OUR PRESIDENT AND HIS FIRST LADY

President's Achievements

Dr. Walter Pope Binns was inaugurated as the ninth president of William Jewell College, November 11, 1943. As a native of Georgia, Dr. Binns attended Mercer University where he received his A.B. and D.D. degree. Before coming to William

Dr. Binns on his thoroughbred, Eric of Schellcrest.

Jewell he was pastor of the First Baptist Church of Roanoke, Virginia.

During his twelve years as president of William Jewell, Dr. Binns has proven himself to possess many qualities capable of achieving a successful blend of idealism and realism, of criticism and praise, of faith and work.

In addition to his customary administrative duties, Dr. Binns travels thousands of miles each year for special conferences and speaking engagements where he displays the meaning of Christian service and William Jewell College. His gracious manners and intellectual Chapel talks reveal his extensive training, leadership, and experience. The students and faculty have come to admire and respect him for his inspirational addresses.

Since coming to William Jewell he has been largely responsible for the building program launched by the college. His views on students' problems, as expressed in conferences, are always well thought out and clearly presented.

William Jewell is indeed proud to have a President who thinks as tall as he stands.

The President's Message

When President Harry S. Truman spoke in chapel and accepted an honorary degree, he chose as his subject the motto which President John Priest Greene gave to William Jewell College and which is now inscribed on the new chapel curtain, "Deo Fisis Labora." The translation is familiar to every student, "Trust in God and Work."

The motto states the educational philosophy of this century-old college — worship and work, faith in God and diligent study, sincere religion and sound scholarship. This we believe to be the only true basis for worthy achievement.

Compatible with this high educational ideal is the program of athletic competition and recreation and fun which adds zest to college life. The installation of the latest and finest equipment in the Science Building is immediately followed by the construction of a beautiful new stadium for the football field.

Turn the pages of the "Tatler of 1955" and read the whole story of worship and work and fun. Riding "Eric of Schellcrest" is a part of real education!

DR. H. I. HESTER, *Vice-President in charge of Administration of Academic Affairs*

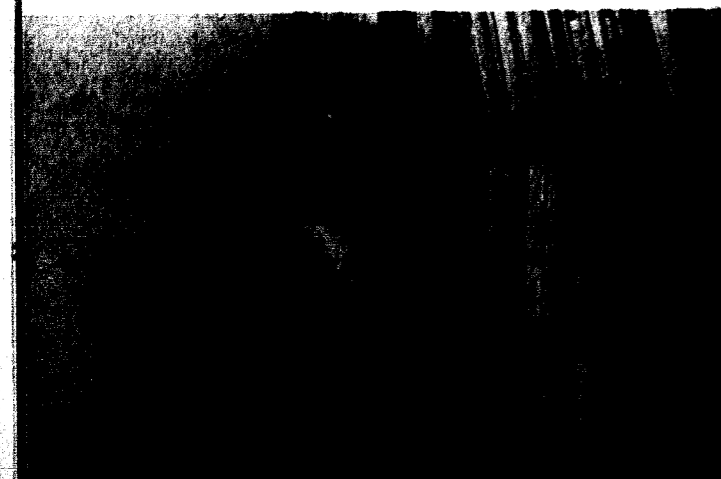

Dr. H. I. Hester has been the head of the Department of Religion since he came to William Jewell College in 1926. In 1943, he became Vice President in charge of the administration of academic affairs. He has served under three presidents and was interim president for one year.

After receiving his Bachelor of Arts degree at Wake Forest College in 1918, Dr. Hester went on to the Southern Baptist Theological Seminary and received the degree of Master of Theology in 1921 and Doctor of Theology in 1923. He holds a Doctor of Divinity degree from Wake Forest College.

Dr. Frank G. Edson is now completing his sixth year as Dean of the College. He is also head of the Department of Chemistry. Dr. Edson is a charter member of the Midwest Research Institute Branch of the Scientific Research Society of America and a member and faculty sponsor of Theta Chi Delta, national chemistry fraternity.

His aptitudes and abilities in many fields have ranked Dr. Edson among the best educators in the nation. An example of this is his planning of a large chemical plant in Pittsburg, Kansas, in the early war years.

DR. F. G. EDSON
Dean of the College

Counselors

Besides the necessary administrative duties, the duties of the Vice-President of the College and the Vice-President in charge of Business Administration include taking the President's place when he is out of town and keeping in contact with the alumni. The Dean Emeritus gives advice to the Registration, the Catalog and the Curriculum

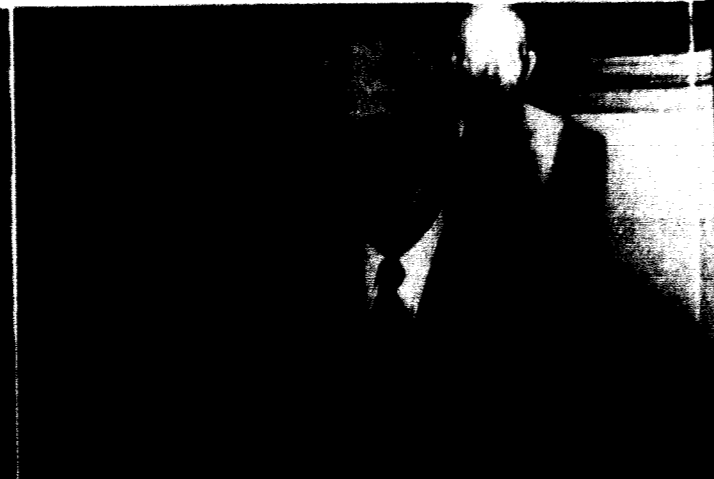

The degrees which he holds are an A.B. from William Jewell College, 1925, and an A.M. and Ph.D. from the University of Colorado in 1929 and in 1933, respectively. He has done further graduate study at the University of Wisconsin and the University of Minnesota.

Dr. Allen J. Moon has served as Dean Emeritus of our college since 1945, previous to which he was Dean of the College for 14 years. Dr. Moon came to the college in 1925 and has been on our faculty longer than any other man except P. Caspar Harvey. Dr. Moon has not only served in an administrative capacity, but also he has served as head of the Department of Ancient Languages and Professor of Latin and Greek.

Dr. Moon keeps in close touch with the students by lending his advice to the Curriculum Committee, the Registration Committee, and the Catalog Committee.

Dr. Moon received his A.B. degree from Howard College and later received his A.M. and LL.D. degrees from the same school. He held a fellowship in Greek at the University of Chicago and has done further graduate study at the University of Virginia and the University of Chicago before coming to Jewell.

Committees. From the office of the Dean of the College comes the Honor Roll and information concerning the curriculum. The college testing program and a personal interest in each student are functions of the Dean of Students. All social events are scheduled through the office of the Dean of Women.

Mr. Minetry Jones holds the position of Vice-President in charge of Business Administration. Among his many duties are the future plans of the college, as well as conducting the current business and financial affairs of the college.

Mr. Jones came to work for the college in June, 1938. He was a member of the Board of Trustees from 1932 to 1938, when he resigned to join the administrative staff. The new girls' dormitory, Minetry Jones Hall, bears his name.

Mr. E. W. Holzapfel, well liked and known by all, is our Dean of Students, Director of Admissions, and Director of Guidance and Placement. Mr. Holzapfel came to work for the college in 1948 as Director of Student Personnel. He was made Dean of Students in 1951.

This is not enough, however, so Mr. Holzapfel is also in charge of the college testing program which includes the tests given to new students and transfer students.

Although he is a busy man, Mr. Holzapfel is always a ready listener to any student who is having difficulty in school or who wants advice. He is interested in the personal and campus life of every student.

MR. E. W. HOLZAPFEL
Dean of Students

MR. MINETRY JONES, *Vice-President in charge of Business Administration*

Mr. Holzapfel graduated from Westmar College in 1926. From there he went to Iowa State College to receive his Master of Science Degree in 1937. Since then he has done further graduate work at the University of Southern California.

Miss Catherine Bates, Dean of Women, is now finishing her seventh year at William Jewell College. This is a difficult position to fill, for from her office come the rules by which the girls living on campus must abide.

Miss Bates shows her interest in the student affairs of the college by her active participation in faculty committees that are in charge of the various activities. Some of these committees are Admissions, Dormitories, Freshman Initiation, Fraternities and Sororities, Religious Activities, and Student Activities.

She completed her undergraduate work at Agnes Scott College in Georgia, and then went to the Women's Missionary Union Training School at Louisville, Kentucky. Since then she has done further graduate work in student personnel at the Teacher's College of Columbia University before becoming Dean of Women here at Jewell.

Melrose Hall

Melrose Hall, a residence hall for women, stands on a wooded hilltop northwest of the President's home. It contains an infirmary supervised by a resident nurse capable of advising and prescribing for minor illnesses. The girls are arranged in a home-like fashion as suite-mates. The recreation room in the basement affords a delightful atmosphere for entertaining dates and for after-hour relaxation. The girls maintain their own self-governing system which plans a variety of entertainment suited to each girl's individual taste.

Residence Halls

Mrs. Wakefield became house director of Melrose Hall in 1953. The mother of two sons, she found the transformation to the mother of eighty girls quite an experience, but she rose to the occasion with an adeptness that won the love and respect of all "her girls." She serves as confidant and second mother to any girls who may need her comfort and companionship.

Mrs. GEORGIA WAKEFIELD

Miss BETSY MORGAN

"Betsy," a mother to the girls at Minetry Jones Hall, has completely won the respect and admiration of the girls in the one short year she has been with them. She is extremely busy as assistant to the Dean of Women and as Director of Religious Activities. However, she still finds time to listen to problems and to give much needed counseling on studying.

For Women

Minetry Jones Hall, known unofficially as the New Dormitory, was named for a vice-president of the college. Open house was held during the year with many students, faculty, and parents attending. The building is of brick construction, completely modern. There is a comfortable lounge on the patio level, in which the girls entertain their guests. On the upper floor there are two lounges, one at each end of the floor. These are especially used for studying and for eating those late night snacks which can be prepared in the modern kitchenettes.

Board of Trustees

The Board of Trustees of William Jewell College is an outstanding group of professional and industrial leaders who give of their time and thought to the formation of the college policies. The major functions of this group are to build and invest the college's endowment, employ the administrative and faculty members, advise on financial matters, and provide maintenance of the campus. In addition to these duties, they inspire the highest academic standards.

The present Board of Trustees has twenty-three members and two trustees emeritus, Mr. John B. Wornall of the Calvary Baptist Church in Kansas City and the Reverend Lawrence M. Proctor of the First Baptist Church in Independence. The President of the Board of Trustees is Mr. Charles F. Curry, a business executive and prominent Baptist layman. The Vice-President of the Board is Mr. William P. Browning, Jr., a Kansas City stockman and prominent layman of the Wornall Road Baptist Church. Serving as Secretary of the Board of Trustees and as Treasurer of the College is Mr. E. E. Amick of the First Baptist Church of Kansas City.

Other members of the Board of Trustees are: Mr. R. E. Cooper, Mr. Joe E. Culpepper, Mr. Grant Davis, Dr. Fred C. Eastham, Dr. Hubert Eaton, Mr. William M. Fitch, Mr. Arthur L. Lind, the Reverend W. C. Link, Jr., Mr. W. W. Martin, Dr. John B. Pew, Mr. F. S. Pillsbury, Mr. Fred H. Pillsbury, the Reverend Lawrence M. Proctor, Judge Albert L. Reeves, Mr. Herbert H. Schwamb, Dr. William T. Semple, Mr. J. Neil Smith, Mr. Elliott C. Spratt, Mr. Howard H. Stamper, Mr. George J. Winger, Mr. John B. Wornall, and Mr. W. F. Yates.

Achievement Day

The story of the eleventh annual Achievement Day is again the account of one of the important events on the campus each year.

The 1954 honorees were Mrs. Howard W. Lee, Class of 1936, Danville, Virginia; the Reverend Lewis Emerson Maples, Class of 1936, Miami, Oklahoma; Dr. W. Wallace Greene, Class of 1928, Kansas City, Missouri; Mr. Louis A. House, Class of 1925, Kansas City, Missouri, since deceased; and Mr. Porter M. Waldron, Class of 1916, Los Angeles, California.

Again the weather was perfect and at nine o'clock the entire student body gathered in five different sections for the open forums with the honorees. In these, the returning alumni each gave a twenty minute address on the opportunities and pitfalls in his or her specific endeavor. After this, the students asked questions of the honoree for forty minutes.

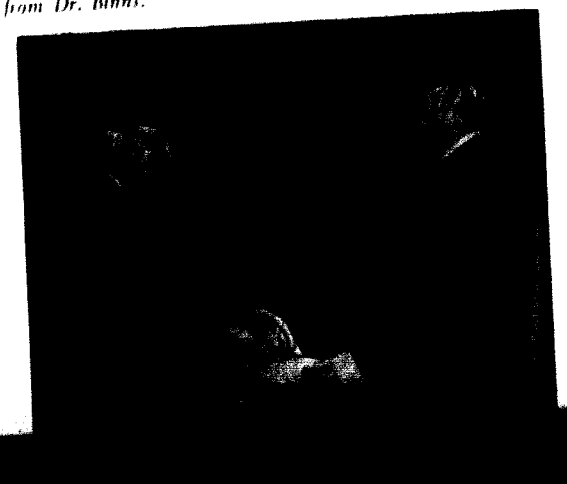

President Walter Pope Binns presided at the formal convocation in the John Gano Memorial

Chapel. Each honoree, after receiving his "Citation for Achievement," read his response to the student body.

Dr. Binns presented certificates of Honorary Membership in the Alumni Association to Charles R. Boyle, President of the Lee Foods Division, and Norris A. Patterson, football coach of William Jewell.

Dr. T. Bruce Robb presented Clement Dixon Johnston, Washington, D.C., President of the Chamber of Commerce of the United States, for the honorary degree of Doctor of Laws, and Dr. Binns conferred the degree. Mr. Johnston then addressed the entire student body.

Clement Dixon Johnston receives the honorary degree from Dr. Binns.

Seated, left to right: Carolyn White, Fred Pryor, Bill Jackson, Mary McCoy, Deane Darnell. Second row: Lee Nelson, Lowell Jenkins, Sam Wallace, Paul Reeves, Larry Zahnd, Frederic Wyatt, Marlin Moody.

Student Senate

The governing body of the college is the Student Senate which consists of one representative from each of the eight social organizations, the Ministerial Association, the non-affiliated students on-campus and off-campus, class presidents and the president of the student body.

Every Thursday night the Senate meets in the Faculty Room in Greene Hall under the leadership of the President, Bill Jackson, Secretary, Mary McCoy, and Treasurer, Fred Pryor. They discuss the problems concerning school activities and the mechanics of student government.

This was the first Senate under the new Student Association Constitution which passed last year and the wish of the Senate is that this Constitution be effective in future years as well as now. The Constitution Committee spent much time going

over each detail in the Constitution and By-Laws and made some amendments.

The Senate had charge of choosing the Homecoming Co-Chairmen, Cheerleader elections, freshman elections, class officers, student body president elections in the spring, and the elections of the associate business managers and associate editors of the *Tatler* and *Student*.

The new activity begun by this Senate was an orientation meeting for the new Senate taking over for the year 1955-56. A calendar was printed with the Senate's activities for each month.

One important branch of the Student Senate is the Board of Control which is composed of three members: Mrs. Prather, Dr. Hilton and Mr. Truex. The Board is concerned with the management of student publications.

Student Activities Committee

The Student Activities Committee, headed by Hubert Neth as chairman and Dean Holzapfel, faculty advisor, is responsible for many of the worthwhile projects throughout the year. One of the main purposes of this committee is to build up school spirit through activities.

One of the biggest single jobs of the committee is managing "The Hub." This year Arvilla Neef served as Hub manager with the help of Jody Olson and Dick Davis as Junior Hub Managers. They have been successful in making "The Hub" a better place to spend those relaxing moments.

One of the first activities which the Student Activities Committee sponsored was the All School Picnic, which was held at the ovens. Neita Frohmuth and Hubert Neth were appointed by the committee as co-chairmen of this event. A program was given which presented some of the V.I.P.'s of the campus and gave a preview of the year's events.

Then in the fall a Sadie Hawkins Day Party was held. Everyone went "Dog Patch" for the day. Jody Olson and Ron Hubbard were the planners of this successful event.

In keeping with the holiday spirit a Christmas Party was given just before vacation. Iralee Reppeto and Dick Willoughby did the honors as everyone enjoyed doughnuts and cocoa with their Christmas carols.

The last big party of the year was Rhythm Round-up, done up in the true western style. This is the time for the organizations to compete in group singing.

Another relatively new activity sponsored by the committee is the coffee chat. These are informal gatherings at which some faculty member or guest on campus leads in a discussion or provides some form of entertainment.

Seated, left to right: Jody Olson, June Fisher, Hubert Neth, Sue Fechner, Arvilla Neef. Standing: Bill Jackson, George Frame, Scott McClary, Iralee Reppeto, Neita Frohmuth, Dick Davis, Gerry Stewart, Bill Miller, Janet Elmore, Charlene Kurth.

Freshman Day

As the members of the class of 1958 donned the traditional beanies the annual freshman initiation began. Senior Class President Larry Zahnd gave the Senior Proclamation and outlined an initiation procedure to be followed by the lowly freshmen. The first item on the agenda was the cleaning and white-washing of the rocks that form a huge "J" on the hillside behind New Ely Hall. This was followed by the annual Freshman Sophomore tug-of-war and a soaking-good time was had by all.

Wednesday was proclaimed to be a day when the freshmen would wear dress suited to their lowly station, and such an array of fashion is rarely

seen (thank goodness). Thursday they were requested to wear their finest just to prove that they were worthy of being called "Jewellites."

Representing the "laudable" senior class, President Zahnd emphasized the importance of Jewell tradition and the humility with which the freshmen should accept their part in this. He challenged them to carry on where the senior class would soon leave off, to approach their task zealously and not to fail. He warned them to be careful of breaking tradition as he said, "There is no virtue in breaking tradition. Tradition and custom have evolved somewhat like the species, in a survival of the fittest manner. The traditions of William Jewell College must and shall continue to exist and grow from generation to generation, century to century."

Friendship

“And gathered them together in a ring.
And we stood in it softly circled round
From all division time or foe can bring
In a relation of elected friends.”

Panhellenic Council

The Panhellenic Council has for its purpose to promote a spirit of cooperation between the three social sororities on the Jewell campus. Composed of two representatives from each sorority on the Hill, this group promotes better relationship between the sororities.

With their adviser, Miss Bates, the Panhellenic Council discusses mutual problems, sets up rushing rules, and creates an atmosphere of friendly cooperation. The two main events sponsored by them this year were the annual inter sorority formal, "The Pink Fantasy," held in the fall, and the Panhellenic Workshop, which is a spring program consisting of an address of general interest and a series of group discussions led by alumni of the national sororities.

