moving to a new office on first floor Greene Hall. The Student columns announce and record important events, express student opinion, support worthwhile activities, develop journalistic and literary skills, and preserve a faithful record for future years.

The editor for each semester is chosen by a committee of students and faculty members, assisted by the previous editor, from the three associate editors of the preceding semester. The basis of selection is the extent and quality of contribution. The three associate editors are elected by the student body.

Charles Johnson began the year as editor with Nancy Chrisman, Guy Morrison and Elizabeth Derwacter as his associates. Nancy Chrisman assumed the second semester editorship with associate editors Rita Scarpa, Jeanne Carter, and John Wiseman. The business manager of the Student is Jim Oates, assisted by Pat Wood. Rena Hank, Board of Control treasurer, handles the bookkeeping. Other staff members are volunteers from the student body.

Interfraternity Council

The Interfraternity Council is an organization composed of the president and one other representative from each of the four social fraternities. Its purposes are to promote the interests of the fraternity system, to discuss questions of mutual interest, to devise and regulate the rules of rushing and pledging, and to cultivate a bond of friendship among the several fraternities. In addition, the council has for many years directed an interfraternity athletic program. Dr. F. M. Derwacter is the adviser to the council.

Panhellenic Council

The Panhellenic Council is composed of representatives from the three sororities on this campus who meet together for the improvement of intersorority cooperation. Through the council's guidance, rushing rules are enforced. For the betterment of scholastic attainment, a scholarship trophy has been presented to the sorority having the highest average each year. Each sorority has obtained this trophy at least one time. A Panhellenic workshop and dance are held annually each spring to strengthen the friendship among these organizations. Beryl Noland, a member of Alpha Gamma Delta, was president of the council during 1949-50.

Since its inception in 1865, the Kappa Alpha Order has been a fraternal organization steeped in southern tradition, striving to instill in its members the qualities of the true Southern Gentleman, as exemplified by its spiritual founder, General Robert E. Lee.

Members of Alpha Delta chapter were prominent in the campus activities of the past year. Among the positions of leadership held by the Southern Gentlemen of Kappa Alpha were: president of the senior class, president and vice-president of the freshman class, vice-president of the sophomore class, treasurer of the junior class, captain of the basketball team, editor of the *Taller*, editor of the *Student*, manager of the Co-op, president of the "J" Club, president of the Pep Club, president of Beta Beta Beta, president of Theta Chi Delta, president of the English Club, two Acons, and two members of Who's Who.

Officers for the past year were Dewey Powell, I; Guy Boyer, II; A. C. MacKinney, III. The year opened with rush week, and the chapter emerged from this event with the acquisition of a fine pledge class of thirty-three men. Varsity athletics found the chapter well represented, with ten men on the football squad and five of the nine lettermen in basketball. Homecoming added a second place House Decorations cup to the chapter's collection. In intramural basketball, K.A. teams won two out of the three leagues, placing second in the third.

The Beaux Arts Costume Ball — the annual Mother's Day Tea — the Rose Formal, in the spring — all added to a memorable year.

Lambda Chi Alpha

The year 1949-50 was one of great significance for Lambda Chi. It saw an outstanding team win the Intramural Championship in basketball. Its social program was highlighted by the "Sweetheart Formal" which was indeed one of the best given this year. Lambda Chi also received the distinction of being the only frat to place in the intramural speech contest. With the conclusion of semester exam confusion and jitters, Lambda Chi found it had the best fraternity average on the hill.

Improvements on the house included the sanding of the floors, installation of a new heating system and a new den in the cellar; other improvements — the addition of fraternity jackets to the apparel of the men of Lambda Chi Alpha.

Special mention goes to the Lambda Chi president of the junior class, president of the Economics Club, secretary of the English Department, high man on the honor roll, and two men among the first five on the basketball squad. The award of the outstanding Lambda Chi of the year went to Bob Bibens.

Officers for 1949 were: George Coates, president; Bob Titus, vice-president; Al Jones, secretary; Paul Holladay, treasurer; and Harold O'Dell, rush chairman.

