6-11-1911. The crowd at the presentation of the trophies.

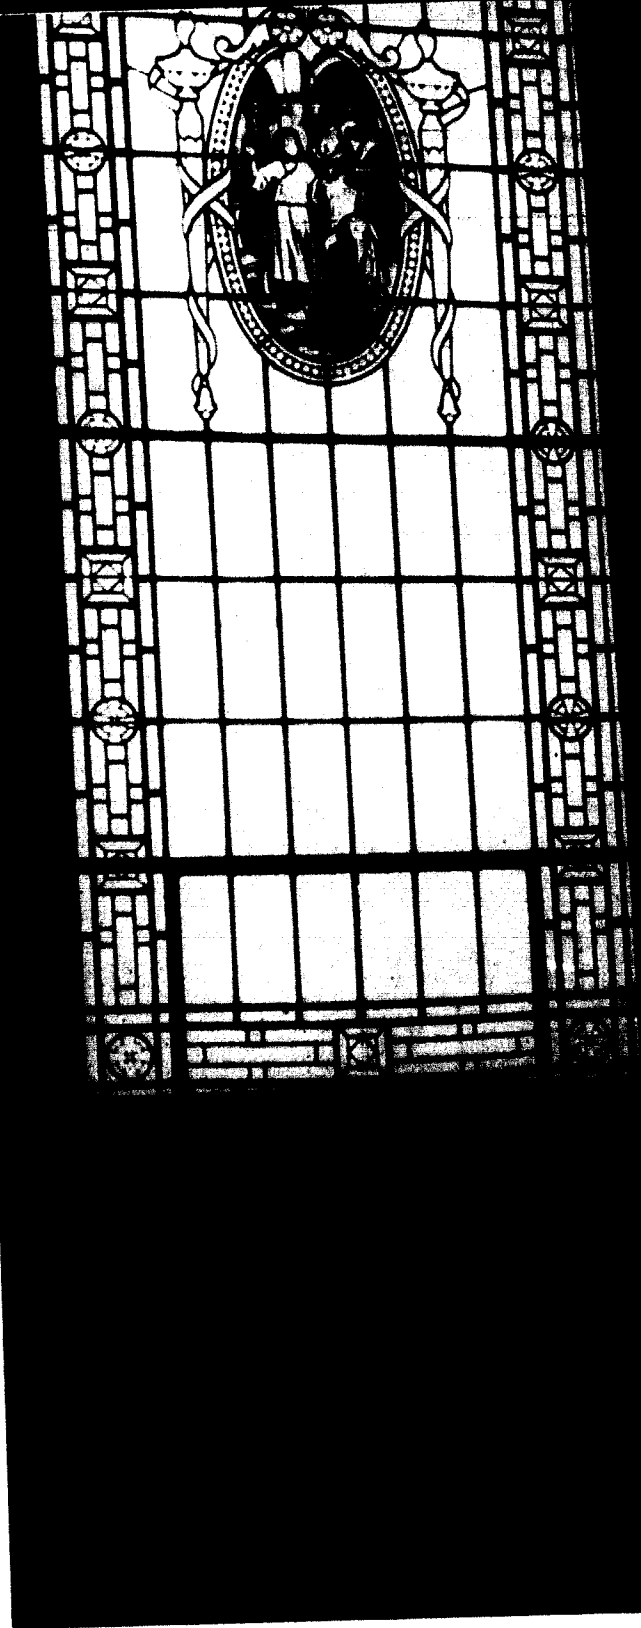

6-11-1911. The trophies.

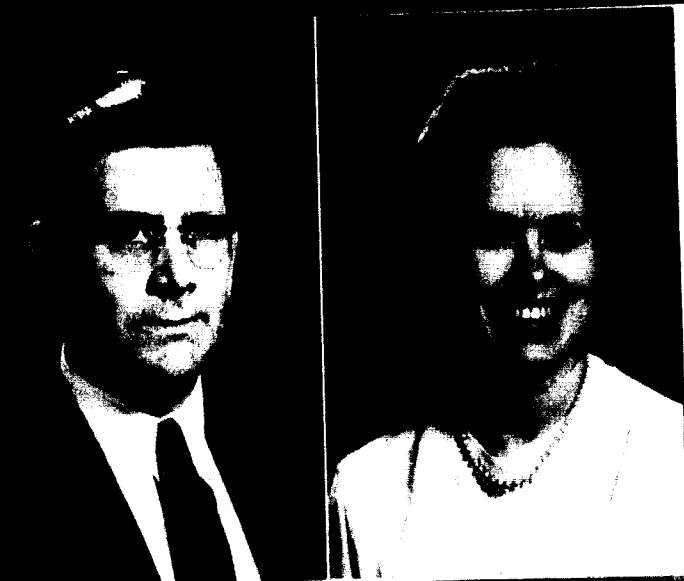

Symbolizing the wisdom of the ages, crystallizing the accumulation of Man's recorded knowledge—the library stands as the center of the college campus. Throughout his life, the college-trained citizen will turn to books—to libraries—for information, for recreation, for inspiration. Significant is the fact that within these library walls the entering Freshman consults and plans his course on his first day at college; and, from its doors, arrayed in academic gown, the graduating Senior starts his Commencement procession.

Seniors—the one who has achieved through four long years (yet years so short) this culmination of his education. Yet his achievement is scarcely well begun, for beyond the quiet sheltering of college walls, he now must prove that what he gained in knowledge is backed by character as well. From him must echo, in a still discordant world, full harmonies of happy living. Already proving themselves, as leaders of the Class of 1948, are Charles W. "Woody" Rixey, President; Robert D. Payne, Vice-President; Jean Glancy, Secretary; Bobbie Marshall, Treasurer.

Achievement Day Procession

Tradition — handing down the senior flag to the oncoming juniors. Tradition — of pleasant autumn hours upon the campus; of sharp winds and biting snows that send one scurrying for warmth; of lazy spring days just strolling in the sun. Tradition — of "bossing" freshmen; of parties, picnics, Chapel, study, and exams. Tradition — of unseen emotion that does not come easily in words, and an undertone of melody — the undertone of friendship. The juniors will keep all those traditions well, guided by their officers: Tom Brandom, President; Polly Quick, Vice-president; June Bainbridge, Secretary; Wylla Ruth Decker, Treasurer.

Faculty Reception for New Students

Sophomores, Freshmen — friendly rivals. In the brisk tempo of competition there's the march of loyalty to class; the waltzing gaiety of youth; the vibrant, joyous song of living, as Freshmen vie with Sophomores to prove their worth and gain their stature on the Hill. Serving the Sophomore Class as officers were Mary Jane Smith, President; Bob Shumaker, Vice-president; Elmer Kuhn, Secretary; Rosie Giles, Treasurer. Officers of the Freshman Class were Patsy Burkhardt, President; Dave Herman, Vice-president; Carolyn Foster, Secretary; Bob Jones, Treasurer.

Inconveniences leading to advantages for the students on the "hill" have been ever-present during the past year. The new heating plant, which has so successfully replaced the old and inefficient power plant, has provided comfortable, evenly heated rooms throughout the long periods of extremely cold weather during the past winter. The renovation of Jewell Hall has provided for the students at the College a modern, utilitarian class-room building, and yet preserved the historic exterior which has served the College so long as "Old Jewell Hall."

It is largely through the generosity of the members of the Board of Trustees that these improvements have been made, and the beauty achieved by this campus renovation will serve as testimony to their genuine interest and devotion to the College.

Board of Trustees

The meeting of the Board of Trustees of the College was held this year on November 13, 1947, following the Achievement Day Convocation in the morning. This group of distinguished men meets once each year to determine the policies of the College and to lay plans for continued improvement of the departments and facilities of the College.

Serving as president of the Board is W. D. Johnson, whose generosity toward the College and devoted interest in the affairs of the school have won for him the appreciation of the entire student body.

WILLIAM JEWELL COLLEGE
 LIBERTY, MISSOURI

President's Message

Approaching the end of her ninety-ninth year William Jewell College looks forward to another century of achievement in liberal arts education.

The campus has faced the challenge. Historic Jewell Hall, graded and renovated, beckons from her stately columns. Melrose Hall reveals new beauty and comfort. The Gymnasium and Athletic Field are equipped for an enlarged program of physical training. A modern Heating Plant assures comfort under the guidance of a landscape architect. The Hill is being transformed with anxiety; it reports of a new Administration Building that will crowd her from the scene.

More significant than any physical improvements on the campus is the spirit of William Jewell men and women who will participate in the Centennial Celebration of 1949 and will chart the course of the future.

I congratulate the members of the class of 1948 whose graduation brings them in sight of the new and greater century.

Walter Pope Binns

DR. WALTER POPE BINNS, *President of William Jewell College*

Golf or classes — Dr. Hester is always ready with a warm smile and a friendly greeting. The Vice-President of William Jewell is well known for his geniality and sincerity. This hard working industrious man, who came to William Jewell in 1926, was graduated from Wake Forest College with an A.B. degree. From the Southern Baptist Theological Seminary he received his Th.M. and Th.D.

Dr. Hester, in addition to his administrative duties, is Head of the Department of Religion and teaches classes in Bible that are an inspiration to all. As chairman of the Committee on Religious Activities, he was instrumental in the planning of Christian Emphasis Week. He also serves in an advisory capacity for ministerial students and others who respect his good judgment and appreciate his understanding.

H. I. HESTER, *Vice-President of the College.*

Minetry Jones returned to his Alma Mater, where he received his A.B. degree, to become Assistant to the President of the college. Now he holds the position of Vice-President in charge of Business Administration. His duties keep him in contact with the alumni of the college and much of his time is spent away from "the Hill."

MINETRY L. JONES, *Vice-President, Business Administration.*

Leonard A. Duce, Dean of the College.

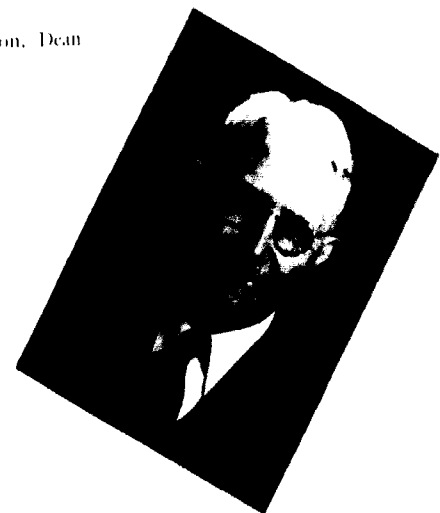

The position of the dean of a college — an important and responsible one — is one most capably filled by Dean Leonard A. Duce. From his office come the Honor Roll and much news concerning the curriculum. For three years Dean Duce has guided many on Jewell's campus with help in planning a curriculum or with a bit of very sound advice. Dr. Duce, who received his Ph.D. from Yale in 1946, has won the deepest respect and admiration from all by his friendliness, wisdom, and understanding.

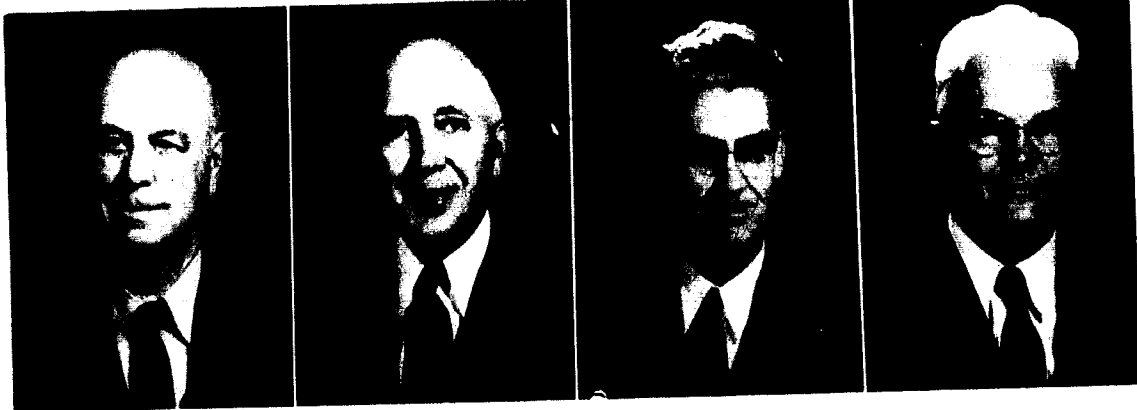

Dr. Allen J. Moon, Dean Emeritus, is now the Head of the Department of Ancient Languages and Professor of Latin. His wise counselling and guidance are invaluable.

Charming, friendly, and most capable is our Dean of Women, Miss Alma Hunt. She helps plan many campus affairs and the school calendar with all social events is made up in her office. She is vitally interested in the welfare of the women on the campus. Girls come to her for advice on problems large and small. In the four years that she has been here, she has proved herself a wise counselor and a friend to all.