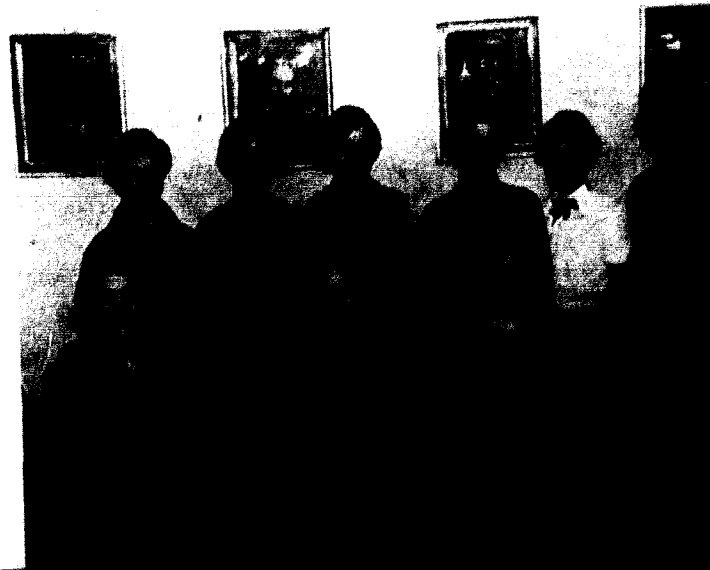

Officers for this year were: President Martha Yancey of Alpha Delta Pi, Vice-President Donna Fromm of Alpha Gamma Delta, and Secretary-Treasurer Dixie Sanders of Beta Sigma Omicron.

Junior Panhellenic Council

The underlying purpose of the Junior Panhellenic Council is to promote good relations and wholehearted cooperation between pledge classes of the three sororities on the Hill. This organization was initiated by the Panhellenic Council three years ago and is made up of two representatives from each sorority pledge class.

The Junior Panhellenic Council is set up on the same basis as the senior council and it serves them in many similar ways. The purpose of the Junior Council is to give training and preparation for positions on the Senior Council. Some of this year's projects have been adopting a constitution and creed, submitting improvements for the Panhellenic Handbook, and rewriting the rush week skit, which is a program given by Panhellenic for the Orientation Day for women in the fall.

The 1954-55 officers were: Ann Faubion, President; Joan Vogt, Vice President; and Aloah Burke, Secretary-Treasurer.

Left to right, seated: Miss Bates, Joan Vogt, Ann Faubion, Aloah Burke. Standing: Ginger Hank, Rae Hewins, Sondra Barnes, Shirley Montgomery, Carol Sanders, Donna Fromm.

Left to right, seated: Fred Potter, Don Willhoit, Bob Woodruff, Munro Ransdell. Standing: Dr. Harvey Thomas, Jerry Emery, Earle Dale, Larry Zahnd.

Interfraternity Council

From the time the first fraternity came to the campus of William Jewell College in 1886 until the present, fraternity men have tried to work together to improve the campus and student life as a whole. In 1900 an epidemic of smallpox visited Liberty and the surrounding countryside. The health authorities of Liberty were alarmed when they learned that at least one Sigma Nu was stricken with the disease. A quarantine was placed on Beta Xi chapter. A few hours later the chapter was installed in a tent several miles from Liberty. For several weeks the men of Beta Xi lived in the tent, enjoying the freedom from classwork provided by this strange change of habitat.

While the men of Sigma Nu were living in the tent, Kappa Alpha, Phi Gamma Delta, and Kappa Sigma sent food and drink to the stranded men. The Sigma Nu chapter appreciated the gifts and friendship extended by the other fraternities. When the quarantine was lifted and the Sigma Nu Fraternity was once more installed in the chapter house, the Sigma Nu members gave a banquet for the three friendly fraternities. Out of this banquet of good fellowship came the Interfraternity Council.

The Interfraternity Council plays an important part in the early orientation of the new students each year. Through its combined meetings and

individual parties, the new men are able to become better acquainted and to get a better start in college life.

The council is designed to develop and promote better understanding and closer relationships among the four fraternal groups on the campus and between the fraternities and the college administration. Through the common ground of discussion of mutual problems, the council helps to promote the spirit of cooperation and friendliness, make and enforce the rushing rules, and decide the general policy in campus affairs.

The IFC, which is composed of the presidents and one other representative from each organization, provides outlets for the traditional rivalries of the organizations with interfraternity scholarship and athletic contests while aiding cooperation in other fields.

Bob Woodruff served as President of the council this year and Dr. Thomas as faculty advisor.

The 1954-55 members were:

Through the organization of the Panhellenic Council, the three sororities enjoyed an evening of friendship at the annual Panhellenic Dance, which was centered around the theme of "Heaven on Earth."

MISS HANNA BRAND, *House Director*

"We live for each other" expresses in words the underlying unity of Alpha Delta Pi sorority on the Jewell campus. Gamma Nu chapter of Alpha Delta Pi has met the challenge of this motto in a year filled with distinction and honor. Founded May 15, 1851, at Wesleyan College, Macon, Georgia, Alpha Delta Pi holds the distinction of being the oldest secret society for college women in the world.

Beginning with the pledging of nine girls, who rated the highest pledge class in scholarship, the ADPi's progressed in leadership and friendship.

Executively sweet, ADPi women hold various campus offices: President of the International Relations Club, President of the Psychology Club,

Gamma Nu Chapter

President of Jones Hall, President and Vice president of Sigma Tau Delta, Secretary of the Senior and Sophomore Classes, Treasurer of the Junior Class, Treasurer and Assistant Treasurer of the Board of Control, Junior Hub Manager, Co chairman of the All School Picnic, Sadie Hawkins Party, and Tatler Revue.

In beauty, the Alpha Deltas have a large Royal Family composed of: Football Queen and Princess, Tatler Revue Queen and Princess, Kappa Alpha Rose, Basketball Princess, "Miss Liberty," and three in the Homecoming Court.

Dramatic wise, the ADPi's appeared on the John Gano stage in leading roles in the fall play, "Little

Alpha Delta Pi

Women," in Shakespeare's "The Winter's Tale," and in the spring opera production.

Editorially speaking, ADPi's ably filled the positions of Editor, Associate Editor, and Associate Business Manager of the 1955 *Tatler*. Also serving in a literary capacity are the Alpha Deltas holding positions on the *Student* staff and the BSU Executive Council as reporters.

Busy with many phases of campus life, ADPi's were active in the intramural sports program, winning first place in the swimming meet. Alpha Delta Pi was represented by two cheerleaders, in the women's honorary, Panagris, and in Who's Who in American Colleges and Universities. The

MARTHA YANCEY, *President*

ADPi's original skit, "Civilization Take It Away," won second place in Tatler Revue to complete a wonderful year.

A counselor and friend to each ADPi is their new housemother, Miss Hanna Brand. She created an atmosphere of warmth and fellowship in the sorority house during the year as she gave counsel, enforced regulations, and prepared midnight snacks during heavy studying.

Much of the chapter's success was due to the capable leadership of President Martha Yancey, Vice president Barbara Cook, Recording Secretary Barbara Boone, Corresponding Secretary Jane Williams, and Treasurer Martha Petty.

The Epsilon Epsilon Chapter of Alpha Gamma Delta was chartered on the William Jewell campus in October of 1946. Since then the chapter has striven toward and maintained the high ideals and aspirations of the national fraternity.

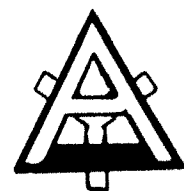

The past year has proved both eventful and rewarding for the girls of EE. The Alpha Gams participated as members of many clubs, honorary fraternities and other organizations. Quite a few girls hold offices in their respective organizations and dormitories and two of the cheer leaders were Alpha Gams.

This year's social calendar began successfully with our Pledge Presentation Tea, and a slumber

Epsilon Epsilon Chapter

party was given by the actives for the pledges. The first big weekend of the year was Homecoming which will long be remembered by the Alpha Gams, who worked hard transforming the chapter house into a facsimile of Grauman's Chinese Theatre. For all of their work the girls were awarded third prize in the organizational house decorations. The famous foot printed cement remains in the front lawn, a reminder of a successful effort.

A sparkling event was the fall formal, the theme of which was "Fall Festival," and the silhouettes of musical instruments and notes will

always remind us of the pledge dance, "Jazz Nocturne."

The Christmas season brought the traditional party for the children at the Brady Home at which they were entertained. Then, with the real Christmas spirit, the girls returned to the AGD house for their own celebration and exchange of gifts.

After Christmas the chapter started working on the spaghetti dinner to help raise money for the sorority's national altruistic project, helping the cerebral palsied children.

In March, when the pledges became active, the annual Feast of Roses held at Millemans climaxed a memorial weekend. April brought the spring

formal "Carnival in Venice" and International Reunion Day. IRD was held in Kansas City where the girls were hostesses to the Alpha Gams from Missouri University. Special guests present were the Grand National President and First Grand Vice president.

Their house director was Mrs. Goode, who displayed an unusual amount of kind hearted assistance to all the girls. The President was Marlene Knodel, a senior from St. Louis who was a very active and able leader.

Fraternity interest has been at a peak this year and the rose and the pearl pin have come to bind this group closely together.

This has been a memorable year for the Alpha Psi Chapter of Beta Sigma Omicron. Proud of their distinction of being the oldest sorority on the "Hill" the Beta Sigs have upheld their tradition of achievement in a wide variety of activities throughout the year.

The very special honor of being selected First Lady of the campus went to our president, Arvilla Neef. Who's Who claimed two Beta Sigs and two were members of Panaegis. Other honors held by Beta Sigs included Hub Manager, editor of the *Student*, a co-chairman of Homecoming, of Religious Focus Week, and of the All School Christmas

party, principal roles in "Little Women" and "The Winter's Tale," Homecoming Princess, Football Princess, two participants in the National Debate Tournament at Redlands, California, State Winner of Extemporaneous Speaking and of Oratory, Class Officers, and officers and members of the various organizations on campus.

Beta's upheld their tradition of high scholarship by winning the scholarship trophy for the fourth consecutive year. Alpha Psi chapter was the second highest Beta Sig chapter in scholarship. Other new trophies which appeared on our mantel were first place Homecoming float, first place Tatler skit,

first place intramural basketball and volleyball, and second place in intramural speech.

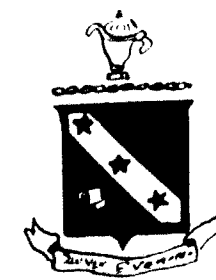

To start things off socially the Beta's sneaked off, in suitable dress of course, to Hernando's Hideaway for the annual pledge dance. "The Hanging of the Greens" formal, their next big social event brought the spirit of Christmas joy to all as the ten-foot tree was decorated with popcorn strings and sparkling tinsel.

As spring appeared and baseball took the spot light, Beta Sigma Omicron was host to prospective Jewellites for a Big League Weekend. The weekend of fun was climaxed with a picnic (in spite of the snow on the ground).

Beta's and their mothers enjoyed fellowship and food at their annual mother's luncheon, and the social whirl was climaxed by the annual Rose Formal given to honor the seniors.

Arvilla Neef served as a very capable President through this year of souvenirs. The other officers were Rene Miller, Vice president; Sue Fechner, Recording Secretary; Mary Jo Smith, Corresponding Secretary; and Juarenne Moore, Treasurer.

Mrs. Ralph Davidson, "Davy" to her girls, has won an honored place in the heart of each Beta Sig during the eight years she has been house mother.

The Independent Society this year has implanted many memories into the minds of its members. Social activities always seem to be most remembered, and this organization has had its share of memorable occasions. The year began with the annual barn party, followed by a "play night," skating party, and the annual formal banquet, "Springtime in Killarney." Fellowship and group spirit were strengthened by working together on Homecoming, Tatler Revue, and Rhythm Round-up. The Homecoming float was built around a "Pogo" theme, and everyone enjoyed throwing pbes at the faculty in the Tatler Revue skit. Also never-to-be forgotten was the wonderful experience

everyone had in singing Christmas carols at the Veterans Hospital in Excelsior Springs.

However, the experiences of the Independent Society meant much more to the members than just the fun of social life. They meant the expression of ideals and ideas represented in the colors red, white, and blue. These colors are indicative of freedom and self-expression, and symbolize the purpose of the organization which is "to establish justice, promote the spirit of sportsmanship and fair play, and to secure recognition, as well as to provide activity, for every student at William Jewell College."

The Independent Society on the "Campus of Achievement" will remember this year as one of

great achievement. A very happy event of the year was the affiliation of I.S. with the National Independent Student Association. Another point of progress was the coming of Mr. Fred Wyatt as faculty advisor and sponsor. He provided much of the spark and initiative always necessary in any group.

Looking back upon the year finds that many members received various honors. Among these were: two Panaegis; president of Beta Beta Beta; several officers of Y.W.A., E.O.P., Ministerial Association, and Freshman and Executive B.S.U. Councils, co-chairman of the Homecoming Committee; athletic manager; and several reporters and members on the *Tatler* and *Student* staffs. The end

of the year found many members holding offices in the following honorary organizations: Pi Gamma Mu, Beta Beta Beta, Kappa Mu Epsilon, and Psychology Club.

Most of the success of the organization this year may be attributed to the most commendable group of officers. These were: Allan Essex, President; Bill Hollis, Vice president; Grace Davison, Secretary; Ron Richmond, Treasurer; Bill Elias, Chaplain; Mary Burlington, Program Chairman; Carolyn White, Student Senate Representative; Icle Lutes, Reporter; Gerry Stewart, Student Activities Representative; Joy Pulver, W.A.A. Alpha Delta Chapter of the Kappa Alpha Order has been a substantial contributor to the William Jewell tradition since the founding of this chapter on the campus one Saturday morning back in January of 1887, when a group known as "The Invincible Twenty three" banded together to form the thirty second chapter of the Kappa Alpha Order.

From the time of its inception in the heart of the Old South at Washington and Lee University in 1865 until now, Kappa Alpha has sought to instill in young men the ideal of the "Southern Gentleman" as typified in the life of General Robert

E. Lee, our spiritual founder. Although this chapter is the northernmost outpost for the Kappa Alpha hospitality, it is none the less southern, as portrayed by the beautiful southern architecture of the Alpha Delta Chapter house.

This year, as in the past, Kappa Alpha has had many of its members active in campus affairs. In the field of student government, Kappa Alpha claimed the President and Vice president of the Senior Class, Vice president of the Junior Class, and Vice president of the Sophomore Class. Many men were members in honorary and service organizations, athletics, inter-organizational competition,

music, forensics, and special honor groups, such as three in Acons and two in Who's Who. Kappa Alpha has continued to maintain its reputation for quality leadership.

Chapter social events, although only a small portion of its activity, furnished some of the most memorable occasions of the year. Activities started in the fall with a "Dance from Outer Space" formal and closed with a spring flower formal. Kappa Alpha observed the annual Robert E. Lee convyrum in February with a former National President of the Order, Dr. Emmitt Lee Irwin, as speaker at the banquet. Participation in Homecoming house

and float decoration contests, the Tatler Revue skit, and Rhythm Roundup furnished ample variety to the routine of study.

The chapter was successfully led through the year by Larry Zahnd, No. I; Don Bowen, No. II; and John Jackson, No. III. Other officers were Jerry Abbott, No. IV; Robert Dustman, No. V; Cliff Lash, No. VI; Bill Kuykendall, No. VII; Robert Eritt, No. VIII; and Bill Miller, No. IX.

Mrs. Frank Winn, so dear to everyone at the Kappa Alpha house, demonstrated genuine Southern hospitality in again serving as housemother.

Lambda Chi Alpha holds the distinction of being the youngest and yet the largest International fraternity. Following in its spirit of progress, Epsilon Nu, activated at William Jewell in May, 1942, and formerly the Zeta Chi fraternity, has continued to advance in another eventful year.

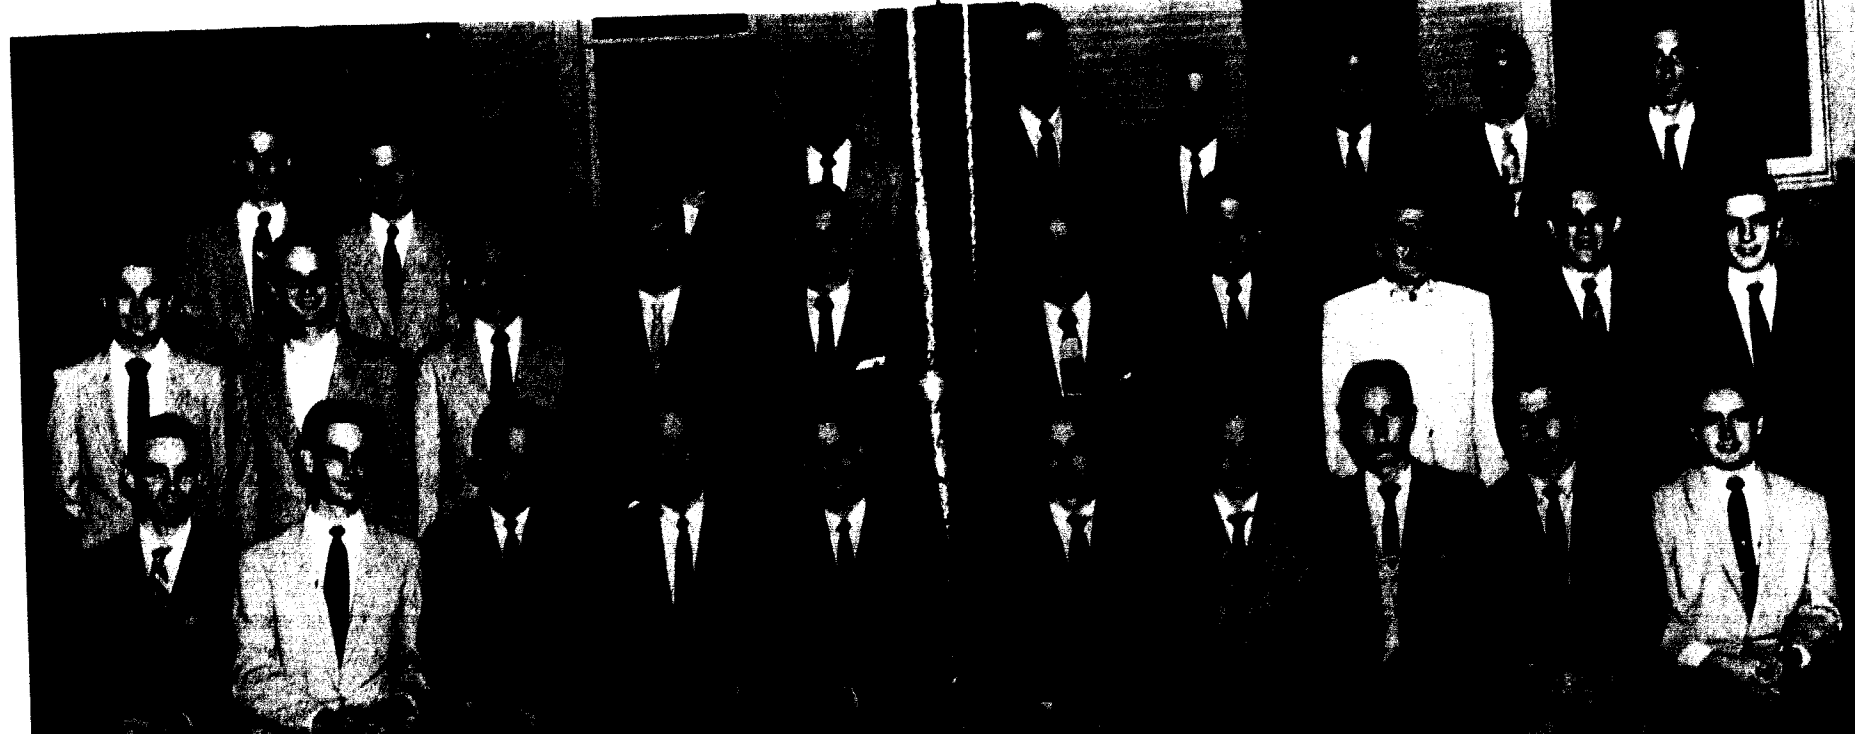

The year began with a successful rush week in which eighteen men were pledged. During the year another twelve Jewell men were added to the chapter roll as pledges.