Elections in February slated to office: Jerre Richardson, president; Harold O'Dell, treasurer; Dick Harriman, secretary; Cliff Rust, recording secretary; and Ed Lundgren, rush chairman.

Phi Gamma Delta

For sixty-four years Phi Gamma Delta has held a prominent place on the William Jewell campus, proud of the distinction of being the oldest fraternity on the hill. Previous to its admission as a chapter in Phi Gamma Delta, Zeta Phi was a local fraternity organized in 1871.

The year has been prosperous and old honors have been topped with new ones — first place Tatler Revue skit written by Jack Barsness — first place homecoming decorations — and for the fifth consecutive time, first place intramural football champs.

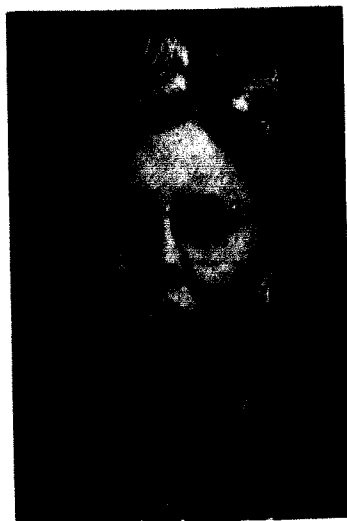

Personal honors have been frequent too — football co-captain — sophomore class president — associate Student editor — intramural manager — cheerleader — Alpha Phi Omega president — Psychology Club president — Hub Manager — an Aeon — two listed in Who's Who and Alexander Doniphan of the campus.

The year has been dotted with social events for everyone — for our girls, dances like "Cannibal Capers" and "Winter Wonderland" and outings like the annual Fiji Day in the spring — for our alumni the long celebrated Pig Dinner — for our mothers, the widely celebrated Mother's Day Tea.

Zeta Phi's destiny this year has been guided by Dean Ellenberger, president; Don Ellenberger, treasurer; Bill Bridges, recording secretary; Jerry Scofield, corresponding secretary; and Raymond Brock, historian.

As she completes her tenth year as our housemother, we give our heartfelt thanks and appreciation to our favorite Fiji girl, Mother Short.

Sigma Nu

The oldest fraternity house west of the Mississippi River continued to house Beta Xi chapter of Sigma Nu as it celebrated its 56th year of activity on the Hill.

Beta Xi will mark the passing of this anniversary and also the passing of the first 50 years of the Twentieth Century by remembering: Bob Shumaker, our conscientious student body president; brothers who became presidents of various organizations: Don White of the William Jewell Players, Bob Barto of Sigma Pi Sigma, and Joe Taylor of Pi Gamma Mu; the rush effort of the summer months which resulted in a fine class of pledges; the annual hayride which had its ups and downs; Senator McKinley, Fred and Mr. Beechwood in "John Loves Mary"; the second place float at Homecoming; the winter formal with an abundance of snow inside the house; the nickels spent on playing "The White Star" on the Hub juke box; second place at the Tatler Revue with a skit that was created just two short hours before the performance; the statewide Sigma Nu Basketball tourney in April; our first place intramural volley ball team; the weekend visit to Rho chapter at Missouri University; the arrival of a new "Topper"; and the wedding bells ringing for 3 brothers.

Mrs. Harry Gordon served nobly as housemother for the fourth year. The 1949-50 activities were led by: Warren Headlee, Commander; Jim Mullenix, Lt. Commander; Ed Shearer and Jim Oates, joint recorders; Karl Shade, treasurer; George Seaver, house manager; Bob Barto, social chairman; George Beatty, rush chairman; and Carl Nill and Frank Halferty as joint pledge trainers.