Alma F. Hunt, Dean of Women.

Among those who influence our lives, perhaps more than we realize, outside the classroom are these — the man who buys supplies, the one who handles the financial affairs, the one who writes your name in the alumni files. Perhaps the ones that we have had the closest contact with in this group are — the one who knows the G. I. Bill from "civer to civer," the one who guides you in the choice of a vocation, and those who influenced you to come here and took care of your enrollment. All these are a part of the staff which strives to keep William Jewell atune and in one accord.

New Ely Hall is just north of the gym and accommodates 140 men. Meals are served for all of the boarding students in two large dining halls in the basement.

Old Ely lies East across the walk from the library and is a smaller dormitory for men. Maple Hall, 211 McCarty, is a smaller dorm for women.

Housemothers: MRS. A. G. BYRNS, Maple Hall; MRS. MARGARET FRUSTON, Melrose Hall; MISS MARY MITCHELL, Melrose Hall; MRS. J. R. STEERS, New Ely Dormitory.

Melrose Hall, which is located on the north side of the campus, accommodates eighty girls. Many pleasant hours have been spent by the girls in this newly decorated dorm. Before fall term began, the walls were cleaned and painted in pastel shades, the floors were covered with linoleum, new venetian blinds were hung at each window, and all of the rooms were furnished with new maple furniture. A recreation room in the basement is enjoyed by all.

William Jewell College Library

William Jewell College life centers about our college library. The picture below was taken at one of the Library Hours in which programs were presented to familiarize the students with the interesting opportunities of the library. Our library contains 59,681 volumes, and over 300 periodicals are received each month. Students are allowed to browse in the book stacks by permit. Miss Opal Carlin is the librarian, assisted by Mrs. Mary E. Casebolt. Mrs. Donald Vroom is order and file clerk, and there are about 20 student attendants. The library hours are 7:50-5:50, Monday thru Friday, and 8:00-12:00 on Saturday.

Left to right: Mrs. Donald Vroom, Nina Drinen, Betty Stone, Miss Opal Carlin, Carl Broussard, Barbara West, Mrs. Mary E. Casebolt.

Seated: Mr. Bruner, Mr. Isley, Mr. Godtriaux, Mr. Jones; Standing: Richard Bowles, Betty Stone, James Bercaw.

JAMES R. BERCAW, *Manager*

Co-op

Beginning the school year with a new coat of paint, the William Jewell Cooperative Book Store, better known as the "Cardinal Coop," continued to serve as a meeting place on the campus for students and faculty. The Co-Op was founded in 1917 as a convenient means for obtaining school necessities and has followed that aim through the intervening years.

Hugh B. Smith was elected to serve as manager for next year succeeding Jim Bercaw, who has most successfully filled this position for the last two years.

In front of counter: James Bercaw, Robert Payne; *Row 1:* Tom Brandom, Helene Defabaugh, Marguerite Montgomery, Jean Minter, Ercell Head; *Row 2:* Hugh B. Smith, William Marsh, Bill Lewis, Greda Fogelberg, James Gibson.

Board of Control: Dr. Pugh, Miss Bowman, Mr. Nowell.

Student Publications

Student publications—the yearly "Tatler" and the weekly "Student"—are under the supervision of the Board of Control. This group consists of the entire Student Senate and three faculty members, who meet regularly to discuss business and editorial problems. Chief guide and advisor on the financial end is John Nowell, business director for both publications, and manager of the William Jewell Press.

Press Staff: Paul Adams, Dawson Newman, Elmer Van Dyke, Mrs. Swafford

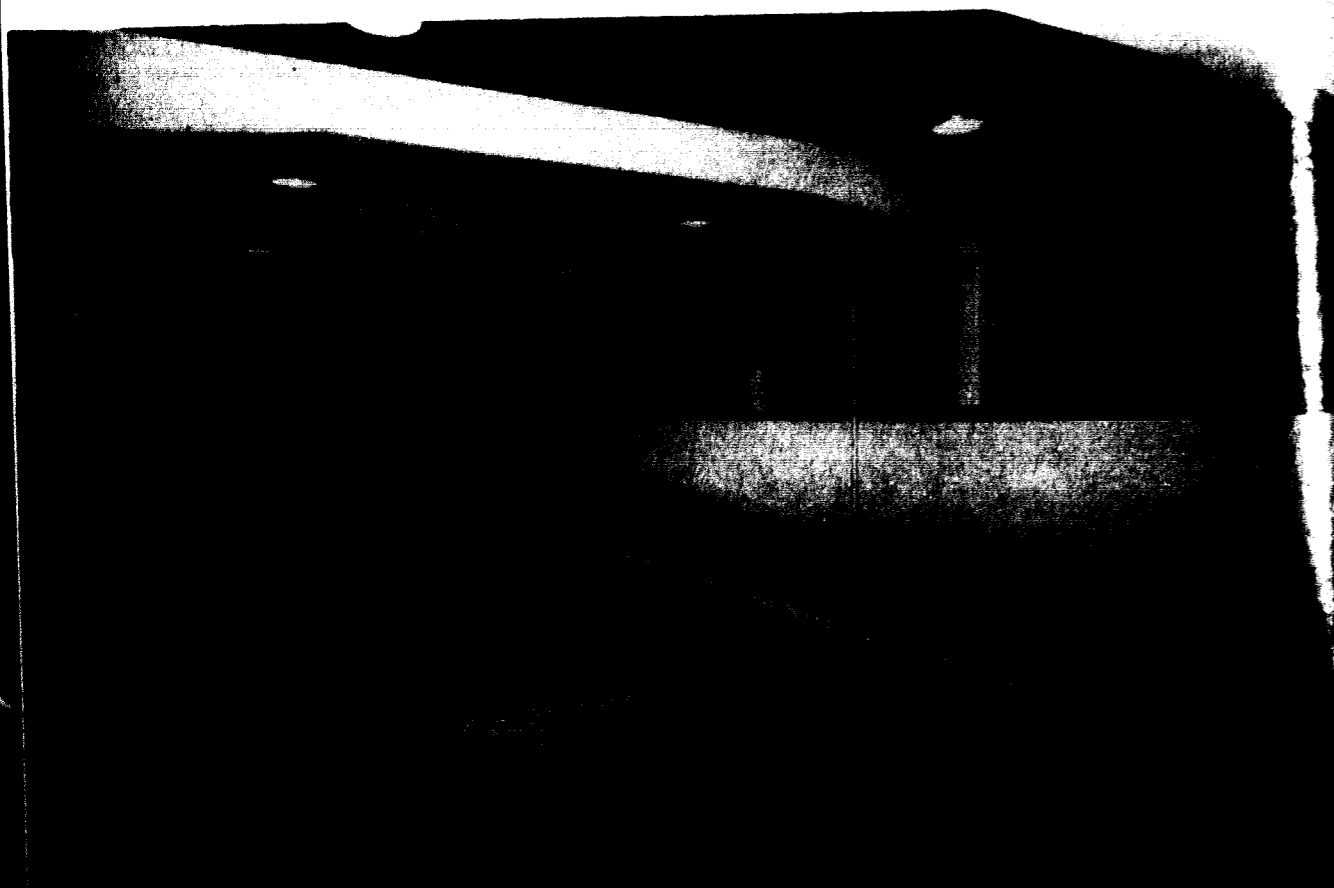

JOHN NOWELL
Business Director

During the past year many improvements have been made in the facilities of the Department of Physical Education. The refinishing of the gym floor and the purchase of a new diving board are but a few. The purchase of new bleachers for the athletic field and also new lights have added greatly to the enjoyment of spectators at athletic events and have made it possible to have night football games.

Physical Education Department

One of the "high lights" of William Jewell campus is Brown Gymnasium and the Athletic Department. On any day, sunny, cloudy or rainy, there is always some type of activity in the Gym. For those individuals that possess exceptional talents there are the varsity teams in football, basketball, track, tennis, golf, etc. For those individuals that just want to have "fun," then the Intramural department is ready to assist them in any way possible.

Each recognized organization on the hill enters teams in the different sports that are held according to season. Football, basketball, softball, tennis, handball, or any sport that a group of students express a desire to participate in are offered. The main object of the entire program is to get as many students as possible to participate in some particular sport. Medals and trophies are given to the winners. Never before has William Jewell offered such an extensive program in athletics to its student body. Girls are also offered a variety of sports such as field hockey, volley ball, basketball, gymnastics, swimming, recreational games, and softball. The women on the campus have an Athletic Association open to any woman student on the hill. Through this organization the intramural tournaments for women are played.

Brown gymnasium with its newly refinished floor, large swimming pool, corrective gym courts, red, white, and black dressing rooms is the pride of all William Jewell Students.

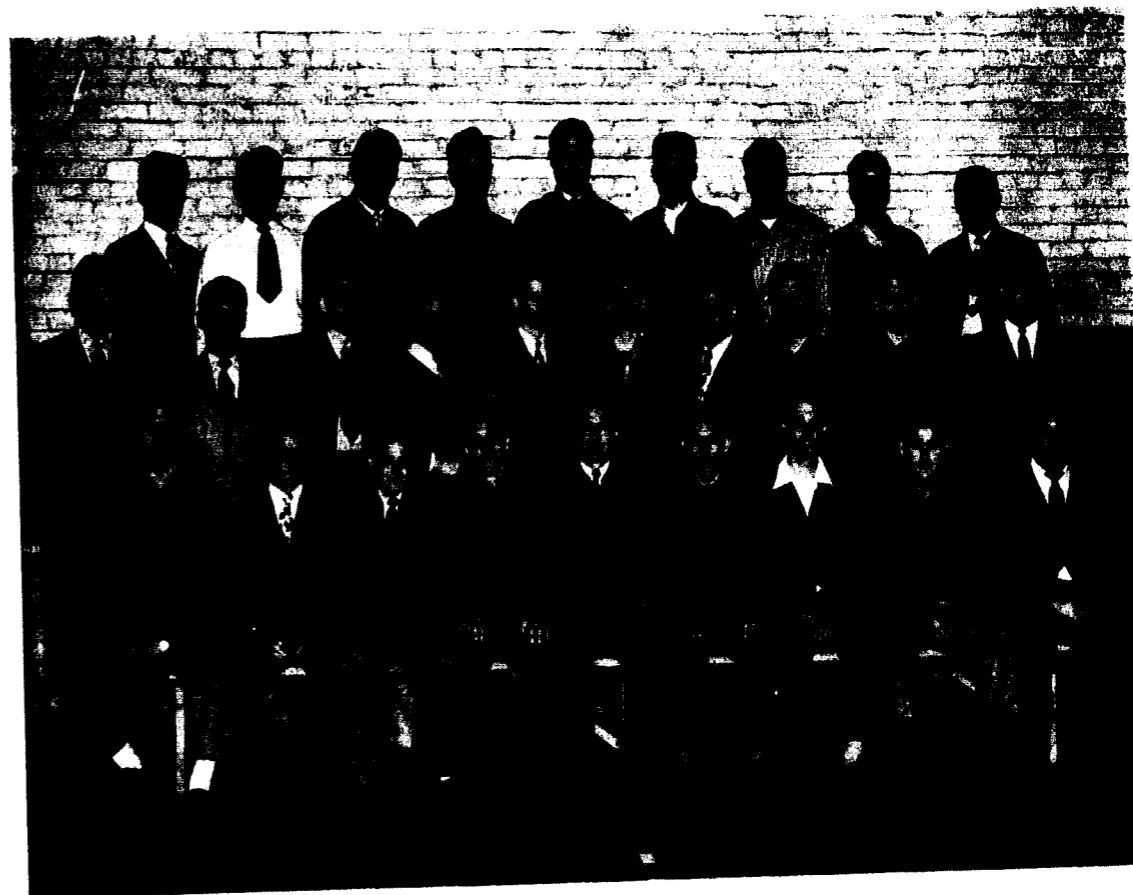

J. E. Bradshaw, Head of the Department of Physical Education and Athletic Director, and Coach of Football, received his A.B. from Culver-Stockton College and later received his Master's degree and took further graduate work at the University of Missouri. Serving his first year with the College, Mr. Bradshaw has done much to improve the Department of Athletics and its facilities. His genuine interest in and development of a successful intra-mural sports division of the department has brought him in close contact with the entire student body and won for him the respect and admiration of every student.

Richard F. Harp, Assistant Athletic Director and Coach of Basketball, received his A.B. from the University of Kansas. Coaching the basketball team for the second year, this has been his first year as a full time instructor on "the Hill." His friendly attitude has won for him many admirers among the student body and especially among those who are associated with him in classes or in other phases of athletics.