The men of Lambda Chi were once again prominent in all campus organizations and activities. Among these were the President of the Interfraternity Council, President of the Sophomore

Class, and members of Beta Beta Beta, William Jewell Players, Sigma Pi Sigma, Kappa Mu Epsilon, Alpha Phi Omega, Pi Kappa Delta, Psychology Club, J Club and others. Members were found participating in football, track, "The Winter's Tale," "Minor Miracle," "Little Women," opera productions, Who's Who in American Colleges and Universities, and Aeons, the senior men's honor society. Three Lambda Chi men led school spirit as cheerleaders, and two Assistant Editors of the *Student*, the Assistant Business Manager of the *Tattler*, as well as three lab instructors in the Physics Department proudly wore the Lambda Chi pin.

Homecoming brought back many of the Brotherhood and the men were proud to display the second place trophy for house decorations and the third place trophy for float decorations, adding to these the first place trophy in the Intramural Speech Contest held in the spring.

Steeped in tradition was the dinner dance, "Festival of the Rose," in medieval setting and dress. The themes of informal dances ranged from "Underwater" to overhead "Starlight." Many open houses were enjoyed to the accompaniment of the Lambda Chi band.

Much of Epsilon Nu's success this year was due to the leadership of Bob Woodruff, President;

Keith Winterowd, Vice president; Ward Stuckey, Secretary; Don Willhoit, Treasurer; and Cliff Hopkins, Social Chairman.

A Christmas party was given by the chapter for the children of Claycrest Home where Santa Claus, a Christmas tree, carols, and presents delighted the children.

On March 20, Lambda Chi Founder's Day, good fellowship was enjoyed at the day set apart to honor the men who founded the Lambda Chi tradition at Boston University in 1909.

Mrs. A. L. Hanna, to whom many thanks are due, served graciously as housemother again for the fourth year.

MRS. A. B. CRAWFORD, House Director

Once again this year, the men of Zeta Phi Chapter of Phi Gamma Delta have been ably represented in a greater part of the activities on the Jewell Hill. For instance, "Fijis" have members in almost every honorary fraternity on the campus, some of whom are officers. The chapter is represented in the departmental clubs, athletics and the William Jewell Players. Eight men contributed their talents to the Shakespearean production, "The Winter's Tale."

Athletics played an important role at the house with football and track lettermen. The President of the Junior Class, Associate Editor of the *Tattler*,

a cheerleader, and an Acon made their home at 155 South Leonard.

The pledge class began the social year by sponsoring a "Club Fiji" dance, later followed by the late fall formal, "Winter Arcade," in keeping with the season. Phi Gamma Delta then served as host to each sorority for Monday night dinners. The highlight of the year came during the spring for the gala "Fiji Weekend," which consisted of the spring formal Saturday evening, followed by a picnic the next day. For the alumni of the chapter, the annual "Pig Dinner" was held in April, attended by many old grads.

MUNRO RANSELL, President

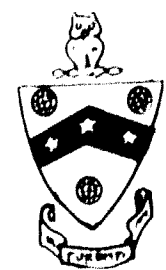

Phi Gamma Delta was founded in 1848 at Washington and Jefferson College in Cannonsburg, Pennsylvania, and came to William Jewell in 1886. In 1871 Phi Gamma Delta was the Zeta Phi Fraternity and in 1886 went national, becoming the Zeta Phi Chapter of Phi Gamma Delta. Since this year the "Fijis" have succeeded in instilling friendship and spirit in their men and have filled their place of leadership in the activities on the campus.

The comfortable, red brick fraternity home took on a new splendor this year as the result of redecoration and new furnishings. The new house-mother, Mrs. A. B. Crawford, is always on hand

to welcome visitors and to be a sympathetic mother to each of the boys, whose respect and friendship she has already captured.

On April 12 the Phi Gamma Deltas from Westminster, Missouri University, Kansas University, Iowa University, and Nebraska University joined Zeta Phi in the annual Recognition Dinner at which Connie Mack III was present.

Under the leadership of Munro Ransdell as President, Bill Sanderson as Treasurer, Harold Doubledee as Recording Secretary, Dick Davis as Corresponding Secretary, and Bob Lyons, Historian, the Phi Gams completed another successful year of leadership, activity, scholarship, and fellowship.

Beta Xi chapter of Sigma Nu Fraternity celebrated a very successful sixty-first year on the William Jewell campus. Founded in 1869 at Virginia Military Institute, Sigma Nu is now one of the largest members of the National Interfraternity Council. The wearers of the five armed star have made a valuable contribution to campus life since their coming to the Jewell campus in 1894.

Homecoming honors started the year off with the Sigma Nu float, "Bulldogs into Hotdogs," winning second place trophy in the Homecoming parade.

Throughout the year Sigma Nus worked hard to improve their scholastic standing and their efforts were richly rewarded when they ranked first among the fraternities on "the Hill."

Beta Xi also took top honors in the intramural program by capturing first place in the swimming

meet and in "A" team volleyball, and by tying for first in "A" team football. The "B" team did things up right as they won first place in all of the events.

Sigma Nu was also well represented on all of the school varsity teams and many ranked high in the athletic achievements of William Jewell. Two members of Beta Xi, Al Runge and Skeeter Payne, were chosen as co captains of the 1955-56 basketball team, and another member, Paul Lambert, was a member of the coaching staff.

Beta Xi of Sigma Nu reigned as the only fraternity to place in the annual Tatler Revue with an original melodrama which displayed some excellent dramatic ability. Campus dramatic activities also claimed a great deal of Sigma Nu talents. In the annual Shakespearian production, "A Winter's Tale," King Leontes was well portrayed by Stewart Carson, and George DeHaven was outstanding

Beta Xi

Sigma Nu

in another of the leading roles, Polixenes. John Switzer added a humorous touch to the play and Hubert Neth played a very capable supporting part. George DeHaven and Hubert Neth were also members of the cast of the fall production, "Little Women."

The third place trophy for the annual Speech Festival also found its way to the oldest fraternity house west of the Mississippi River.

The various organizations on the campus which claimed Sigma Nus as members included Pi Kappa Delta, Sigma Tau Delta, Sigma Pi Sigma, Alpha Phi Omega, Kappa Mu Epsilon, Beta Beta Beta, and the J-Club.

The Sigma Nu social whirl began with the pledges doing the honors. The good weather, which had been ordered especially for the occasion, added to the enjoyment of the "Pledge Hayride," after

which there were refreshments and dancing. At the semi-formal "High Rickety" everyone danced to the music of the well-known band, the Madlads. Some very unusual animals were used for decorations at the informal, "Sigma Zoo," and to carry out the atmosphere of the "Sandman Hop" the girls were given night shirts and caps with the Sigma Nu emblem.

Members of Beta Xi were very fortunate in obtaining as their new housemother, Mrs. Homer Huff, widow of the late Rev. Homer Huff who was for some time connected with William Jewell College and was a prominent minister in the Kansas City area.

The officers for this year were as follows: Commander, Jerry Emery; Lt. Commander, Albert Runge; Recorder, James Fallman; Treasurer, Allen Jenkins; Reporter, Edward Payne.

The 1955 Tatler

The night of February 12, 1955, was an exciting and nerve racking one for the members of the eight campus organizations and the staff of the Tatler Revue. It was the night the winners of the annual Tatler Revue competition were chosen.

As co-chairmen of Tatler Revue, Margaret Moncriet and Dick Willoughby presented to the students, their families and friends a most outstanding program of beautiful girls and entertaining skits.

Austin C. Edwards magically interwove the skits and queen candidate presentations with his poetical theme of "Time Out For Stars." His clever rhyming scheme and remarks brought many chuckles from a capacity crowd of eight hundred and fifty people.

All the skits were very entertaining and the judges, an alumni representative from each organization, had many hard decisions to make.

Counter clockwise, upper right: The Beta Sigs recreate the story of the fiery furnace with the spiritual, "Shadrach, Meshach, and Abednego"; smiles and squeals of delight greet the announcement of the winning skit; Ruth Ann Hare accepts the first place trophy on behalf of the Beta Sigma Omicron Sorority; from Jane Williams, Editor of the 1955 Tatler; the Independent Society presents its version of a faculty meeting after a student uprising had forced them to flee the campus; a burlesque of Shakespeare's immortal "Romeo and Juliet" was presented by the Kappa Alpha Order.

Revue Production

The final decision was met with screams of joy from the winning organizations. The Beta Sigma Omicron skit about "Shadrach, Meshach, and Abednego," won first place honors. Jane Williams, Editor of the 1955 Tatler, awarded the beautiful trophies to the winning organizations. Second and third place awards went to Alpha Delta Pi and Sigma Nu, respectively.

The evening was climaxed with the presentation of the Tatler Queen and her court. Miss Dorothy Alice Luebeck, representing Alpha Delta Pi, was crowned Tatler Queen of 1955, while Sue Brower, also representing Alpha Delta Pi, and Diane Maple, representing the Non Affils, were chosen first and second princesses.

We are looking forward to a bigger and better Tatler Revue next year; however, the standards achieved by the 1955 production will be hard to top.

Clockwise: The Phi Gamis are dismal as a result of being stranded on "Terra Firma"; the Alpha Delta Pi skit about the happy elephant life of King Babar and Queen Celeste captured a 2nd place trophy; George DeHaven and Fred Potter dramatically emphasize the plot of the Sigma Nu 3rd place skit; the Land of O-Bo-Bo, where you play all day, sounded great, but the work all night scared away the bebop boys and added amusement to the Alpha Gamma Delta presentation; the Lambda Chi satire on the "Three Musketeers" thrilled the audience, especially the love scene.

Sportsmanship

"Now are our brows bound
With victorious wreaths."

William Shakespeare

COACH NORRIS A. PATTERSON

Winning has become a tradition with Norris Patterson. In his five seasons of coaching football at William Jewell, the Cardinals have won 40, lost 6, and tied 3, and have won or tied for the MCAU championship in three of those five years.

The Patterson-coached baseball teams have had winning seasons each of the three years he has coached the diamond sport since his arrival. In 1954 the Cards added to their list the MCAU baseball pennant.

A graduate of Missouri Valley in 1939, our popular athletic director received his M.A. in education in 1952 from the University of Kansas City and is now a candidate for his Ph.D. at Columbia University.

Patterson, who hails from Odessa, Missouri, coached at Excelsior Springs and Danville, Illinois High Schools before coming to William Jewell in 1950.

William Jewell College can be proud of the time our coaches have spent in training their teams to win in sportsmanship as well as in the victorious laurels of each sport.

Coaches of MCAU Champs

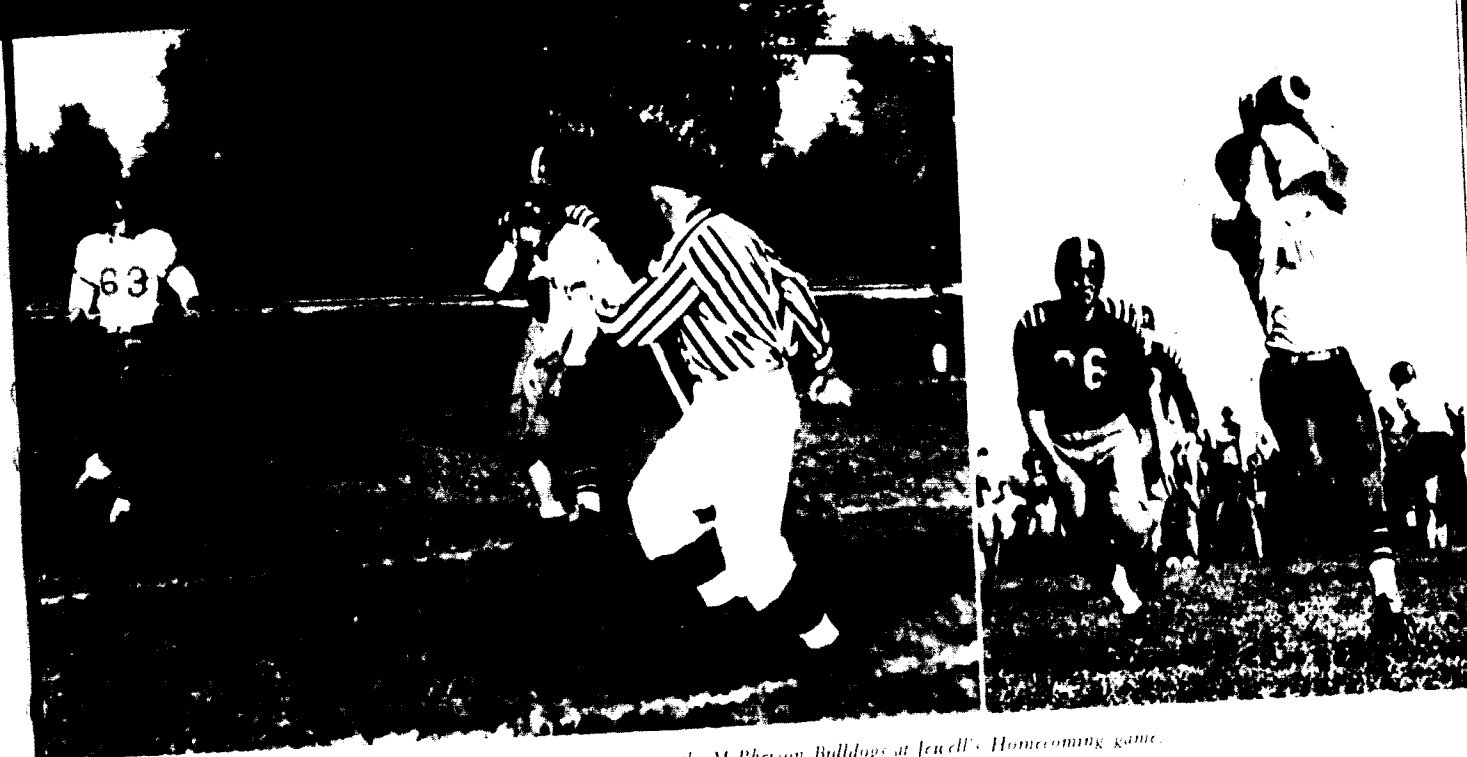

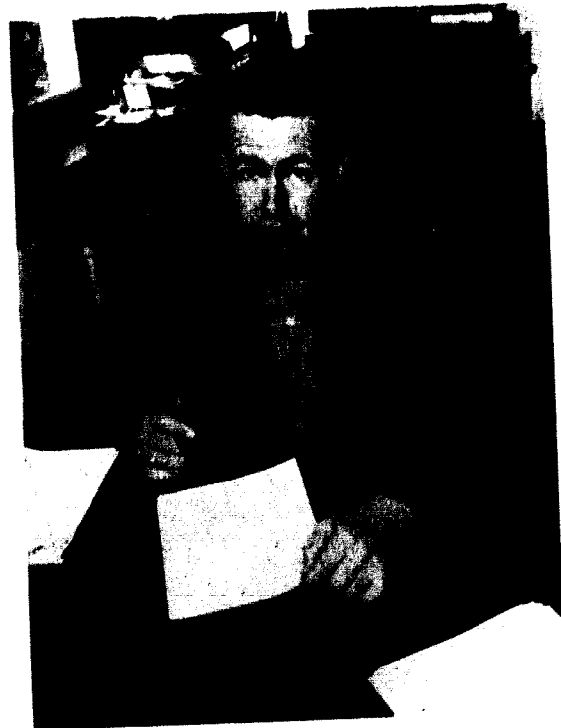

COACH JAMES NELSON

Jim Nelson came to William Jewell along with Coach Patterson in 1950 as head basketball coach, track coach and assistant football mentor after serving as a grid assistant under Patterson the previous year at Danville, Illinois.

Coach Nelson has made a splendid record for himself at William Jewell. He has coached his squads to conference victories and has never finished less than third in any campaign. In all four of his seasons at the track helm, the Cardinals have placed second in MCAU competition.

For the first three seasons his quintets won 26 games while losing 46. During the 1953-54 campaign Nelson guided the Redbirds to a higher goal, a 15-13 mark, their first winning season since 1936. This year he piloted William Jewell to its first share of the MCAU flag in twenty-four years as the team established a new school record of twenty-two wins in a season.

Nelson graduated from Missouri Valley in 1948 where he was selected on the Little All-American football eleven his senior year of competition.

The Redbirds show action in trouncing the McPherson Bulldogs at Jewell's Homecoming game.

The 1954 Football Season

William Jewell vs. Baker

The William Jewell Cardinals opened their 1954 football season with an impressive 35-6 victory over the Baker Wildcats at Baldwin, Kansas. After a slow first period the Redbirds displayed a well-balanced attack and gave indications of more victories to come.

William Jewell vs. Maryville

The Cardinals downed Northwest Missouri State, 13 to 7, for the Redbird's second triumph of the season. It was a see-saw battle all the way; but Center Dick Foster, with two minutes remaining in the third period, stole a handoff in the Maryville backfield and dashed 28 yards for the clincher.

William Jewell vs. St. Benedict's

It was a cold and breezy night at Noves Stadium in St. Joseph, but the St. Benedict's Ravens and William Jewell Cardinals fought a heated non-conference battle to a 7-7 draw. Fullback Dick Burns' 60 yard run gave the Cards a 7-0 third quarter lead, but the Ravens came back to knot the count in the fourth.

William Jewell vs. Tarkio

Overcoming a 6-0 lead, the Cardinals rallied for a 14 to 6 decision over a determined Tarkio Owl eleven in William Jewell's home opener. Don Jackson's 21-yard touchdown run iced the victory.

Al Emson, with Harold Doubledee holding, place kicks for the extra point.