Independent Society

The Independent Society ended its year on the Jewell campus during '49 and '50 with many happy memories of the year's activities. The social activity for the year consisted of hayride, a roller skating party, a Halloween and Valentine party, and a banquet. There was active IS participation in all the school activities, with many Independents acting as leaders — president of BSU, Student Senate member, president of EOP, three members of Who's Who — one member represented in Panaeigis, one in Acons, officers in honorary fraternities, leads in the opera, IS representation on the track squad. In intramural sports both girls and boys fought with the IS spirit, and we took first in girls' ping pong, second in volley ball, and second in the swimming meet.

We are proud of the fact that we are a social organization open to all students. The preamble of the constitution reads: "We, the members of that great portion of the Student Body known as the Independent Society, in order to form a more perfect union, establish justice, promote the spirit of sportsmanship and fair play, and to secure recognition as well as to provide activity for every student at William Jewell College, do establish and ordain this constitution for the IS." With this preamble and the constitution that follows coupled with the great spirit of its members, the symbolic Liberty Bell will continue to toll, 'Liberty and Equality' for all, on the campus of William Jewell.

Alpha Delta Pi

Gamma Nu of Alpha Delta Pi celebrated its first year on the William Jewell campus with many activities and honors. The group, formerly known as TNT, founded in 1922, was allied with the oldest national sorority on April 23, 1949. Alpha Delta Pi was founded in 1850 at Wesleyan College, Macon, Ga.

Along with the many friendships of this year also will be remembered—a fine pledge class—the American Royal Princess—Princess and Attendant to the Homecoming Queen—third place float “Jewell Beats all Records”—Tatler Revue—an ADPi Queen and Princess—first in intramural basketball and swimming; third in volleyball—two associate editors of the *Student*, the treasurer of student publications, Business Manager of the *Tatler*—dramatic and musical talent exhibited in stage productions and the opera “Carmen”—the president of YWA, the secretary of the Student Senate, the vice-president of the junior class, secretary-treasurer of Panhellenic Council, and the treasurer of the freshman class—a Panaegis—a representative listed in *Who's Who in American Colleges and Universities*, and a cheerleader.

We'll also remember the parties and dances through the year—the “Ballerina Ball,” the “Barn Warmin’,” the “Yarn Ball,” the spring formal honoring the seniors, and the annual Mother's Day Luncheon. Romance was not forgotten either, for during the year six fraternity pins were joined to the badge of ADPi. All these things have meant a year full of activity and many “happy memories.”

Beta Sigma Omicron

Alpha Psi of Beta Sigma Omicron completed a full but happy school year in 1950.

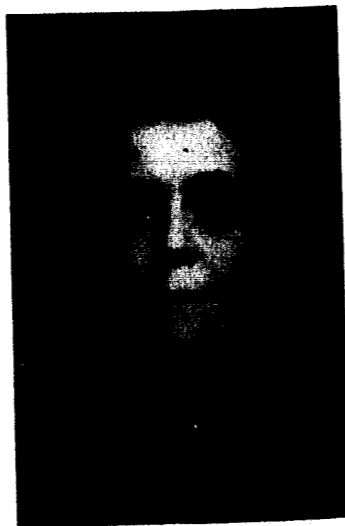

Rush week included a visit to El Rancho B.S.O. and a chicken dinner at the Parisian Rendezvous. Climaxing rush week the Beta Sigs pledged twelve girls.

The Betas played an active part in all fields on the campus this year. The first place volleyball trophy, the speech festival trophy, a third place cup for our Tatler skit, and a Beta Sig homecoming queen, all added to B.S.O.'s active year. Behind some of these honors are found a number of Betas doing hard work; serving ably as co-chairman for homecoming, general chairman for procuring a Student Union, debaters representing the school, leading ladies in dramatic and musical productions, *Student* editor, and many active in honorary organizations and clubs. A few offices held by Beta Sigs are: vice-president of the senior class, secretary of the junior class, secretary-treasurer of Pi Kappa Delta, president of Pan-American, a Panaegis, and two cheerleaders.

A dreamy feeling came over anyone entering the pledge dance planned on the theme "Smoke Gets in Your Eyes." And we will cherish memories from the annual spring Rose Formal. Nor has B.S.O. neglected the romantic angle.

