Vice Presidents of the College

JOHN A. POND

Mr. John A. Pond serves William Jewell in the capacity of Vice President in charge of Business Administration. This has been the second full year that he has been at this college. In this time, Mr. Pond has been instrumental in initiating and expanding the purchasing system of the college.

Mr. Pond has had much experience in the field of college business management. He served for six years as the director of purchasing at the University of Colorado, he has been treasurer of the National Association of Educational Buyers, and he has been a director of the National Federation of College Business Officers Association.

MINETRY L. JONES

Mr. Minetry L. Jones has completed another year of capable and efficient management and organization as Vice President. His services are very important to the growth and future progress of this college.

Part of his work includes planning and supervising the design and construction of campus buildings. He has continued concern over the new library which will soon be added to the "Hill" and contributed to the direction of the married students center. The latter is expected to be completed within the next year.

In addition, Vice-President Minetry Jones is responsible for all the major financial transactions of the college.

Dr. Binns Retires After Nineteen Years of Service

Early in the second semester Dr. Walter Pope Binns announced at a press conference his intention to retire in July, 1962. During his nineteen years as President of William Jewell College, Dr. Binns has been known as a capable and outstanding leader.

He first came to the college in 1943. Prior to that time he had been serving as pastor of the First Baptist Church in Roanoke, Virginia. His undergraduate days were spent at Mercer University from which he received an A.B. degree in 1918. In 1923 he earned his Th.M. from the Southern Baptist Theological Seminary. Later he returned to Mercer for his D.D. and LL.D. in 1929 and 1947 respectively. In addition, Dr. Binns has received honorary degrees from Occidental College and Tulane University.

Many changes have taken place during Dr. Binns' years as president. The size of the student

body has increased from 284 students to over 1,000, while the number of departments has increased and the size of the faculty has doubled. Several campus buildings have been added or improved. Jewell Hall, New Ely, Marston Hall, and the President's Home have been renovated and refurnished. Among new buildings added are Greene Hall, Jones Hall, Greene Memorial Stadium, Semple Hall, and the Yates College Union. Also planned for the near future is a new library and a center for married students.

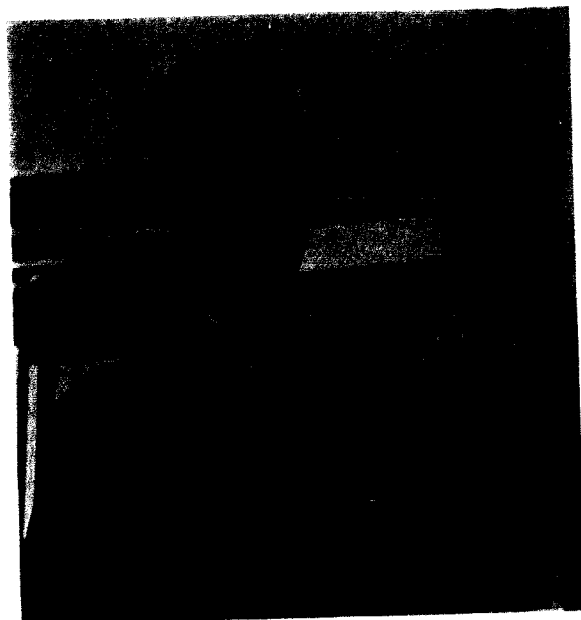

Through the years Dr. Walter Pope Binns has added much prestige to the campus atmosphere and taken an active interest in all student and campus affairs. After his retirement Dr. Binns and his family will move to Falls Church, Virginia, where Dr. Binns will keep active in community and church life.

CATHERINE W. BATES

Serving William Jewell as the Dean of Women is Miss Catherine W. Bates. Miss Bates completed her undergraduate work at the Agnes Scott College in Georgia, then attended the Women's Missionary Union Training School at Louisville, Kentucky, and later did further graduate work at Columbia University in New York City.

In addition to counseling the women students, Miss Bates serves as an advisor to the House President's Council and Panhellenic Council, schedules all the social events, and supervises the handbooks.

DR. GARLAND F. TAYLOR

Dr. Garland F. Taylor, Dean of the College, received his B.A. and M.A. degrees from Tulane University and his Ph.D. degree from Yale University. He served as the Director of University Libraries at Tulane University in New Orleans before coming to William Jewell.

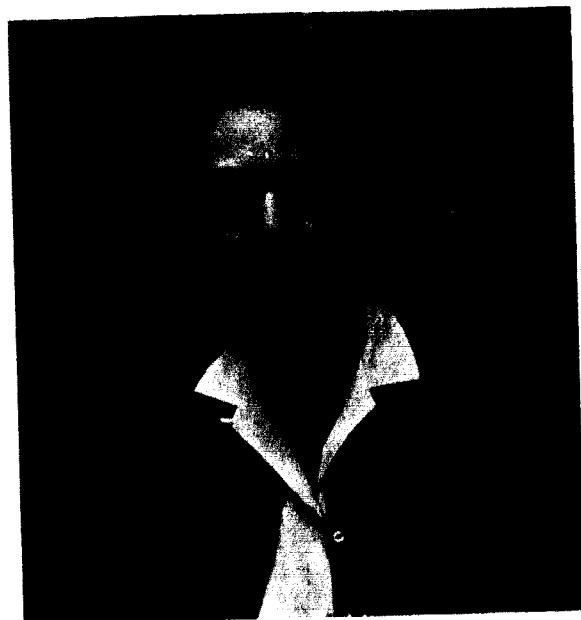

In his capacity as the Dean of the College, Dr. Taylor has been instrumental in raising the academic standards of the college. Among his other duties, he acts as the chairman of the committees for admission and curriculum.

Deans

E. W. HOLZAPFEL

Dean E. W. Holzapfel, the Dean of Students, has served William Jewell since 1948. He is a graduate of Westmar College and Iowa State College.

Dean Holzapfel's duties include counseling, advising students concerning their vocational choices, testing transfer students, and speaking on behalf of students at faculty meetings and alumni gatherings. He also serves as the chairman of the athletic committee and the scholarship and loan committee and is a member of various other committees pertaining to the Jewell students.

Administrative Staff

The administrative staff of William Jewell has the tremendous responsibility of managing the various and numerous facets of college life.

A staff of workers in Greene Hall handle the business affairs, public relations, registration, and admission of new students. There is a great amount of work and responsibility in each of these departments. Maintenance of the college buildings and grounds are under the supervision of the plant superintendent and his crew.

A health program has been initiated at Jewell under which there is an infirmary with two

registered nurses to insure care for those needing it. The college is also served by three physicians.

The management of the school library is handled by a competent staff of workers who are always willing to help any student. Yates College Union is supervised by a director. There are also directors of the food services and the college book store.

All of these directors and staff members comprise the working force of the college which is largely responsible for its functioning smoothly and efficiently.

Department of English and Speech

From a very simplified viewpoint the English Department is concerned with only one thing—the student's ability to read and write. But, of course, this is indeed a simplified viewpoint. For the Department is concerned not just with the student's ability to write but his ability to write well, his ability to organize his thoughts clearly and logically and to express them in effective written English. Likewise the Department is concerned with the student's ability to read well, his ability to read with more than a superficial understanding, his ability to interpret and to see the relation of literature to his own life.

Because these abilities are important to every college student, practice in the basic skills leading to these abilities is introduced to all students

through Freshman English. More advanced courses offer additional study to English majors and other interested students. The Department also offered this year an upperclass course, Survey of World Literature, designed especially for non-English majors.

The Speech Department might also be said to be concerned only with the student's ability to speak. Such a statement would again be highly simplified, for the Department is concerned with much more. It is concerned with the student's ability to reason, to argue, to explain, and to convince. It is concerned with his ability to present his own ideas in effective, intelligible spoken English. In the area of interpretation it is concerned with the student's ability to present orally the ideas of others.

Departments of Psychology and Education

The Department of Psychology attempts to teach the student to understand and evaluate his own actions and the actions of others with an objective view. The course work ranges from an introductory class for all students to History and Systems or Experimental Psychology in which one attempts to use the scientific methods.

The aim of the Education Department is to prepare students for the teaching profession by helping them understand the principles of learning, giving them a knowledge of the materials of the profession, and the techniques through which to use the materials. An annual event is the Education Conference in which students prepare exhibits and participate in discussions concerning educational trends.

The Department of Physical Education has come to be an integral part of the educational curriculum at William Jewell. A wide range of courses are offered to suit the needs of all students. The basic program required of all includes instruction in four sports while those majoring in physical education are required to study courses in first aid,

health education, kinesiology, plus teaching and coaching methods.

The overall goal of the department is to acquaint the students with the fundamentals of physical fitness, to provide knowledge of rules and the strategy of games. In addition the sports are presented so that the student will realize their usefulness and enjoyment in leisure time activities.

Departments of Economics and History

The Economics Department aims to prepare one to accept his role in the community by understanding the importance of economics and business. By becoming familiar with the institutions and processes that regulate our economy, one can fulfill his business obligations more adequately.

The Department of Political Science provides

for the study of government and political policies, thus enabling the student to comprehend the significance of past and current news events.

Another area valuable to the curriculum is that of history. The Department not only presents the historical facts but teaches the students to relate information from one generation to another.

Departments of Biology and Chemistry

Biology, today, is essential for the proper solution of many of our social problems. The Biology Department of William Jewell College is well equipped with modern laboratories to aid in the development of a liberal arts education for those who wish a minimum requirement in science and at the same time to prepare students of biology for specialization or for graduate study.

The James Andrew Yates Department of Chemistry is one of the endowed departments of the college. Mr. William F. Yates of Richmond has donated over \$275,000 to the department in memory of his son, James Andrew Yates.

Chemistry is a very basic science and courses can prepare one for graduate study not only in chemistry but also in engineering, teaching, and for government and industrial positions.

Religion, philosophy, and sociology are fields concerned with the human and his behavior. The Religion Department tries to give the student an understanding of the historical facts and ideas of Christianity, which is basic to human needs.

In philosophy, students are urged to consider seriously the problems which confront them, and to investigate the methods which others have used in solving similar problems.

Sociology is the study of the activities of groups of individuals and is beneficial in predicting social change. Students are encouraged to participate in research and field trips are taken frequently.

Departments of Physics and Mathematics

The program of the Department of Physics varies from a three semester hour course for the layman to four years of physics for the future physicist. Thus it meets the needs of all those interested in the field.

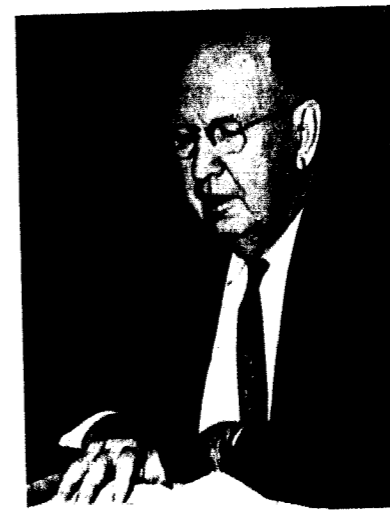

The Department takes up 7000 square feet of space in Marston Hall and its equipment and supplies are valued at over \$90,000. Each year new

apparatus is added to keep abreast of trends in the field.

Like the other physical sciences, the courses offered by the Department of Mathematics are designed to fit the needs of the liberal arts student. Those desiring to major in math are required to complete either twenty eight or thirty-two semester hours depending upon their high school background.

THE FACULTY AND ADMINISTRATION listen attentively to Vice President Johnson at the Achievement Day Convocation.

Fire Highlights Annual Achievement Day Events

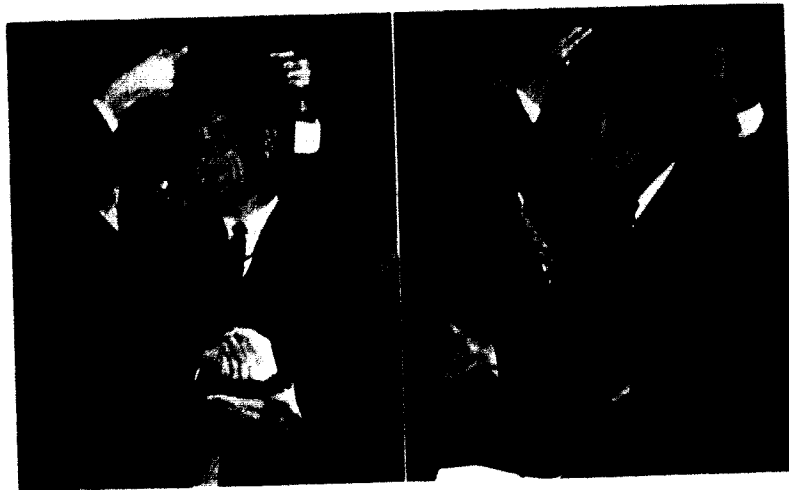

The eighteenth annual Achievement Day, held this year on Thursday, November 9, proved to be a unique event. The day began with the student forums conducted by those who were to receive citations of achievement and four additional speakers. Those speaking in addition to the honorees were Dr. Ralph M. G. Smith of Kirksville, H. Gavin Leedy of Kansas City, Cecil R. Martin of St. Joseph, and John Wright Clark of Kansas City.

The convocation was held shortly after the forums. At that time six outstanding alumni were given citations. The six included Hilary A. Bush, Jefferson City; Chester Cunningham, Santiago, Chile; Foster B. McHenry, Jefferson City; Dr. Constance Nelson, Kansas City; Claude Rhea, Jr., New Orleans, Louisiana; and William B. Waters, Liberty. The convocation was highlighted by the two outstanding guests, Vice-President of the

United States Lyndon Baines Johnson, and Missouri Governor John M. Dalton. Both received the honorary degree of Doctor of Laws. Vice President Johnson was presented for the degree by Charles F. Curry, Chairman of the Board of Trustees, while Rev. J. Eldon Johnson, Honorary Colonel on the Governor's staff, presented John M. Dalton for the award. The impressive ceremony was concluded informally when Vice President Johnson requested that the audience pay tribute in song to Governor Dalton on his birthday.

In the afternoon Mr. Johnson greeted the members of the Young Democrats' Club at a conference in the College Union. There he answered questions of interest regarding party policy.

An ill-timed fire brought national attention to what would have been the Achievement Day Banquet. The banquet which is traditionally held in the ballroom of the Hotel Muehlebach had to be cancelled due to a fire which broke out in the hotel's kitchen. Over 1000 guests had planned to attend the event.

Far Left VICE-PRESIDENT LYNDON BAINES JOHNSON ACCEPTS the honorary degree of Doctor of Laws.

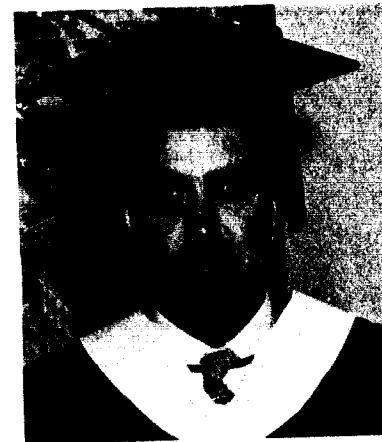

Left MISSOURI'S GOVERNOR JOHN DALTON RECEIVES congratulations for the same honorary degree.