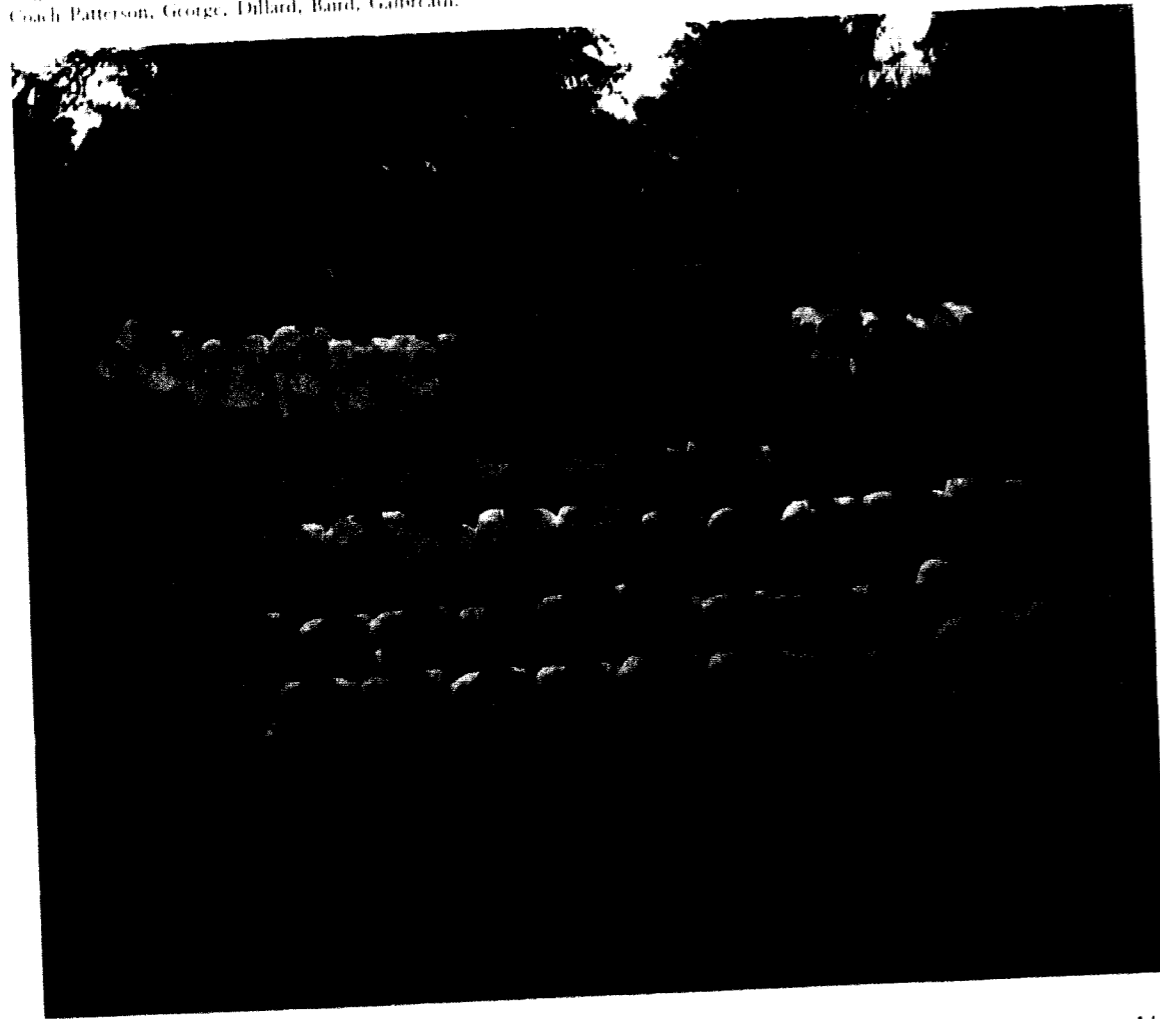

William Jewell vs. College of Emporia

Fielding one of the best small college teams in the nation, C. of E. romped over the Cardinals, 41 to 7, with Little All-American Fullback Lem Harkey paving the way. William Jewell held the Presbies to a 7-7 tie for the first stanza but could not stop Harkey who scored three of the six touchdowns.

William Jewell vs. McPherson

The Homecoming weekend was an all-around success for the Cardinals as they easily rolled over the McPherson Bulldogs, 44-0, before a near capacity crowd. Fullback Dick Burns was unstoppable as he scored three touchdowns that afternoon, including a 75 yard kickoff return. Another highlight of the game came when Fred "Mr. Toe" Merrell drop kicked a 21 yard field goal.

William Jewell vs. Missouri Valley

Another chapter was written in the book of old rivalries. Trailing 13-6 at halftime, the Cardinals came back as halfback Don Jackson ran 80 yards to open the second half, tying the final score for the game.

William Jewell vs. St. Ambrose

The next William Jewell encounter took place on the banks of the Mississippi at Davenport, Iowa. Al Ericson's extra points were the deciding factor as the Cards downed the hard playing Bees, 14-12.

William Jewell vs. Central

A tie for the MCAU championship was annexed as the Cardinals downed an undermanned Central team at Fayette. With a 30-0 halftime lead, William Jewell ended the game with the same score.

The 1954 Football Record

The Cardinals gained a share of the M.C.A.U. championship in 1954, tying for the league title with Missouri Valley's Vikings. The Cards had a season record of six wins, one loss and two ties.

The following fourteen seniors concluded their college careers for the Big Red: Ron Bell, Art Bergman, Don Bowen, Harold Doubledee, Dick Foster, Dean Goodman, John Jackson, George Lanham, Frank Luzenske, Ron Mason, Fred Merrell, Bill Miller, Phil Miller and Dick Treat.

Still Coach Patterson will have the nucleus for a topflight eleven for 1955 led by Co-Captains Elect Dick Burns and Don Jackson, and William Jewell will again be pointing toward first place.

The 1955 Basketball Season

The 1955 basketball season, probably the greatest in the history of the college's cage campaigns to date, began quite un auspiciously November 26 when the Cardinals romped to an easy 93 to 61 victory over Kansas City University in the K.C.U. gym.

Following a loss to St. Benedict's 1954 NAIA champs, William Jewell finished second to Rockhurst in the 4-team Rockhurst invitational tournament. After mauling St. Mary's of the Plains, 110 to 57, in the first round of this event, the Redbirds established a new record for total points scored by a William Jewell team.

Wins over Rockhurst, Ottawa, K.C.U. and St. Benedict's gave the Cards a fair won-lost record when they launched their eastern trip through Illinois. Two wins in three starts in the neighboring state, together with a decision over Concordia Seminary of St. Louis and the annexation of the

Tarkio tourney championship gave the Big Red an 11-3 mark when they returned home January 1.

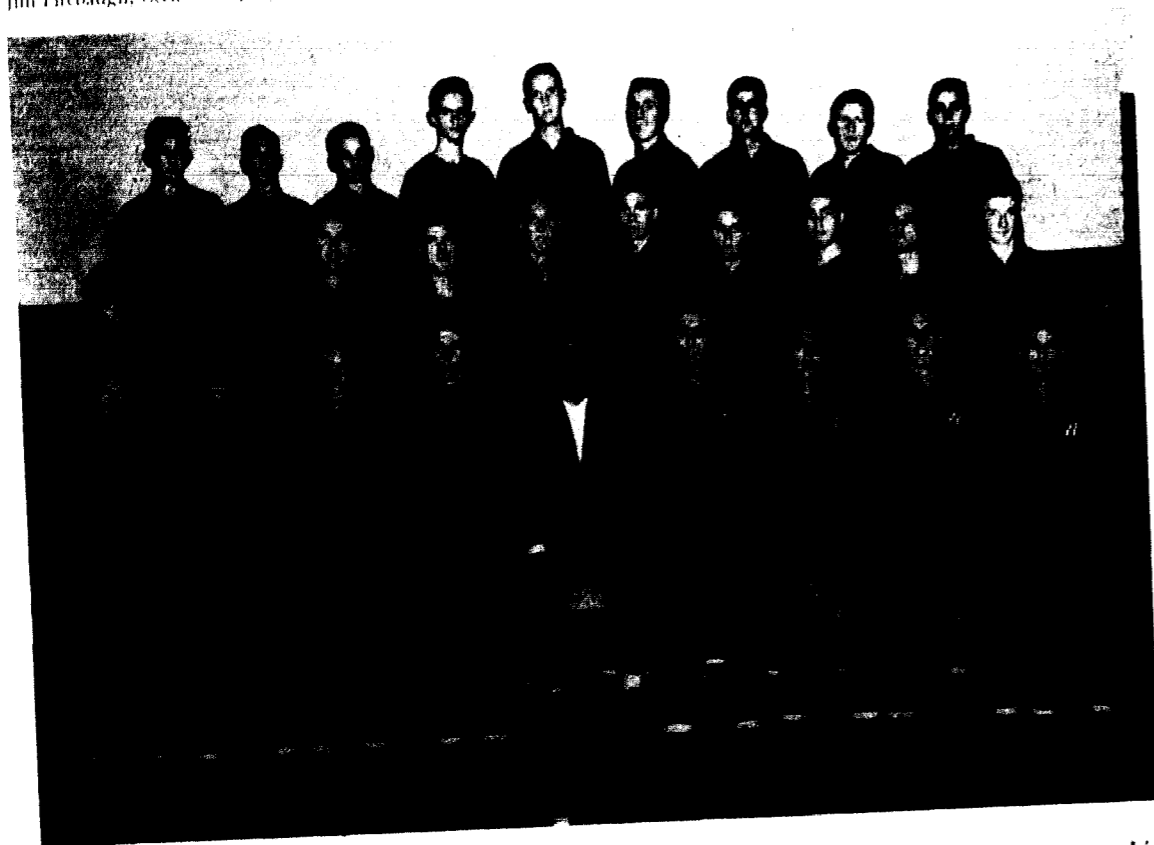

In conference play William Jewell triumphed over Tarkio, Culver-Stockton, Drury and Missouri Valley before suffering a 76-71 setback at the hands of the undefeated defending M.C.A.U. titlists, the Central Eagles, January 22.

Winning ways were resumed after the semester vacation as the Redbirds knocked off Culver-Stockton, Westminster and Drury. At Marshall on February 11, however, Missouri Valley avenged its earlier loss as the Vikings dashed the Cardinals' pennant hopes with a 74-65 upset.

Entering the final week of the regular league season, William Jewell stood second with an 8-2 slate, following a win over Westminster; Central was first with 9-0; and Missouri Valley with 8-3 was in third place.

The Cardinals gained revenge over the Eagles by beating them, 68-62, at Fayette. Central won over Culver-Stockton but bowed to Westminster

while Coach Nelson's crew moved into the co-championship by upsetting Tarkio, 78 to 68, February 25. A loss to Drury eliminated Missouri Valley from contention.

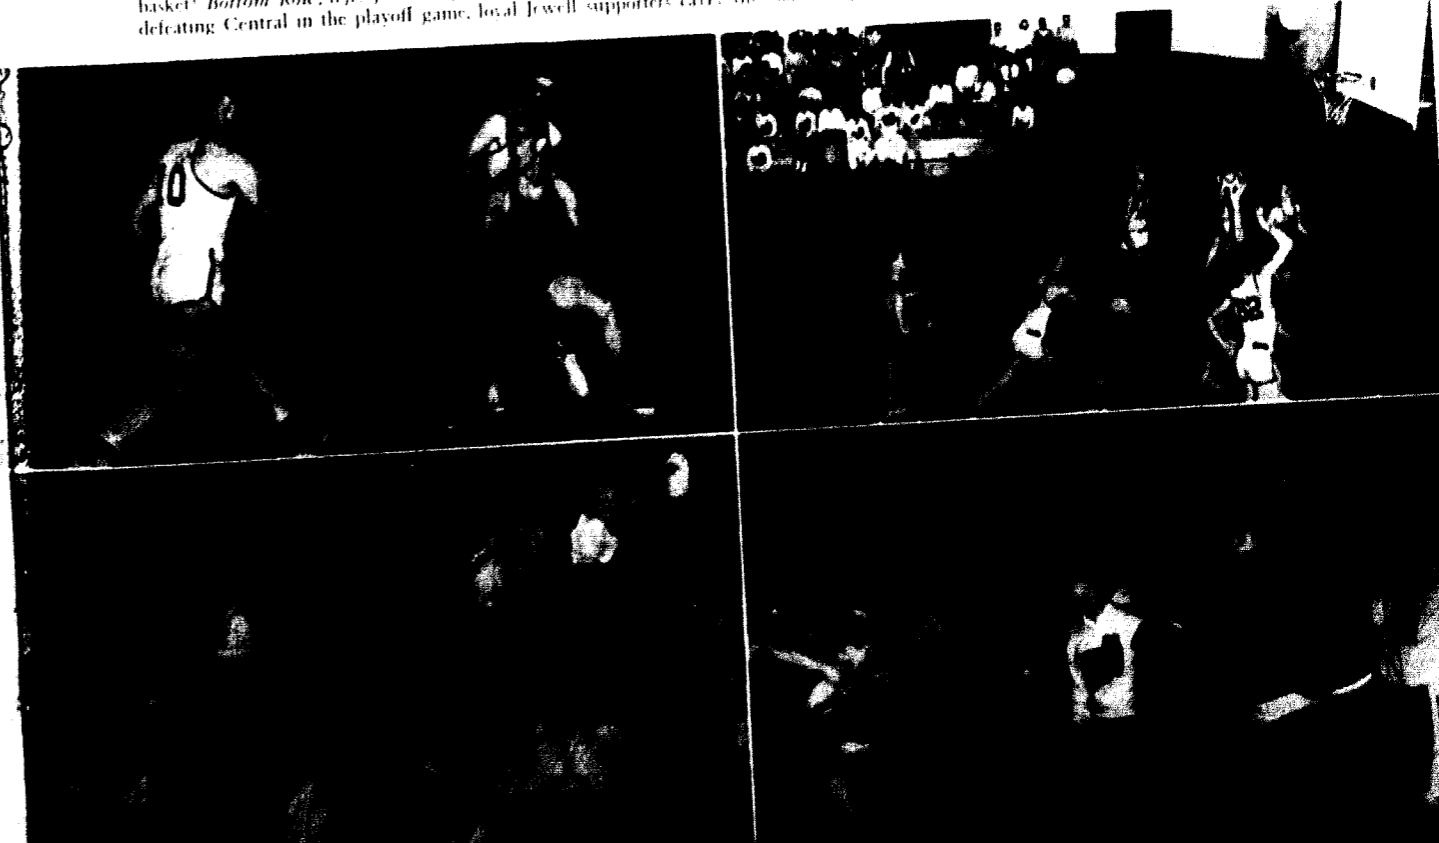

In the playoff the following Monday at Fayette, William Jewell topped its opponents, 83 to 76, to move into the NAIA District Sixteen 4 team play off at Mason-Halpin Fieldhouse in Kansas City with Rockhurst, Northeast Missouri State (Kirksville), and Central.

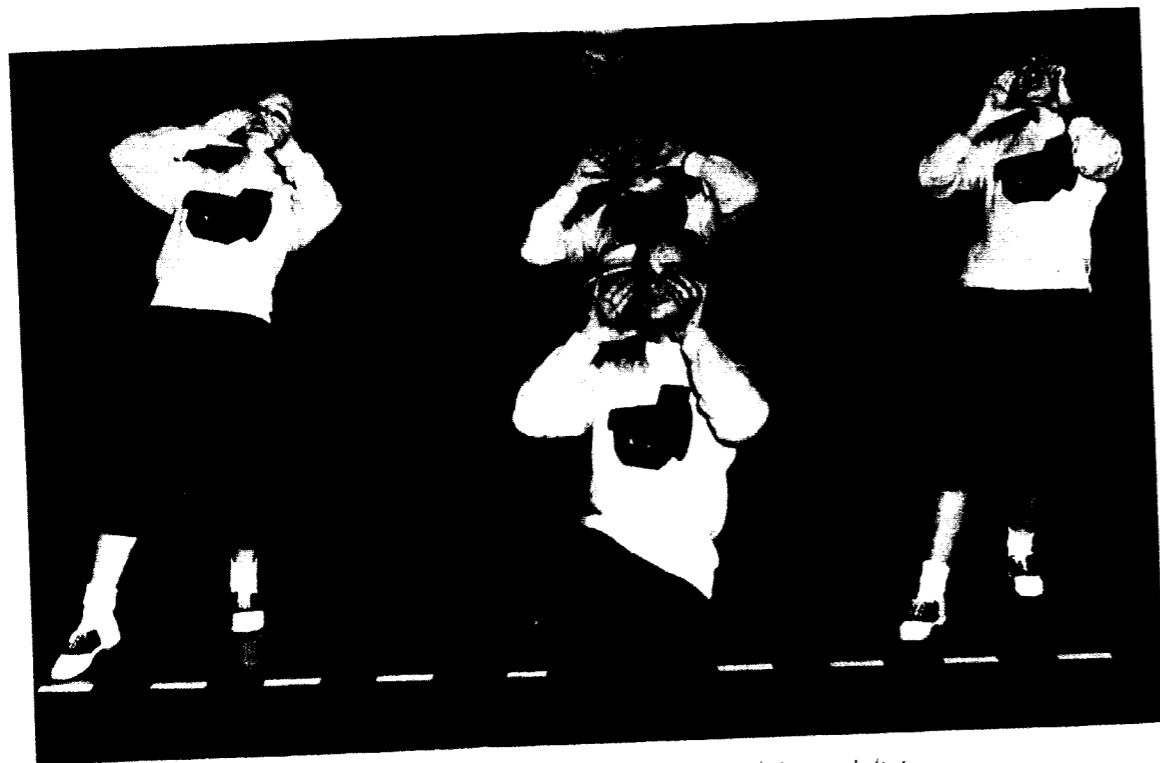

Meeting Rockhurst for the fourth time March 3, the Cardinals evened the series with the Hawks with a 52 to 42 win, while Kirksville dumped Central 84 to 69. The following evening Kirksville

overcame a 10 point Card lead to win, 83 to 68, and gained a berth in the NAIA tournament in Kansas City.

The Cardinals finished the season with a 22-8 record, scoring an average of 78.4 points per game to their opponents' 69.5. Charlie Bobbitt, 5 foot 6 inch captain, led the team in scoring for the second straight season with 458 points for a 15.3 average. Second highest was Art Chambers, the only other senior on the squad with 368. Tom Cox had 297; Bud Lathrop, 296; Bob Carson, 294; Al Runge, 194; Art Root, 165; Ed Payne, 99; Bob Gilhaus, 83; John Philpot, 23; Floyd Reed, 9; Jim Firebaugh, 5; and Harry Hutton, 2.

Patsy Berndt, Joyce Borden, Shirley Merritt, Phyllis Peters, Ken Blount, Dick McNally, Paul Reeves, and Jerry Wingo were Jewell's faithful cheerleaders who led the cheering at the football and basketball games this year.

The 1955 Baseball Season

The Cardinal baseball team defended its 1954 MCAU title against serious competition from league foes, particularly Culver Stockton and Central.

The Cards played a 14-game schedule which included a trip to Lincoln, Nebraska, May 6-7 for a 2-game series with Nebraska Wesleyan. Other non-conference opponents included Washington University, Kansas City University and Rockhurst.

Coach Gene Morrison began his first season at the helm of the Big Red nine. Morrison, who served as freshman football mentor, was an outstanding athlete at Excelsior Springs High School and later at a rival institution, Missouri Valley College. Assisting Morrison was Fred Potter, a 3-year letterman and shortstop for William Jewell.

Heading the list of nine returning monogram winners was Charles Bobbitt, senior captain and second sacker. Bobbitt, a 4-year letterman in basketball, began his fourth year as a letterman in the diamond sport.

In the outfield four 1954 lettermen back were: Vic Bonuchi, Paul Lambert, Frank Lauzenske and Fred Merrell. An outstanding newcomer to the squad was freshman Wes Hedges, a hard hitting outfielder who could fill the clean up slot in the Card batting order.

Losing two infielders from last year's aggregation, the Redbirds had only Bob Warren, first baseman, returning in addition to Charles Bobbitt. Others who filled the remaining berths were Floyd Reed, Bud Lathrop, Herb Dillard and Tom Cowling.