The officers for the year 1949-50 were: Billie Page, president; Nancy Chrisman, vice-president; Sue Jo Husman, recording secretary; Peggy Beecher, corresponding secretary; Jeannine Tussey, treasurer; Norma Ruthe Rosendale, pledge trainer.

Athletics

The Physical Education Department

Athletics have for over a century played an important part in the social and public relations of William Jewell College. The first physical plant was built in 1894, and was named Brown Gymnasium. This laid a foundation for basketball competition before many schools in this area. Facilities at William Jewell include training for students with exceptional talent, particularly those who are willing to participate in football, basketball, track, tennis, and golf.

Activities in the athletic department this year have been under the direction of J. E. "Pat" Bradshaw. Coach Bradshaw received his A. B. from Culver-Stockton College and later received his Master's degree and took further graduate work at the University of Missouri.

Don Farris, basketball coach at William Jewell, has done a great deal to improve the athletic program here. Besides his coaching of basketball, he can also be seen lending a hand on the gridiron.

Last but not least, there is Miss Margaret Parker. Miss Parker is director of women's athletics and is also director of student activities. She is a graduate of Kansas State College and Syracuse University.

This year, for the first time, a sports day was planned and put into effect. Under the direction of Coach Bradshaw and with the cooperation of the officials of William Jewell and Park Colleges a Sports Day was held. On this day the intramural teams of the two colleges were pitted against each other. Trophies for the winners were donated by the Helms Athletic Foundation, directors of the sports Hall of Fame.

Football team boards chartered plane to Hot Springs, Ark., for Ouachita game.

Hard-hitting action in the Missouri Valley game at Marshall.

Football

William Jewell's Big Red football team battled under the toughest competition this season. Their won-lost record, although a little lopsided, was overshadowed by the true team spirit which prevailed on the gridiron throughout the season.

Jewell faced one of the hardest schedules in the school's history, which included the top teams in each of four conferences in Missouri, Kansas, and Arkansas. This list included Ouachita College, a top-rate college from Arkadelphia, Ark. The Big Reds were the underdogs in this event, but foiled the pressmen by defeating the highly rated Ouachita Eleven. This trip was not only a fine one from the winning standpoint, but it made history in the athletic program of William Jewell. For the first time in the history of the school an athletic trip was made by air.

Jewell, winning 3 of their 10-game schedule, finished third in the Missouri College Athletic Union. The team was captained by Joe Wright from Louisiana, Mo., and Bill Snyder of Kansas City. Snyder was the only member of the Cardinal squad to be cited by the Associated Press for outstanding play in the MCAU conference. Although unable to play in conference games because of a conference ruling, Tom Cook of Kansas City sparked the fighting Jewell squad in the remaining games on the schedule.

At several times during the season injuries weakened the Cardinal squad prohibiting them from doing the best job possible. A worthy group of able replacements deserves much credit for the fine work put forth in the pinches.

The squad will miss greatly the services of Jerry Mershon, the hard-driving back who has played many a 60 minute game in his two years here. Jerry transferred to M.U. at the end of the first semester.

Basketball

1949-50 was one of the in-between years for the Cardinal Cage Club. After losing all but one of the starting five from the previous year, Coach Don Farris mustered together an inexperienced team which made a good showing and left a prosperous outlook for the coming basketball seasons.

This year the Cardinal basketceers were sparked by Gus Yendrek and Bill Spencer on the scoring. Carl Walker, game-captain, and Bob Bibens along with Jerry Scofield played for the last time under the red and black banner. Walker was always a threat at the post this season. Bob Bibens and Bob Titus, the "old men" of the team, will be well remembered for their scrappy hustle on the hardwood. Other standouts were Cliff French characterized by his smooth ball handling, Homer Lyle with his remarkable accuracy in set shots, and Dwight Crane for his steady, consistent ball game. Dwight was an outstanding defensive player.