Kay Weisenburger, Instructor in Physical Education, received her B.S. from the University of Missouri. At William Jewell for the first time this year, she has won acclaim for the work she has done in the installation of the Women's Athletic Association on the campus. Her cheerful manner has won for her the respect of the girls who have been associated with her in classes.

J Club

The William Jewell "J" Club, composed of men who have lettered in any major sport, held its first meeting in September to elect officers and make plans for the year's events. Officers were chosen as follows: Howard Dewell, President; Tom Brandom, Vice-President; Norman Short, Treasurer; Bryan Smith, Secretary; and Dick Bowles, Historian.

The club at this time decided to handle concessions at all athletic events, selling hot dogs, pop, popcorn, and other refreshments.

The club sponsored the high school invitational track meet which was held here on April 16, 1948. There were twenty-five high schools represented in the meet and the large number of students from each school brought a large crowd to the campus for the event.

Beginning the year with twenty lettermen who had already been initiated, the Club has acquired several new members at the end of each term, holding an initiation at the end of the season for each major sport in order that confusion resulting from too many initiates at the end of the year might be avoided.

Benedict makes second quarter punt in Homecoming game.

The 1948 edition of gridiron play at William Jewell College commenced with practice sessions twice daily on September 1, 1947. Coach Bradshaw introduced the "T formation" to a squad of sixty aspirants who worked diligently with its intricacies for three weeks prior to a practice game with Wentworth Junior College. The "T" flourished in games with Tarkio, Ottawa, Kansas City, Kansas Junior College and Central. The Cardinals were hampered in mid-season by a large injury list that resulted in inconsistent play with conference rivals. The season was thrillingly climaxed with the exciting victory of the Homecoming Game with Central College.

The William Jewell Cardinals attracted large crowds to their night games.

William Jewell quintette played many exciting games on the home court.

Coach Harp's basketball squad, with eight returning lettermen, displayed the greatest enthusiasm of any court team here for several years and packed Brown Gymnasium each week throughout the Winter with large crowds of spirited supporters of their fine style of play.

Cheer leaders direct enthusiastic fans in many spirited yells.

The Cardinal Basketball Team was supported by a very enthusiastic student body as well as by the Cardinal Booster Club which was organized for the first time this year by Coach Bradshaw. Composed of Liberty business men and friends of the College, this organization has aided substantially in keeping high the spirit of enthusiasm and pride in their varsity teams for which the friends and students of William Jewell are known.

Their fiery game, which netted so many victories, caught widespread attention as they romped on opponents for seven straight conference victories and led the MCAU race until the final week of play. They completed the season with a losing road trip that dropped their rating to a second place tie.

The squad loses only senior Captain Walter Binns by graduation this year.

Track

Track, golf, and tennis teams performed for William Jewell College this Spring and concluded a very successful season of representation on the fields of friendly strife.

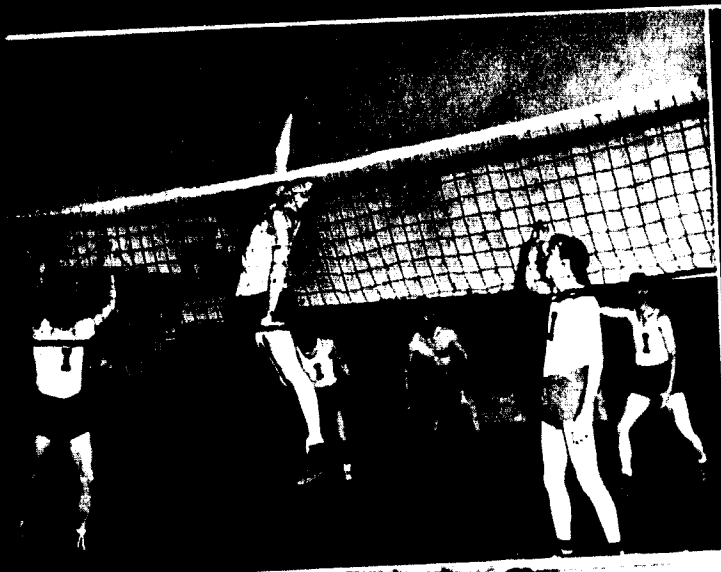

Track meets were close and exciting, the Redbirds at all times displayed a keen spirit of competition and sportsmanship. Although there was superfluity of exceptionally promising material, Coach Bradshaw did an excellent job of tutoring.

Golf and tennis teams, which supplemented the track and field events, were coached by Mr. Harp.

After a lapse of about 6 years, the Women's Athletic Association is again active on the hill. This association is open to any women students interested in any form of recreation. Points are given the girls for participation in Intramural Activities; after receiving 500 points they are awarded a W.A.A. pin; for 1,000 points they are awarded a letter, "J." The highest award that can come to any girl is the blanket which is given to the senior woman who has earned her "J" and is chosen for her athletic accomplishment, spirit, service and scholarship.

English Club

The William Jewell College English Club, organized in the fall term of this year, is an honor society for students majoring in the English language and literature. Its members are affiliated with the national College English Association and are subscribers to the *C.E.A. Critic*, official monthly publication of the organization. The college English teaching staff are honorary members of the club; and Dr. Franklin T. Walker, acting head of the department, under whose guidance it was established, serves as the club counselor.

There were 28 members of the group this year. The student programs principally featured letters from William Jewell alumni who were in graduate study at other schools, followed by discussions on English teaching methods and reports on new books of special interest. Miss Elisabeth Hanssen reported on the national convention of English teachers held at San Francisco, California.

In conjunction with the creative writing fraternity, Sigma Tau Delta, the club was host to Dr. Frank Johnson Pippin at a banquet held at the Colonial hotel in March. Dr. Pippin, eminent poet, author, lecturer, and pastor of the Community Christian church of Kansas City, read from his soon-to-be-published anthology of original poems.

The club's charter officers were: Robert A. Bartel, president; Betty Stone, vice-president; Mary Jane Miller, secretary; Locke E. Bowman, Jr., treasurer, and Ercell Head, reporter.

Phi Theta chapter of Phi Sigma Iota, national romance language honor society, was installed at William Jewell on April 19, 1945. The purpose of the society is to encourage high scholarship and individual research in the field of Romance languages and the promotion of amity between our nation and the nations using these languages. Membership is open to students enrolled in third year French or Spanish courses who have an average of "B" in all their work. The officers for the year 1947-48 were: Dr. Paul T. McCarty, President; Amy Wick, Vice-Pres.; Audrey Tohtz, Sec'y; June Bainbridge, Treas.; Prof. Ruth McDaniel, Corr. Sec'y.

Beta Beta Beta

Beta Beta Beta is the national honorary biology fraternity with the Lambda Chapter at Jewell. The aim of this organization is to stimulate scholarship, disseminate scientific knowledge, and promote biological research among the members.

To be eligible for membership to Tri-Beta, a student must have completed at least four terms of biology with an average of "B" as well as make grades above the student average in other subjects. He is also voted into the chapter. The student then is required to prepare a paper on some biological subject and present this to the group at a Tri Beta meeting.

The annual Tri-Beta banquet was held in New Ely on January 7, following the initiation of the new members. The guest speaker for the occasion was Mr. Jack Stanford from the Missouri Conservation Commission. He spoke on the subject "Food and Cover," and used colored slides of Missouri scenes of erosion, flowers, and birds.

Maxine Shiner represented the chapter at the Twenty-fifth Anniversary Convention of Tri-Beta held in Chicago.

Ferrill Purdy and Joanne Howard were the chapter representatives at the Fall meeting of the College Science Section of the Missouri Academy of Science, and Ellen Li attended the Spring meeting in St. Louis.

Officers for this year were: Maxine Shiner, President; Jean Glancy, Vice-Pres.; Barbara West, Secretary; Tom Bray, Historian; Ferrill Purdy and Amy Wick, Program Chairmen; L. J. Gier and Miss Olive Thomas, Sponsors.

Sigma Pi Sigma

In 1921 Sigma Pi Sigma National Physics Honor Society was founded at Davidson College, Davidson, N. C. Since the founding of Sigma Pi Sigma, the organization has enjoyed a steadily increasing growth until at present there are in existence 55 chapters. In 1930 a chapter was chartered at William Jewell College. Students must have completed four terms of college physics with an average of "B" or above to be eligible for membership in this organization.

Sigma Pi Sigma strives to further interests and advanced study in the field of physics, thus combining the talents of those students who are particularly interested and adept in this field of scientific study.

In addition to the regular monthly meetings, Sigma Pi Sigma held several special meetings among which were three at which new members were received. The high point of the year was the Annual Winter Banquet at which time Dr. Frank H. Trimble became a member. The subject of his address was "Opportunities In the Field of Physics Today." He demonstrated a magnetic tape recorder and manufacturing of glass fiber.

Prof. John E. Davis, a charter member of the chapter spoke at the Spring Banquet. His Topic was "Accuracy In Measurements."

Officers and members for 1947-48 were: Billy Hargrove, Pres.; Walter Binns, Vice-Pres.; Lloyd Elrod, Sec.-Treas.; W. A. Hilton, Advisor; Maynard Cowan, J. E. Davis, E. A. Morrow, D. V. LaFrenz, David Earls, James Haslett, Paul Marceau, Wesley Moore, Joseph Bandom, Karl Shade, LeRoy Heaton, Carl Morris, Harry Burress, Frank Peters, F. G. Edson, L. O. Jones, J. E. HENRI RENILE GODFRIAUX, *Professor of Chemistry.*

A.B., William Jewell College; A.M., University of Wisconsin; Graduate Work, University of Wisconsin and University of Minnesota.

After several years of inactivation by the war, Theta Chi Delta National Honorary Chemical Fraternity has been revived with new vigor and enthusiasm. Its membership is comprised of majors or minors in chemistry who have attained a "B" or better grade in twelve or more semester hours of chemistry.

Alpha Nu, the local chapter, was granted a charter in 1931 and of its one hundred and ten initiates since then, many have become renowned physicians and professional chemists.

Dr. Edson is the sponsor of the local chapter and the present officers are Wiley Crawford, President; Delbert Massey, Vice-President; Barbara West, Secretary-Treasurer. Prof. Godfriaux is a regional vice-president of the national fraternity.

Mathematics

Marston Science Hall — home of the natural sciences — is well equipped with laboratories and instruments to aid the student in the fields of scientific research. Biology, Chemistry, and Physics laboratories as well as the drawing rooms of the Engineering classes are constantly being supplemented with the best of equipment, and the Museum which occupies a large portion of the top floor of the building is kept in the best of condition in order that the student scientist may more advantageously pursue his work.

Kappa Mu Epsilon

Kappa Mu Epsilon, national honorary mathematics fraternity, is an organization of students who have shown by high scholarship their interest in mathematics. The aim of the society is to stimulate a deeper interest in mathematics and to encourage the study of abstract and related fields. Each member is given the opportunity to prepare and to present before the group an original paper on some subject related to the field of mathematics.

The Missouri Gamma chapter was installed in William Jewell College May 7, 1947, by members from the chapter at Warrensburg State Teachers College under the leadership of Dr. Claud H. Brown. There were twenty-four charter members including our faculty sponsor, Professor L. O. Jones, and our faculty advisors, Dr. Wallace A. Hilton and Professor D. V. LaFrenz. The achievement of the society rests almost wholly upon the shoulders of these men who have so faithfully given their time and efforts in guiding our activities.

LeRoy Heaton presided over our meetings and served as President. Maynard Cowan assisted him as Vice-president while Walter Binns and Lloyd Elrod served as Secretary and treasurer respectively. The officers of this past year are to be congratulated for their splendid service. However, it is certain that their reward came from the fellowship and inspiration they have found while working together in the study of their chosen field, mathematics.

History

Phi Alpha Theta is a national history honor fraternity. It is a member of the Association of College Honor Societies. At present there are about sixty chapters in the colleges and universities throughout the United States. The William Jewell Chapter is Beta Gamma. The present membership is sixteen. Qualifications for membership include twelve semester hours of credit in history with an average grade of "B" in all other subjects. One regular meeting is held each month. The meetings consist of addresses by local and outside speakers and forum discussions on national and international subjects of current interest. One dinner meeting is held each year. Occasionally the group goes to Kansas City to hear a noted lecturer or visit a similar organization in a nearby college.

C. WILLARD SMITH, *Professor of Sociology.*

A.B., William Jewell College; A.M., University of South Dakota; Graduate Work, University of Chicago and University of Missouri.

JOHN B. MOORE, *Head of Department and Professor of Economics.*

Sociology

The Department of Sociology deals with the problem of human relations and attempts to apply Sociological theory through practical application so as to impress something more than theory in the minds of students. It has sought to make human relationships on the campus and in our local community a laboratory for all sociology courses by social surveys conducted in the Liberty community, by class discussions dealing with campus problems in relationship to those found in the world community, and by individual counselling given by Professor Smith.