HILARY A. BUSH

Lieutenant Governor Hilary A. Bush was graduated from William Jewell and later from the Kansas City School of Law, where he received his L.L.B. During the war Mr. Bush served as Judge Advocate General of the 81st Infantry Division, and after the war he was a Military Governor in northern Japan.

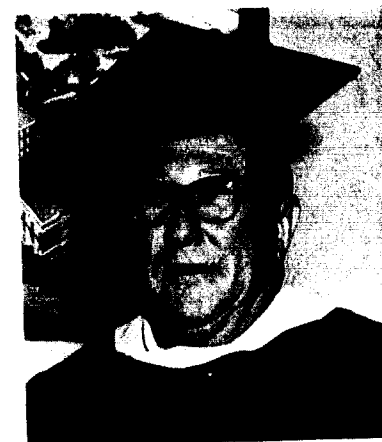

Mr. Bush is a member of the American, Missouri, and Kansas City Bar Associations. In addition, he is on the Board of Governors of the WJC Alumni Association.

CHESTER B. CUNNINGHAM

Chester B. Cunningham received his B.A. from William Jewell in 1932, graduated from Central Missouri State College in 1933, and received his M.A. in physics from the University of Kansas in 1934. He received further education at the Radar Officers' School, the Department of Agriculture Graduate School, and the University of San Marcos, Lima, Peru.

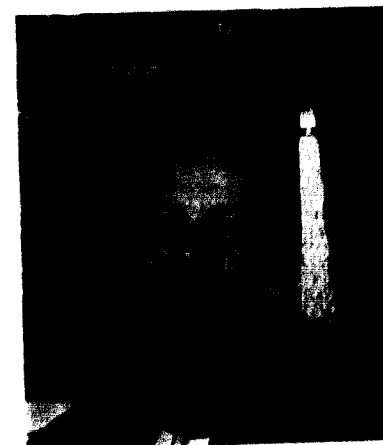

In 1957 he was selected to be scientific Advisor for the Project Vanguard Satellite Tracking Station at Lima.

FOSTER B. McHENRY

Foster B. McHenry, President and General Manager of the Capital City Telephone Company, Jefferson City, Mo., received his A.B. from William Jewell in 1914. He took post graduate work in Business and Public Administration at the University of Missouri.

Mr. McHenry was awarded a Purple Heart during World War I. Among other activities, he has served as Commander of the local chapter of Disabled American Veterans. Mr. McHenry is also active in business organizations.

DR. CONSTANCE NELSON

Dr. Constance Burkhardt Nelson, a clinical psychologist, received her B.A. from William Jewell in 1938, her M.A. from the University of Minnesota in 1952, and her Ph.D. from the University of Kansas City in 1958.

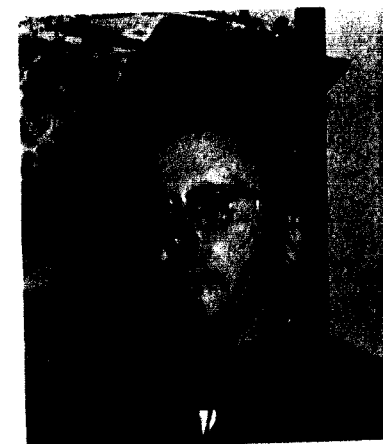

Dr. Burkhardt has served in various teaching capacities and is now a clinical psychologist at the Mental Hygiene Clinic, Veteran's Administration, and is associated in private practice with the Psychological Services of Kansas City.

CLAUDE RHEA

Claude Rhea, Jr. received his undergraduate degree from William Jewell in 1950 and his B.Mus.Ed. from Florida State University in 1954. In 1955 Mr. Rhea released his first record, and since that time he has had several subsequent recordings.

He is presently the Dean of the School of Church Music at New Orleans Baptist Seminary.

WILLIAM BAXTER WATERS

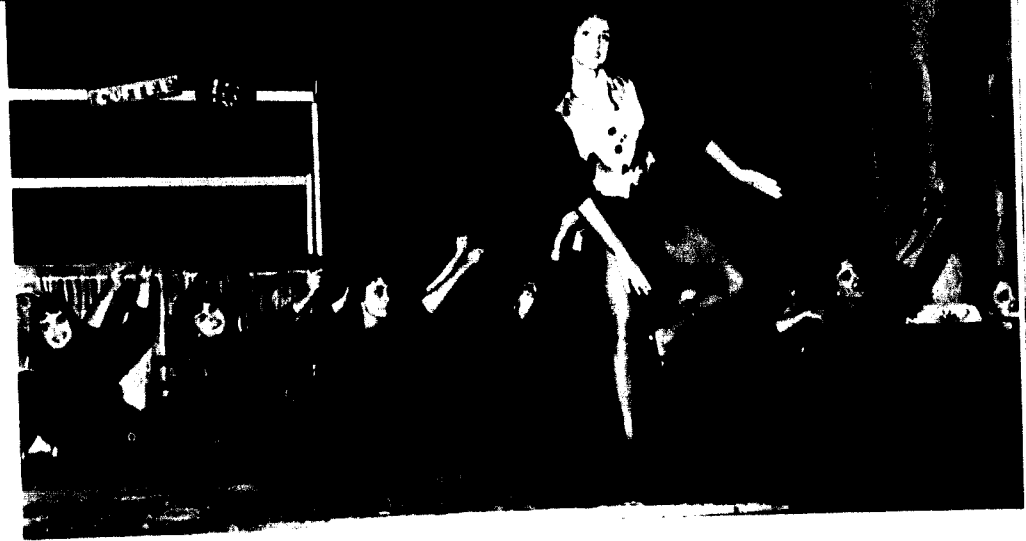

William Baxter Waters, now serving his second term as a Missouri State Senator, received his B.A. from William Jewell in 1937 and his L.L.B. from the University of Kansas City. He was admitted to the Missouri Bar in 1941 and prior to being elected as Senator, he served seven years as Judge of the Probate Court of Clay County.

During World War II, Senator Waters served in the army as a special agent in the Counter-Intelligence Corps.

Tatler Revue

William Jewell students and alumni continued an avid interest in Tatler Revue, an outlet for student initiative and creativity. The 1962 revue which was presented on Friday and Saturday nights, February 9 and 10, was reorganized somewhat this year since the sororities and fraternities combined efforts in the production of skits. The groups worked together this year as follows: Kappa Alpha Alpha Delta Pi, Lambda Chi Alpha Delta Zeta, Phi Gamma Delta Beta Sigma Omicron, Sigma Nu Alpha Gamma Delta, and Non-affiliated students. For future performances, the sororities will rotate.

Another innovation was the presentation of a trophy for the most original song in addition to the traditional trophies for first place, second place, best actor, and best actress. These trophies were awarded Saturday after the performance of the skits and several talent acts. Friday night the queen candidates walked before the audience between skits, and the queen presentations followed the program. The cooperation of all students involved with organization and participation in Tatler Revue resulted in a successful production.

THE BSU CHOIR LENDS ITS MUSIC for the closing religious Focus Week service of the year

Focus Week Brings Religious Leaders

Focus week, the most significant religious event of the school year, was held the week of March 18. Under the leadership of co-chairmen Audrey Vought and Norm Bowman and director of religious activities Tom Bray, the week featured Christian leaders from many regions of the country and represented a wide variety of professional interests. Using the theme, *Not As I Strive...*, to ourselves, to others, to God, the team members conducted chapel programs, led seminars, visited the classrooms, and moderated informal discussion groups.

The spontaneity of the fellowship party aptly introduced the twelve outstanding members of the team. Serving as coordinator was Mr. David Alexander, head of the student department in Nashville, Tennessee. For her reserved composure and winsome testimony Mrs. Beth Hayworth, associate state student secretary of La., endeared herself to many students. Dr. Andrew Hall, pastor of the First Baptist Church in Fayetteville, Ark., invited unprecedented vesper attendance with his genuine awareness of collegiate attitudes and questions. Mrs. Lloyd Barker, pastor's wife from Memphis, Tenn., animated forums with her discussion of the problems and rewards of love, courtship, and marriage. Representing the philosophical approach were Dr. Joseph Cooper, professor of Bible and philosophy at Mississippi College in Clinton and Dr. Yandall Woodfin, associate

professor of theology at Southwestern Baptist Theological Seminary.

The team surely would not have been complete without business consultant Fred Smith who hurled critical and convincing thrusts at the general collegiate conception of applied Christianity. Though from afar, Dr. Neal Holden, Oklahoma City physician, generously served the entire week as our doctor on call and proved additionally helpful in discussing Christian marriage. The minister of music, a Jewell graduate of 1943, Mr. Russell Newport, provided tips on Christian ethics in business. As well as inspirational worship in music, a dynamic personality, Mr. Bill Dyal brought a witness which vitally related to the progressive trend of our society. The Kansas City Branch of The Fellowship of Christian Athletics graciously loaned us their new staff member, Leroy King who is a Methodist minister. A sociologist from The Christian Life Commission, Mr. Ross Coggins told of his experiences with juvenile delinquents and Christian youth activities abroad.

The presence of the exceptional team along with the sincere interest of faculty administration altered the campus. With this dedicated personnel, the bonfire, the student sponsored church service and heart searching play, "The Cell," there was provided an atmosphere which encouraged many to seek deeper self realization, and confess a need for a committed faith in God.

ADPis Active in Campus Organizations

May 15, 1851 saw the founding of Alpha Delta Pi as the first women's secret society in the United States. 1961 and 1962 saw Gamma Nu chapter of ADPi enjoying a successful year. To begin the many activities, the ADPi Indians held a party during rush week, followed by the traditional "Wishing Well" party and then the joy of pledging sixteen smiling girls.

The pledges celebrated by giving a "Vampire Venture" pledge dance, enjoyed by all. Later came the "Fantasy in Frost" at Christmastime, a spring dance, and last but certainly not least, the Black Diamond Ball—the traditional ADPi formal.

As the year continued they were ably represented in Student Senate by the Sophomore Class Secretary and the Freshman Class Secretary. Various members of the chapter participated in a wide range of activities from the debate squad to membership in campus honoraries. Many of the girls were also active in school plays and in girls' intramurals where they worked towards retaining

the intramural trophy by completing an undefeated basketball season.

Leadership and beauty honors went hand in hand as the girls served in capacities from Homecoming Co-Chairman to First Attendant to the Homecoming Queen. Then the 1961 football squad chose one of the senior girls as 1961 Football Queen. When the turn of the semester came, bringing Tatler Revue, a freshman pledge was crowned Queen and the ADPi's worked with the Men of Kappa Alpha to capture the second place ski trophy with their fine musical presentation.

Throughout the Cardinal sports' season Alpha Delta Pi was represented well through peppy cheerleaders and a third year majorette.

To wind up such an enriching year, marked by group endeavors and individual successes, Gamma Nu held its annual Mother's Day luncheon and celebrated its history at a Founders' Day picnic, keeping always in mind their motto—We live for each other.

Alpha Gams Find Homecoming Eventful

The women of Alpha Gamma Delta found the year 1961-62 a well-rounded one in work, success, and just plain fun.

The bustling rush week contained two parties, the "Showboat" party complete with minstrels, and the "Teahouse of Alpha Gam;" at the conclusion of the week fourteen freshman women pledged AGD.

Homecoming followed rush week rapidly. Many long hours were put into a third place winning float. The theme was "Argyles 'll Sock 'Em." It consisted of a huge argyle sock carrying a battered, black-eyed, boxing-glove bearing kangaroo. Another thrill of the weekend was the crowning of the chapter president as Homecoming Queen.

The "Madhatter's Ball" was the pledge informal enjoyed by everyone! All the chapeaus worn for admission proved very novel. Soon to follow was the Panhellenic winter formal "Fantasy in Frost."

February was an extremely interesting month. For the first time two organizations combined with

one another to present a Tatler skit. The Sigma Nus and Alpha Gams worked together to present a real winner! A fine skit resulted with memories of work, but fun!

March was certainly exciting for the Alpha Gams. A beautiful initiation welcomed the pledges as active, initiated members. The occasion was concluded with the traditional Feast of Roses, held at Stephenson's Apple Orchard. At the Feast the newly-elected officers were revealed. Awards were given for the best pledge, the most active pledge, and to the pledge with the highest grade point average.

The remainder of the year was filled with volleyball and softball sessions in intramurals. Much fun was had in those sports.

Studies were also the target for the girls.

The year contained much fun—from scrubbing down basement walls after a rush party to singing in harmony at three in the morning. Epsilon Epsilon is a united chapter full of life and loyalty.

Beta Sigs Continue Successful Endeavors

This has been a very successful year for the Alpha Psi chapter of Beta Sigma Omicron. Proud of their distinction of being the oldest sorority on the "Hill" since September, 1931, Beta Sigs have again participated in a wide variety of activities.

According to tradition, this fall began with rush week. Betas entertained rushees with a "Pizza Party" and the annual "Pink Lady Party." Twelve of the rushees filled the quota and became pledges.

The pledges started the social season by giving an "Angel or Devil" dance. Quickly following the pledge dance came Homecoming Weekend. The entire chapter was especially proud of "Choo-Choo Them Up," winner of second place trophy, and of the three sisters who were first princess, second princess and second attendant in the Homecoming Court.

One of the most rewarding aspects of their chapter life was the Thanksgiving and Christmas

charity project in which each individual member participated purchasing a food item for their adopted family's Thanksgiving dinner and by filling a Christmas stocking for each of the children.

Distinguished among the other collegiate chapters, Alpha Psi was awarded second highest score on the Founder's Day examination.

One of the most exciting events of the year was Tatler Revue. The BSO Phi Gam skit "Paris, For That," won the first place trophy along with the award for best supporting actress and best original song. Equally exciting was a Beta Sig's selection as first princess of Tatler Revue.

Along with group activities, the individual members of Beta Sig are active participants in campus affairs. Girls in all phases of Jewell life from high scholarship, Panagis, and A Capella Choir to Senate, the *Student*, and *Tatler* assist in perpetuating the traditionally high standards of Beta Sigma Omicron.

Delta Zetas Complete Exciting First Year

The Delta Zetas will always remember 1961-62, for it was their first full year on the William Jewell campus. Formal Rush Week got the year off to a busy start with Progressive Tea, a Delta Zeta Cruise, and the Lamp of Gold party. In a few days eight pledges were happily wearing black Delta Zeta "buttons."

The highlight of the year came in October when the charter members were initiated and Zeta Rho chapter was officially installed, thus becoming the one hundred thirty-third chapter of the largest national sorority in the country. Maryville's Epsilon Rho chapter officiated at the initiation ceremony on October 21, and the sorority's national executive secretary, Miss Irene Boughton, and national director of alumnae, Mrs. Larry Frymire, were here for the formal installation banquet that evening.