William Jewell's power showed up against the most formidable teams such as Central who was runner up in the NAB tournament held in Kansas City this spring. From an overall standpoint the season was a good one filled with a lot of excellent basketball.

The game's over... we won too.

Tennis

The 1950 tennis season saw the return of four Cardinal lettermen to the courts. Bob Davis, Gus Yendrek, Clifford French, and Joe Janson were veterans of one year's experience. Two new racket swingers who showed much promise in early-season competition were Roger Walker and Fred Benson. The netmen accompany the track and golf teams on their trips and also schedule a few extra contests with such schools as Wentworth and Graceland to round out the season.

Track

As the William Jewell thin-clads took to the cinder track this spring prospects were good. The squad was strong in field events, but was lacking to a certain degree in track events. The team was again coached by Coach J. E. "Pat" Bradshaw.

Glenn Petty was the big point winner on the Cardinal squad. Glenn was a winner of several first places in the pole vault and the broad jump. He tied for first place with a twelve foot pole vault mark and won the broad jump at the MCAU indoor meet at Central College. Jack Brown was also a winner in the MCAU meet. He tied for first place in the same meet with a jump of 6' 2". Several of Jewell's points were gained through the effort of Jim Temple, who was tough for the opposition in the shot and the discus.

Track competition was stiff for the Jewell sportsmen. Other teams in the area were especially strong in dash and relay Competition. The Cards were not bad by any means, for they gave the opposition a good run for their money.

Harold Ashby was the big winner in the distance competition. Harold was second in the 2-mile events in both the MCAU and Central meets. In the mile competition against Central he took first place.

In all major events this spring, the Jewell cindermen made a good showing. They placed fourth in the MCAU indoor meet against excellent competition and won a dual meet with Warrensburg.

The "J" Club

Since 1912 over four hundred Jewell men have had the honor of being accepted and initiated into the William Jewell "J" Club. This year the active membership rose to 47. The "J" Club is composed of those athletes who have earned at least one letter by intercollegiate competition as a member of one of the Big Red Team's varsity squads. They then must be approved by the active members of the club and are then subjected to a short but famously memorable initiation.

1949-50 has been a very successful year for the "J" Club. Several of our main projects which have been accomplished this year are: Re-opening and furnishing the new "J" Club room and the printing and sending out of lifetime membership cards to all past and present members of the club.

The "J" Club, sponsored by Coaches Bradshaw and Farris, maintains high ideals in athletics, functions in a materially beneficial way throughout the year by maintenance of a refreshment stand during the athletic events, running off the William Jewell Invitational Track Meet, and making improvements on the athletic field, the gym, and the campus.

The officers for this year, were: president, Jim Allen; vice-president, Bill Bowman; secretary, Virgil Spotts; and treasurer, Guy Boyer.

Intramural

All girls may participate in the intramural program directed by the Women's Athletic Association. For the past two years trophies have been awarded to the group winning first place in volleyball, basketball, swimming, and softball. Under the direction of Lois Younger, intramural manager, a field hockey day, table tennis, and tennis tournaments also were conducted.

Since Coach Bradshaw's coming, participation in intramural athletics has grown with increasing popularity. Women's Athletic Association

The William Jewell College unit of the Women's Athletic Association is open to any girl interested in any form of recreation. The purpose is to promote and create an interest in a wide variety of athletic activities.

The local unit organized intramural tournaments in four sports this year. Trophies were awarded to the first place winners in the volleyball, basketball, and softball tournaments and in the swimming meets. A large intramural sports trophy is awarded to the group totaling the greatest number of points during the year.

Individual achievements are acknowledged by the point system. Girls who have earned 500 points are awarded a WAA pin; those earning 1000 points receive the letter "J." An award of a blanket is made to a senior girl who has earned her "J" and is chosen for athletic accomplishment, spirit, service, and scholarship.