The Department of Economics is designed to acquaint the students with the major features of economic life. The history as well as the current applications of economics are studied under the guidance of Professor Moore. There are more students majoring in Economics than in any other department of the College.

Economics

A.B., Westminster College; A.M., University of Missouri; Graduate Work, University of Michigan.

A department of Business Administration was instituted in the spring term of 1946 principally for the benefit of returning veterans. The program was arranged so that with a major in Economics and Business Administration a graduate could fulfill the requirements for the MBA degree in any graduate school with one year of graduate work.

The first course was statistics, offered the spring term of 1946 by Prof. La Frenz. The full program began the fall term of that year. Mr. E. Galvin Leedy, president of the Federal Reserve Bank of Kansas City, and an alumnus of the college, cooperated with the faculty in securing instructors. Dr. T. Bruce Robb (unphotographed), Director of Research, and Prof. R. H. Cole (unphotographed), Research Assistant, of the Federal Reserve Bank were hired as instructors. These courses are the only ones offered by the college at night.

Prof. John B. Moore became head of the department in the fall of 1947. Dr. Robb is at present on leave of absence and Mr. Kenneth B. Self is taking his place. Dr. Robb will resume his duties next fall.

C. Ballenger, Ray Lavery, Dean Lewis, Tom Bray, Robert Bartel, Ward Williams.

Philosophy Club

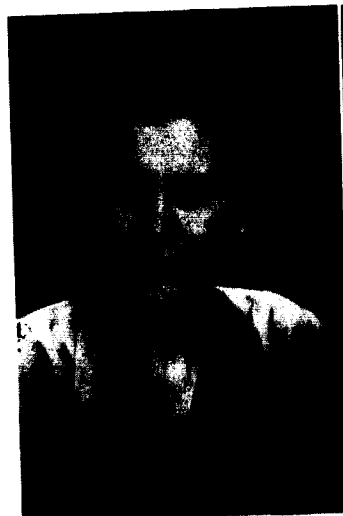

The purpose of the Philosophy Club is to promote interest in philosophy and philosophic subjects on the campus, to stimulate sound scholarship, and to give opportunity for more complete discussions than can be held in the classroom. Monthly meetings are held during the year at which time papers are presented as a basis for discussion by the club. The subjects for some of the outstanding programs for this year were "The Role of Semantics," "The Philosophy of Communism," "Ethics," and "The Philosophy of History."

One of the outstanding features of this year's program was the second annual banquet held during Religious Focus Week in the New Ely Dining Hall. There were more than sixty members and guests present to hear Dr. Harold W. Tribble, President of Andover-Newton Theological School. Dr. Tribble's subject was "The Principle of Incarnation."

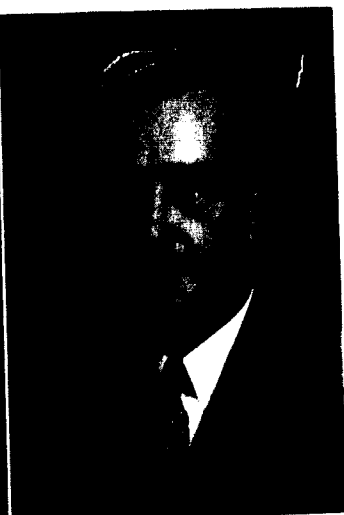

The officers of the club for the year were President, Mallary Binns; Vice-president, Betty Stone; Secretary, Amy Wick; Treasurer, Clements Brown; and Reporter, Ruth Halter. Dr. Leonard A. Duce is the faculty advisor.

JAMES BASCOE SULLIVAN, *Head of Department and Professor of Psychology and Education.*
A.B., Mercer University; A.M., Columbia University; Ph.D., The George Washington University.

MRS. LOUIS NELSON, *Instructor in Psychology.*
A.B., William Jewell College; Graduate Work, University of Minnesota.

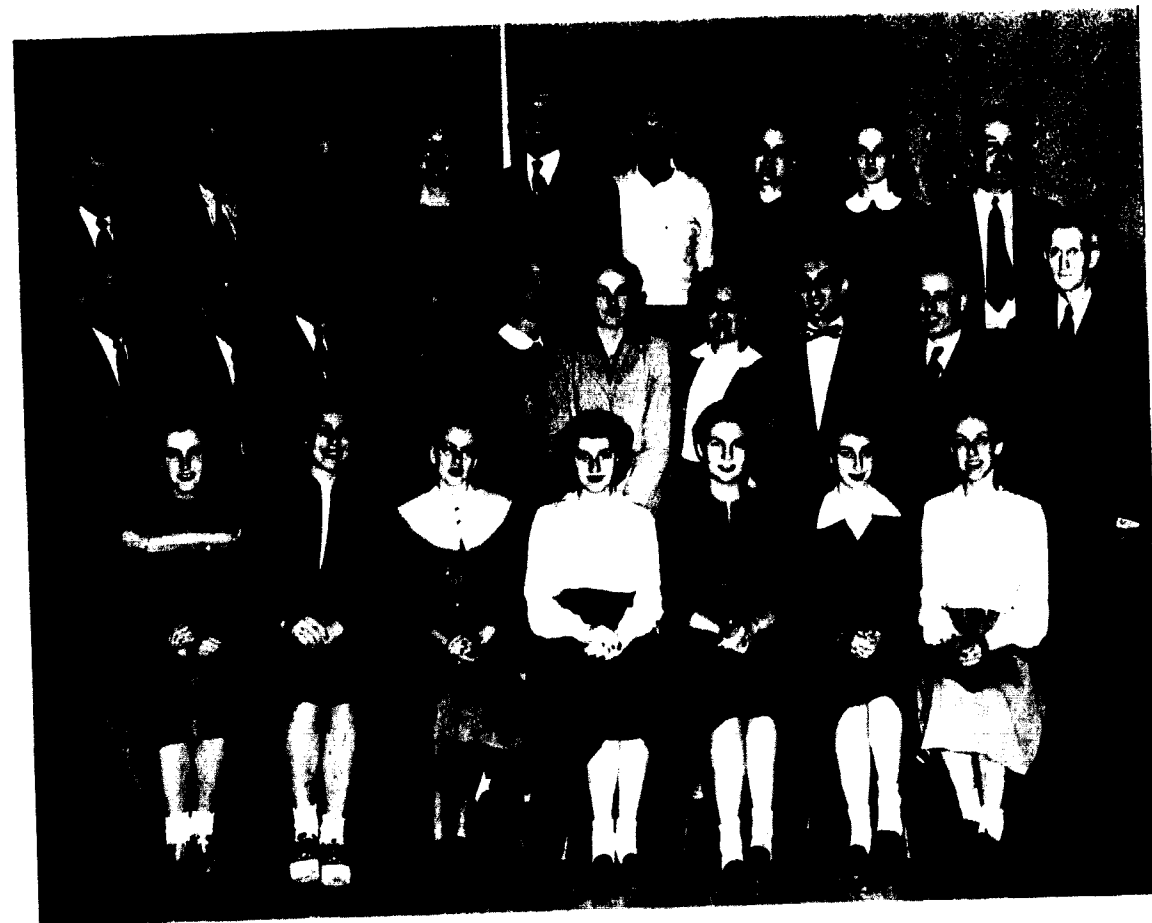

THURSTON FAYETTE ISLEY, *Professor of Education.*
A.B., William Jewell College; M.Ed., University of Kansas; Graduate Work, University of Wisconsin, and University of Missouri.

Psychology and Education

The aim of the Department of Psychology and Education is two-fold. It endeavors to offer fundamental courses in psychology appropriate to the needs of all students who have an interest in psychology. In addition to fundamental courses for all students, the department tries to offer a sufficient number and variety of other courses in psychology to prepare students for entrance to Departments of Psychology in graduate schools without condition.

The division of education within the department has as its main purpose the preparation of secondary school teachers. The department offers all courses in psychology and education which are required by the State Department of Education of Missouri for the standard Five-Year High School Certificate. In addition to these required courses, a number of other courses in psychology and education are offered which are helpful in the education of the individual who plans to make teaching his career. During the summer session some courses are offered for teachers who wish to qualify for a certificate to teach in elementary schools.

Psychology Club

The first official meeting of the Psychology Club was held on March 17, 1948, with 21 students in attendance at Melrose Hall.

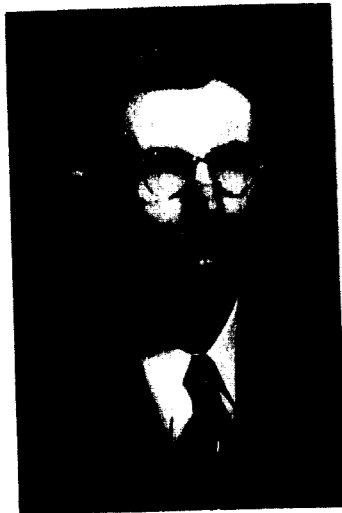

The club was originated by students who saw the need for an organization for promoting greater study in the field of psychology and also to have a medium for the exchange of ideas and opinions concerning this realm of study and to obtain qualified and experienced psychologists and psychiatrists from the immediate area to discuss with the group matters of interest and of current importance. For membership in the club a student is required to have and maintain a high scholastic average.

Mrs. Louis B. Nelson, instructor in Psychology and Dr. J. B. Sullivan, department head, are advisors and sponsors of this newest organization "on the hill."

A committee was selected to draft a constitution similar to that of the national psychology society, Psi Chi.

The first annual banquet was held at the Colonial Hotel on May 12, 1948.

The following officers for the coming year were elected: President, John A. Whittenburg; Vice-President, Henry Schiff; Secretary, J. D. Farmer; Treasurer, Maryruth Skaggs; Reporter and Historian, John C. Soltys.

HUBERT INMAN HESTER, *Head of Department and Professor of Religion.*

Religion

Epsilon Omega Pi was established ten years ago on this campus by a group of girls desiring to go into full-time Christian service because they felt a definite need in preparing for their life-work. The purpose of this organization is to help its members develop mentally, spiritually, physically, and socially, that they may learn more about the phases of work which they plan to enter. The song of E.O.P. is "When I Survey the Wondrous Cross," the colors are blue for loyalty and white for purity, and the flower is the white rose. The scripture verse adopted by them is, "If a man purge himself from these, he shall be a vessel unto honor, sanctified, and meet for the Master's use, and prepared unto every good work."

Gamma Beta Nu

Gamma Beta Nu was originated in 1931 by the wives of ministerial students. Mrs. F. M. Derwacter is sponsor. Honorary members include Mrs. H. I. Hester, Mrs. L. A. Duce, Mrs. L. W. Cleland, Mrs. W. E. Link. Officers for 1947-48 were: President, Marie Bartel; Vice-President, Ann Stigers; Secretary-Treasurer, Virginia Rudd; Historian, Marie Boyd.

Ministerial Association

The Ministerial Association is composed of men students at William Jewell who are preparing for full-time Christian vocations. Though not always identified by its present name, the Association is the oldest organization on the Hill, having been in existence since the beginning of Jewell's history. Ministers and laymen from the Liberty churches, out-of-town speakers, and Jewell faculty members provide inspiration and instruction in lines pertinent to ministerial work in the weekly meetings. The outstanding social activity of the Association was the annual formal banquet held at the Second Baptist Church of Liberty. "United Notions" was the topic of the inspiring after-dinner message given by Dr. C. O. Johnson, pastor of the Third Baptist Church of St. Louis and President of the Baptist World Alliance.

Dr. L. W. Cleland, faculty sponsor of the Association, installed two sets of officers during the year 1947-48: President, G. D. Parrack and Bob Bartel; Vice-President, Ward Williams and Francis Allen; Secretary-Treasurer, J. Bruce Melton; Chorister, Harold Hurst and Harland Ginn; Asst. Chorister, Paul Adams and Farris Cole; Pianist, Vancil Gibson; Group Captains, Paul Allison, Bob Bartel, David Boyd, Harry Clifton, Clayton Harrop, Paul Harvey, Bill Hines, Harold Hunker, Harold Hurst, Carr Krueger, Glenn Muncy, G. D. Parrack, Leo Rudd, Bill Sealock, Walter White, and Lawrence Williams.

William Jewell Missionary Fellowship

The William Jewell Missionary Fellowship was organized on the Campus in the Fall of 1947. It is composed of men and women of Jewell who have dedicated their lives to the taking of the Gospel of Christ into the uttermost parts of the world, and of those who are definitely interested in Missions and who are seeking the guiding hand of God in their lives.