The next afternoon there was a presentation tea given for the new initiates.

Following fast on the heels of that big weekend came another one—Homecoming. "Great Expectations" won an honorable mention for the Delta Zetas in the float competition, and one of their girls was elected William Jewell's first "Cutie Pie."

The pledge class started off the social season by inviting the actives to enjoy a "North Pole Paradise." Then the DZs and the other sororities co-operated in producing a "Fantasy in Frost" for the Christmas formal.

For their first Tatler Revue, the DZs and the men of Lambda Chi Alpha Fraternity worked together to present "Come to Bliss."

All in all, the year was an eventful one for the Delta Zetas, and they are anticipating great things for the future.

KA Chapter Completes 75th Anniversary

Alpha Delta chapter celebrated this year as the 75th anniversary of its founding on the William Jewell campus in 1887. Kappa Alpha Order was originally conceived at Washington and Lee University in 1865.

The 1961-62 school year at 17 South Jewell, which is presided over by Mrs. Dola Hughes, began with netting an outstanding pledge class of fifteen men, two of whom were elected as officers of this class. The Fall social program commenced with the traditional hayride, followed by many after-game parties and fireside gatherings. Kappa Alpha continued its dominance in the Homecoming float competition by winning first place with "Out Hop the Hoppers." The Winter season was highlighted by the annual tree-trimming party, the Winter Formal, a colorful Japanese costume dance given by the pledges, and a successful

combination with Alpha Delta Pi in "Love is the Reason" for second place honors in Tatler Revue.

Convivium, held at the Golden Ox in Kansas City, on February 16, brought the active chapter and alumni together for a banquet to observe the founding of the order and the birthday of Robert E. Lee. The year was climaxed with the Old South Weekend during which the active chapter and many alumni officially celebrated the chapter's 75th anniversary in the most outstanding social event of the chapter's history.

Individually the men of Kappa Alpha received many honors and held leading positions on campus. Many were active in honoraries and student government positions. The men of Kappa Alpha also contributed an impressive athletic record for they were represented in football, basketball, wrestling, tennis, baseball, and golf.

Lambda Chi Spirit Centers on Fraternity Life

In 1917 a small group of men formed Zeta Chi fraternity on Jewell's campus. A few years later that fraternity became Epsilon-Nu Zeta of Lambda Chi Alpha. This year Epsilon-Nu Zeta proudly observes its twentieth successful year on the Hill.

As in previous years, Epsilon-Nu maintained a solid balance between academic and social life. Epsilon-Nu again ranked high in scholastic achievement. Socially, the year began with the exotic informal, Voodoo Village, which was quickly followed by "The End of the Rainbow" formal. Faintly reminiscent of the Tatler skit "Come to Bliss," was the informal, Peppermint Lounge, which featured a twist contest won by Professor Will Adams and his wife. The traditional "White Rose Crescent Ball" was held in the spring.

Epsilon-Nu actively participated in intra-murals. The chapter excelled in the late winter and spring sports. Taking first in A and B league bowling, Epsilon-Nu's also did well in pingpong, handball, and basketball. The chapter was also well repre-

sented in the varsity sports by lettermen in basketball, football, wrestling, cross country, and golf.

Lambda Chi's were equally active on the Hill. Many men were on union committees, in the music groups, debate teams, on the Senate and Senate committees, and on various committees for Homecoming, Tatler Revue, and Religious Focus Week. Epsilon-Nu was pleased to have two brothers listed in Who's Who and one in Acons. The highest honor on campus, that of being elected Colonel Alexander Doniphan, was received by an Epsilon-Nu this year.

Epsilon-Nu enjoyed having Mrs. Myrtle Shelton as housemother for the fourth year. She has made 449 East Kansas really seem like home.

1961-1962 has been a most enjoyable and successful year for the men of Lambda Chi Alpha. Epsilon-Nu takes great pride in her achievements. This year the men of Epsilon-Nu have come to realize even more the significance of their Greek motto, CHALEPA TA KALA—"Naught without Labor."

Phi Gams Receive Pledge Class of Fifty

This year Zeta Phi chapter of Phi Gamma Delta celebrated its seventy sixth year on the William Jewell campus. The men of Zeta Phi are proud of the traditions and accomplishments of the oldest fraternity on the Hill.

Zeta Phi began a successful year by adding fifty new pledges to their fold. These men responded to active social functions by giving a "Roaring Twenties" dance held at the house which was decorated as a gay funeral home. Other dances followed with themes suitable to the seasons. The social highlight of the year, and of every year, was Fiji Weekend which included the Fiji Island Party on Saturday night and a picnic Sunday afternoon.

For the graduate chapter of Zeta Phi, the annual

"Pig Dinner" was held the first weekend in April. This year's turnout was extremely good with more than 125 present for the dinner. The Outstanding Graduate Member, Outstanding Pledge, and Outstanding Senior Awards were given.

The Phi Gams in conjunction with the Beta Sigs took first place in the Tatler Revue to become the first group on campus to place first for three consecutive years. The skit, "Paris Pour Ca," gave a brother the Best Actor's Award then won the trophy for the best original song for the Beta Sigs and Phi Gams.

Mrs. Mary Malone was welcomed back as housemother for the fourth consecutive year. Mom Malone is one of the chapter's greatest assets.

Sigma Nus Active in Athletics and Scholarship

Beta Xi chapter of Sigma Nu enjoyed another full year of activities and good times in 1961 and 1962. During rush week of the first semester twenty-eight new pledges came to the big white house on North Water street.

Sigma Nu, founded in 1869 at the Virginia Military Institute, is now one of the largest members of the National Interfraternity Council. Beta Xi chapter was brought to William Jewell in 1894 and has enjoyed many happy years of active participation in all facets of Cardinal academic and social life.

Beta Xi, boasting the highest men's scholastic grade average on the Hill, was awarded the scholarship trophy. The chapter was also very well represented in varsity sports this year. Two members were tri-captains of the Cardinal football squad and had the support of twenty-five brothers behind them. Three were selected to be on the Sigma Nu All-American Football Squad. Beta Xi was also represented on the basketball squad, the baseball team, the track squad, and the wrestling squad.

Sigma Nu entered a float in the Homecoming parade capitalizing on the theme "We got 'em by

the tail." The chapter received the trophy in the Ugly Man contest sponsored by Alpha Phi Omega.

Beta Xi had the privilege of working with Alpha Gamma Delta sorority this year on a skit for Tatler Revue. The skit was entitled "Novel Novels" and was a comical take off on classical novels.

A highlight of the season was the annual Christmas party for orphans. Among the social activities were the colorful informal dance at which candy striped pajamas were given as favors, the annual pledge hayride, and the White Rose Spring Formal.

The annual Alumni Reunion was held this spring and was very well attended. The day began with a business meeting in the afternoon followed by a buffet supper. After the supper, an informal discussion was held.

The Beta Xi chapter was privileged to have Mrs. Homer Huff serve as housemother until she was remarried at which time Mrs. Talbert became the housemother. Beta Xi would also like to thank the Mothers' Club which performed many services to the fraternity.

Student Senate Reflects Campus Opinion

The Student Senate, ably led this year by Denny Lambert, can add many items to its list of accomplishments. Senate members returned from the Fall Encampment with their pockets full of resolutions. Tatler Review headed the list with the suggestion of combining the fraternity and sorority skits and capping a 15 minute time limit. In addition, a committee was formed to draw up a set of rules concerning the Honor System.

To add new color to the campus, the Senate

supported the purchase of new red blazers for the Pep Band and red and black uniforms for the Cheerleaders. The Senate explores and investigates all phases of campus life.

Both Senate and non-Senate members compose the committees which cover such areas as school spirit, chapel, elections, orientation, and campus grounds. Union Board and faculty representatives are also included in order to give the students a well rounded view of all policies and activities.

Union Board Contributes to Campus Activities

The Student Union Board and Activities Council try each year to present a rounded program of activities of all kinds, social, educational, cultural, and recreational; a program that will serve the needs and desires of all student groups, the faculty and administration, alumni, and in some cases, townspeople.

The Union Board consists of students, two faculty representatives, and the Union Director. The Union Council includes, in addition, the chairmen of all activities committees. Each Union Board Student Director is responsible for a number of committees, and assists them in planning and executing their programs. It is expected that he will represent the entire college community in planning the broad outlines of the program.

The Activities program is not static, but changes somewhat from year to year as the successive Boards and Councils learn from experience how best to serve the campus. Even the number of Student Directors is flexible, being altered upon occasion in order to make the best use of the available student leadership.

The Parties, receptions, concert-lecture Receptions and Games committees comprise the Social-

Recreational Area. After-game and after-movie parties, a Christmas party, cafeteria parties, Kampus Carnival, and other events are planned by the Parties Committee as an important part of the campus social life. The Receptions Committee provides hospitality for many campus visitors, arranging the New Students Reception, a get together for the participants and audience of the Homecoming Talent review and the game, and a reception for the college choirs following Christmas vespers. The Concert-Lecture Reception Committee provides the atmosphere for the college community to meet the visiting artists of the series. The Games Committee organizes a series of tournaments throughout the year, making use of the recreational facilities of the Union building.

The Communications Area consists of the College Radio Station, WJCU, the Forums Committee, and the Social Forums Committee. WJCU serves as a medium for campus communication, as a facility for the display of student talent in the musical and linguistic areas, as well as providing recorded music for the enjoyment of the students. The Forums Committee presents a series of informal discussions of widely-varied topics by

Union Work Done Through Committee Action

student-faculty groups, with occasional guests from the greater Kansas City Area. A contribution is made to the social life of the campus by the Social Forums Committee through its program of travelling discussions of problems of college social norms.

The Administrative Area performs the duties necessary to every extensive program of activities. The Business Manager and his committee keep the financial records of the Union Activities program, bear a major part of the responsibility for drawing up each year's budget, and advise the Union Board and the committee chairmen on financial matters. The Personnel Committee arranges the mechanics for selection of personnel at all levels of the Organization, and keeps records of all student personnel for use in personnel selection, for the use of other campus organizations, and for the benefit of the students after graduation.

Making the campus and the community aware of the opportunities offered by the Union Activities program by wide-spread original and effective communication is the responsibility of the Publicity Committee, upon which the success of the program depends to a great extent. The Administrative Area affords a particular opportunity for

future businessmen and women to gain experience in fields pertinent to their careers.

The Special Programs Area encompasses movies, tours, and the Concert-Lecture Series. A program of monthly free movies is presented by the Movies Committee, the film selections coming from the choice releases two to four years old. The Tours Committee arranges for visitors to be shown the campus on such occasions as High School Visitation Day in addition to its regular series of trips to points of interest in the Kansas City Area.

The Concert Lecture Series, a high-light of the Activities Program, presents artists of high quality from the major fields of entertainment. The 1961-62 programs consisted of Phillippe Entremont, the Jose Limon Modern Dance Company, lecturer-artist Harriett Fitzgerald, mimist Franz Reynders, and the Cardinal Capers Program.

The Research Evaluation Area analyzes the Activities Program in operation, and suggests improvements in program and organization to the chairmen and the Board. Wise groups of experienced students also conduct a program of research into Union programs at schools throughout the country.

Panhellenic Council

The purpose of Panhellenic Council is to institute a feeling of cooperation among the sororities and the college community. The main function of the Council is to regulate rushing and to form rules by mutual consent to govern sorority problems.

An important project for the Council this year was the Christmas dance hosted by the four sororities and sponsored by the Panhellenic Council. The functioning of this year's group was concluded with the annual Panhellenic Banquet and workshop in the spring.

Junior Panhellenic Council

Representatives of the pledge classes of the four sororities compose the Junior Panhellenic Council. This organization's purpose is to establish unity between the pledge classes and the sororities. The Council performs this duty by evaluating rush week, helping with the Panhellenic handbook, and by attempting to solve problems which arise for pledges in sorority life.

The Junior Panhellenic Council has worked this year with the administration in entertaining prospective students and in establishing a panel for the workshop at the Panhellenic Banquet in the spring.

Alpha Phi Omega

Alpha Phi Omega was founded on the William Jewell campus in 1931 and became affiliated with the national organization in 1934. Since its founding the group has earned itself a reputation for its motto, "Service."

One of the important undertakings is this group's aid to the bloodmobile by arranging for visits to the campus and encouraging donors. An annual project sponsored by Alpha Phi Omega is the "Ugly Man on Campus" contest which is a fund drive for Care and the United Fund. This year a campus "Cutie Pam" was also selected.

Interfraternity Council

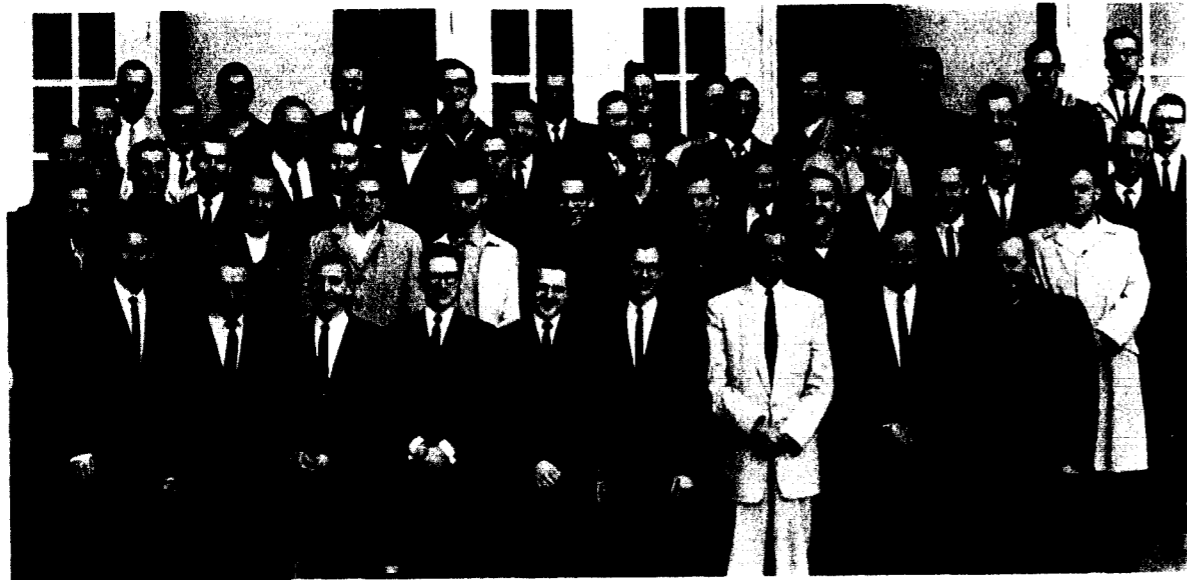

The purpose of the Interfraternity Council is to further cooperation and friendly relations among the four national fraternities on campus and between the fraternities and the college administration.

The council is composed of one representative and the president of each fraternity and a faculty advisor.