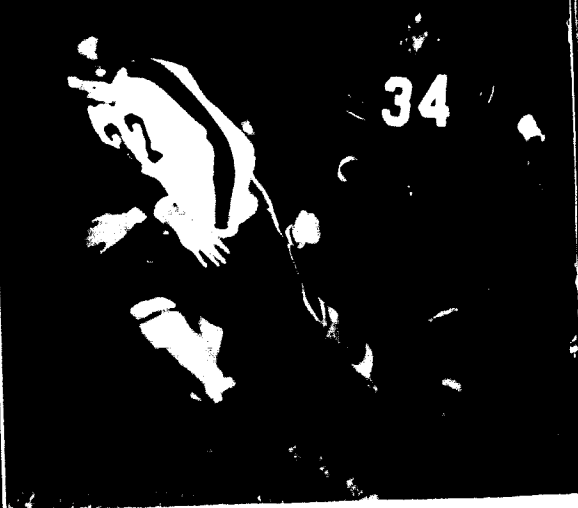

Last fall the organization sponsored a field hockey play day. This was an addition to the year's events and received much support from the girls on the campus.

The Women's Athletic Association was re-organized on the William Jewell Campus in 1946. This year the organization was sponsored by Miss Margaret Parker.

The officers for the year 1949-50 were: Sue Jo Husman, president; Jane Clarke, vice-president; Anne Ferril, treasurer; Ann Hoover, secretary; and Lois Younger, intramural manager.

Features

Homecoming

In a flurry of bright colored pennants, traditional cysanthemums, lively band music, and gridiron hopes, the 1949 Homecoming took its place as the "Autumn Event Outstanding." The morning parade was highlighted by the faculty float which featured several brawny queens and the theme, "JEWELL Will Reign"—and so she did!

Tatler Revue

Tatler Revue, 1950, presented the "New Century of Progress," featuring television in simulated and live production. The Revue was presented to a capacity crowd in Gano Chapel, and the returns surpassed all previous years.

Miss Beverly McCormick, New Melle, was chosen queen of the Revue, with Miss Edna May Steiner, Independence, and Miss Joanne Allen, Louisville, Ky., reigning as attendants to the queen. This court was presented to T.V. audiences the following evening in a program entitled, "William Jewell Beauty Queens Present Television Fashions."

The general manager of the Revue was Guy Morrison. The script for the television show was written by Frank Mosier. Miss Judith Borchers, 1949 *Tatler* Queen, was the narrator on the T.V. show.

Phi Gamma Delta, presenting a modern takeoff of "Cinderella," won first place in the skit competition. Sigma Nu and Beta Sigma Omicron were second and third in the skit contest.

The girls in the Queen court were: Miss Betty Wilson of Liberty, Miss Ruth Kemper of St. Louis, Miss Therese Barbier of Gennevilliers, France, Miss Norma Ruthe Rosendale of North Kansas City, and Miss Evelyn Bailey of Kansas City.

Left to right: Evelyn Bailey and Bob Davis, Betty Wilson and Dean Ellenberger, Edna May Steiner and Vernon Mitchell, Beverly McCormick and Bob LaFollette, Jody Allen and Gordon Johnson, Ruth Kemper and Bob Sanden, Therese Barbier and Carroll Tompson, and Norma Ruthe Rosendale and Joe Janson.

Forensics

Forensics activity at William Jewell is sponsored by Pi Kappa Delta, national honorary forensics fraternity.