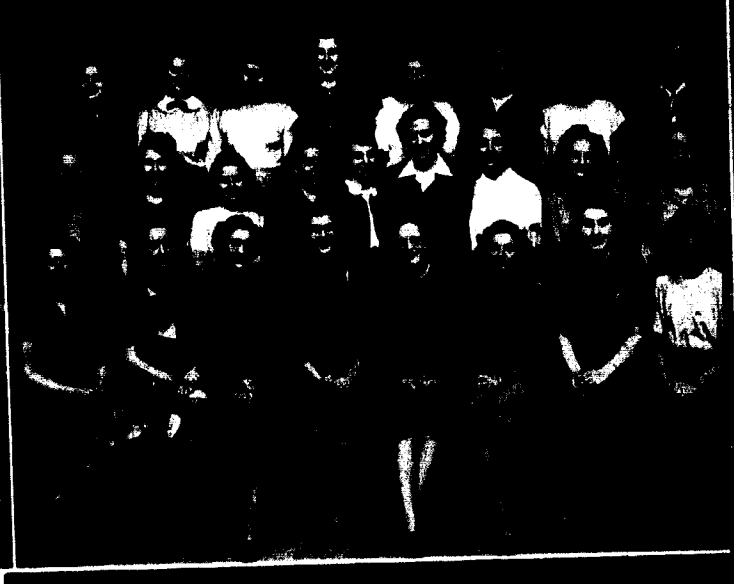

The purpose of the organization is to unite Missionary Students in their common goal and to provide inspiration and instruction pertinent to their later work. The meetings are held in the College Chapel on the first and third Tuesday afternoons of each month. Returned and Itinerant Missionaries are invited to speak at the meetings.

(Occasional Cottage Prayer Meetings are held by the group, praying for Missionaries now on the field, and for our own work on the "Hill.")

Dr. and Mrs. F. M. Derwacter, returned Missionaries from Japan are the faculty advisors. The present officers are: President, Harold Hurst; Vice-President, Claude Rhea; Recording Secretary, Evelyn Heller; Corresponding Secretary, Juanita Harder; Treasurer, Leonard Ziegenmeyer. (Past officers were: President, Dwight Fuller; Secretary, Betty Stone; Treasurer, Bruce Melton.)

Young Women's Auxiliary

From the opening of the year with the annual fall tea to the impressive installation of officers at the last meeting in the spring, Y.W.A. has had an inspiring and enjoyable year. Under the leadership of Betty Stone, President, girls of all denominations have joined in an effective demonstration of Christianity at work. The program of Y.W.A. has three phases. The demands of both the foreign mission field and opportunities for work at home have been presented at the bi-monthly meetings. The appeal made to the girls has been followed by Community Missions projects such as services at the I.O.O.F. home and other projects. And to complete the program there have been enjoyable hours of fellowship at the homes of gracious hostesses. The "Hearty Party," "There's A Home in your Future" and the outdoor picnics were highlights. The Mother Goose banquet in April was a fitting climax to our year of fellowship. In looking back at a busy year we realize that the source of our guidance, Mrs. H. I. Hester, our sponsor, has been the inspiration for much of our work. The 85 girls who have worked together this year in Y.W.A. have grown in knowledge and in skill in Christian work.

Dramatics

Dramatics at William Jewell College had its beginning and inspiration from the beloved Dr. Fruit back in 1924, and since that time the interest and activities in the field of dramatics have grown steadily. Students interested in speech and dramatics can complete a minor in speech and engage in every phase of theater art from acting through play production. The class in dramatics gets actual experience in working on the plays presented each term by the William Jewell Players.

William Jewell Players

The story of the William Jewell Players during 1947-'48 includes a very pretentious program beginning with the production of *Dear Ruth*, advancing to the height of Shakespearian tragedy in *Othello* and finishing the year with Maxwell Anderson's current play, *Joan of Lorraine*. The response from the Faculty, Student Body and Townspeople has been very encouraging. *Othello* was given two nights, the first presentation being for the great numbers of high school students and teachers who came from this area and from a great distance to see this production of a Shakespearian play.

It is impossible to mention all the Players who have cooperated to make each play a success, but under the able leadership of Ray Lavery, President and Business Manager, and Earl Brock as Stage Manager the Productions have set a high standard during this season. Miss Virginia D. Rice, Director, states that William Jewell is fortunate to have a great many students unusually talented in dramatics willing to work hard and strive toward perfection in the art, thus making the result satisfying both to the director and students participating in the plays. The Dramatics Class has been exceptionally helpful in assisting in make-up, costuming and staging.

Row 1: Elizabeth Derwacter, Miss Rice, Wiley Crawford, Ercell Head, Ray Lavery, Catherine McKim, Joan Barnard, Alba Gillespie; Row 2: Pat Haywood, Clements Brown, J. D. Farmer, Jack Barsness, Winton Manning, Locke Bowman, Kirby Brown, Bill Marsh, Fred Lunn; Row 3: Joan Swinchart, Christina Albertson, Harriett Dickinson, Mary Helen Kennedy, Laura di Tullio, Shirley Conklin, Rose Ellen Clark, Donna Strange, Eunice Bradley, Lucile Crouch, Gloria Hink.

The Play *Joan of Lorraine*, not represented by pictures because of the late date, features Catherine McKim as Joan, and J. D. Farmer as the Director. Tom Bray, James Gibson, Bob Blanchard, Frank Mosier, George Brown and Barbara De Coster make up a part of the large cast.

Two members of the Senior Class of 1948 are to be commended for the excellence of their achievement in Dramatics — Ray Lavery and Woody Rixey. The Senior play presented on May 21, was *George Washington Slept Here*.

GEORGIA B. BOWMAN, Director of Forensics and Instructor in Journalism.

A.B., William Jewell College; B.J., University of Missouri; A.M., State University of Iowa.

Forensics

Forensics work opened with an Intramural Speech Festival which saw sixty-four students entered in five contests. Winners — Kenneth Taylor, after-dinner speaking; Vance Rule and Joe Taylor, oratory; Gene Ritter, selected poetry; Dean Lewis, original poetry; and Mary Helen Kennedy, extemporaneous speaking, later represented the college in intercollegiate contests.

Debate found nearly twenty squad members working, under the direction of Georgia Bowman, on the question of federal world government. Seventeen non-decision

Bowman, Miss Bowman, Wyla Ruth Decker, Ruth Ellen Halter, Rose Ellen Clark, Ray Lavery; Row 2: Mr. Harvey, Bob Hollister, Richard Shannon, Martha Jo Wilkinson, Edward Shearer, Ladd Listrom; Row 3: Joe Taylor, Mary Helen Kennedy, Ella Massey, Donna Strange, Harry Brooks, Pat Silverwood, Franklin Mosier.

debates gave beginners a chance for practice. Teams made a name for themselves in tournaments at Kirksville and Ottawa, while at the state contest at Warrensburg, William Jewell swept to a broad victory, winning fourteen out of fifteen debates (three teams: Ladd Listrom, Glenn Muncy; Joe Taylor, Richard Shannon; Rose Ellen Clark, Eleanor Petty), and bringing home nine Superior and four Excellent ratings in individual events. At the Pi Kappa Delta regional meet at Coe College, Dean Lewis and Ladd Listrom rated Superior, the girls' team (Rose Ellen Clark and Ella Massey), Excellent, and Ella Massey won the only Superior in Women's extemporaneous speaking.

Pi Kappa Delta, national honorary forensics fraternity, is an integral part of forensics, and membership is a coveted honor for achievement in speech. Under the presidency of Wyla Ruth Decker, the fraternity has acquired ten new members this year.

MRS. DAVID GROSCH, Associate Professor of Voice.

Formerly of the faculty of Baker University; Further study, Madam A. Myer, Otto Freytag, Madam Meta Lip-pold.

MRS. J. E. LOVAN, Associate Professor of Piano.

Studied with Lula Kinsey, Dr. William Kraupner, Edna Scotten Billings.

Scene from *Cavalleria Rusticana*, presented during 1946-47.

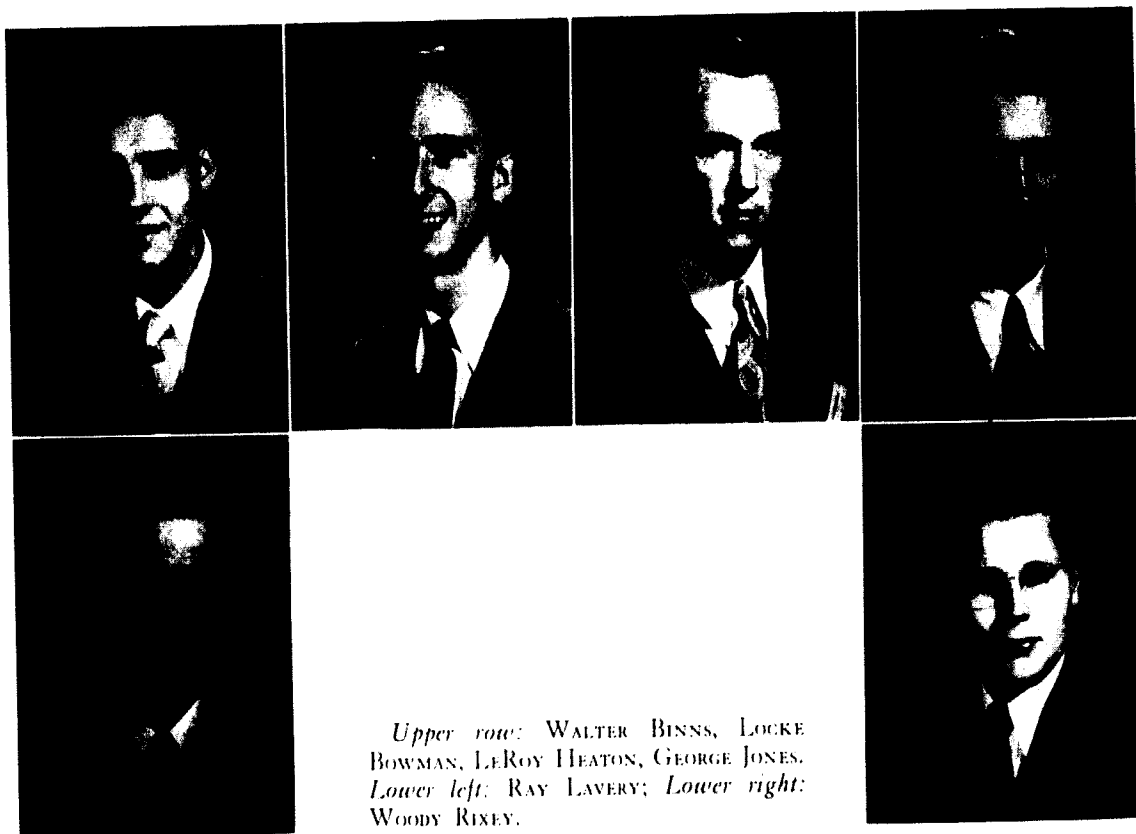

Soloists of *Cavalleria Rusticana*: Gene Hollmann, Emma Bercaw, Marilyn Settle, Dorothy Ray, Maurice Walker.

The Department of Music is designed to train the student in theory and history of music as well as in the practical application. The courses in harmony and music appreciation are popular courses among music majors. The excellent opportunities which are offered to the students in the study of piano and voice are used to advantage by a large number of students and the quality of their training is noticed and heartily received by music critics at the Spring Music Festival.

Chapel services during the year have been highlighted by several distinguished speakers and interesting programs. The Student Chapel services, which include the Annual Freshman Chapel program and Senior Day Convocation, provide interest and variety.

Aeons

"Aeons is an honor society for senior men." This is the single sentence concerning this organization which appears in the annual college catalog. Each year its members are selected from the junior class on the basis of their attainments on the campus of William Jewell. Except for the black and white arm-bands worn by the old and new members during the week of their initiation, there is little outward manifestation of the honor conferred upon them.

Each spring one of the commencement week activities is the breakfast held jointly by the Aeons and Panaegis, the women's honor society for seniors. This takes place on the morning of baccalaureate Sunday, and the speaker is usually an alumnus of the college who has achieved success in his chosen field.

Last spring, Elliott Spratt of St. Joseph was the breakfast speaker. The affair always attracts many former Aeons members.

Faculty members of Aeons are Chester J. Prince, who was one of the founders more than forty years ago, Dr. Frank G. Edson, and Dr. Allen J. Moon. President Walter Pope Binns is an honorary member.

The six Aeons for the year 1947-48 were James Walter Binns, Locke E. Bowman, Jr., LeRoy Heaton, George Jones, Raymond Lavery, and Charles Woodford Rixey.

JEAN GLANCY, ALDYTH GRAGG, LENA GRAHL, RUTH ELLEN HALTER, PAT LUND, BETTY SHOUSE, AMY WICK.

Panaegis

The highest honor a senior girl can attain is to be invited to wear the gold key of Panaegis. This key on which is engraved the image of a Grecian woman and on which is inscribed the word, Panaegis, signifies those qualities belonging to womanhood of the highest type: leadership, personality, scholarship, and character. The oath of the order is administered every spring to the seven women elected from the junior class.