One of the main activities of the council is the orientation of the new students each fall. The organization and direction of the formal rushing and pledging by the fraternities is handled by the council.

Ministerial Association

Having been in existence since the beginning of Jewell's history, the Ministerial Association is the oldest organization on the Hill, although not always identified by its present name.

On April 30, 1953, the ministerial students of William Jewell reorganized in accordance with the provisions of a formal constitution and adopted the name of the H. I. Hester Ministerial Association in recognition of Dr. Hester and his years of leadership.

The International Club

The International Club is the organization devoted to the sharing of culture among all national groups on campus, the encouragement of activities which will promote better understanding of these various cultures, and assisting foreign students in adapting to and taking fullest advantage of American campus and community life. All foreign students are automatically members.

This club was reactivated in 1962, having functioned on the campus some years previously.

Epsilon Omega Pi

Epsilon Omega Pi was established by young women preparing to enter into fulltime Christian vocations. The purpose of the group is to help its members to develop mentally, physically, and socially.

At the monthly meetings various speakers discuss the many aspects of missionary work with the girls.

Many of the members of EOP will choose places for their areas of life service where pioneering will be done in church and community development. The motto of Epsilon Omega Pi, "Into Service Prepared," is the hope and aspiration of each member.

Gamma Beta Nu

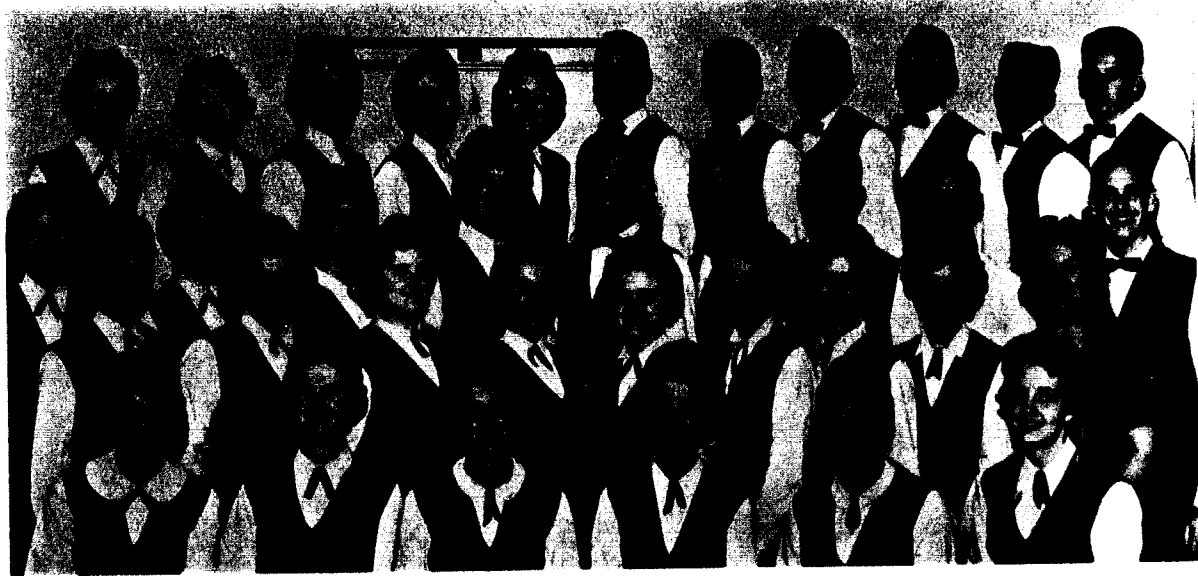

Gamma Beta Nu is an organization of wives of ministerial students. The motto of the group, "Wives Help to Win," reveals its purpose.

An aim of this group is for each member to develop the patience, understanding, honor, and the dignity which is expected of a minister's wife. These wives wish to develop themselves in such a way as to encourage and assist the ministry of their husbands.

Gamma Beta Nu meetings offer the members contact with others in whom they find helpful discussion of common problems and mutual interests, and friendships to last through the years.

BSU Choir

New to the campus this fall, the BSU Choir sing every evening during Religious Focus Week at the vesper services, and has provided music at various churches in surrounding communities during the year.

The highlight of the year has been an invitation by the Student Department of the Southern Baptist Convention for the choir to sing at Ridgecrest Baptist Assembly early in June.

The only requirement to sing with this thirty-four voice group is that you must like to sing and really have a song in your heart for the Lord. The choir meets every Tuesday evening.

Seated: Richard Hensley, Peggy Reynolds, Deanne Scott. Standing: Bob Bailey, Jim Bailey, Bruce Morgan, Jeanene Pratt, Lois Potter, Mary Sharp, Carl Moman, Nelson Ralls, Doug Cormack.

Baptist Student Movement

The Baptist Student Movement is a religious organization primarily for American Baptist students. This group is comparable to the Baptist Student Union which is for Southern Baptist students.

The BSM offers its members an opportunity to discuss their spiritual needs and to share their ideas.

The BSM meetings are held in the recreation room of Melrose Hall on Sunday evenings. At this time the group has their business meetings, holds song fests, gathers for prayer, or has parties. On some occasions the members of the BSM invite guest speakers to their meetings.

Standing: Jim Rodewald, Tom Clifton, Gary Bradley, Larry Osborne, Jim Holland, Mr. Gordon Kingley.

Service Is Keynote of BSU

The Baptist Student Union seeks to make vital to the student the various organizations within the church. Selected yearly to direct the college's religious activities, the BSU Executive Council serves primarily as the unifier of religious activities on the campus.

The many activities sponsored by the BSU include weekend revival teams, work-days for summer missions, social programs at the church for new students, noon day devotions five days a week, and mission projects. Evening vespers are also held every Thursday evening.

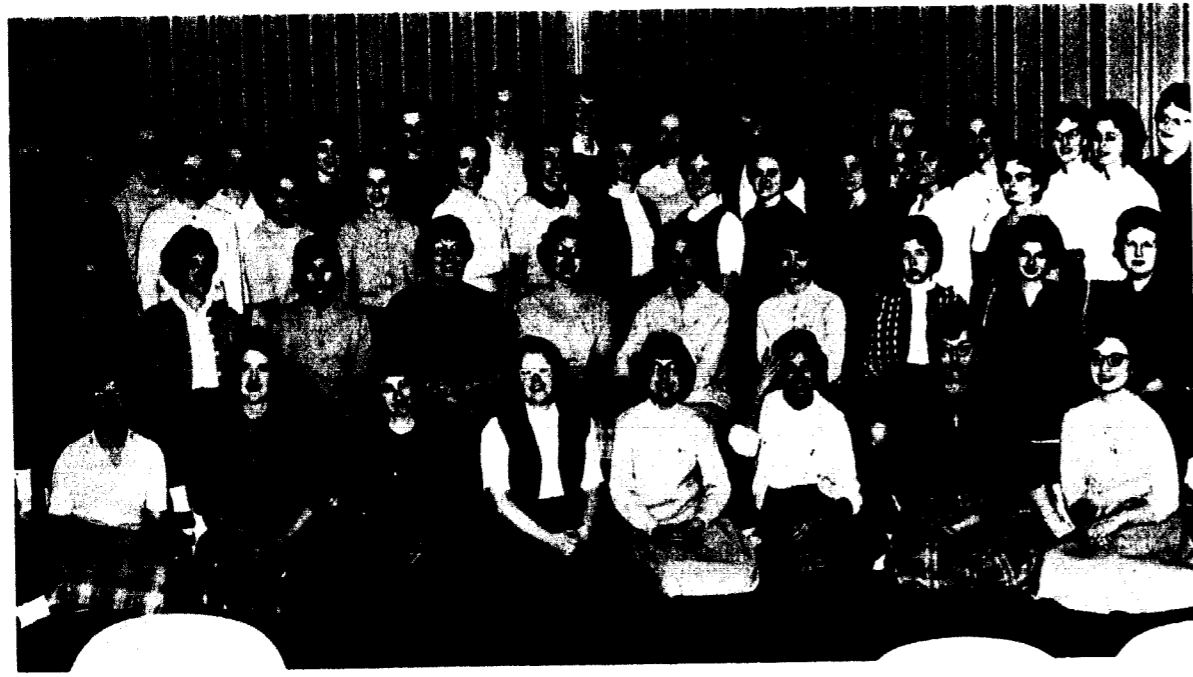

Two of the year's highlights were the annual missions conference, held in Louisville, Kentucky this year, and the all state BSU Retreat at Camp Windermere in the Lake of the Ozarks.

The spring banquet witnessed the installation of the 1962-63 officers and was quite a contrast to the "Flintstone Fling," a caveman party to introduce BSU to the new students in the fall.

The BSU, in its broadest sense, is not religious programs or conventions, but the voluntary religious activities of all students on campus.

Freshman Council — Seated: Sharon Turley, Don Flasing, Eva Lee Kuhlman, Judy Leslie, Sandy Smittle, Ruth Sappington, Dave Stitt, Peggy O'Neill, Bob Wheeler, Delores Newman, Larry Matthews. Standing: Sharen Beatson, Van Adams, Paul Wood, Jim Nelson, Jim Harmon, Bill Peacock.

YWA Encourages Christian Ideals

The Young Women's Auxiliary is composed of a group of girls who are interested in the study of missions and the promotion of missionary work.

Each year their first event is a tea, given at the home of Dr. and Mrs. Walter Pope Binns, to welcome new girls who are interested in YWA.

The YWA meets twice a month. At one of these meetings the group meets as a whole for a special program or speaker. On the other meeting night the individual "circles" meet. The YWA is divided into about six circles.

This year for their monthly joint meetings the YWA's had interesting programs such as talks by

missionaries with their slides, and a talk by a missionary to the deaf in Kansas City.

The Women's Mission Union of the Second Baptist Church, Liberty, adopted the YWA this year and provided a pot luck supper followed by a mission study course. Each YWA girl had a Liberty "Mother" for the rest of the year.

One outstanding service of the YWA group is their trips to Hilltop House to help the girls with their lessons and offer guidance and fellowship for them. Several times throughout the year parties are planned by the YWA's for the girls at Hilltop.

Through YWA work, many girls have the opportunity to learn of missions and give of themselves in service.

Big Sister Council Offers Guidance for Students

The new women students are welcomed to the William Jewell campus by the members of the Big Sister Council. These girls are chosen as Big Sisters to be examples of well rounded students who are willing to devote some of their time to helping a new student adjust to college life.

The Big Sister's duties include writing to the new girl during the summer, answering her questions and giving advice concerning campus life during her years at William Jewell.

As Big Sisters these upper class women often find themselves in the role of counselor for the

freshman during her first few weeks of college. The Big Sister program frequently leads to lasting friendships for those involved.

This year the Council provided a delightful informal Christmas party in the Jones Hall lounge. At this party the girls enjoyed sucking oranges through peppermint sticks as they listened to the reading of a humorous Christmas story.

A very successful year for the Big Sister Council was climaxed with a banquet and an impressive installation of officers for next year.

Phi Alpha Theta

Phi Alpha Theta is the national history honorary fraternity. The William Jewell Chapter is Beta Gamma. The organization is composed of students and faculty members of American Colleges and Universities who are interested in the study of history. Requirements for membership in this group include twelve hours of history and a "B" average in all subjects.

The purpose of this group is to stimulate scholarship in the field of history, to promote historical writing, and to encourage the members to be informed about national and international affairs.

Monthly meetings are held at which time outstanding speakers talk to the group.

Pi Gamma Mu

Pi Gamma Mu is the national social science honor society on the William Jewell campus. This organization is composed of those students who are interested in and excel in the field of social sciences. To be eligible for membership a student must have reached his junior year, have completed twenty hours of work in the social sciences, and have maintained a "B" average in these studies.

This organization deals with the problem of human relationships and attempts to apply sociological theory through practical application. The purpose of Pi Gamma Mu is to encourage the study of social studies at the undergraduate level.

Monthly meetings feature panels, forums, or guest speakers.

American Chemical Society

The Student Affiliate Chapter of the American Chemical Society is composed of majors in chemistry. Other interested students who are enrolled in chemical courses may be associates of the Society.

This organization gives the students of chemistry and chemical engineering an opportunity to develop to their fullest in the field of chemistry. Activities and trips are offered for the benefit of the students interested in these fields.

Because of the high emphasis of the department and the chapter, many former members of the local chapter of the American Chemical Society have gained distinction in chemistry and research.

Sigma Tau Delta

Sigma Tau Delta, the professional English fraternity, is for students interested in creative writing. The requirement for membership is the submission of an original piece of prose or poetry. This work is evaluated by the present members, and the selection of new members is made on the basis of this evaluation.

At monthly meetings the members discuss an author, a particular literary work, or some aspect of literature. Topics discussed this year have included modern drama, E. E. Cummings, and J. D. Salinger. At least one meeting a year is reserved for the discussion of works written by the members.

Sigma Pi Sigma

Sigma Pi Sigma is an honor society composed of those physics majors who meet the high scholastic requirements of the organization. This group has been active on the William Jewell campus since 1939.

At the monthly meetings students read papers related to the field of physics in which they are interested. Also, special guests are invited to the meetings to participate in the programs. Each year a banquet, at which a guest physicist speaks, is held in honor of those who qualify.

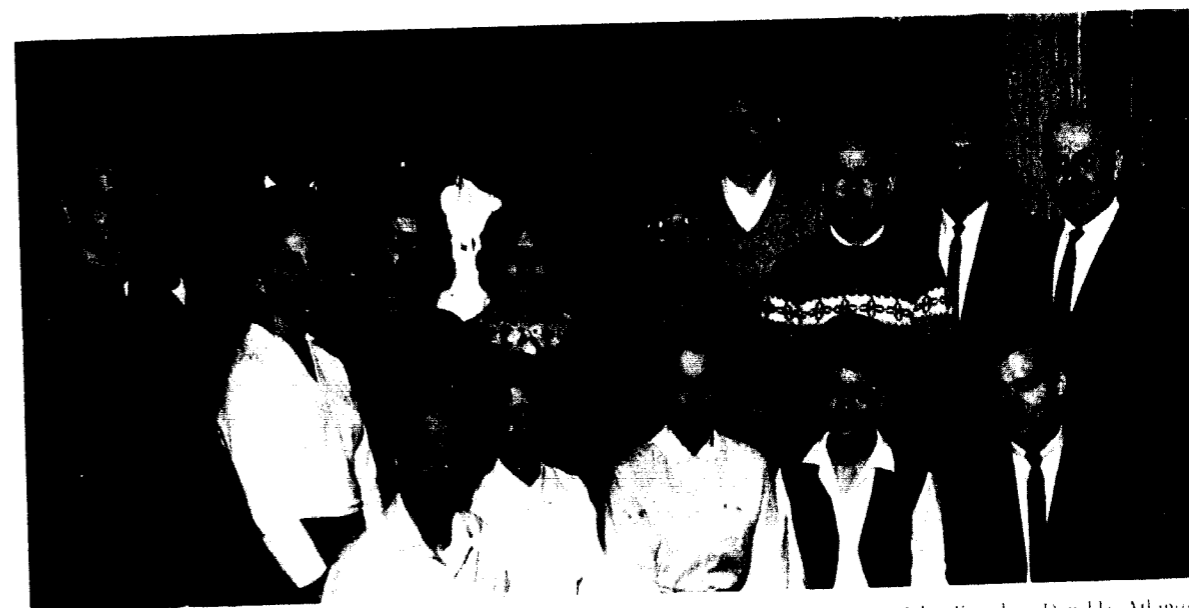

Seated: Sue Sims, L. O. Jones, Wayne Kuhlman, Jo Ann Bulow, D. V. LaFrenz, Mary Huff, Mary Keller, Bob Bailey. Row 2: Dan Rankin, Steve Clark, Leland Shaffner, Gary Brown, Bill Sharp, Tom Dixon, Larry Alexander, David Estep, Orbie Earnsworth, Ken Wendell, Donelda Atkinson, Dr. Morrow.