On the mound William Jewell had back two lettermen, Bill Jackson and Harry Geiss, along with Ted Freed, a provisional letter winner. Freshman Jim Allison also slated some of the mound duty.

Don Kincaid was the only returning catcher who had lettered. He competed with sophomores Larry Voge and Dave Rinker for the backstopping job.

Left to right: Dr. Jack Mason, Bob Clem, Bill Kuykendall, Munro Ransdell, Dick Burn, Jim Furbaugh.

Tennis Team

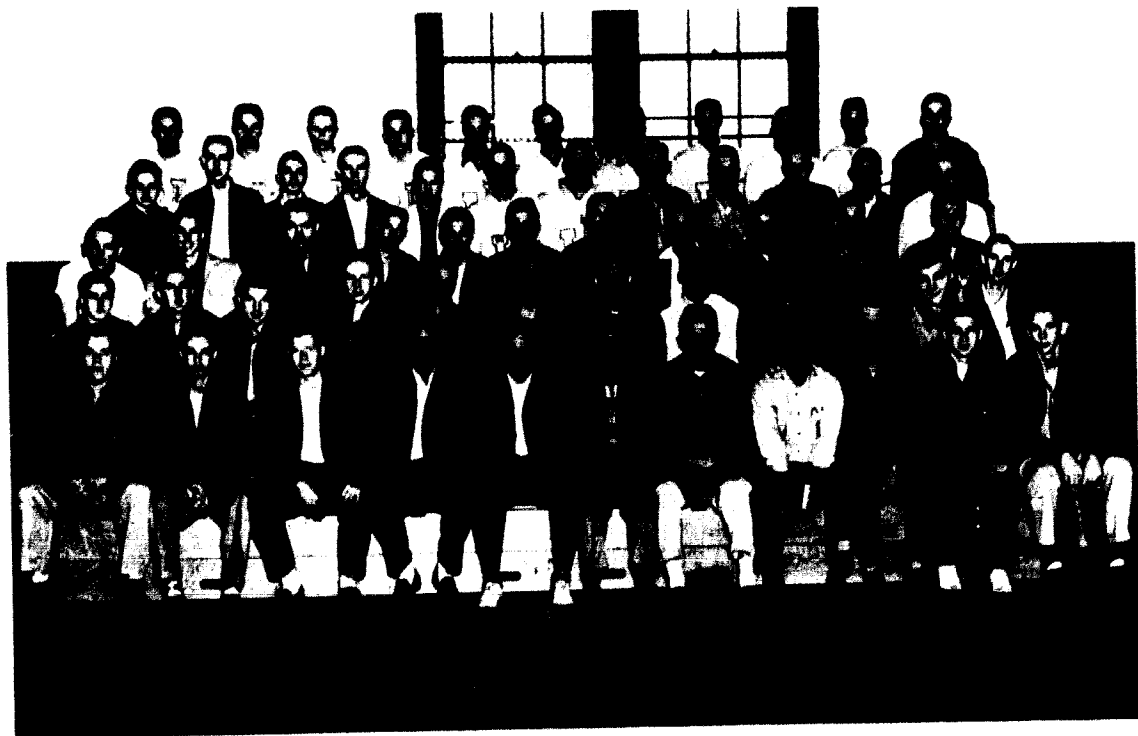

The William Jewell tennis team, who won its first M.C.A.U. championship since 1934 last year, played a total of ten meets. Returning lettermen were Bob Clem, Bill Kuykendall, and Allen Jenkins. Dr. Mason coached the team again this year.

Track Squad

A squad of thirty seven athletes, including twelve lettermen and three provisional monogram winners, answered Coach Nelson's spring track call. William Jewell scheduled nine meets, including the M.C.A.U. meet at Marshall, May 13-14.

"J" Club

Since 1912 more than five hundred Jewell men have had the honor of being accepted and initiated into the "J" Club, which is composed of those athletes who have earned at least one letter by inter-collegiate competition as a member of one of the Big Red Team's varsity squads. They then must be approved by the active members of the club and are then subjected to a short but famously memorable initiation.

The purposes of the "J" Club are: "to promote and foster in William Jewell College an athletic spirit, particularly on the part of the team members, which shall compel a genuine and wholehearted interest, desire, and effort to win athletic contests; to encourage and foster a spirit of harmony and cooperation between all persons engaged in or identified with any college athletic contest or activity; to lend its influence in maintaining the college athletic program on a high plane of competition and sportsmanship; to sponsor or identify itself with such programs or activities which contribute to the promotional welfare of athletics in the college."

Included in club activities this year were the maintenance of the concession stands at the home football and basketball games, selling cokes, pop, corn, coffee, hot dogs, candy bars, and chewing gum, the annual informal held in the fall, and the annual spring picnic. Two awards banquets were held this year instead of one, due to Coach Patterson's leaving at the semester for further study. The football award banquet was held at the end of the fall season, and the basketball award dinner followed in the spring.

A letter sweater is awarded to each first-year letterman; to each two-year letterman, a "J" Club jacket is awarded, and to each senior letterman in good standing in the Club is awarded a blanket. All of these awards, of course, are red and black, William Jewell's colors.

Serving as President in leading the "J" Club members was Bill Jackson. Assisting Bill were Bob Unverferth, Vice-President; Marlin Moody, Secretary; Fred Merrell, Treasurer; Dick Treat, Sergeant-at-arms; and Larry Zahnd, Historian. Faculty sponsors of the Club are Coaches Norris A. Patterson and James Nelson.

Women's Athletic Association

The Women's Athletic Association of William Jewell College, commonly known as the W.A.A., assists in the promotion of a recreational program of sports, and through this program it creates a love of sports and fosters the ideals of good sportsmanship and fellowship. Its purpose is to encourage participation in sports and games with emphasis on the development of sportsmanship and character.

Both team and individual sports are offered at Jewell. Intramural tournaments for teams are held in volleyball, basketball, and softball. Also there are two swimming meets each year. Individual competition is offered in ping-pong, badminton, and tennis.

A point system is used to acknowledge individual achievements. Girls who make varsity teams and earn 500 points are entitled to a W.A.A. pin; for 1000 points the letter "J" is awarded. A blanket, the highest award, is given only to a senior girl for outstanding athletic accomplishment, spirit, service, and scholarship. Trophies are awarded for team

and individual events, the traveling trophy going to the team with the largest number of points for the year.

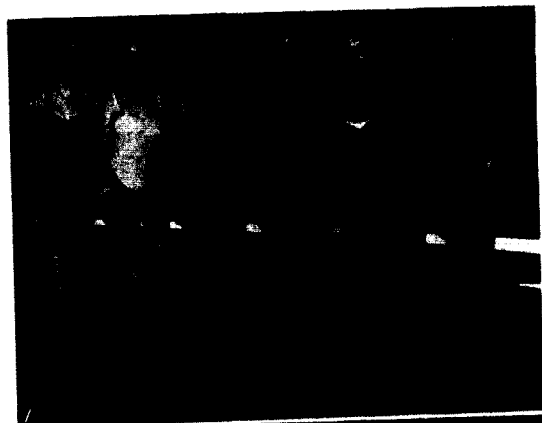

The activities of these W.A.A. girls included intramural sports and college tournaments for which two varsity teams were chosen to represent Jewell. Winding up their activities in the spring was an annual banquet held in the dining hall. Here the girls received their award certificates.

The increased interest in the Women's Athletic Association program may be traced to the high competitive spirit which was apparent in every sport. The girls did not want to be good in any sport—they wanted to be the best, the true Cardinal spirit.

Donna Fromm led the girls as President this year. Other officers were: Rachel Lowman, Vice President; Carolee Deis, Secretary; Pat Cadwallader, Treasurer; Marlene Knodel, Social Chairman. This year marked Mrs. Margaret Beissenherz's second year as Faculty Advisor for the Association.

Aeons is the senior men's honor society on the William Jewell campus. The group is self-perpetuating and members are picked each spring from outstanding students of the Junior class. Selection is based on service, leadership and scholarship.

Founded in 1905, the Aeons have held the "Best Interests of William Jewell College" as the organization's purpose. The group is a secret society, and except for the black and white arm bands which are worn at the time new members are tapped and their small crossed keys badge, there are few outward manifestations of their honor. The Aeons strive to bring about a higher level of thought and action on the campus through the exemplary conduct of the individual members. Efforts to attract attention have been avoided and the members have worked quietly and efficiently to better campus spirit.

Present faculty members who are Aeons include Dr. Binns, Dean Edson, Dr. Moon, Prof. Harvey, and Prof. Manning. Paul Eppinger, Bill Miller, Munro Ransdell, Bob Woodruff, and Larry Zahnd were the 1954-55 members.

Each spring those women of the Junior class considered outstanding in the qualities of character, leadership, scholarship, and service are tapped for membership into Panaegis, the highest honor which can come to a William Jewell woman. Members of Panaegis are identified by a tiny gold key, on which is inscribed the image of the goddess of wisdom, Athena, and the word, "Panaegis."

The women of Panaegis participate in activities of service to their fellow students. The activities are done without recognition, thus showing the qualities which Panaegis members are expected to exemplify throughout life as they have formerly done on the campus.

One of the outstanding events is the breakfast held by Panaegis and Aeons on the morning of Baccalaureate Sunday. An alumnus of the college is the speaker, and many former members of Aeons and Panaegis return for this occasion.

Who's Who

"Who's Who in American Colleges and Universities" is a published form of national recognition to students from more than 700 colleges and universities. These students are selected by the members of the faculty in their respective schools and they are accepted into the national organization after submitting a summary of information concerning themselves as requested by the larger organization of Who's Who in American Colleges and Universities. The achievements are published in an annual volume which is recognized throughout the United States.

The appearance of a student's name in this volume is of lasting significance to the school and to the person chosen, and the honor is based on the student's qualities expressed in character, scholarship, leadership in extra-curricular activities, and potentiality for future usefulness to business and society.

First Lady of the Campus

The finest type of womanhood is typified in the senior woman chosen as First Lady of the William Jewell Campus. Miss Arvilla Neef of Independence, Missouri, was the choice of the student body as the woman who will most successfully dedicate her character, scholarship, leadership, and personality in future usefulness to society.

Gen. Alexander Doniphan

The most distinguished American connected with William Jewell College was General Alexander Doniphan. This famed hero of American history led his men in the longest march of the Mexican War of 1846. Mr. William V. Miller was selected as the senior man possessing those qualities of leadership which characterized Alexander Doniphan.

Religious Focus Week

The highlight in the school year was the annual Religious Focus Week held February 21 through 25. An outstanding team of 12 members directed the students in Chapel programs, classroom visitation, and informal discussion groups each evening in the dormitories and fraternity and sorority houses.

Serving as captain of the team was Robert Denny of Louisville, Kentucky. His organization and insight made possible for the students the opportunity to become acquainted with top Christian leaders in various vocational fields. Mr. Denny is associate in the Department of Student Work of the Southern Baptist Sunday School Board and has had many years of experience with young people.

The only woman member of the team was Mrs. David Alexander from Nashville, Tennessee. As a Christian housewife, her influence was especially felt among the coeds. Dr. S. H. Frazier, a psychiatrist at the Mayo Clinic in Rochester, Minnesota, contributed a wholesome outlook in the field of medicine. He and Mrs. Alexander led the most

popular discussion of the week on "Love, Courtship and Marriage."

Mr. J. J. Burt of New Zealand and Mr. Reiji Hoshizaki of Japan widened the interest of students in the field of mission work as they conducted seminars on the mission program in their own countries.

Dr. Kearnie Keagan, from Nashville, Tennessee, opened the week's Chapel series with "In Tune With Christ." Dr. Keagan is Secretary of the Department of Student Work for the Baptist Sunday School Board in Nashville.

A prominent lawyer from Augusta, Georgia, Mr. Robert C. Norman, was the featured speaker at the opening evening service. Selected "Young Man of the Year" in 1950 by the Junior Chamber of Commerce in Augusta, Mr. Norman became quite a popular figure on the campus during this week.

Also on the team was Dr. Duke McCall, President of the Southern Baptist Seminary in Louisville, Kentucky. Dr. McCall is particularly well-versed in the fields of history and the Old Testament, and his work during the week was centered around the ministerial students and their problems.

The man representing the science field this year was H. Y. Mullikin, a Georgetown College professor. He gave a unique approach to science through the Christian viewpoint in his seminars and classroom discussions.

Douglas Gow, president of the Procol Manufacturing Company, Limited, in Canada, stimulated the thinking of students as he told of business practices and their relationship to the practices of Christianity.

Jack Hamm, another valuable member of the Focus Week team, appealed to the students through the medium of art as he illustrated vital scripture messages.

The Reverend Conrad Willard of Calvary Baptist Church in Kansas City lead in discussions, seminars, and programs and specialized with the students who have dedicated their lives to Christian work.

The co-chairmen of the student committees were: Hospitality, Marlene Knodel and Paul Eppinger; Seminar, Mary Ann Nance and Munro Ransdell; Program, Mary McCoy and Art Bergman; Evaluation, Diane Betts Adams and Larry Zahnd; Informal Discussion, Martha Yancey and Hubert Neth; Arrangements, Iralce Reppeto and Bill Sanderson; Books and Literature, Marlin Moody; Music, Rosemary Harrell and Ed Nolte; Publicity, Arvilla Neet and Cliff Hopkins; and Spiritual Preparation, Sally Boucher and Ron Tip-ton.

Jack Hamm, world famous cartoonist, illustrates a religious truth.

Co-chairmen of Religious Focus Week, Mary Ann Nance and Paul Eppinger, planned and organized the week's activities.

William Jewell Players

*"Circles are pray'd not that abound
In largeness, but th' exactly round;
So life we praise, that doth excel
Not in much time, but acting well."*

EDMUND WALLER.

The William Jewell Players began its season by presenting the well-known play, "Little Women," under the direction of Miss Virginia D. Rice. The cast ushered in some new freshmen — Judy Rogers, Dave Howard, and Ken Blount. Other important members of the cast were Karyl Unruh, Mary Ann Nance, George De Haven, Hubert Neth, Carol Carver, Jody Olson, Richard Byrne, and Rosemary Harrell.

A mixture of fairy tale and fact, romance and realism, tragedy and comedy, Christianity and paganism, harsh and crabbed, simple and idyllic, was the Shakespearean play, "The Winter's Tale," the spring production of the William Jewell players under the direction of Austin Edwards. Stewart Carson, having played the roles of Antony and Hamlet in former years, this year reigned as the

king of the play, Leontes. Mrs. Shirlee Wille reigned with him as his queen, George De Haven, John Switzer, Karyl Unruh, Bill Jackson, Dixie Sanders, Richard Willoughby, Hubert Neth, Cliff Hopkins, and John Crockett starred again this year in the spring play. Bill Meyers and Rene Miller served as stage and set managers, among the seventy-five people who assisted with the production.

Besides the fall and spring productions, a series of one-act plays was given by the Players in high schools and community programs. This year "Minor Miracle" was given in a Chapel program, starring Richard Byrne, Don Harris, Dick Dayringer, and Gene Gross. It was the story of four men on a life raft for sixteen days.

In recognition of Miss Rice's invaluable twenty-five years as Dramatics Instructor, the Players held a banquet in the spring, following the initiation of the new members.

The Players' officers were: President, Richard Byrne; Vice-President, Sandra Amos; Secretary and Treasurer, Dixie Sanders; Publicity, Jane Williams.

A scene from the fall play, "Little Women." Seated: Karyl Unruh as Beth and Judy Rogers as Mrs. March. Standing: Jody Olson as Hanna, Mary Ann Nance as Meg, Carol Carver as Amy, and Rosemary Harrell as Jo.

The William Jewell College Choir

The William Jewell College choir is composed of students who are interested in music and who are enrolled in the men's and women's Glee Clubs. Not all of the members of the choir are music majors, nor do all of them take voice lessons, but they do enjoy singing and are willing to put in many extra hours of practice in order to present music productions equal to those that have been presented in the past. The activities of the choir include singing for Achievement Day in the fall, presenting music during the Christmas season, and performing in the annual spring production.

During the past 27 years, Dr. David Grosch, Head of the Music Department and Professor of Music, has produced many fine operas and oratorios. He is assisted by Mrs. David Grosch, Associate Professor of Voice, and Mrs. J. E. Lovan, Associate Professor of Piano. The Department of

Music is designed to train the student in theory and history of music as well as in the practical application.

The Spring Music Festival was held April 29 and 30, 1955, and this important campus event offered an excellent opportunity to the student of piano and voice. The quality of their training was noticed and heartily received by music critics. Gene Hollmann of New York City, a graduate of the college and former member of the faculty, was the guest artist. On Friday night, April 29, Dr. Grosch presented a short version of Mendelssohn's oratorio "Elijah" with Hollmann singing Elijah. Two scenes from Gounod's opera "Faust" composed the second part of Friday night's program.

Soloists for the evening were Ed Nolte, Shirley Bergman, Janet Kinslow, Rosemary Harrell, and Lila Wyss. On Saturday, April 30, Act II of Bizet's "Carmen" was presented with Hollmann singing

the part of the Toreador. The other soloists were Shirley Bergman, Rosemary Harrell, Ed Nolte, Judy Rogers, Charles Davison, Ronald Richmond, and Charles Phillips. After the intermission, an hour of Victor Herbert and Sigmund Romberg music was presented with Hollmann as baritone soloist and master of ceremonies. He was assisted by student soloists Shirley Bergman, Rosemary Harrell, Lila Wyss, Janet Kinslow, Judy Rogers, Ed Nolte, and Sharon Moore.

The annual Spring Music Festival was a time of enjoyment for the participants as well as for the audience. The hours of rehearsal and hard work on the part of the director in preparing the music for the performance compose the finished product of musical enjoyment for all.

Art Club

The Art Club is an organization in which students can pool their interest in art and enjoy fellowship with others of mutual interest.

Some of the activities of the Art Club are making posters as for the All School Prom, Homecoming, Sadie Hawkins Party, Tatler Revue, Re-

ligious Focus Week and Rhythm Roundup; decorations for the above events; and scenery for others.

This year, among the various trips taken by the club, the group visited the Nelson Art Gallery in Kansas City and the Kansas City Museum.

Mr. Rodney Cotran, of Kansas City, served as sponsor along with his regular duties as Instructor of Art.

The William Jewell College Band

During the five years that the William Jewell band has been in existence, it has become an active part of the entire school and its functions. It also presents an excellent opportunity for music-minded students to further develop their abilities.

The band, under the direction of Mr. Edward Lakin, was seen appearing during every season of the school year. It was present at every home football game and supplied rousing music at different intervals of the game. At the half, the band

delighted its audiences with unusual entertainment. During Homecoming weekend, the band played a major role in making the festivities successful. It furnished music for the parade, the game, and the presentation of the queen.

Several times during the year, the band joined the Squawkers to present interesting and stirring chapel programs to promote school spirit.

During the basketball season, when the use of the entire band would have been impractical, a small group known as the Pep Band furnished the music.

At the end of basketball season, the band settled down to more artistic music. It then began preparing concert programs and overtures to be given in the spring. The most outstanding of these was the formal concert presented at the college in April. The band also gave several programs at various high schools as a contribution to the public relations activities of the college. These appearances broaden the experience of the band members, further the reputation and goodwill of the college, and demonstrate to high school musicians the

opportunities for developing their talents by attending William Jewell.