This group is a self-perpetuating body, Membership is determined by vote of the members themselves. The advisers for the group are Miss Hunt, Miss McDaniel, Miss Rice, and Mr. Harvey.

The Panaegis woman is expected to exemplify the fine qualities and spirit she displayed while in college after graduation and throughout life.

The members for 1947-48 were: Aldyth Osborn Gragg, Lena Grahl, Jean Glancy, Ruth Ellen Halter, Patricia Campbell Lund, Margaret Elizabeth Shouse and Amy Wick.

The Alexander Doniphan of the Year

The student body chose Charles Woodford Rixey of Plattsburg as the "General Alexander Doniphan of the Year," the historic title given the senior man who will "march the farthest" and be most likely to succeed. This veteran of the Pacific Theater, president of the senior class, star actor, Aeon, and a Phi Gamma Delta, will enter a business or financial career.

The First Lady of the Campus

Ruth Ellen Halter, St. Louis, chosen by the student body as the senior woman most likely to succeed with the traditional title, "The First Lady of the Campus," is a member of Panaegis, Beta Sigma Omicron, holder of the Diamond Key of Special Distinction in oratory, and speaker before civic, business, and professional organizations in New York, Ohio, Indiana, Illinois, Kansas, and Missouri.

Standing: Tom Brandon, Mary Jane Smith, Bill Overton; *Seated:* Polly Quick and Patsy Burkhardt.

The Student Senate

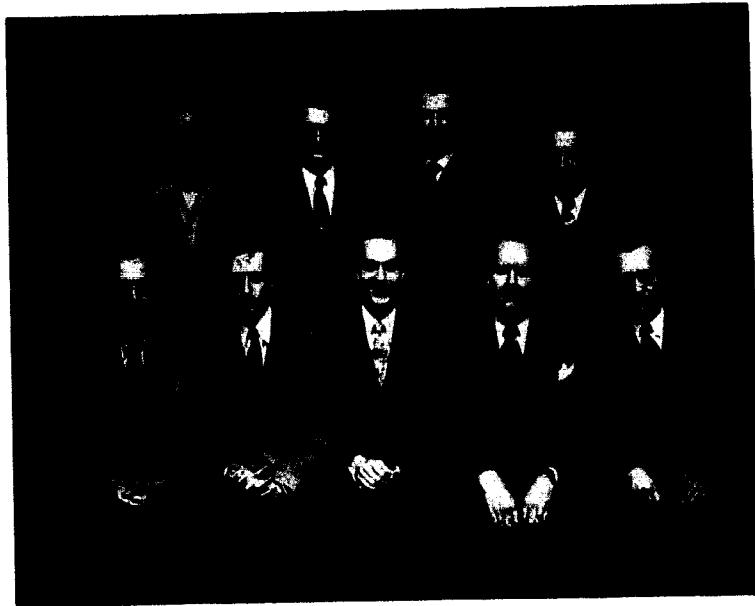

The Student Senate is Jewell's student government and is the official representative of the students in administrative matters. It is composed of seven members: the presidents of each of the classes and the vice-presidents of the Junior and Senior classes. The president of the student body is an ex-officio member and chairman of the Senate.

Cloaked in tradition and clothed in practically nothing, the men below are doing what comes naturally. These are the Grandsons of Rest, senior men's honor society, which has evolved from the old Sons of Rest.

Alpha Zeta

Pi

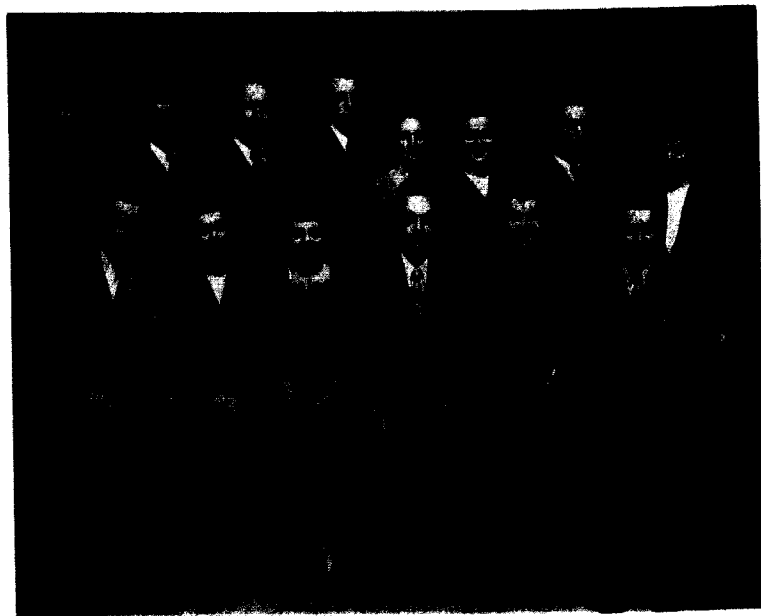

Alpha Zeta Pi is an honorary Christian organization for men whose purpose it is to promote Christian ideals on the campus. Its colors are blue and white; its flower, the lily of the valley. The organization was formed in 1924. Medford Speaker has been its president this past year. The Rev. William C. Link, Jr., was elected honorary member this Spring.

The Baptist Student Union is the connecting link between the college student and his local church. It keeps before him the objectives of the church and sponsors religious activities on the college campus. J. D. Farmer has been its president this past year. Miss Hunt and Dr. Cleland are its faculty advisors.

Alpha Phi Omega

Founded on the William Jewell campus in 1931, and becoming affiliated with the national organization in 1934, Alpha Phi Omega has earned for itself in these years a reputation for its motto, Service. The membership consists of former boy scouts who are willing to serve country and school. The fraternity engages in any project which will in any way benefit the college, faculty or student body.

For the first time on any co-educational campus, Alpha Phi Omega, on February 4, sponsored a blood-donor program in conjunction with the Red Cross and the Wadsworth, Kansas, Veterans Hospital. Under the direction of Charles Witthaus, seventy-five students were enabled to contribute blood to the hospital.

The officers for the first and second halves of the year were: President, Buford Casebolt and Eugene Troop; Vice-president, Eugene Troop and Bill Marsh; Secretary, Bruce Melton and Art Larson; Treasurer, David Head and Bob France; Sergeant-at-Arms, Jim Luter and Eugene Fincke.

Seated: Marilyn Heid, Jeri Smith, Gene Ritter; Standing: Ann Wegert, Elizabeth Derwacter, Ercell Head, Jack Greene, Catherine McKim.

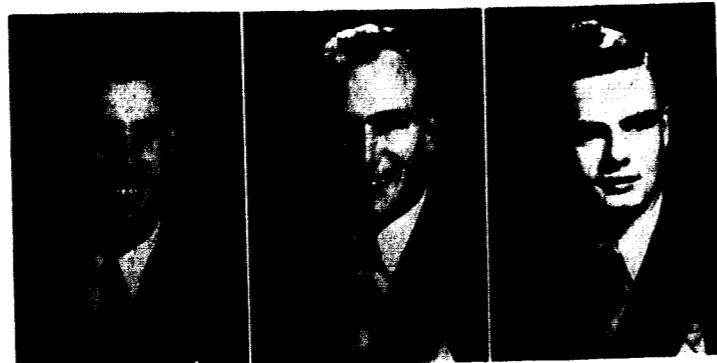

The Student Staff

This year started with Don Picinich as Editor, Kyle Duncan, Pete Johnson, and Gene Ritter as Associate Editors, and Howard Dewell as Business Manager. Other members of the staff were Jeri Smith, Ercell Head, Jeannine Tussey, Joe Taylor, Don Tucker, Bert Truitt, and Rena Hank.

The *Student* inaugurated a new look with respect to the size of this year's paper; the paper is now standard tabloid size.

In February Gene Ritter assumed the position as Editor. Elizabeth Derwacter, Marilyn Heid, and Ann Wegert were chosen as associate editors. The following were added to the staff: Helene Defabaugh, Laura di Tullio, Andrew Woehr, Gary Reames, Choppy Jones, John Greene, Katy McKim, Dick Snider, Bruce Clover, Jerry Scofield, Peggy Beecher, and Maryruth Skaggs. The journalism class and Miss Bowman have assisted greatly in the gathering of the campus news.

And thus the fifty-fourth year of publication of the *William Jewell Student*—a year of marked advancements and improvements—draws to a close with the hope that the coming years will be even more eventful.

The 1948 Tatler Staff

Music—one of the greatest influences on man—that's what we thought as we started this book, and well, we still do, only more so and differently. The *staff* now sees music in everything, and has learned to detect more quickly *discord* or a *flat tone* in print. Some of the *half-notes* around the office were a little slow to catch the *run* of things but eventually they *arpeggiated* themselves down to a slow *cadenza* and things were under way. *Pianissimo* is something that never reigned in the office and *allegro* was the set *tempo* for the staff members. As this, our first *opus*, is published, we "*treble*" in the placing of our *signature* to your 1948 Tatler. *Amen*.

Independent Society

The Independent Liberty Bell, the symbol of the I S, tolled out many chimes of joy for those who proudly belong to this great social organization; yes, the chimes of many parties packed with "gobs" of fun; the chimes of activities filled with that Independent fighting spirit which so often chimed the victory bell. The bell rang out: the hayride, Valentine party and others, Independent members among the leads in plays, Homecoming Chairman to an Independent, First place cup for Building Decorations, first place trophy for IM champs in Volley ball, first place cup for Tatler skit, two lovely Tatler queen candidates, many honor roll students, four Independents make Who's Who, members join with honorary fraternities and hold various offices, an Independent elected to presidency of B S U, another to head the William Jewell Players, the winning of the first place trophy to become IM champs in basketball, the many engagements of Independents as well as several marriages, and many other honors which will chime in the hearts of those who make up this Society.

The Liberty Bell sounds out the preamble of the constitution of the IS, "We the members of that great portion of the Student Body known as the Independent Society in order to form a more perfect union, establish justice, promote the spirit of sportsmanship and fair play, and to secure recognition as well as to provide activity for every student at William Jewell College, do establish and ordain this constitution for the IS;" with this constitution which follows and the challenge of the preamble, the bells call out "FIGHT ON."

Officers: Tom Bray, President; Doris Honey, Vice-president; Alice Harder, Recording Secretary; Alice Hurst, Corresponding Secretary; David Head, Treasurer; Paul Adams, Program Chairman; Bruce Melton and Louise Bode, Social Chairman; Bruce Thompson, Sergeant at Arms; Gene Troop, Chaplain.

Clockwise: Tom receives winning Tatler skit trophy from "Director" Pat; Lined up for the Homecoming parade; First place Tatler skit imitates faculty; First place homecoming decorations at New Ely.

Alpha Gamma Delta

The vision of Alpha Gamma Delta was realized with its founding on May 30, 1904 at Syracuse University. Epsilon Epsilon chapter took its first bow on William Jewell's campus in the spring of 1946 when ten charter members were pledged and held the red and buff roses, flowers of the sorority. It was formally installed as the 54th chapter of the national organization on October 26, 1947. Members and pledges of this infant chapter have made a place for themselves on the campus during the two years of the chapter's existence here. This year E. E. claims President of Pi Kappa Delta, Women's State Champion Orator, second place in the college Intramural Speech Festival, President of W.A.A., an Associate Editor of the "Student," and members of both "Tatler" and "Student" staffs, as well as officers in various religious organizations. The chapter was well represented in honorary fraternities and in student dramatic productions. An octette of fraternity pins have been joined to the badges of eight of our members, and two of the girls also wear sparkling diamond rings.

The pages of Epsilon Epsilon's memory book contain reminders of such traditional activities as the reception for new pledges and house mother, Spaghetti Dinner given by the pledge class, the beautiful Feast of Roses Banquet, a Christmas party, Mother's Day Tea, and the Senior Farewell Party. Our party calendar is underlined in red for such events as the "Ghost Party," the pledges' "Two Silhouettes" dance, "Cupid's Cuddle," and the spring formal, "Up in Central Park."

"Women's Rights" in Tatler Skit.

JNJ

This year T.N.T. celebrated its Silver anniversary. The first of these memorial activities was an alumnae reunion at which the first president of T.N.T. presided. We all recall the thrill we felt as the alumnae presented to us a beautiful silver tea service at our "Anniversary Waltz." The following Sunday T.N.T. held open house at which our many lovely gifts were displayed.

We recall with pride our two Homecoming attendants and third place on our house decorations; our attendant at Tatler Revue, the same night placing third with our skit; our two girls in Panaegis; and our freshman who won acclaim in debate. In the extra-curricular realm T.N.T. had the presidents of Y.W.A. and the Freshman class, two associate editors and an associate business manager on the Tatler, and an associate editor on the "Student." T.N.T.'s have been found in all plays and with the lead in "Joan of Lorraine." "Il Trovatore" had two of our girls in leading roles.