Kappa Mu Epsilon

Kappa Mu Epsilon, the national honorary mathematics fraternity on campus, is an organization which endeavors to promote a deeper understanding of mathematics. This honorary fraternity was established in 1931 and the Gamma chapter was installed at William Jewell College in 1947.

Meeting once a month, members are presented with programs which deal with the unusual aspects of mathematics.

Beta Beta Beta

Beta Beta Beta is a national biology fraternity which strives to stimulate scholarship, spread scientific knowledge, and encourage biological research. A student of sophomore classification or above who has ten or more hours of biology and a grade average above that of the student body is eligible for membership in the organization. As another requirement for membership the student must write a paper on a biological subject.

This year the group has met regularly to hear speakers and to read the papers written by members.

Seated: Dr. McCarty, Mr. Damer, Julie Scott, Donald, Jo Ann Demark, Melissa Maxwell, Mrs. M. Daniel, Mary Ann, Jo Basso, Mr. Bruner, Orbie Earnsworth, Virginia Barris, Sandy Wonders, Karen Stolte, Jim Williams, Anita Burke, Joanne Trotter, Mr. Rorsch.

Phi Sigma Iota

Phi Sigma Iota is the national romance language honorary. To be eligible for membership a student must be enrolled in a third year language course and maintain a 2.0 average in all subjects as well as in languages.

Ten new members were added this year and an international dinner was held at the El Acapulco Restaurant in Kansas City to celebrate their initiation.

During the year meetings are held to stimulate interest in the romance languages. In addition each member must present a paper.

Pi Kappa Delta Celebrates Fortieth Anniversary

This year marks the fortieth anniversary of Pi Kappa Delta on the William Jewell Campus. This organization is a national honorary forensic fraternity whose membership is composed of students who have actively participated in the areas of debate, extemporaneous speaking, discussion, and oratory. The past forty years have seen great growth in William Jewell and in its reputation as one of the outstanding debate powers of the middle-west. William Jewell has also achieved a national reputation by sending many teams to the top tournaments in all parts of the United States.

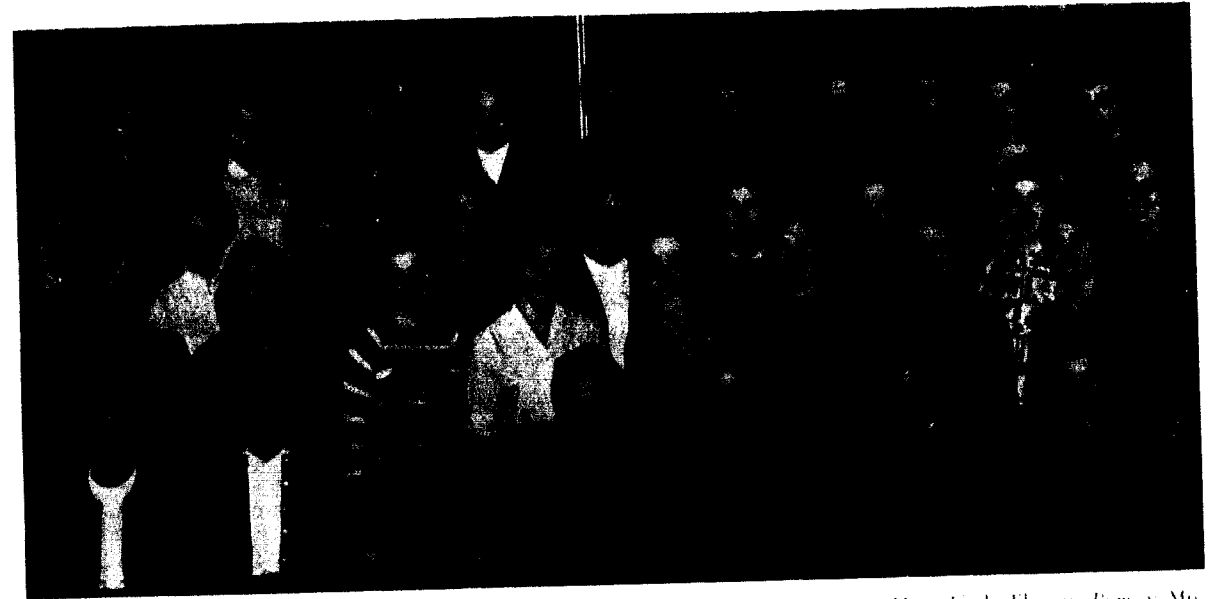

In celebration of its anniversary Pi Kappa Delta sponsored a dinner and an international debate in chapel. Visiting the campus for the debate were Mr. Louis Bernard D. Courtney, and Mr. F. Patrick O'Connor, both of the University College, Dublin, Ireland. Sponsored by the Institute of International Education, the Irish team debated almost forty colleges during a four month tour through the western United States.

In the debate A. J. Wilson teamed with Patrick O'Connor on the affirmative and John Clizbe teamed with Louis Courtney on the negative to

debate the question, "We will not march to Havana." The debate was a study in contrasting styles—from the calm, formal, logical presentation by the Jewell debaters to the emotional and sometimes bombastic Irish humor of the Dublin Men. The debate proved to be a success in the grandest way with all Jewell students.

The rest of 1962 saw William Jewell's debate squad upholding and strengthening its reputation. In addition to sponsoring the annual Blizzard Tournament and a smaller five-way meet, Jewell also attended tournaments at Edmond, Oklahoma; the University of Wichita; the University of Arkansas; The University of Nebraska; The University of Omaha; Rockhurst College; the Pi Kappa Delta Province tournament at White Water, Wisconsin; and the State Debate Tournament at Southeast Missouri State College which William Jewell won.

Missouri Delta Chapter was proud to have as its president for this year, Ray Gordon. Pi Kappa Delta seeks to serve our fellow men by observing the motto, "The art of persuasion, beautiful and just."

Alpha Lambda Delta

A chapter of Alpha Lambda Delta, national freshman women's honorary fraternity, has been established on the William Jewell campus to honor freshmen women who have a 3.5 grade average either the first semester of their freshman year or a combination of the first two semesters.

Pledges can be recognized by their red, yellow, and white ribbons.

The first semester pledges are initiated at the annual spring banquet, at which time they also receive their pin, which is symbolic of the lighted lamp of knowledge.

Nu Zeta Sigma

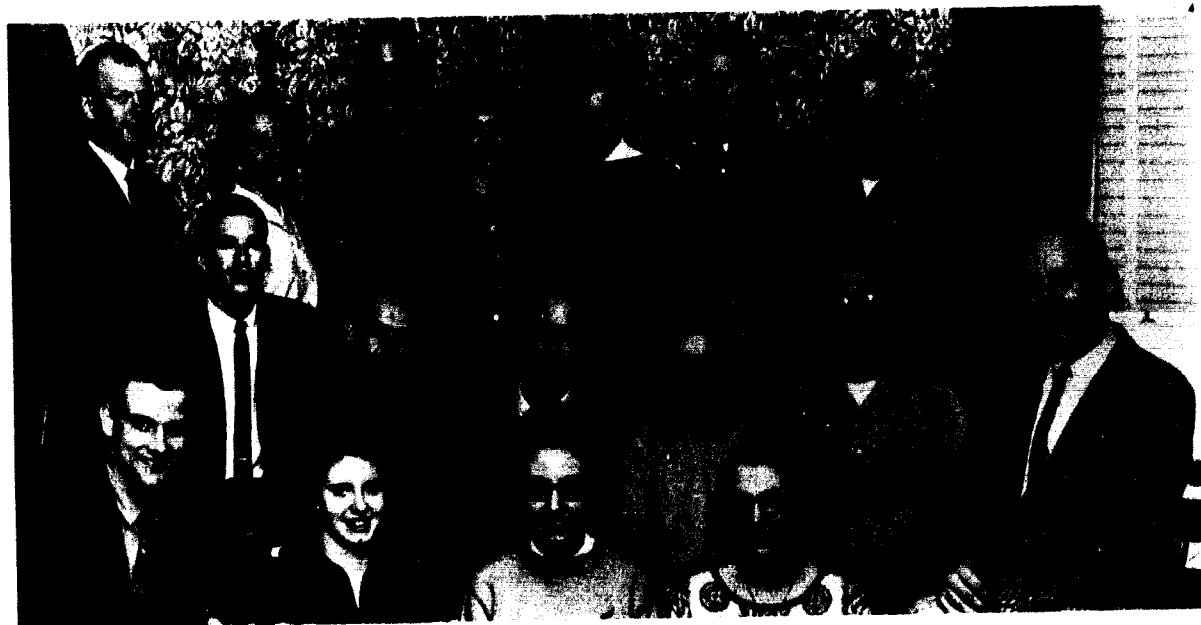

New to the campus this year, Nu Zeta Sigma was established to honor freshmen men having a 3.5 grade average the first semester, exclusive of chapel point, or a 3.5 average for the entire freshman year.

The banquet in April witnessed the initiation of six new members, bringing the total membership to seventeen. The pledge ribbons of gold and purple are worn for a week after initiation.

Dr. Wilson is the faculty advisor and has aided immeasurably in the writing of a constitution and working out the many details which have arisen.

Political Science Club

The Political Science Club provides an opportunity for discussion and fellowship among students interested in the field. Membership consists primarily of political science majors and Young Democrats and Young Republicans, but it is open to anyone interested in the field.

Each year the club sponsors a trip to Jefferson City for the Missouri Mock Legislature, held this year on May 3 and 4. It also sponsors an annual spring picnic.

Psychology Club

The Psychology Club is composed of students interested in all branches of psychology. Meetings are held monthly and the programs range from movies about counseling and procedures in a mental hospital to lectures by psychologists in the greater Kansas City area.

In the spring the group takes a tour to a psychiatric clinic or hospital in the vicinity. Another activity of the club is the presentation of an award to a senior who shows the most promise in the field.

House Councils

In each of the dormitories, Jones, Melrose, and Semple, there are a group of girls designated to oversee the smooth operation of the building. These girls are known in their respective dormitories as the House Councils.

The duties of the girls include familiarizing the girls with dormitory rules and regulations, enforcing quiet hours, and maintaining order. This is generally done by the issuing of a demerit to all offenders. If a girl collects 11 demerits within a semester she is campused for a weekend.

In addition to the individual councils, there is also a House Presidents' Council which consists of the presidents of Jones and Melrose Halls, and each of the wing presidents from Semple Hall. These girls meet each week with Miss Bates, Dean of Women, and have the authority to change dormitory rules, request improvements in the building facilities, and repeal late minutes.

Players Are an Active Group

Members of the student body who exhibit an interest in the theatre through working in the various aspects of dramatic art are offered membership in the William Jewell Players. Students are awarded points according to the degree in which they participate in the production of plays and admittance to the Players is determined by these points. Those interested in acting, as well as the technical elements of production and theatre management constitute this organization.

The Players meet once a month and seek to maintain a high level of interest in drama at Jewell. Guest speakers from other colleges and from the professional theatre are frequently invited to address the Thespians. When professional companies on tour visit Kansas City, the Players often advertise and attend their performances.

Last season Miss Virginia D. Rice, Head of the Dramatics Department and the Players, sponsored five plays which embraced all phases of the theatre,

ranging from intense tragedy to bizarre farce. Mary Chase's *Harvey* was the curtain raiser and featured J. A. Harris as the rabid, rabbit seeing Elwood P. Dowd. The production of this delightful fantasy, as well as all of the plays last season, was ably supervised by guest director, Michael Waddell.

In March, three contemporary one act plays were presented. John Millington Singe's famous tragedy *Riders to the Sea* was first on the program and starred Linda Bennett as Maurya. *The Bald Soprano* by Eugene Ionesco was the final dramatic offering of the evening. This "satire on comedy" was the playwright's first major work and as it illustrates the timely and the timeless elements of life it parodies the detachment necessary in the theatre. The emotional gap between these two plays was bridged by Glenn Hughes' *Red Carnations*. The play, a light comedy, is a refreshing variation of the time-worm theme "boy meets girl."

The season was closed quite successfully with the presentation of "The House of Bernarda Alba."

Sigma Alpha Iota

The Gamma Psi chapter of Sigma Alpha Iota, the largest international professional fraternity for women in the field of music, was established on the William Jewell campus in the spring of 1961.

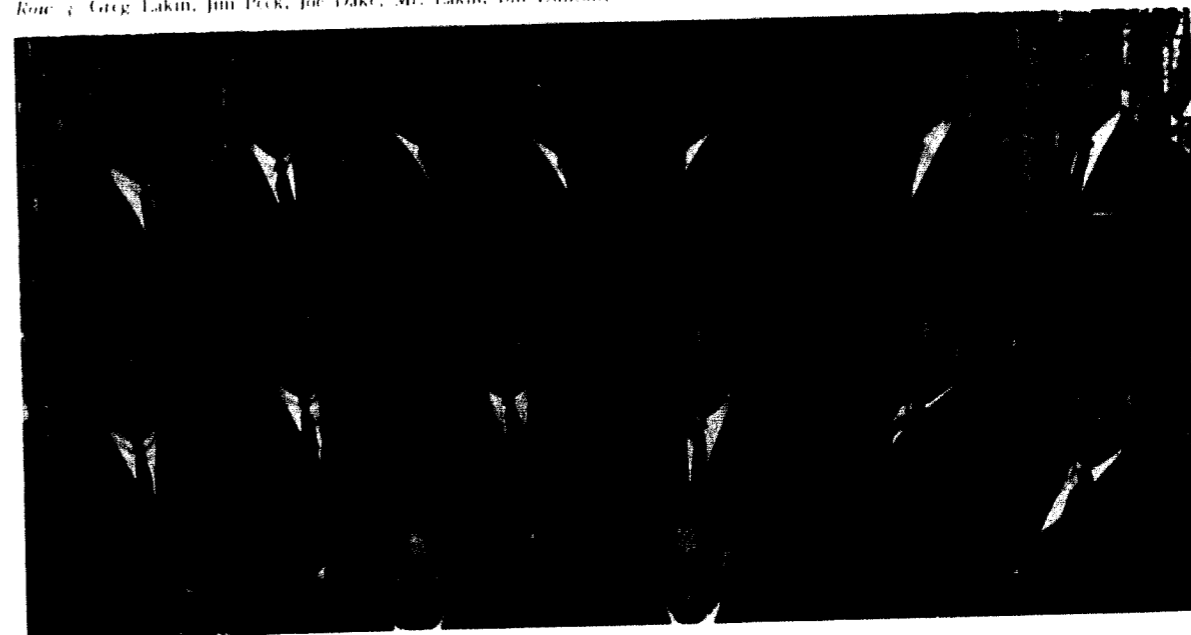

In cooperation with the men's honorary musical fraternity, the members of S.A.I. presented a program of American music as a chapel program in March. The group provides a reception for its members who give their junior and senior recitals and further seek to uphold the highest ideals of a musical education.