The members of the band with their instruments are: Piccolo — Susan Lackey; Flutes — Ann Adams, June Blackman, and Ruth Ann Harr; Oboe — Rosemary Harrell and Franklin Dee Lewis; Clarinets — Charles Blaylock, Norman Boley, Wayne Brackeen, Lucille Carter, Gerald Cheek, Irving Dunbar, William Hollis, Kathryn Levick, Charles Moore, Lynne Ray, and Mary Jo Smith; Alto Clarinet — Mary Burlington; Bassoon — Kathleen Nolte; Cornets — Robert Baum, George Campbell, David DeShon, Cecil Dunham, Joe Filbeck, Richard O'Dell, Larry Sullivan, James Vogel, Robert Williams, Don Willhoit, and Larry Zahnd; French horns — Tom Graves, Daisy Haney, Dortha Haney, and Carol Miller; Trombones — Jerry Abbott, Leland Carter, Larry Lowcock, Bill Myers, Jim Nail, and Keith Winterowd; Alto Saxophone — Charlene Newton; Tenor Saxophone — Ward Stuckey; Baritone — Richard Byrne, Mary Frith, and Judy Rogers; Basses — Donald Hoeck, Robert Honeyfield, and Paul Reeves; Percussion — Sharon Berendes, Carolee Deis, and Gary Sahn.

The Marching Band rehearses on the football field to perfect its formation of the "Rocking Horse" to be presented at the Homecoming game.

The H. I. Hester Ministerial Association

On April 30, 1953, the male ministerial students of William Jewell College reorganized in accordance with provisions of a formal constitution and adopted the name of the H. I. Hester Ministerial Association in recognition of Dr. Hester and his twenty-eight years of personal interest, leadership, and invaluable counsel to students preparing for Christian service. Though not always identified by its present name, the Association is the oldest organization on the Hill, having been in existence since the beginning of Jewell's history.

At the present, the organization conducts its activities with the assistance and guidance of Dr. M. Lewis Mason, Associate Professor of Religion. Dr. Mason directs the Wednesday afternoon meetings at 3:00 p.m. in Jewell Hall. The purpose of these meetings is to help the pastors and prospective pastors in the different problems that they face and will face. The program committee selects speakers from the seminaries and nearby churches to relate their experiences on topics of vital interest to the present and future ministries of the H. I. Hester

Ministerial Association. Such programs include pastoral counseling, visitation, funerals, weddings, social relationships, and pastoral libraries.

Included in the activities of the association are the practical training sessions held on Friday at 9:40. Professors Thomas A. Bland and Murray Hunt conduct the sermon-building clinic in Jewell Hall. Here sermons are prepared and delivered by students.

Approximately fifty ministerial students serve as pastors in churches within driving distance of Liberty. Frequently, other members of this organization supply the pulpits of nearby churches. Still others assist in mission work at the County Jail and in conducting Sunday School in needy areas. Under the direction of Miss Betsy Ann Morgan, weekend visits to nearby churches are made by four or five students who conduct revivals and assist in the regular program of the churches which they visit.

The Ministerial Association recognized importance of music in Christian service by organizing

a quartet which sang at several of the regular weekly meetings and made appearances in special meetings of churches and district associations. The quartet also sang at one of the evening sessions of the Missouri Baptist General Association during its annual meeting held in Kansas City last November. The following students comprise the quartet: Charles Renno, first tenor; Charles Davison, second tenor; William Hollis, baritone; and Eric Taylor, bass.

During the year many outstanding men spoke to the H. I. Hester Ministerial Association. Some of these speakers are: Dr. Duke McCall, President of the Southern Baptist Theological Seminary, Louisville, Kentucky; Mr. J. Burton Mark, Director of Personnel, Northern Baptist Theological Seminary, Chicago, Illinois; Dr. R. Lofton Hudson, Wornall Road Baptist Church, Kansas City; Dr. John W. Dowdy, President of Southwest Baptist College, Bolivar; Dr. Clayborn Landers, Michigan Avenue Baptist Church, Kansas City; Reverend Powell

Keeney, Savannah Avenue Baptist Church, St. Joseph; Judge Keller Bell, Liberty; Reverend Frank Chase, Claycomo Baptist Church, Claycomo; and Reverend David Boyd, Mosby Baptist Church, Mosby.

Officers for the first semester were as follows: President, Glen Peters; Program Vice-President, Ray Shelton; Membership Vice-President, Gary Summers; Secretary, Charles Davison; Chorister, Ron Richmond; Pianist, Bill Hollis; Student Senate Representative, Bob Snowden; Student Activities Representative, George Frame; B.S.U. Representative, Warner Wilson; Missions Chairman, Bill Beshears.

Officers for the second semester are as follows: President, Ray Shelton; Program Vice-President, Bill Hollis; Membership Vice-President, Ed Gibson; Secretary, Gene Alderman; Chorister, Eric Taylor; Pianist, Norman Boley; Student Senate Representative, Bob Snowden; Student Activities Representative, George Frame; B.S.U. Representative, Ron Richmond; Missions Chairman, Bill Beshears.

Sigma Tau Delta

*"Direct your eye right inward, and you'll find
A thousand regions in your mind
Yet undiscovered."* THOMAS.

For students specializing in the English language and literature or those who are interested in promoting the mastery of written expression, Mu Beta chapter of Sigma Tau Delta has attempted to stimulate its members to express their life in terms of Truth, Beauty, and Sincerity, which is also the motto of the fraternity. The Rectangle is the national

magazine to which students of Sigma Tau Delta can make contributions and which is received by all members. Entrance into Sigma Tau Delta is open to all students except freshmen with the requirements being a submitted original manuscript,

either prose or poetry, that demonstrates both creativeness and an interest in written expression. The active members must be English majors while associate members are those who have shown skill in their writing. Mr. Austin Edwards, the chapter's faculty sponsor, has contributed much to the organization's progress and growth.

The initiation service for new members in the fraternity this year was held at a festive Christmas party. The new initiates were: Kay Ritterbusch, Carol Carver, Bill Miller, Judy Taylor, Shirlee Wille, Kitty Conant, Susie Lackey, Joyce Parr, John Switzer, Cheryln Clark, Mary Ann Nance, Jody Olson, and Marilyn Schwarz. This was also the occasion for the installation of new officers. Margaret "Bebe" Miller was installed as the President and was assisted this year by the Vice-President Duane Forderhase, Secretary Carolyn White, Treasurer Rene Miller, and Historian Kay Ritterbusch. In January, Sigma Tau Delta celebrated Twelfth Night with a party and in April had a joint meeting with the Psychology Club to present the play "Suppressed Desires."

Psychology Club

High in scholarship

Active in campus events

Leader in student movements

Representative in membership

United by a dynamic interest in mankind

These qualities preface the review of an eventful year for the Psychology Club.

An efficient leadership was provided by the following officers who were elected at the annual picnic supper: President, Neita Frohmuth; Vice President, Jerry Abbott; Secretary, Joyce Parr; Treasurer, Terry Nelson; Program Chairman, Italee Reppeto; Publicity Chairman, Adelle Hinshaw.

Membership is limited to students enrolled in psychology courses, but among the members are many whose major field is not psychology. However, all of these have a rich interest in the subject as it relates to other areas of living. The Psychology

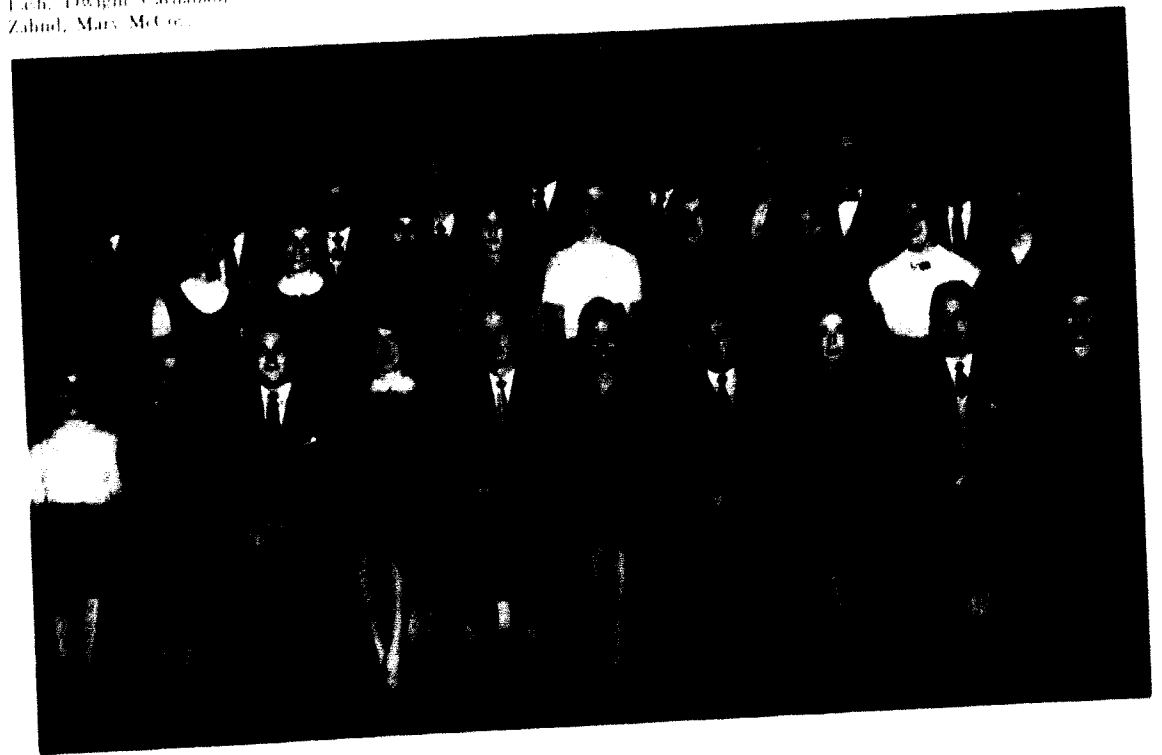

Club ranks fourth among organizations on the Hill in scholarship.

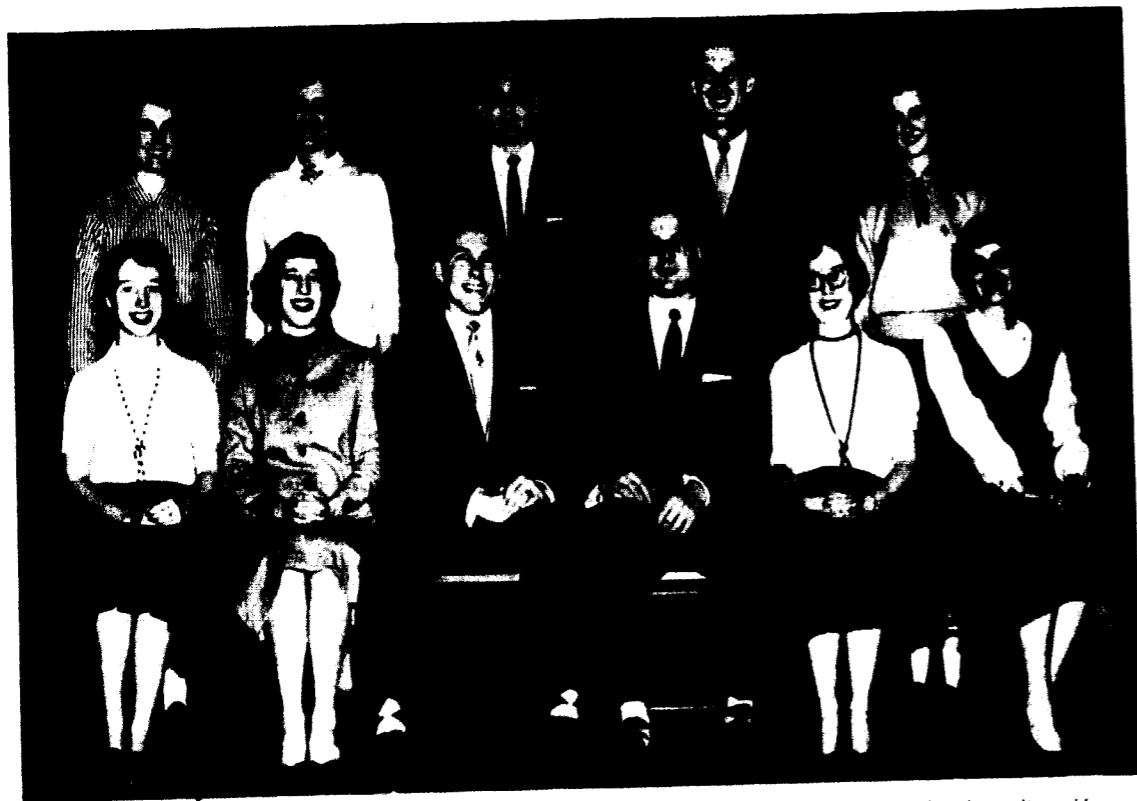

Striving to acquaint students with the fascinating expanses in the area of psychology, the club has presented many varied programs. A psychological reading and the play "Suppressed Desires" cut vividly across the fields of literature, dramatics and psychology. A dinner meeting provided the setting for a panel discussion by experts on vocational opportunities in psychology and its related fields.

"Psychorama," a comprehensive survey of available psychological films, attracted many students and townspeople. Psychology students even found themselves politically oriented as they expressed their feeling on mental health appropriations before the Missouri legislature.

As the Psychology Club reviews a good year and anticipates a better one, the guidance of Dr. Harvey Thomas, its sponsor, is appreciated, and recognized as meaning much to the group's successful activities and functioning.

William Jewell Baptist Student Union

The Baptist Student Union in its very broadest meaning is the voluntary religious activities of all students on campus. It is the connecting link between the college and the local church and seeks to popularize and keep vital in the life of a student the various organizations within the church.

Before school began the Executive Council was hard at work on plans for the entire year's activities at the Pre-school Retreat at Camp New Hope.

The B.S.U. sponsors many activities on the Jewell campus. Each week day morning in the chapel, Morning Watch provides a period of prayer

and meditation for many students. Noonday Devotions are held on Monday, Wednesday, and Friday, and Evening Vespers, a new program this year which has been enthusiastically received, is held on Tuesday and Thursday at 6:40.

At the first of the year new students were properly welcomed at a "Gay Nineties" party. Other social events included dinners at church on Sunday night, Christmas caroling, a hamburger fry to welcome the second semester new students, and a banquet in the spring.

The mission projects are a very interesting and well supported part of the B.S.U. activities. These include Hilltop Home for Girls, McCune Home for Boys, Brady Home, and Oddfellows Home.

Many Jewellites journeyed to Cape Girardeau in November for the state convention of B.S.U., and again in the spring they headed for the annual weekend retreat for Missouri students at the Lake of the Ozarks. One of Jewell's students, Ron Richmond, who was among the mission appointees, is being sent to Jamaica this summer by the state B.S.U.

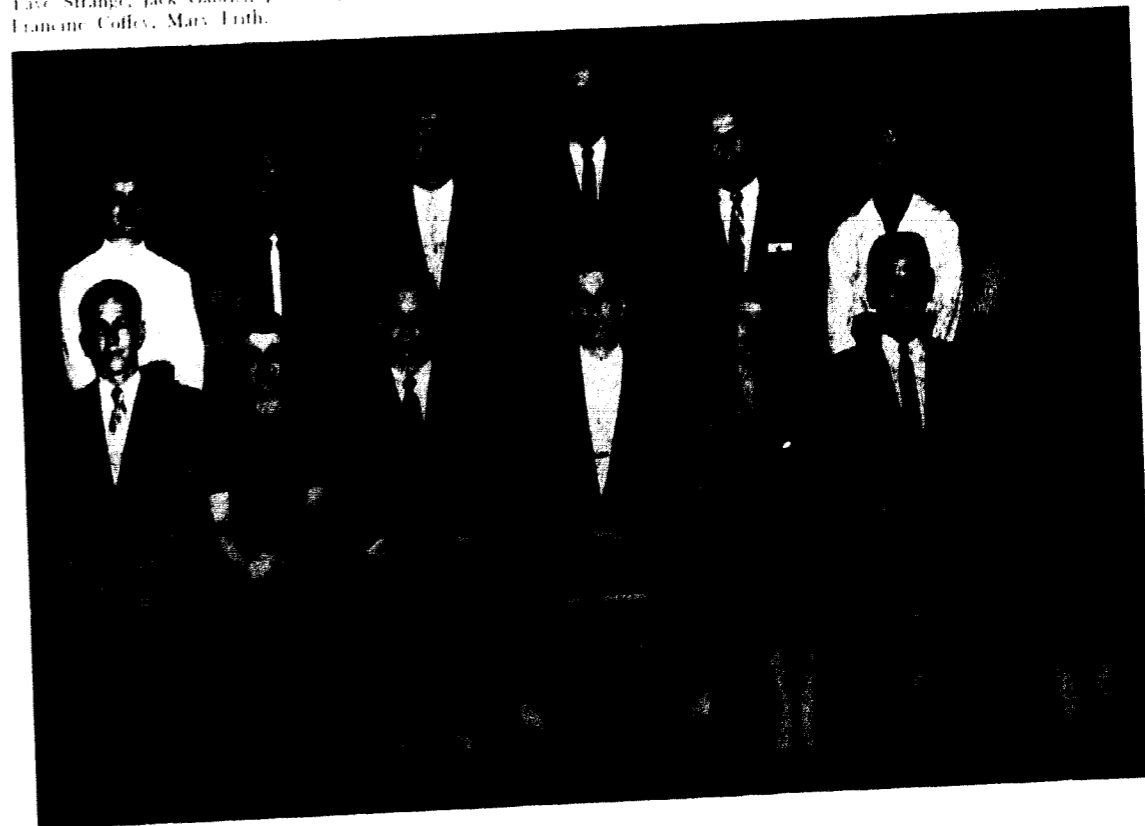

At the helm of the Executive Council this year was Paul Eppinger. Other officers

included Devotional Vice-President, Joyce Parr; Social Vice-president, Bill Jackson; Secretary, Lois Jacobson; Treasurer, Norman Boley; Publicity, Iracee Reppeto; Reporters, Jean Hudder and Jane Williams; Music Chairmen, Diane Adams and Ron Richmond; Sunday School Representative, Joy Bergman; Training Union Representative, Bill Myers; E.O.P. Representative, Carolyn White; and Y.W.A. Representative, Lila Wyss. The B.S.U. functions not as a multiplier but as a unifier of religious organizations.

Young Women's Auxiliary

This year the Young Women's Auxiliary has sponsored many religious programs and activities. The year's program opened in the traditional manner with a tea at the home of Dr. and Mrs. Binns.

Some of the activities sponsored this year by Y.W.A. included weekly visits to Playcrest, a Thanksgiving Vesper, and an International Week end with foreign students from other colleges. One of the highlights of the year came in February when Jewell's Y.W.A. was host to 150 students at the Regional Y.W.A. House party.

The group was guided by its counselors, Mrs. Roy Parker and Mrs. George Woltskill. Serving as officers this year were Lila Wyss, President; Jackie Williamson, Vice President; Mary Bess Chaney, Secretary; Sue Fechner and Diane Adams, Program Chairmen; Ruth Ann Harr, Devotional Chairman; Joy Bergman, Social Chairman; Louise Cata, Reporter; Adelle Hinshaw, Music Chairman; Joy Pulver, Publicity and Literature Chairman; Icle Lutes, Community Chairman; Verlinda Hudspeth and Jean Moorshead, Projects Chairmen.