This anniversary year has truly been a grand one with many happy memories for everyone. There was our excellent pledge class, our three informal dances, our Christmas party at Mrs. Remley's, our Mothers' Day luncheon, and our beautiful "Fantasia" spring formal. Yes, it has been a fine year, but among the happiest memories carried away are those of friendship made in T.N.T.

Officers for the year 1947-48 were: President, Betty Shouse; Vice-president, Katie McKim; Recording Secretary, Patty Lund; Corresponding Secretary, Joanne Howard; Treasurer, Dorothy Ray; Pledge Trainer, Katy Flynn, Lucy Crouch; Historian, Joan Swinchart, Jackie French.

Presentation of 25th Anniversary gift at winter formal.

Kappa Alpha

Since December 19, 1865, the date of its founding at Washington and Lee University, the Kappa Alpha Order has been a fraternal organization wrapped in Southern tradition. Its aspiration has been to instill in its members the qualities of the true Southern Gentleman as exemplified by the spiritual founder of Kappa Alpha, Robert E. Lee. Alpha Delta Chapter has completed sixty-one very active years on the William Jewell campus as the northernmost chapter.

The school year of 1947-48 has seen a complete array of successful KA activities centered around the Southern Colonial House with I—Jerry Cantlon, II—Paul Roberts, and III—Locke Bowman, as officers.

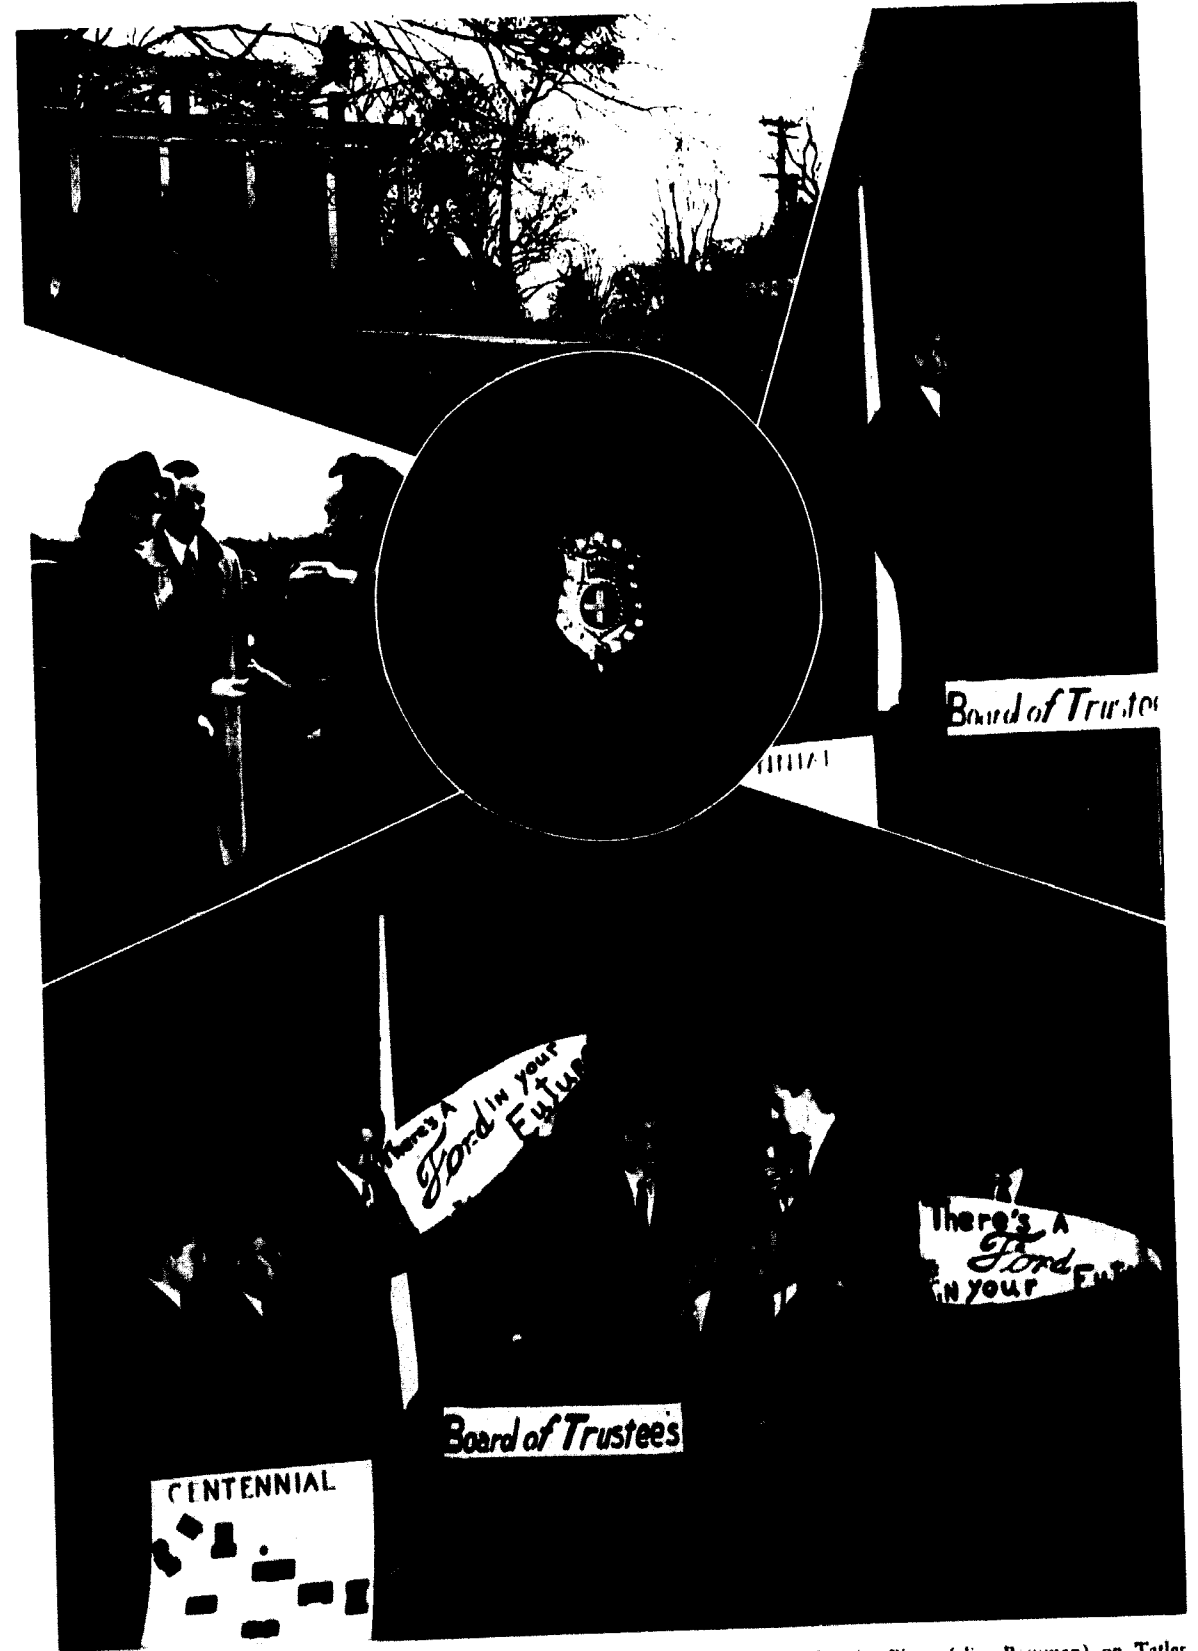

Rush Week closed successfully for Kappa Alpha with the acquisition of a fine pledge class of twenty-seven men. Following in the success of Rush Week was the fall formal with a Mississippi Cruise on the R. E. Lee as its theme. The events highlighting the remainder of the fall season were Homecoming and Achievement Day. For the second consecutive year, the KA float took the first place trophy in the Homecoming parade. Achievement Day again saw Kappa Alpha represented among those given citation awards, and to honor Dr. Paul Rider of Washington University, a banquet was given by the chapter in recognition of his achievement.

In January, came the annual Convivium celebration which brought together pledges and actives along with alumni of Alpha Delta and members of the Kansas City Alumni Association. A Mardi Gras ball with its colorful costumes brought the winter social season to a climax.

Spring, as always, brings forth the traditional spring formal, and the occasion for honoring all Kappa Alpha Mothers.

Lambda Chi Alpha

Epsilon Nu Zeta of Lambda Chi Alpha, the largest national fraternity, has taken great strides since it was activated on "The Hill" in May, 1942. From a handful of members the local chapter has increased in size to a membership of fifty-five actives and pledges.