Phi Mu Alpha Sinfonia

The Kappa Mu Chapter of Phi Mu Alpha Sinfonia, installed April 4, 1961, on William Jewell's campus, has just successfully completed its first year. The fraternity was organized in 1898 at the New England Conservatory of Music.

Phi Mu Alpha Sinfonia Fraternity of America is a professional, music fraternity dedicated to the advancement of music and to Brotherhood among men engaged in music activities. The highlight of this year's activities was the American Music Recital given jointly with Sigma Alpha Iota.

Choir Music Inspires Chapel Services

The Chapel Choir is an organization of approximately seventy students. It is composed of students who are interested in music and who enjoy singing. Most of its members have had experience in choral work previous to their coming to William Jewell; however, an adeptness at sight reading and outstanding musicianship are not arbitrary prerequisites. If a student is willing to practice for an hour twice a week, he may join the choir by auditioning before Professor Henry

L. Cady, Head of the Music Department.

The Chapel Choir provides music for the religious chapel service once a week, formal convocations, the Achievement Day assembly, commencement, and other occasions. The choir's special annual programs include a Christmas program and an Easter program. This year the group presented "Unto Us a Child is Born" by J. S. Bach for its Christmas program and "Requiem" by Mozart for its Easter program.

A Cappella Choir Composed of Select Voices

The A Cappella Choir is selected each year on the basis of musicianship and quality of voice. This year the group was composed of twenty two voices; however, this number may vary from year to year.

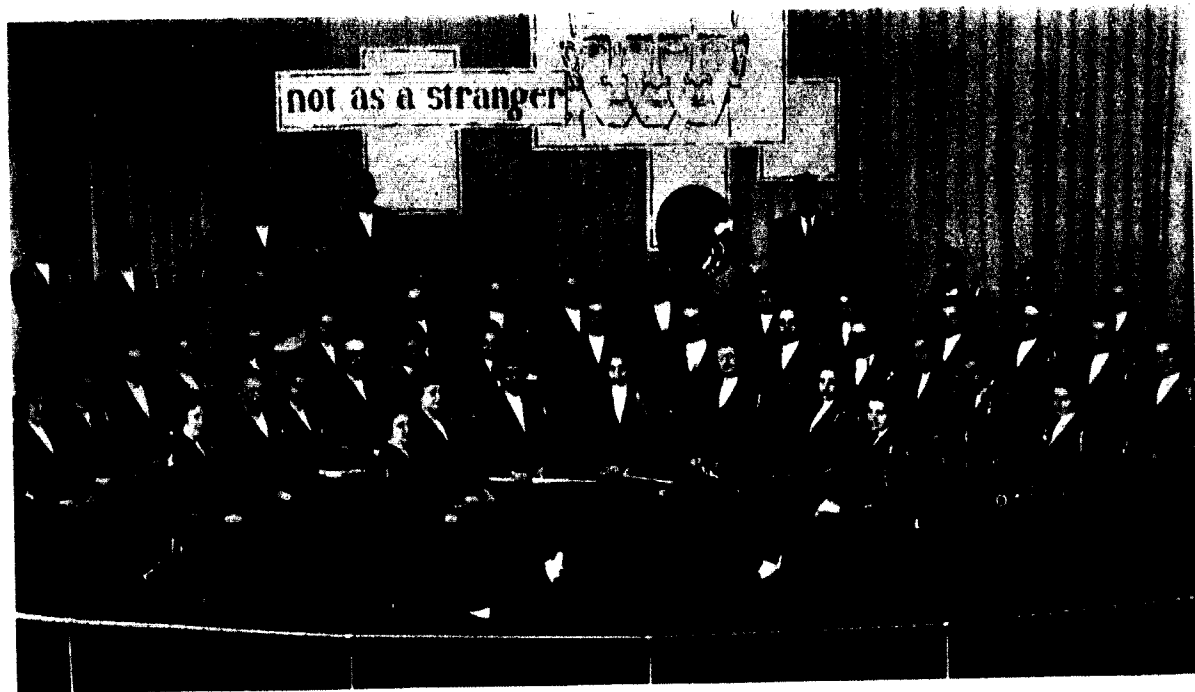

Under the direction of Henry L. Cady, this organization provides entertainment for the annual Achievement Day Banquet at the Muehlbach Hotel and tours a particular area of the nation each spring. In addition to these major projects, the group performs in chapel, in churches, in the neighboring high schools, and for special banquets.

This past year the A Cappella Choir's annual tour included concerts in the following places: Brookfield, Missouri; Quincy, Illinois; Canton, Missouri; St. Louis, Missouri; Ladue, Missouri; Cahokia, Illinois; House Springs, Missouri; Fulton, Missouri; Boonville, Missouri; Higginsville, Missouri; and Richmond, Missouri.

The choir rehearses at least three hours per week to prepare both a secular repertoire and a

sacred repertoire appropriate for presentation in its diversified engagements. The sacred repertoire included "Lo A Scepter from Judah," "I Sing of a Maiden," "Presentation of Christ in the Temple," "O Sacred Head Now Wounded," "Sing Ye to the Lord," selections from "The Peaceable Kingdom," "My Shepherd Will Supply My Need," "I Don't Toucha My Garment," and "There's a Little Wheel a Turnin' in my Heart." The secular music included "Serenade to Music," "Ring, Ring Dub Banjo," "Just as the Tide Was Flowing," "Madame Jeanette," "The Laughing Song." The choir performed for the first time "There's a Little Wheel a Turnin' in my Heart," a Negro spiritual composed by Mr. Edward Lakin, professor of theory in the Music Department at Jewell.

The enthusiastic participation on the part of each member and the director of this varsity choral group provides for those involved an enriching and rewarding aesthetic growth through music.

Band Plays for Many School Functions

The band of William Jewell College is a very active part of the music department. It makes several trips during the year, and it plays at all the football games. This year the band traveled to Atchison for the St. Benedict's game. Even in all the snow and sleet the band played to keep the spirits up.

The marching band with its majorettes was the group seen in the homecoming parade. The band played at commencement and contributed to the processional march of the faculty and guests at both the opening convocation and achievement day.

The pep band played during the basketball season, but the entire band was taken to the N.A.A. playoffs in Kansas City to play.

Starting off the concert season, the band played a concert at chapel time for the student body in April. The annual spring concert also given in the chapel marked the band's final appearance for the year.

Under the direction of Mr. Edward Lakin, the band members obtain a better appreciation for music of all periods. The practice hours are spent working hard on the pieces they all like and, sometimes, are already familiar with. Much credit is due to the band because of their hard work and fine job of representing William Jewell College wherever they go.

Orchestra Provides Music for Special Occasions

First organized in 1955, the William Jewell College Orchestra under the direction of Mr. Edward Lakin has acquired a prominent position in campus musical activities. Members have found participation in the orchestra an excellent opportunity for improving their skill and expressing their musical inclinations.

By taking part in this musical activity, the orchestra members have become more proficient in the mechanics of playing and also have become more aware of the interpretation and thought behind a musical selection. They are also given an opportunity to seriously study musical selections ranging from classical to modern. The orchestra also offers students an opportunity to gain experience in working with others while expressing their desire for musical enjoyment.

Although student interest is high, the orchestra is a community project including not only students but also interested persons from the Liberty community and surrounding areas. Some of the orchestra members are even members of the William Jewell Band, thereby gaining a different type of musical experience while playing with a similar

minded group. Instrumental solos and various ensembles express the diversity within the group.

Most of the Jewell students are familiar with the orchestra when it performed at the Christmas and Easter vespers.

Weekly "Student" Arouses Campus Interest

William Jewell's 4-page, 5-column newspaper, *The Student*, is published weekly on the campus. Editors, associate editors, and members of the journalism class, aided by Dr. Georgia Bowman, faculty sponsor, put the paper "together" each Monday and Tuesday in the publications office.

Working together the group finds, writes, edits, and headlines the campus news. Copy found in the *Student* includes publicity for coming events, summaries of campus activities and athletic events, columns by the Greek organizations and the non-affiliates as well as student opinion in the form of editorials and letters to the editor.

First semester editors, Julie Scott and Jim Zahnd, as well as the second semester team, Jim Zahnd and Norm Bowman, assigned beats and articles to the various reporters. They also decided which copy was to be printed and where it was to be placed in the paper.

Aiding in these tasks and in editing and heading the copy were the associate editors, Joann Bulow, Fran Mann, Carol Irish, and Ruth Anne Williams. Sharon Kaelson, make up editor, advised the staff on copy placement and George Olendorf, business manager, assisted by Judy Bellington and John Landis took care of the financial details concerning the paper. Bill Millen served as circulation manager and Linda Bennett and Norm Bowman drew the cartoons for the paper.

Members of the journalism class were responsible for much of the news copy that went in the paper. This class which met under Dr. Bowman's direction at 11:20 on Monday and Wednesday learned the fundamentals of journalism and advertising and also the history of American journalism. Members of the class received two hours of credit.

Campus Events Recorded in Tatler

Keeping an accurate record of the 1961-62 school year by having a full and complete *Tatler* is a job which requires the effort and cooperation of many people. There are those involved in planning the

layouts, scheduling the pictures, writing and editing copy, sorting the multitude of class and organizational pictures, as well as typing and record work. In addition, the business staff is responsible for arranging contracts with local campus organizations for space and with local merchants for advertising.

The editors would like to give special recognition to those people who have helped to make the 1962 *Tatler* a realization. Credit must be given to the staff as a whole for their excellent cooperation; to Mr. John Nowell, printer, for his advice and guidance; to Mr. John Glassen of Bechtold Company for his assistance in planning the cover; to Dr. Everett Truex, faculty advisor; and to Dwight Cobb, for the art work.

Many events have taken place during the last academic year. Some, such as the Achievement Day fire and the sorority-fraternity combination for *Tatler Revue*, have been of campus-wide significance. Others have been of more personal interest. The staff hopes you will enjoy the book and find recorded in it some of your most pleasing memories.

Panaegis . . . Senior Women's Honorary

The most outstanding women of the Junior Class compose the membership of Panaegis, the honor society for senior women. Selected in the spring each year, the women "tapped" for this organization must have shown the qualities of character, leadership, scholarship, and service. Four women were chosen to wear, this year, the tiny gold key which is the symbol of Panaegis.

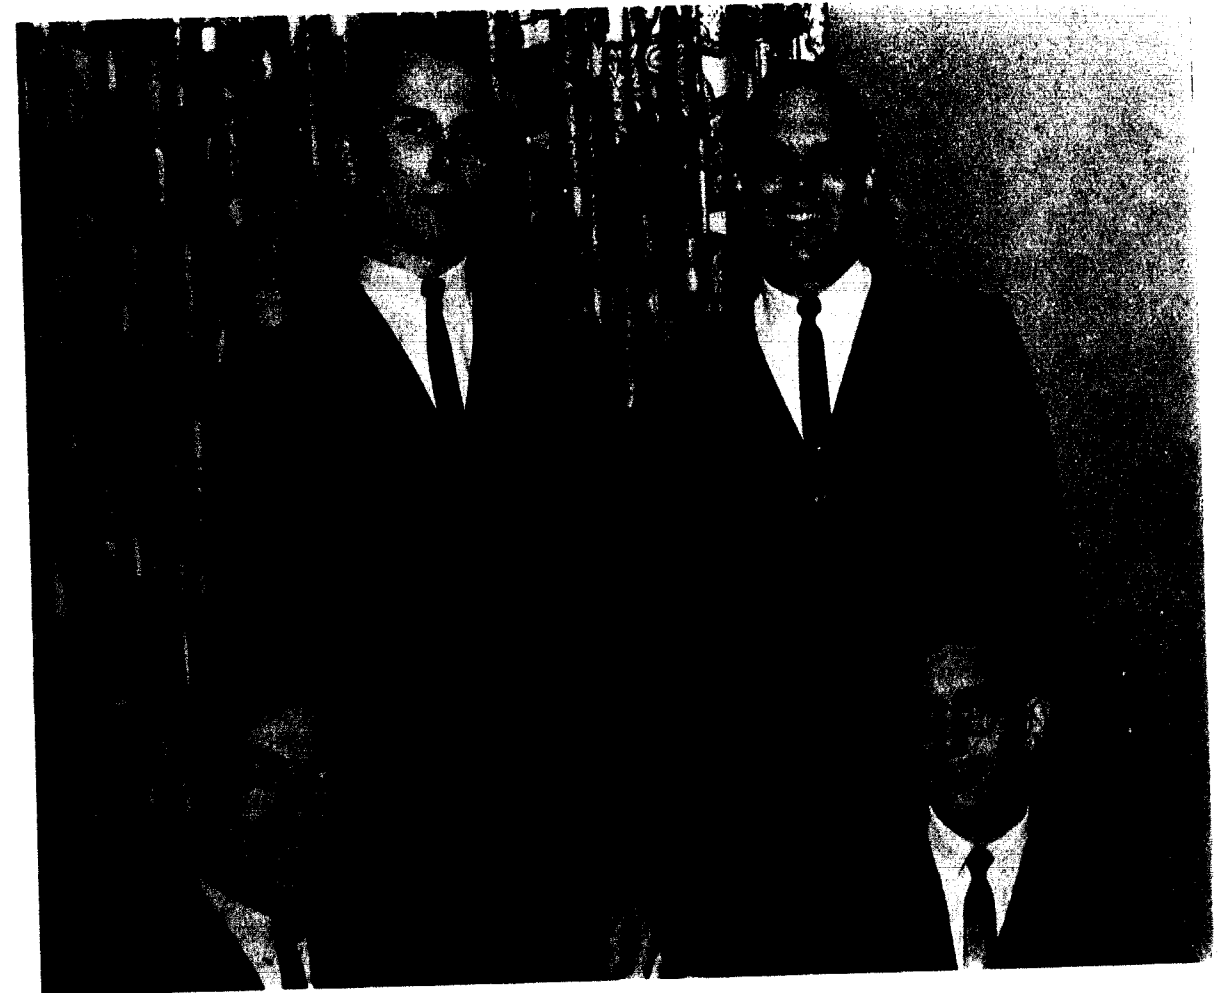

Toni Bolenbaugh of Kansas City, an elementary education major, has served as president of Beta Sigma Omicron and Senior Class treasurer. She was voted the First Lady of the Campus and was listed in "Who's Who."