Epsilon Omega Pi

The motto of Epsilon Omega Pi is "Into Service Prepared." As the spirit of Epsilon Omega Pi is characterized through the ever-present spirit of Christ, this organization is composed of girls who are preparing for full-time Christian service and have consecrated their lives to Christ and His service. The purpose of the group is to help the members develop every phase of their lives so that each girl might learn more about Christian work.

Special mission work and projects connected with the Missionary Fellowship constituted the main program of Epsilon Omega Pi. Religious education, Vacation Bible school, arts and crafts, church music, and devotional presentations were the emphasis of practical training furnished by this program.

The song for E.O.P. is "When I Survey the Wondrous Cross," and the colors are blue for loyalty and white for purity. The scripture verse is, "If a man purge himself from these, he shall be a vessel unto honor, sanctified, and meet for the Master's use, and prepared unto every good work."

Gamma Beta Nu

Gamma Beta Nu members are infrequently seen on the campus, because most of their activity is behind the classroom scene. Organized in 1931, this group composed of the wives of ministerial students at William Jewell College tries to carry out the idea of its motto, "Wives help to win." This organization seeks to develop a high standard of thinking and living in those who have one of the most difficult tasks in the world, that of being a minister's wife.

Their meetings give them contact with others and a social group of their own, in which they find helpful discussions of common problems, relaxation with those of mutual interests, and best of all, friendships to last through the years.

Two events of the year which have become traditional are the Spring Banquet and the outdoor Sunrise Breakfast.

The officers for 1954-55 have been: President, Mrs. Donald Arther; Vice President, Mrs. Ray L. Shelton; Secretary, Mrs. William J. Beshears; Treasurer, Mrs. William Irwin; Historian, Mrs. Gerald R. Phillips.

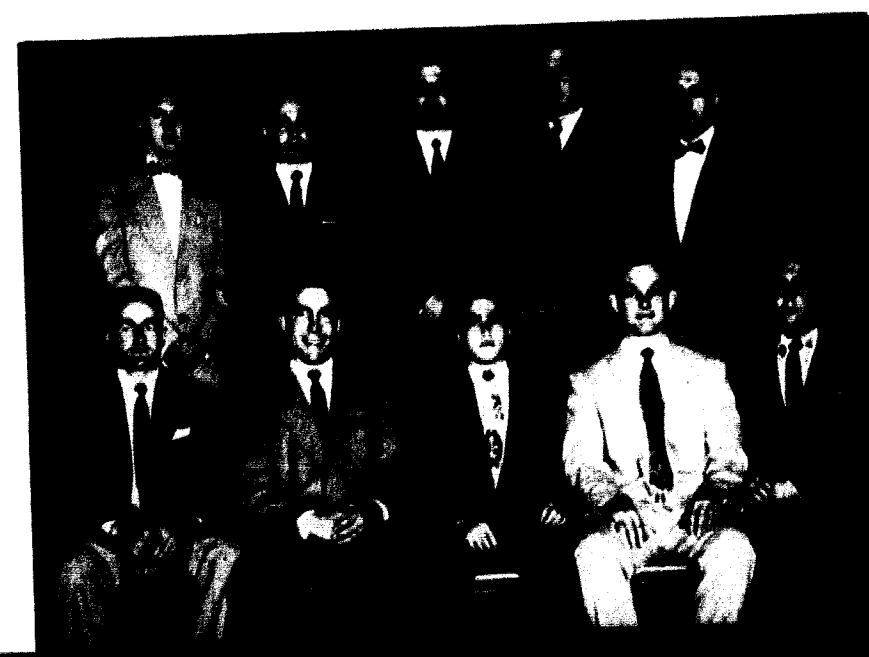

Alpha Zeta Pi

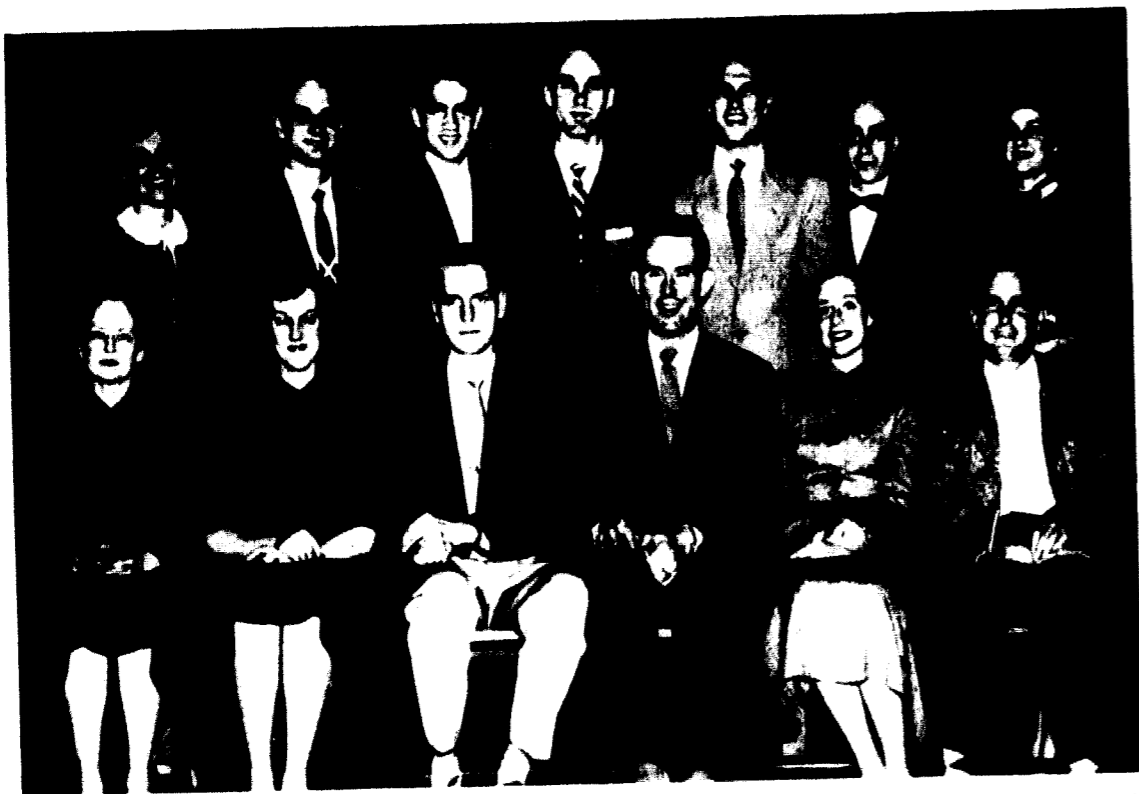

Alpha Zeta Pi is an honorary fraternity for men who have proved themselves outstanding in Christian character, campus activities, and scholarship. The fraternity was founded in 1924 at William Jewell, and it has upheld its religious purpose through its twenty-one years. It is one of the most cosmopolitan groups of men on the Hill since its membership is composed of fraternity men, Independents, and Ministerial students. The ideals of the fraternity are the furthering of Christian ideals and the promotion of the highest kind of fellowship by rendering a variety of services to the college. The group continues today aiming toward the fulfillment of these principles.

The colors of the fraternity are blue and white. Its symbols are keys for knowledge, clasped hands for friendship, and the star for Christianity.

Officers for this year have been Marlin Moody, President; Fred Merrell, Vice President; Paul Eppinger, Secretary-Treasurer; Dr. Derwacter, Faculty Advisor for the organization.

Left to right, seated: Bill Miller, Paul Eppinger, Marlin Moody, Fred Merrell, Larry Zahnd. *Row 2:* Ron Tipton, Fred Prior, Bill Jackson, Art Bergman, Duane Forderhase.

Left to right, seated: Mrs. Zillman, Mary McCoy, Jerry Abbott, Richard Byrne, Joyce Parr, Professor Hunt, Judy Taylor, Jerry Eaton, David Gray, Ed Gaul, Butch Nielson, Maurice Montgomery, Mary Jo Smith.

Pi Kappa Delta

Last spring Pi Kappa Delta members were watching a fellow speaker, Joe McCarthy, orate on TV. Dick Byrne had just been elected President of this national forensic fraternity; Mary McCoy, Vice President; Jerry Abbott, Treasurer; and Joyce Parr, Secretary. Little did they realize that the coming year would find their hostess and coach, Miss Georgia Bowman, studying at Iowa University. Nevertheless, under the combined leadership of Murray Hunt, Mrs. Paul Zillman, Ed Gaul, and Dick Byrne, intramural and intercollegiate forensic activities have continued in full swing.

Opening the season was the Intramural Speech Festival, won by Lambda Chi Alpha, with Beta Sigma Omicron and Sigma Nu taking second and third. Undaunted Jewell debaters probed the pros and cons for six months on the question, "Resolved: that the United States should extend diplomatic recognition to the Communist Government of China." Aloah Burke and Max Von Erdmansdorff were defeated only twice in 17 rounds. At the Arkansas tournament in Fayetteville Ed Gaul and Jerry Abbott rated as the best individual speakers, and Joyce Parr and Mary Jo Smith rated first in the

women's division. Replacing Jewell's annual Blizzard Tournament was a meet at Kansas University in January in which Max placed as a top speaker. At Nebraska University Dick Byrne was awarded superior rating in discussion, he and Jerry won three of four debates; Mary Jo and Joyce were undefeated.

March winds blew in a tourney at Natchitoches, Louisiana. Ed Gaul, Maurice Montgomery, and Jerry Abbott reached quarter finals, and Max and Aloah placed third in the finals. Ed entered the semi finals in extemp and Aloah reached the finals.

Jewell took four firsts in the final state competition at Warrensburg for the highest ranking individual contestants. For the second year, Jewell's woman orator won the state oratorical championship, entitling her to a trip to Northwestern University in Chicago for the Old Line Oratorical Contest. This year's winner was Joyce Parr with an oration on mental health. Judy Taylor, David Gray, and Mary McCoy debated early in the season.

The big event of the year was the motor trip to Redlands, California, for the National Pi Kappa Delta Tournament. Dick, Jerry, Mary Jo, and Joyce vied for debate honors at the tournament during the Easter Holiday.

House President's Council

The House President's Council has as its purpose to promote unity and loyalty among the residents of the various dormitories and houses. It is composed of the presidents of Jones Hall, Melrose Hall and the three sorority houses. These girls are elected at the end of each school year and serve until April the following year.

Among the interesting activities of the council was a dinner given in New Ely Dining Hall followed by a fashion show given by the faculty wives. The faculty wives modeled fashions provided by a women's apparel shop in Liberty.

One important accomplishment of the council was the revision of the Code for Coeds and the House Council Constitution. The Code contains rules and regulations of the dormitories concerning hours, late privileges and telephone privileges. The Council has been encouraging attendance to concerts in Kansas City and school functions by issuing special late privileges to those who wish to attend.

Special attention was given to the discussion of disciplinary problems and their solution and to

the problem of better relationship between the house council and the students when discipline is necessary. At each weekly meeting, the different dormitories give a resume of the problems which they are facing and an appropriate solution is returned to the groups for their approval.

The Council was led toward their goal of encouraging personal responsibility in upholding high standards and making and enforcing house regulations by their President, Mary McCoy, and Secretary, Judy Hall, who represented Alpha Delta Pi and Jones Hall. The other members of the Council were: Jene Fisher, Alpha Gamma Delta; Rene Miller, Beta Sigma Omicron; and, Susie Lackey, Melrose Hall.

The girls on campus are deeply grateful to their representatives on this council who graciously donated their time to the betterment of Administration and student relations. Their sincere and wholehearted efforts for a more active campus life are appreciated. Miss Bates also has willingly given her time and the disposal of her office to the problems which arise, however big or small they may appear to be.

Seated: Mrs. Parr. Left to right, standing: Jene Fisher, Mary McCoy, Susie Lackey, Rene Miller.

Melrose House Council

The Melrose House Council is composed of the officers of the dormitory and the floor presidents. These girls are elected at the end of each school year for the following year and serve the others living in the dorm by encouraging quiet hours and other house regulations. The object of this association is to promote unity and loyalty among the girls living in Melrose; and their goal is to encourage personal responsibility in upholding high standards and to enforce the house regulations.

Under the leadership of Susie Lackey, President, and the sponsorship of Miss Bates, the Melrose House Council guided the activities of Melrose Hall. Other members were Mary Burlington, Secretary-Treasurer; Dixie Sanders, Social Chairman; and Shirley Albrecht, Mary Ann Nance, and Sande Carpenter, Floor Presidents.

Dorm get-togethers, pin up parties, a Christmas party, and the annual spring open house were some of our activities. The council also handled problems of dormitory life.

Jones Hall House Council

The Jones Hall House Council is the answer to governing thirty-eight girls under one roof. Betsy Morgan, House Director, and Judy Hall, House President, joined with the four wing presidents and other officers of the dormitory in attending to the many business matters concerning the dorm.

The big event of the year carefully directed and carried out by the Council was the formal Open House on Sunday afternoon, December 12, honoring Minety Jones, for whom the dormitory is named. The girls provided refreshments for the guests and Christmas decorations in the rooms. A tree-trimming party before Christmas, pin up parties, and other dorm parties provided entertainment and a close friendship for the "New Dorm" girls, as did the familiar sun-bathing on the patio in warm weather and the after-hours gab sessions.

Members of the Council this year were: Judy Hall, Francine Coffey, Ruth Ann Smotherman, Lucy Harper, Phyllis Peters, Margaret Moncriel, Pat Jones, and Sally Boucher.

Big Sister Council

Among the many letters new women students receive from the school during the summer is a letter from their Big Sister. When they arrive on campus, they are greeted by that same Big Sister. She helps them get settled in the dormitory and tries to make them feel at home. During the year if they wish to talk about their studies or social life or life in general, she lends an ear.

To prepare the Big Sister for the arrival of the freshmen or transfer student, a fall training program is held a day or so before orientation week. At this time they discuss the problems of adjustment which may confront their four or five little sisters. Meetings are held at irregular intervals during the year, culminating with the selection of new Big Sisters and the election of officers at the spring training program and dinner.

This year the group has been under the leadership of Miss Catherine Bates, Advisor; Judy Taylor, President; Joy Bergman, Secretary; and Sara Yocum, Program Chairman.

Economics Club

The Economics Club offers an opportunity for students taking courses in economics and business administration to become better acquainted with current economic problems and the latest developments in the business world. The programs at its regular meetings have featured guest speakers and films pertaining to various business and industrial activities.

Each year the club makes one or two field trips to Kansas City, at which time the members visit the Kansas City Board of Trade, the Federal Reserve Bank, and one of the leading securities firms. In April the Economics Club cooperated with the International Relations Club and Phi Alpha Theta in sponsoring the appearance and address by Mr. Walter Taplin, noted British economist.

Leading the "Econ" Club this year was Bob Furitt, President. Assisting him were Harold Doubledee, Vice President and Bill Kling, Secretary-Treasurer. Dr. Robb and Professor Trues served as faculty advisors.

Beta Beta Beta

Beta Beta Beta is the national honorary biology fraternity with the Lambda Chapter at William Jewell. The aim of this organization is to stimulate scholarship, disseminate scientific knowledge, and promote biological research among the members.

At the regular meetings original papers are read to the group, besides carrying on the usual organization business. In addition to the regular meetings, several annual events are held, such as the banquet in New Ely Hall. The speaker of the evening was Dr. Larsen of Kansas University.

This year Tri Beta was one of the hosts to five schools at the Missouri Academy of Science. At the third annual Science Night the members of Beta Beta Beta displayed their knowledge in micro-technique, blood typing, embryology, anatomy, and many other phases of biology. This year a new project has been added on the third floor of Marston Hall—a display case, demonstrating a different phase of biology each week. Ron Bell served as President; Dr. Gier and Professors Oren Whitehead and Olive Thomas were faculty advisors of the club.

Theta Chi Delta

The Alpha Nu chapter of Theta Chi Delta was installed at William Jewell College on May 2, 1931. Prior to that time the organization was called the "Khem" Club. Chemistry majors with a "B" average who have completed at least four terms of college chemistry are eligible for active membership. The associate members are those who have completed two terms of college chemistry with a "B" average.

The purpose of Theta Chi Delta is to encourage students to strive for scholarship in chemistry and to promote its continued study, as well as to create interest in the field.

Alpha Nu sponsors enterprises such as field trips and holds meetings twice each month, at which programs are presented dealing with an educational aspect of chemistry. Their activities included the sponsoring of the chemistry exhibits on the first floor of Marston Hall and the presentation of a program at Science Night.

Dean Edson is the faculty sponsor for Theta Chi Delta. The members of the honorary fraternity are Munro Ransdell, Phil Isley, Dick Lark, and Don Geilker.

Kappa Mu Epsilon

Kappa Mu Epsilon, national honorary mathematics fraternity, was established in 1931 for the purpose of stimulating a deeper interest in mathematics and to encourage the study of abstract and related fields. The Missouri Gamma chapter was installed in William Jewell College in 1947 and is one of the forty-eight chapters located in colleges and universities throughout the United States.

Each member is given the opportunity to prepare and present an original paper before the group on some subject related to the field of mathematics.

The outstanding event of the year was the National Convention which was held at the Nebraska State Teachers College in Wayne, Nebraska, on May 6-7.

The officers of Kappa Mu Epsilon for this year were: Eddie Dixon, President; Arthur Bergman, Vice President; Mary Belle Cordes, Secretary; and Charles Don Geilker, Treasurer. Professors L. O. Jones, D. V. LaFrenz, E. A. Morrow, and Dr. W. A. Hilton are the faculty members.

Alpha Phi Omega

Alpha Phi Omega was founded on the William Jewell campus in 1931 and became affiliated with the national organization in 1934. In these years it has earned itself a reputation for its motto, "Service." The membership consists of former boy scouts who are willing to serve their country and school. The fraternity engages in any project which will in any way benefit the college, faculty or student body.

Among the service projects which the fraternity sponsored this year were the sale of Christmas Seals, ushering at school events, hospitality to visitors on campus, shining of school trophies, building an organizational bulletin board, and helping with local youth organizations.

The officers of Alpha Mu chapter included Richard Lark, President; Jerry Abbott, Vice President; John Carpenter, Corresponding Secretary; Larry Zahnd, Historian; Robert Bowers, Alumni Secretary; and Robert Woodruff, Sergeant at Arms.

Sigma Pi Sigma

Sigma Pi Sigma was founded at Davidson College in 1921 and is the only national honor society in physics. The William Jewell chapter was chartered in 1930 and is the 10th oldest of the society which now has over 80 chapters in leading colleges and universities.

Student programs were held at least once each month and papers were presented by Don Geilker, Art Bergman, Bob Woodruff, Dave Janes, Eddie Dixon, Fred Lau, Don Willhoit, and Don Unger. Visiting speakers included Dr. Edson, who spoke on "Combined Plan of Engineering Education at Columbia University," Dr. W. D. Bemmels, Head of the Physics Department, Ottawa University, who spoke on "Seismographic Measurements," and Professor H. Y. Mullikin, Head of the Physics Department at Georgetown College, who spoke on "Science and Religion."