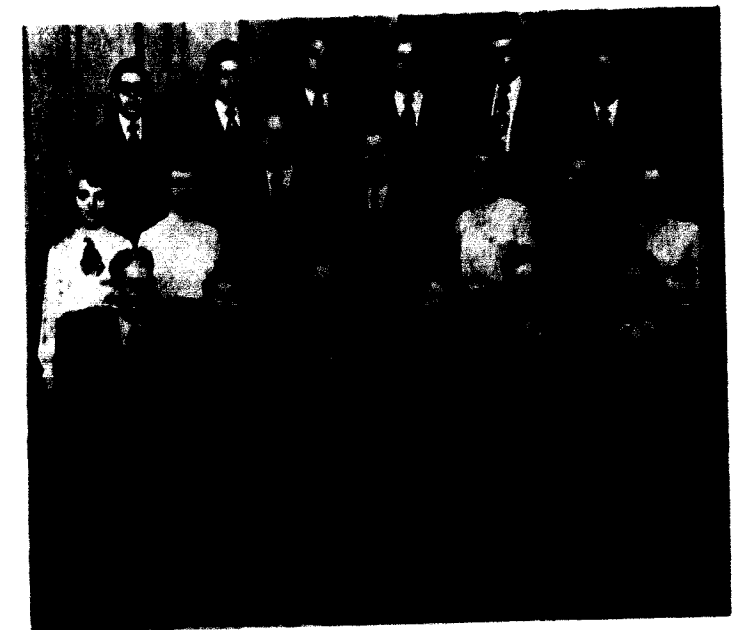

Student speakers strive to attain advanced degrees, and the Missouri Delta chapter, with an active membership of 24, boasts 3 with the highest degree, the diamond of special distinction; James Helvey and Henry McCanna in debate; Mary Helen Kennedy in oratory.

Work began with a high school debate clinic in the fall, where the college debaters served as judges, timekeepers, and chairmen of arrangements. Highlight of the first semester was the Intramural Speech Festival, when more than 70 representatives of social organizations competed in debate, oratory, extemporaneous, after dinner speaking, and poetry. Winners: Beta Sigma Omicron, first; Alpha Gamma Delta, second; Lambda Chi Alpha, third.

A college invitational debate tournament opened the second semester. Nine William Jewell teams were among the 104 participants from 16 colleges in 2 states who came to the campus Jan. 28.

Among the several trips to tournaments was the state forensics meet at Warrensburg in March. William Jewell representatives came home with four superior (first) and six excellent (second) ratings.

Officers who sparked the Pi Kappa Delta activity for the year were Mary Helen Kennedy, president; Henry McCanna, vice-president; Norma Ruthe Rosendale, secretary-treasurer, James Helvey, publicity chairman.

Music

Presentation of the opera, "Carmen," on May 2, 4, and 6 climaxed a year that included not only musical productions but a complete program of voice and piano instruction. This year the department facilities were improved with the remodeling of the offices and the installation of sound-proof wall and floors in Gano Chapel.

Students of Dr. Grosch and his associates, Mrs. Grosch and Mrs. Lydia Lovan, have given assistance to the enrollment office by entertaining in various high schools throughout the state. Several shows have been given for veterans' hospitals and for benefits.

Dramatics

The Dramatics Department began a busy year with the Players' presentation of "John Loves Mary." This comedy, which was hailed as a huge success, was followed by the major production, the Shakespearean tragedy, "Macbeth." Starring Bob Fleshman and Meri Olson in the leads, "Macbeth" proved to be the highlight of the dramatic year.

Seventeen seniors presented the spring play, "Best Foot Forward," and repeated with successful comedy. In addition to the full length productions, the dramatics students presented a Dramatic Workshop which consisted of three one-act plays under student direction. They were: "Clem, the Miner's Daughter" under the direction of Helen Doliber; "Bedroom Suite" directed by Anita McPike; and Bob Fleshman brought "Bury the Dead."

Through the capable leadership of Miss Virginia D. Rice the Dramatics Department has made a memorable year of 1949-50.

In Memory

For those who knew George Coates there is no need for a tribute; for those who didn't know him words are inadequate.

He entered William Jewell in the fall of 1947 and made new friends immediately. His cheerful and earnest outlook on life earned the admiration of everyone. His many activities — president of Epsilon Nu Zeta of Lambda Chi Alpha in '49, president of the sophomore class '48-'49, member of Student Senate, member of Board of Control of Student Publications, member of Interfraternity Council, general chairman of Homecoming '49-'50 — speak for his intense interest in school and the people around him.

As a leader, companion, and friend he has won a place in our hearts that will remain forever.

George, the "Champ" was always clowning.