Linda Long Landers, an elementary education major from Independence, served as Beta Sigma

Omicron pledge trainer, Senate secretary, Junior Class treasurer, and Religious Focus Week co-chairman. She was selected as Tatler Revue Queen and a Homecoming Princess.

Karen Stolte from Mexico, Mo., is a German major. She served as Beta Sigma Omicron Vice-President, Union Board Vice-President, Cardinal Capers co-chairman, *Student* Associate Editor, and was listed in "Who's Who."

Judy Stubbs an elementary education major from Edgerton served as Big Sister Council President and Baptist Student Union Vice-President. She was listed in "Who's Who" and served on the student court.

Seated: Art Miller, Art Cunningham. Standing: Bob Frazier, Sam Childress.

Aeons . . . Senior Men's Honorary

Similar to the organization, Panaegis, Aeons is the honorary for senior men. It is a self-perpetuating body, members being selected toward the end of their junior year. Through the year their activities and procedures have remained known only to the members.

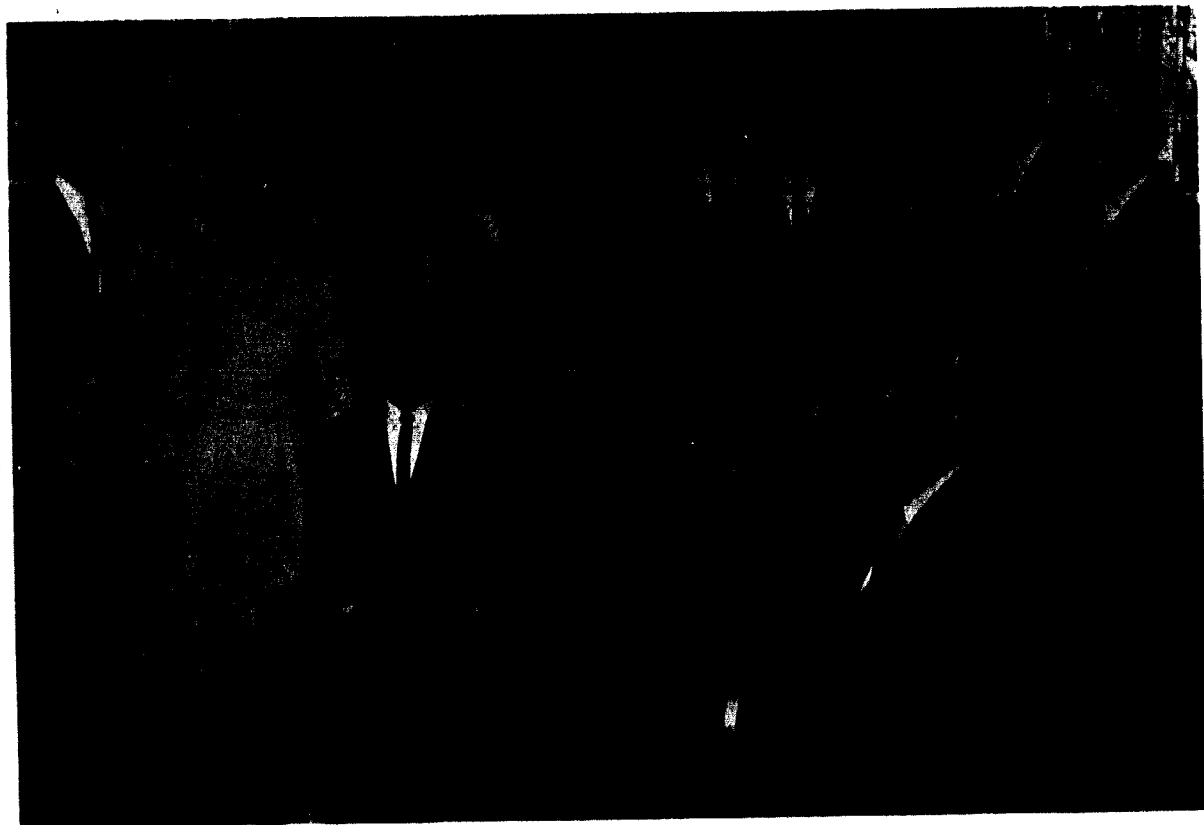

Those chosen from the senior class of 1962 for their general leadership ability were Sam Childress, Art Cunningham, Robert Frazier, and Art Miller.

Samuel Childress is a mathematics major from Harrisonville, Missouri. He was tri-captain of this year's football squad and president of the "J" Club. He has also served as treasurer and vice-president of Sigma Nu fraternity.

Another of the Aeons, Arthur Cunningham, was also elected Colonel Alexander Doniphan. Art is a physics major from Englewood, Colorado. He has served as vice-president of the junior class and of his fraternity, Lambda Chi Alpha. He is active in athletics and in several other campus honoraries.

Robert Frazier is a mathematics major from Harrisonville. He was president of Phi Gamma Delta and very active in basketball and track.

The last of the Aeons, Art Miller, is a philosophy major from Kansas City. He has been president of the sophomore class, senior class, and Kappa Alpha Order No. 1. He is a 3 year football letterman and a team tri-captain this year.

Seated: Tom Bolenbaugh, Wayne Kuhlman, Judy Stubbs, Harriet Petty, Donelda Atkinson, Art Cunningham. *Standing:* Ken Bohringer, Ava Porter, Betty Meier, Karen Stolte, Virginia Burrs, Sam Childress, Ron Jenkins, Norm Bowman, Art Miller, Wayne Rudloff.

Who's Who Lists Seventeen Seniors

"Who's Who Among Students in American Universities and Colleges" is a national honorary organization with over 700 chapters on college campuses throughout the country. Nominations can be made by any faculty members and the final election is made by a faculty committee. Selections are made on the basis of scholarship, leadership ability, contributions made to the campus activities, and promise of future achievement.

Seventeen senior students were chosen this year to be listed in the national publication and received citations in the spring. Donelda Atkinson of Excelsior Springs, Sam Childress of Harrisonville, Wayne Kuhlman of Bogard, and Harriet Petty of Lawson, all majored in the field of mathematics.

Elementary Education was represented by Tom Bolenbaugh from Kansas City, Jane Ann Hunt from Independence and Judy Stubbs from Edgerton. Two students chosen from the field of English were Ken Bohringer from St. Louis and Norm Bowman from Kirkwood. Others chosen include Virginia Burrs, a psychology major from St. Louis; Art Cunningham, a physics major from Englewood, Colorado; Ron Jenkins from Ferguson, a music major; Betty Meier, a political science major from Ferguson; Art Miller of Kansas City, a philosophy major; Ava Jeanne Porter from Portsmouth, Virginia, a sociology major; Wayne Rudloff, a business major from St. Joseph; and Karen Stolte, a language major from Mexico.

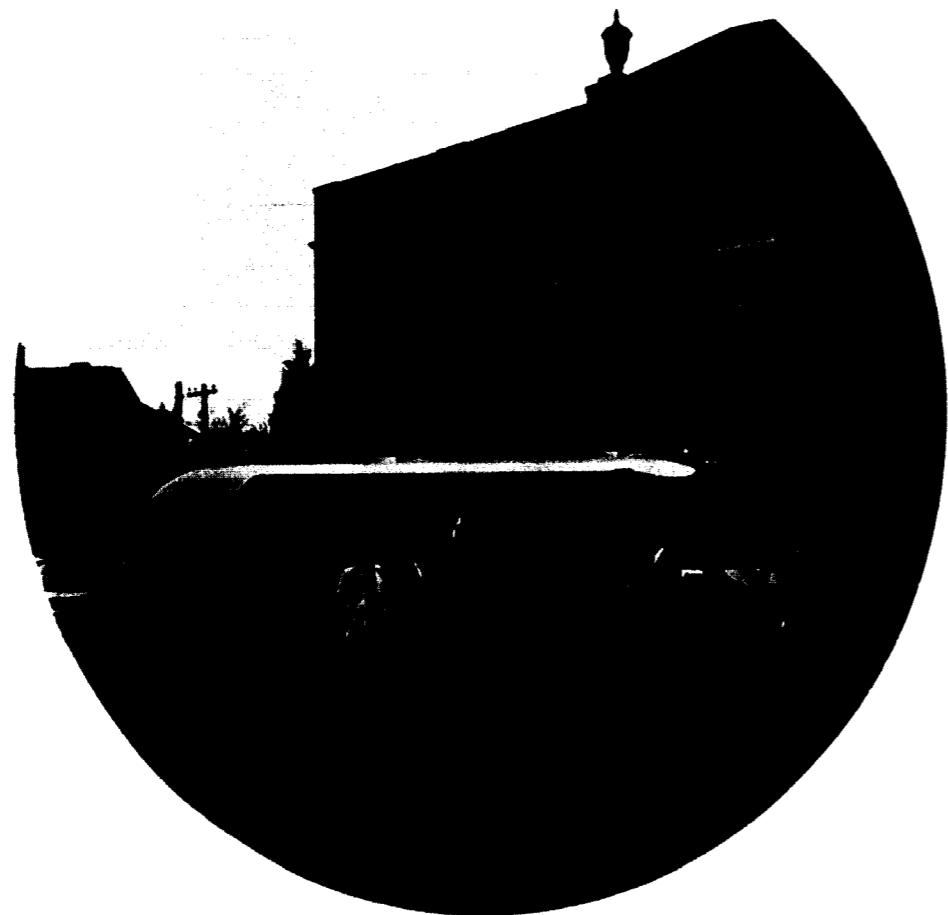

Colonel Alexander Doniphan and First Lady of the Campus

Selected this year as Colonel Alexander Doniphan and First Lady of the Campus were Arthur Cunningham and Tom Bolenbaugh. These honors are given each year to the senior man and senior woman whom the student body feel possess the qualities of leadership that were evident in Colonel Alexander Doniphan, a legendary figure who was credited with leading the longest march in American military history, during the Mexican War.

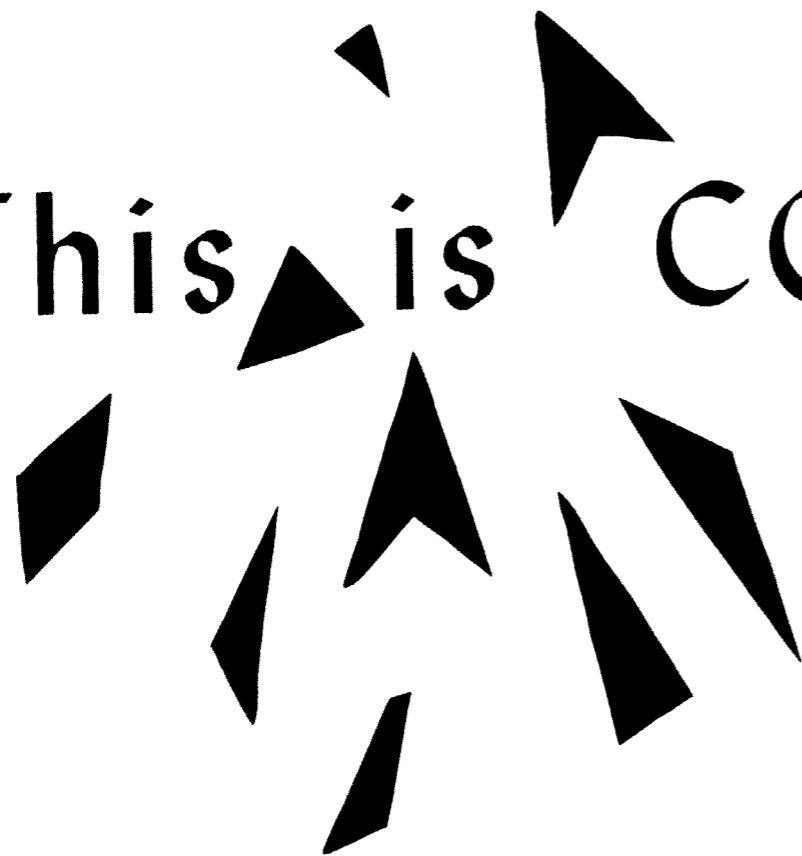

Art Cunningham, a physics major, has received many honors while at Jewell. In addition to the other scholarships and awards that Art has received,

he was selected for membership in Acons and listed in "Who's Who." He served as pledge trainer of Lambda Chi Alpha fraternity, vice president of the Junior Class, Justice of the Student Court, and he participated in varsity cross-country, golf, and basketball.

Tom Bolenbaugh, an elementary education major was listed in "Who's Who," and selected for membership in the senior women's honorary, Panaegis. Her activities and honors include membership in Alpha Lambda Delta, Big Sister Co-ordinator, pledge trainer and president of Beta Sigma Omicron, Senior Class treasurer, and co-chairman of the all-school picnic.

Cardinals Take Second in MCAU

William Jewell successfully maintained a top division spot in the Missouri Collegiate Athletic Union conference race losing only to Missouri Valley which last year shared the conference championship with the Cardinals, and this year laid claim to the MCAU summit position. A signal event was achieved at the last of the season when long time rival and spoiler of perfect seasons for Jewell was defeated by a score of 34-14 at St. Benedicts of Atchison, Kansas.

For every successful team, there are reasons for achievement. One must consider the leadership, player material, team work, and the all important schedule. When the ingredients are mixed properly there can not help but be a victorious outcome.

Excellent leadership was again demonstrated by head Coach Norris A. Patterson, line coach James Nelson, and end coach Darrell Gourley. Patterson has lead William Jewell in over 122 victories thus using his knowledge and experience to maintain Jewell's reputation as a football power. Under the heading of leadership must come this year's staff of tri-captains chosen by their team mates for their superior ability and on the field guidance. Captains,

Grundy Newton, Art Miller, and Sam Childress were responsible for team decisions on the field and conduct off the gridiron.

Player material was above normal as a talent laden crew of 8 men dominated the mythical all MCAU conference team chosen by the various coaches. Those elected to this high honor were Bob Hufft, Grundy Newton, Charles Linn, Ron Haggard, Gary Gibson, Clem Buschman, Don Strange, and Sam Childress.

At the end of each season of hard work and extreme effort comes the reward of the varsity letter. Men receiving awards this year numbered thirty-seven. The list included ten seniors, nine juniors, fourteen sophomores, and four freshmen.

Although the Cardinals will lose ten men, hopes are high for achieving the best season in the history of William Jewell College by completing a perfect season without a loss, a feat which has never been accomplished. Leading this enthusiastic group will be the newly elected captains Ron Haggard, tackle and Don Strange, tackle.

Although the opponents will be difficult competitors, Jewell is expecting a rewarding year in 1962.