The outstanding event of the year was the Physics Fair of William Jewell Science Night held March 24. The program consisted of demonstration-lectures by the students concerning some physics

experiments. About 900 attended the various exhibits and programs.

The Missouri Academy of Science met at William Jewell on March 26. Four of the 18 papers were given by William Jewell physics students. They were Don Geilker, Eddie Dixon, Don Willhoit, and Arthur Bergman. Dr. Sheldon Levy, Manager of the Physics Division of Midwest Research Institute spoke at the luncheon.

Officers for the year were: Don Geilker, President; Arthur Bergman, Vice-President; Eddie Dixon, Secretary, and Professor Glen T. Clayton, Treasurer. Other members and chapter associates included: Robert Woodruff, Dr. W. A. Hilton, Professor L. O. Jones, Professor D. V. LaFrenz, Professor E. A. Morrow, John Nowell, J. E. Lovan, Don Jackson, Kenneth Roehman, Gilbert Leiter, Don Henderson, George Boltmiew, Larry Voge, David Rinker, Larry Rollins, John Philpot, Kenneth McIntyre, Fred Lau, Don Ben Unger, David Janes, Don Willhoit, and Professor H. Y. Mullikin, Head of the Physics Department, Georgetown College and a member of the Religious Focus Week team.

Pi Gamma Mu

The Missouri Epsilon Chapter of Pi Gamma Mu is the organization on the Hill for those who are interested and excel in the field of social sciences. The Jewell chapter is a member of the National Honor Society, Pi Gamma Mu.

The membership of Pi Gamma Mu is composed of those who have reached their junior year, have a minimum of twenty credit hours work in the social sciences, which include history, economics, political science, sociology, education, psychology, and religion, who have maintained a "B" average in the social sciences, and who have no failures on their record.

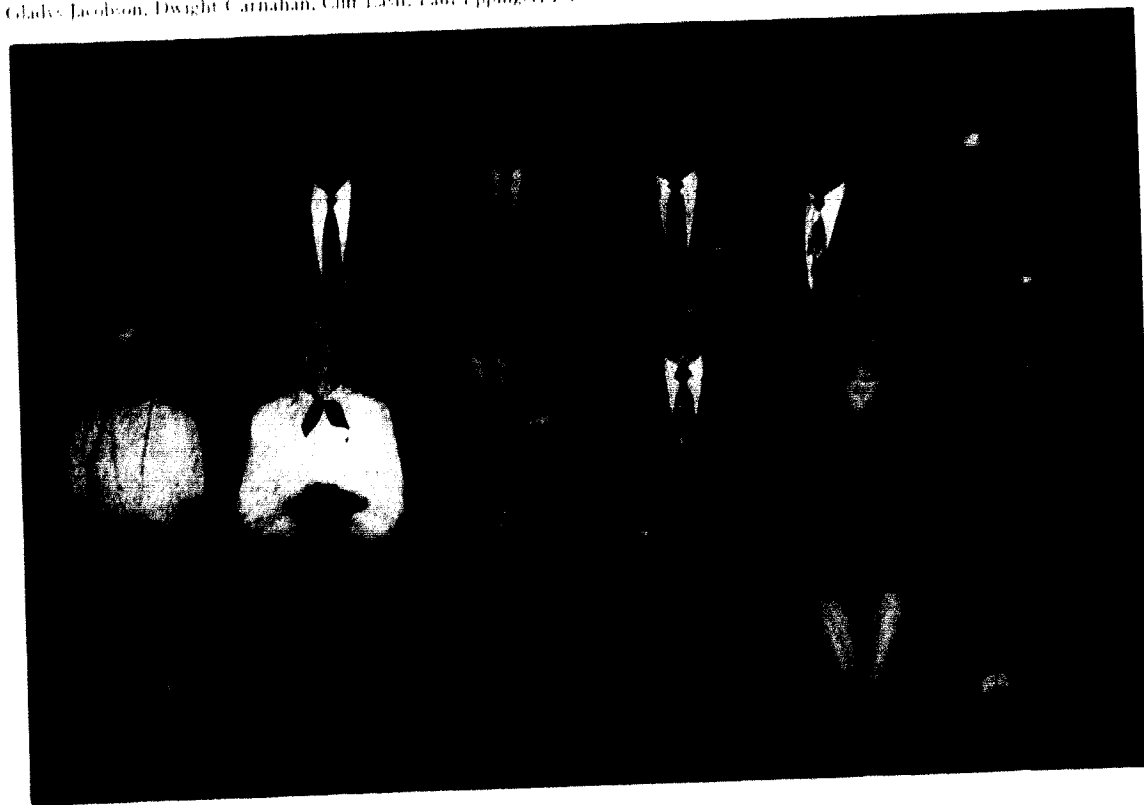

The purpose of Pi Gamma Mu is to encourage the study of the social sciences at the undergraduate level. The motto of the organization is, "Ye shall know the truth and the truth shall make you free."

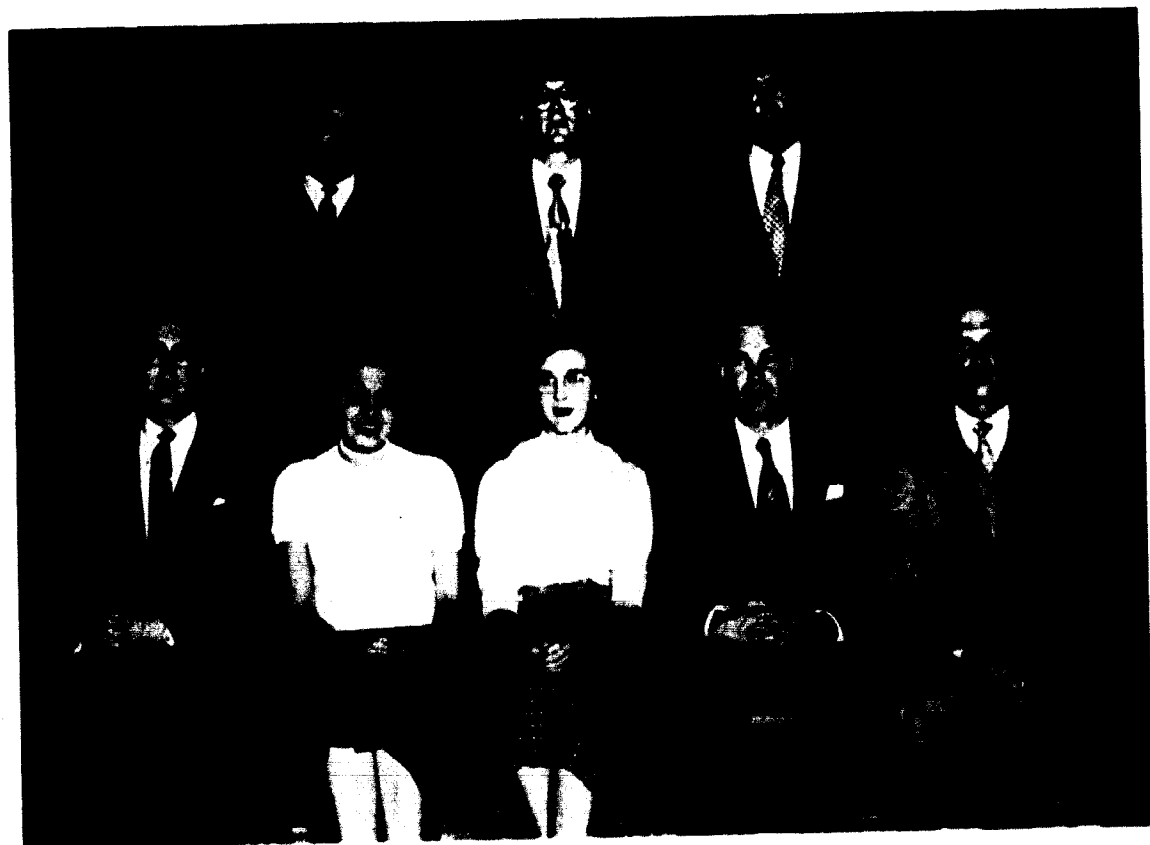

At the monthly meetings, timely discussions of problems in the field of social sciences, panel discussions, and guest speakers who are prominent persons in the field have made this an interesting and profitable year.

The highlight of the year's activities was the annual spring banquet which was held at the Colonial Hotel. The guest speaker for this special occasion was Bill Greuly who is on the commission recently appointed by the mayor to study human relations in Kansas City. This commission was instrumental in the integration of the Swope Park swimming pool and is now working on the integration of the public school system of Kansas City.

Pi Gamma Mu was capably led this year by the following slate of officers: Larry Zahnd, President; Arvilla Neef, Vice President and Social Chairman; Juarenne Moore, Secretary and Treasurer; and Judy Taylor and Dick Worley, Program Co-Chairmen. Mrs. Constance Nelson and Professor Thomas Bland are the faculty advisors.

International Relations Club

The William Jewell chapter is one of the hundreds of International Relations Clubs located throughout the world. It was founded by a "short-sighted professor with a vision" — Professor E. W. Mounce, who in 1923 originated the idea of a club to study the underlying principles of the conduct of nations. The purpose of the club is to bring to the students a more comprehensive knowledge of international affairs, to create an interest in international politics, and to arouse a forward looking attitude toward problems of international peace.

Membership in the International Relations Club is composed not only of upperclassmen who have shown a desire to further the cause of international relations through study and research, but also freshmen who are known as the associate members.

The club maintains a shelf in the Carnegie Library at William Jewell on which the latest books concerning international relations are placed.

Included in the activities of the organization is a program of monthly discussions during the year

with topics concerning international affairs and other related subjects, thus creating interest by active student participation and by guest speakers.

The big event of the year for the International Relations Club members was the United Nations Weekend held at the University of Indiana in Bloomington, March 4-6. Thirty-five colleges and universities of the Midwest sent delegations to this workshop. William Jewell College, through the sponsorship of the Student Activities Committee, represented the Philippine Islands at the "Little United Nations Assembly." The Student Activities Committee donated a hundred dollars for the trip in which Dr. George Wolfskill accompanied the following ten students representing William Jewell College: Bill Jackson, Margaret Moncrief, Lowell Jenkins, Violet Jacob, Carolyn White, Fred Pryor, Dave Morton, Dixie Sanders, Mary Ann Nance, and Joy Pulver.

Margaret Moncrief served as President of the organization. Dr. George Wolfskill was the faculty advisor for the group.

Phi Alpha Theta

Phi Alpha Theta, a member of the National Association of College Honor Societies, is the honor society for students and faculty members of distinguished American colleges and universities who are interested in the study of history. This National Honor Society has 134 chapters located in thirty-nine states, Washington, D.C., and Puerto Rico. Of these, William Jewell is the Beta Gamma chapter.

One of the aims of the organization is to try to stimulate research into the actions of man locally, nationally, and internationally.

Every other year a national meeting of Phi Alpha Theta is held. This year Beta Gamma Chapter was represented by Tom Raiser at the meeting in Los Angeles for the National Convention held during the month of December. District meetings with representatives from several neighboring states are held once every two years.

The requirements for membership are the highest on the campus. Twelve semester hours

credit in history with an average grade of "B" plus and an average grade of "B" in at least two thirds of the student's other subjects is required. A failure in any course disqualifies a student from membership. A scholarship key is awarded annually to the senior member having the highest grade average in all history courses.

Meetings are held monthly, and once or twice during the year special meetings are held in the homes of faculty members. Authorities on United States history and foreign nations are brought to the campus for discussion groups. Anyone in the student body or the faculty interested in the topic is invited to attend the meetings.

Initiated this year were: Mrs. Roy Parker, Dwight Carnahan, Ewalds Spale, Glenn Epp, Bob Muncy, Ron Tipton, Thomas Graves, Mary Ann Nance, Joyce Newman, and Barbara Cook. Associate members are Allan Essex and Rick Culbertson. Dr. U. R. Pugh, Chaplain Roy H. Parker, Dr. George Wolfskill, and Mrs. Robert Trotter are faculty members.

William Jewell Squawkers

The squawkers have been active this past year in their purpose of furthering school spirit. Membership is open to the entire student body.

Various projects were planned to help carry out Squawker's objectives. Again this year the Squawkers sold programs at the home football games, sponsored a bus to the play-off basketball game at Central College, and sponsored "pep" Chapels.

Serving as officers for the past year were: President, Charlene Kurth; Vice-President, Jerry Wingo; Secretary, Iralee Reppeto; and Treasurer, Donna Bailey.

Left to right: Harry Geiss, Bob Pattison, LeRoy Gardner, David DuRall. Inset: Phil Smith, manager of Co-op.

Co-op and Snack Bar

The Co-Op Book Store has been an institution on the Jewell campus for the past forty seven years, supplying the students all through the year with books, pencils, notebooks, decals, pennants, ink, and stationery. The management of the Co-op this year was under the leadership of Phil Smith.

The Snack Bar, located on the first floor of Old Ely, is a place where students and faculty members are always congregated over a leisurely cup of coffee. Hot lunches and suppers are served to supplement the students who do not eat in the New Ely Dining Hall.

Left to right: Edith Thatcher, Alice Droessler, Joy Bergman, Norman Boley, Joe Filbeck, Judy Taylor, Mrs. Bedwell.

The Student

The William Jewell *Student*, now in its sixty-first year of publication, is a biweekly newspaper produced by the members of the journalism classes and those who volunteer their services in reporting, copyreading, headline writing, and proofreading.

The *Student* has consistently won superior rankings in the Missouri College Newspaper Association, of which it is a member, as the best student newspaper in this area.

Following the highlights of a Jewell school year, the newspaper has contributed to student enthusiasm and promoted such facets as Homecoming, Achievement Day, the fall play, "Little Women," Tatler Revue, Religious Focus Week, the 1955 Shakespearian production, "The Winter's Tale," and Rhythm Roundup.

The first semester Editor was Mary Ann Nance; second semester Editor, Mary Jo Smith. Associate Editors were Jane Halstead and Ruth Ann Harr; Business Manager was Charlie Newlon. Jerry

MARY JO SMITH, CHARLIE NEWLON, MARY ANN NANCE

Abbott and Art Root were Associate Business Managers.

Reporters included: Jerry Warman, Sports Editor; Janet Curtis, Darlene Robinson, Eleanor Takahashi, Iele Lutes, Dixie Sanders, Art Root, Larry Zahnd, Jean Hudder, Judy Taylor, Gerry Baker, Loyd Gentry, and Max Von Erdmannsdorff. Circulation Managers were Jack Root and Jerry Wingo.

Mrs. Margaret Prather, Instructor in English, gave her assistance to the *Student* as faculty advisor in the absence of Miss Georgia B. Bowman. Instructor in Journalism.

Seated: Ruth Ann Harr, Iralee Reppeto, Mary Jo Smith, Charlie Newlon, Mary Ann Nance, Dan Martin. Standing: Pat Cadwallader, Seta Frohnmuth, Darlene Robinson, Keith Winterowd.

The Tatler

"The wheel is come full circle."
WILLIAM SHAKESPEARE

The Chinese expression, "What you do speaks so loud I cannot hear what you say," appropriately summarizes what could be a lengthy account of the efforts of the *Tatler* staff this year.

From the beginning of its work last fall the staff has labored under numerous difficulties which at times seemed almost insurmountable. Without the experience and assistance of an editorial advisor because of the leave of absence of Miss Bowman, staff members were compelled to solve many of their problems by a trial and error method. The

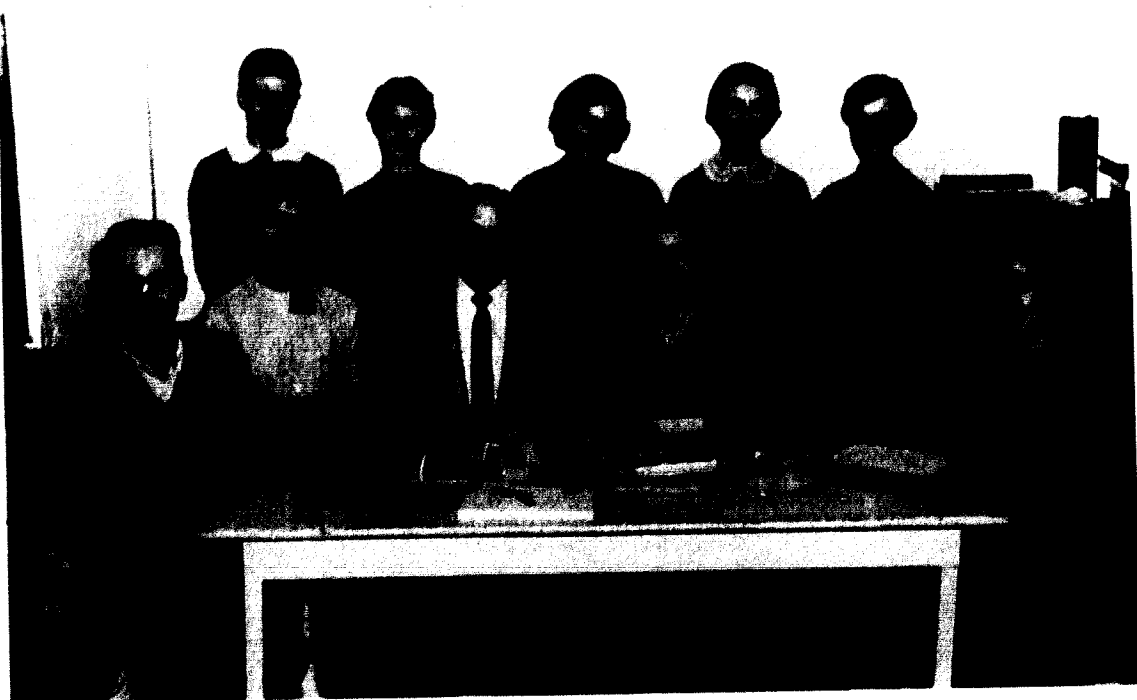

Faculty Advisory Committee to the Board of Control, consisting of Dr. Hilton, chairman, Mrs. Prather, and Professor Truex, gave counsel and direction to both the editorial and business aspects of the 1955 *Tatler*.

Special commendation is due Professor Truex for his tireless efforts, interest, and advice which was beyond his duty as Business Director. Honorable mention also goes to Mr. John Nowell of the William Jewell Press for his professional advice and cooperation and to Photographer Jack Root who performed his work with a spirit of willingness and a degree of perfection.

Staff members for the 1955 *Tatler* were:

Jane Williams	Editor
Duane Forderhase	Business Manager
Barbara Cook, Larry Vogt, and Dick Willoughby	Associate Editors
Norma Mull and Joyce Newman	Associate Business Managers
Jack Root, Lon Phillips, and Spence Stoner	Photographers

... *What an* **A.B. DEGREE**
from William Jewell College means

An A.B. degree from William Jewell means that here is a person who has been trained and given the background to understand world affairs, has been made conscious of social progress and cultural values, and has obtained his or her perspective for satisfactory living. It means that here is a person with an understanding of Christian education and the values obtained from Christian education. It means that here is a person who has received the stimulus which comes from the spirit of achievement.

If You Are One of the Resolute Few

You can purchase success — success in terms of service to others, leadership and wealth. The price is hard work. By investing great amounts of it in a life insurance career, the goals you seek can be reached.

If you are one of the resolute few who want success enough to be willing to pay this cost, consult us immediately.