Basketball Team Wins MCAU

William Jewell was honored for the second season in a row with a conference title as the Cardinal five wound up an exceptional year with a record of 21-7. The Red Birds lost only one conference battle and that was later rectified as Tarkio College, the previous victor, was soundly beaten by Jewell in the NAIA district play-offs.

Much of this year's success can be attributed to the experience of eight returning lettermen, talent of the first-year lettermen, and the able coaching of James Nelson. Dick Cox, senior and a graduate from Westport High School in Kansas City, served as captain and leader on the court for the squad. Other returning lettermen were Wayne Kuhlman, Bob Frazier, Art Cunningham, Jim Dudley, Jackie Fore, John Hammon, Bob Ulrich, Ron Tiemeyer, Terry Scott, Bill Summers, Julian McElwain, and Pete Edmundson.

A high point in the season was reached when Nelson, head mentor of the Cardinals, received official recognition in the form of an engraved plaque for his 200th win at William Jewell. This victory over Central College clinched the M.C.A.U. conference title and a district sixteen play-off berth. In his twelve years he has guided six teams in a row into district play-offs and has taken five M.C.A.U. titles.

During the year's play Jim Dudley led the team with an average of 16.85 points per game. Dudley was also elected to the mythical All Conference squad as was Dick Cox.

Nine of the members contributing to this championship squad will return in hopes of capturing another successful season. Leading this crew as co-captains of the roundballers will be Bob Ulrich, forward, and Jim Dudley, guard.

Cross Country Squad Ranks High Nationally

Clockwise: Dick Gabbert, Bob Hatcher, John Insko, Jim Harmon, Dave Sullivan, Ron Collier, Don Burke, Larry Heaps, Ron Hamilton, Gary Lester, Stan White, Don Smith.

The Cardinal hurriers concluded their cross country season with the best year ever recorded at William Jewell. During the regular season, a perfect score, 80, was compiled along with first place in the Missouri Collegiate Athletic Union conference. Even more spectacular was the fact that the thin clads ranked fifth in the nation as a result of the national NAIA meet held at Omaha, Nebraska and placed third at the Midwest AAU run at Des Moines.

The success of the squad can be mainly attributed to five new freshmen runners under veteran cross country ace, Larry Heaps. Heaps, a four-year letterman and captain of the Cross Country Squad for three years in succession, completed his last conference race in style as he crossed the finish line at the front of the pack to win the MCAU meet at Marshall, Missouri.

Coaching this talented squad of eleven men were Darrell Gourley, and student assistant, Dick Gabbert. Only two men will be graduated from the team leaving seven returning lettermen and four of these men are freshmen. With the nucleus

of the squad back next year, hopes are high for the repeat of another successful season. Leading the spirited group will be newly elected team captain, Bob Hatcher from St. Joseph.

Track Team Shows Promising Season

The track team started the season with a series of four indoor meets beating Springfield State in the first dual and ending with the Kansas State Invitational relays. The outdoor season commenced when the tough Jewell squad defeated Ottawa University and Baker University in a triangular contest.

Clem Buschmann, sophomore co-captain, has been high point man consistently for the big red as he has placed or won the 120 yard low hurdles, fifty yard dash, 220 yard low hurdles, 100 yard dash, and the broad jump in most contests. Other

outstanding endermen have been Larry Heaps, co-captain, who has had a great deal of success in the mile and two mile and Grundy Newton who this year set a new discus record of 146 feet, 7 inches against the Fulton Blue Jays.

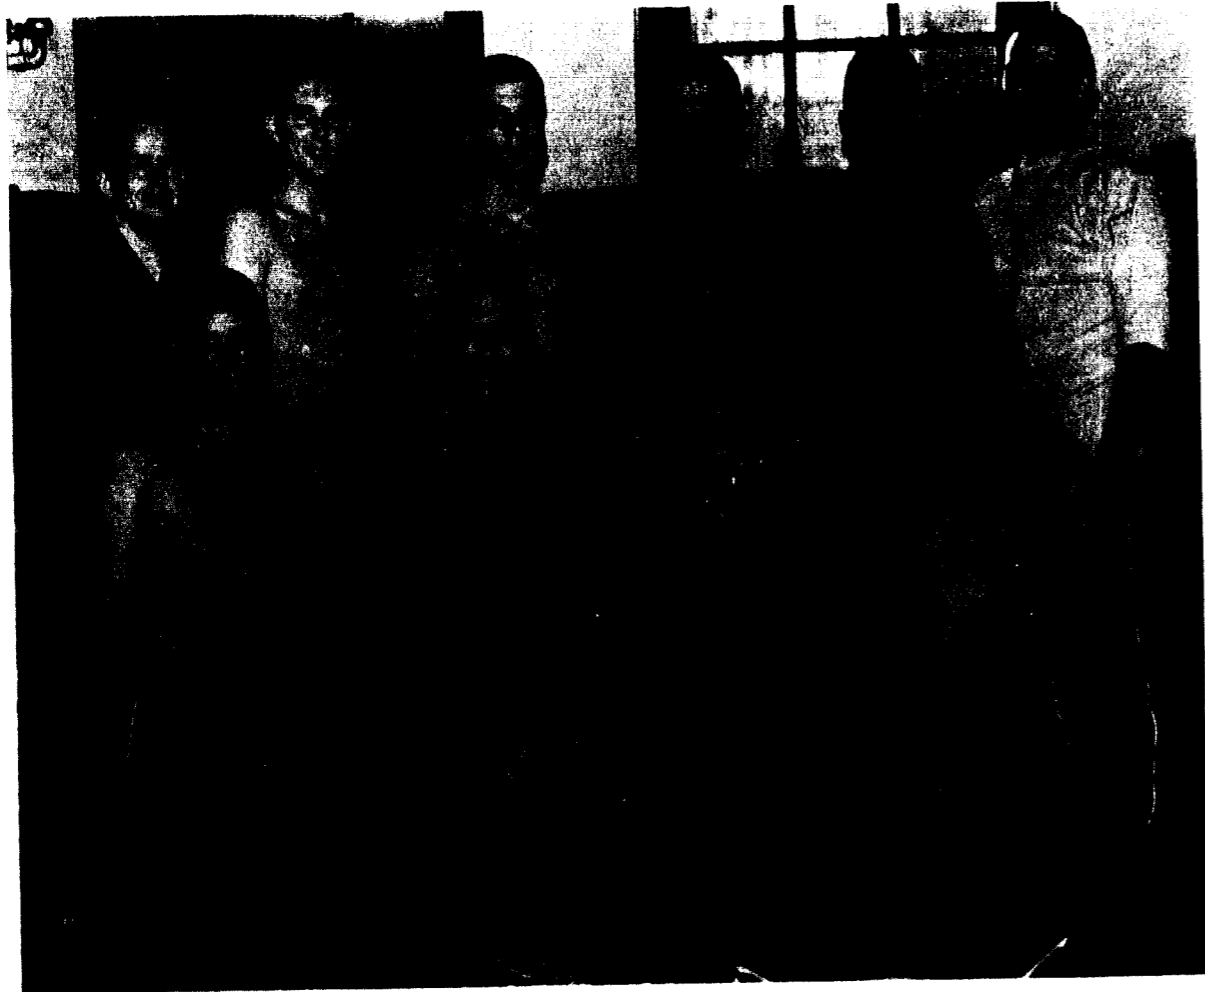

Other teams competed against by Coach Darrell Gourley's track squad were Emporia, Warrensburg, Missouri Valley, Kirksville, Maryville, Westminster, Graceland, Tarkio, College Division of the NCAA, and the NAIA meet at Sioux Falls. Until press time the Cardinals' over all record was three wins, two seconds, and three losses.

Wrestling Team Faces Difficult Season

The 1962 wrestling squad of William Jewell experienced a difficult season due to relative team inexperience. The turnover in squad members has been extraordinary in that many of the participants were new and lacked adequate mat performance. The only three returning lettermen, Jerry Green, Terry Streater, and Clarence Schneider, Coach, endeavored to instruct the squad in the various techniques of man's oldest sport in an attempt to build the skill of individuals.

The thinking this year was along the line of improvement and building for a better team next season. Throughout the year a gradual improve-

ment was evident in the matches of team members.

The wrestling team completed a total of eleven matches. This year Jewell became a first year new member of the M. C. A. U. Wrestling Conference and was the host school for the meet. Teams offering competition this year were Northwest Missouri State College, Graceland College, Westminster College, Omaha University, and Warrensburg.

The wrestling squad hopes to have a much better and much improved season next year. There is the possibility of seven lettermen returning to next year's squad which should greatly aid the squad.

Row 1: Ted Newell, Tom Trotter, Bob Mann. Row 2: Art Cunningham, Dave Carney, Terry Whitnell, Russ Rinklin, Terry Borchardt, Dr. Moore.

Golf Team

The golf team under the leadership of Ted Newell as captain has a record of 7 wins and 1 loss to date. Returning lettermen Art Cunningham, Terry Borchardt, Terry Whitnell, Ted Newell, and Bob Mann add experience to the squad while Tom Trotter and Russ Rinklin are two skillful freshmen.

The outlook is hopeful as the team is expected to win 9 of their 10 matches, and qualify at the MCAU conference in Fulton during May.

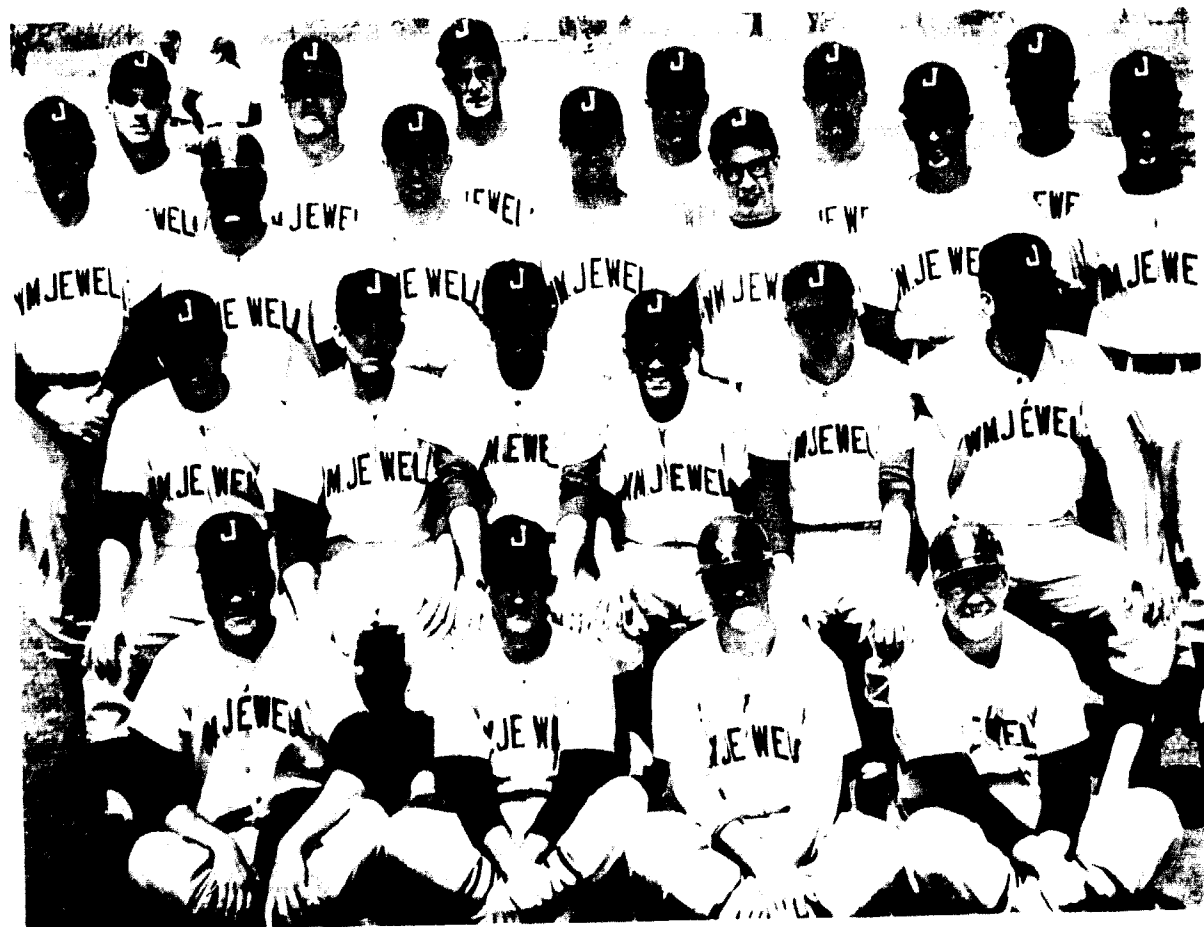

Tennis Team

The tennis team coached by Jim Nelson has had a most successful year. Bud Brower is the assistant coach and other returning lettermen are Tom Hightower and Rick Clark. The rest of the team is composed of Bill Koll, Gary McCormack, and H. C. Bauman. The squad has won 5 matches and lost only twice.

The MCAU conference is to be held at Westminster in Fulton on May 19 and the team has high hopes of doing well there.

Baseball Team Has Thirty-two Game Schedule

Looking forward to a full season, the Cardinal baseball squad started team practice March 15 in preparation for a 32 game schedule. Opening day at home for Jewell was Tuesday, April 3, with Missouri Valley bringing their squad to the new cardinal stadium of last year.

The annual trip south for pre-season experience was canceled in favor of an early trip to Cape Girardeau and the St. Louis area because of the limited Easter vacation. These early games offered worthy experience and gave Jewell a valuable edge over many opponents who had their first game of the season with the Cardinals.

Seven lettermen returned to the Red Bird team including captains Mike Compton, outfielder, and

Bob Rogers, catcher. Rookies that looked promising this year were Charley Piltz of St. Louis who played third base and Dennis O'Brien, an infielder from the St. Louis area.

The Jewell squad made eleven home stands which gave many of the students a chance to take in a good number of games at the two year old Cardinal stadium. Added this year were benches for players, an outfield fence, and a seating area behind home plate.

Norris A. Patterson, director of athletics, coached the team assisted by Tom Demark, Liberty resident. Patterson accompanied the team on all trips.

"J" Club Offers Awards

All men who compete in any of the eight varsity sports at William Jewell are eligible to attain membership in the "J" Club if they letter. The letter is for recognition of superior performance and reward for a job well done in their area of athletics.

The club offers a system of progressive awards starting with a sweater for first year lettermen, a jacket for second year men, and all seniors receive a Jewell blanket. Different colored letters denote the type of season experienced by the wearers. A

white letter means a championship team and a black letter can mean the team placed anywhere from second to last for the season.

The members of the club sponsor dances for their own recreation, and they aid the athletic department in a variety of capacities from helping out at varsity games to assisting in coaching.

The sponsor is Norris A. Patterson, Athletic Director, and Jim Lindsey, Sophomore, is the second semester president, and Art Miller, Senior, served first semester.