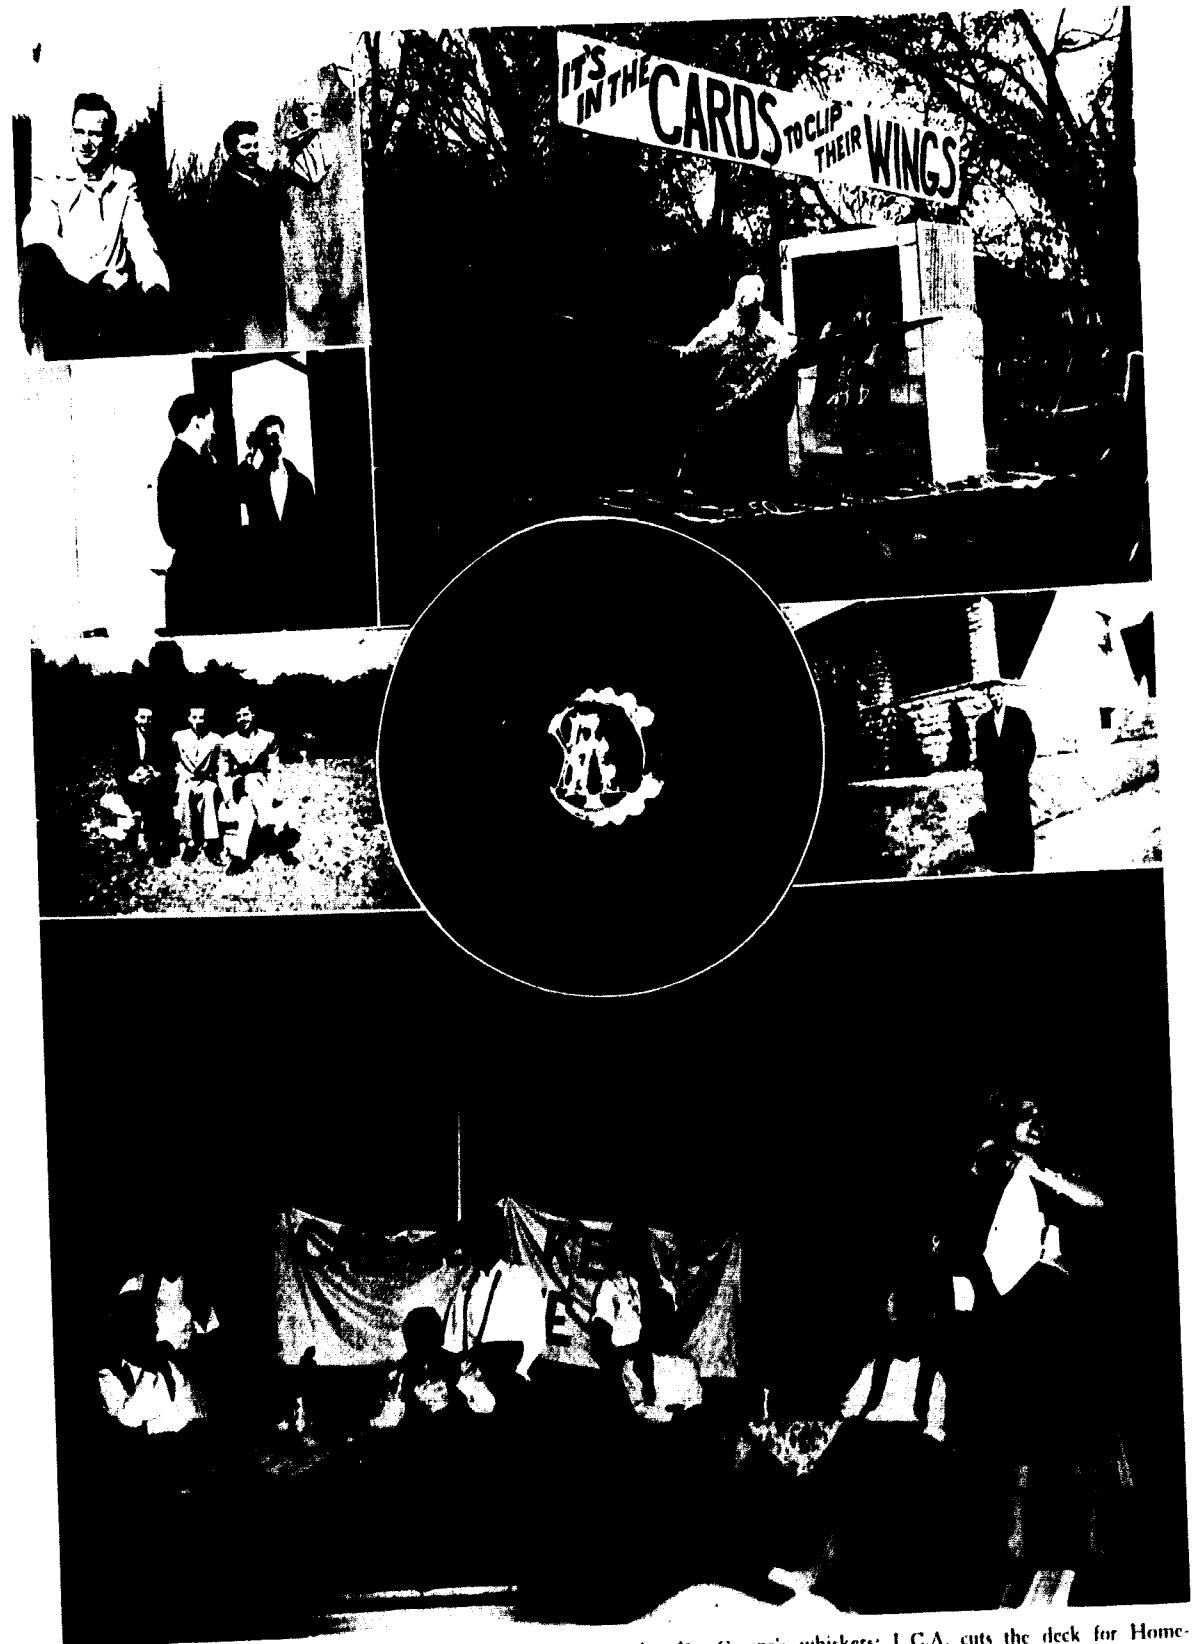

The social calendar was a full one with three successful formals during the year and numerous informal activities. Most prominent of these were the fall formal, the Crescent Ball, and the spring formal at which time the Lambda Chi Sweetheart was selected.

Homecoming brought its measure of success to the chapter when our house decorations took a second place. Chester "Carmen" Paul brought the house down as the heroine of our Tatler skit which also received second honors. The chapter turned itself into a bevy of gypsy beauties for this streamlined version of Bizet's immortal opera.

We were politically favored by presenting the student body with its chief officer when Bill Overton, our own fraternity president, was elected president of the Student Senate.

Lambda Chi was well represented in the various honor organizations on the campus. Histrionic abilities were revealed by active participation on the part of Lambda Chi's in the productions of the William Jewell Players. Many of our members held important student assistant positions. Jim Woodfill was our outstanding athlete of the year, lettering in track for his running the mile.

Officers for the year were Bill Overton, president; Al Gillespie, vice-president; Bob Smith, secretary; Ray Highfill, treasurer; and Dave Herman, house manager.

Clockwise: Covell suns himself while Chester Paul strokes Dr. Greene's whiskers; L.C.A. cuts the deck for Homecoming; George Coats, adorning the front yard; Chester (Carmen) Paul dances to second place title in Tatler Skit; Coates, Huskey, and Paul — posing; Stanley is intrigued.

Phi Gamma Delta

Once again Zeta Phi of Phi Gamma Delta has enjoyed a momentous year. Phi Gamma Delta celebrates her centennial this year, along with the honor of being the oldest fraternity on the hill, having been established here in 1886.

Fall term found many "Fijis" on the gridiron, and at the close of a successful season, twelve men of Fijiland received the coveted "J." Honors were again forthcoming in basketball, as five "Fijis" received the school letter. Walter Binns captain, and Norm Short were selected on the all-conference team.

Phi Gamma Delta's prowess was also displayed in intramural athletics. The "Fijis" won both the "A" and "B" flight championship in football.

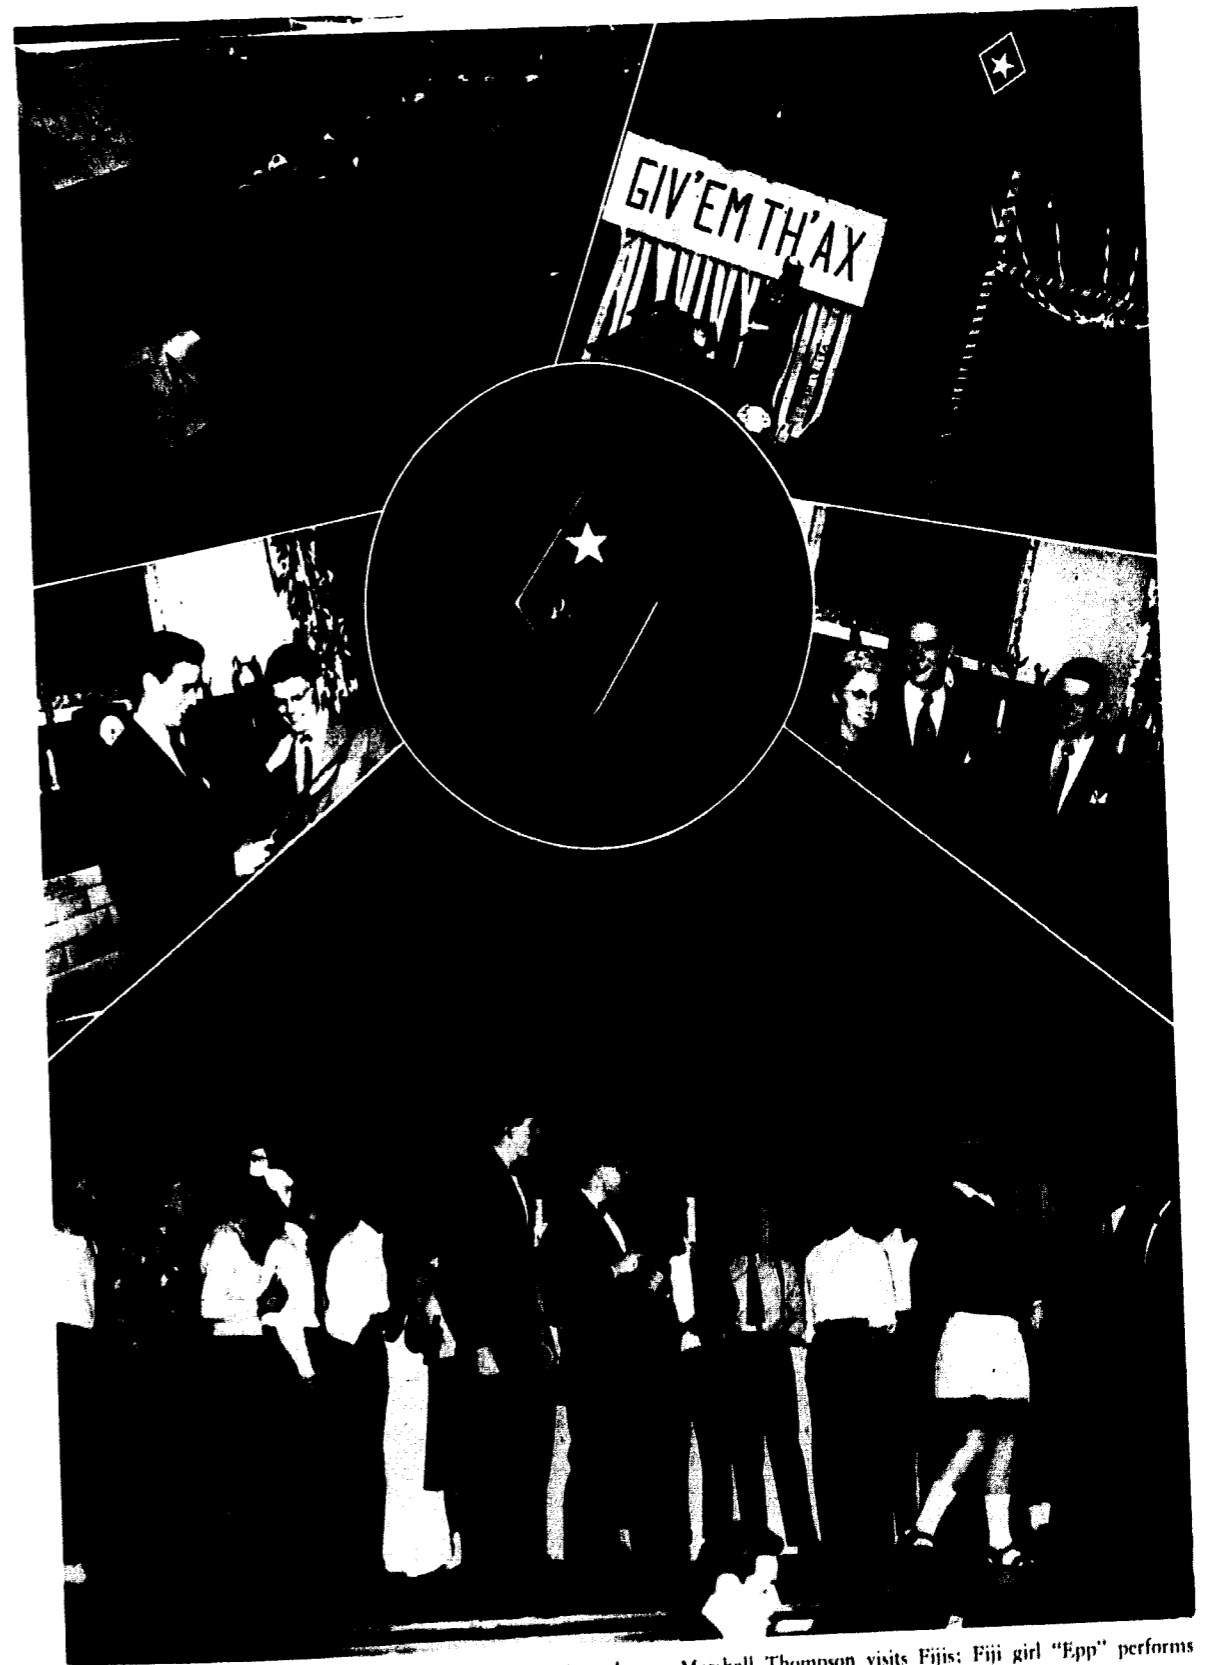

The highlight of the year was when the Phi Gams moved into their new home on S. Leonard. Besides being beneficial to the members of the fraternity, the new home has already proven itself a definite asset in social functions.

Zeta Phi lauds Ray Lavery and Woody Rixey for participation in the William Jewell Players; Ladd Listrom for his work in the Forensic Department; Woody Rixey, Senior Class President, who also received the honor of "Alexander Doniphan"; and her five "Aeons."

With "Mother" Short as a capable and charming hostess, this has been a very successful year for Phi Gamma Delta.

Sigma Nu

Beta Xi Chapter of Sigma Nu Fraternity which resides in the oldest fraternity house west of the Mississippi River completes its 54th year as the dominant organization on the campus of William Jewell College.

Following the damage done by fire late in January the house was completely redecorated. An open house was held on April 11, with more than five hundred guests attending.

Sigma Nu was well represented on the varsity football team by co-captain Charles Benedict, Bob Payne, Bob Long, Cliff Knickmeyer, Howard Dewell, and Tony Gargotta. Larry Vaudrin lettered on the basketball team. Bryan Smith, Don Vollmer and Frank Halferty were members of the track team.

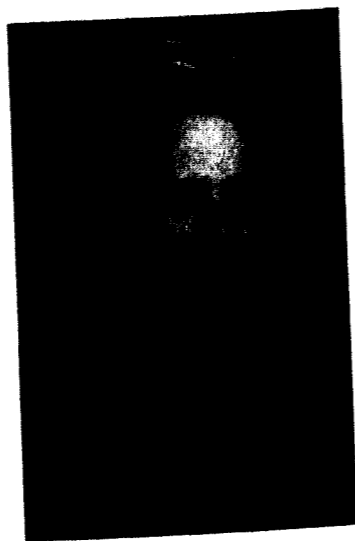

The director of intramural athletics was Hollis Brazelton. Sigma Nu placed second in intramural football, third in basketball and have fielded a strong baseball team this year and hope to retain the baseball cup for the second year.

Sigma Nu placed first on the intramural speech festival. Dean Lewis, Joe Taylor and Kenneth Taylor won championships at the state speech tournament.

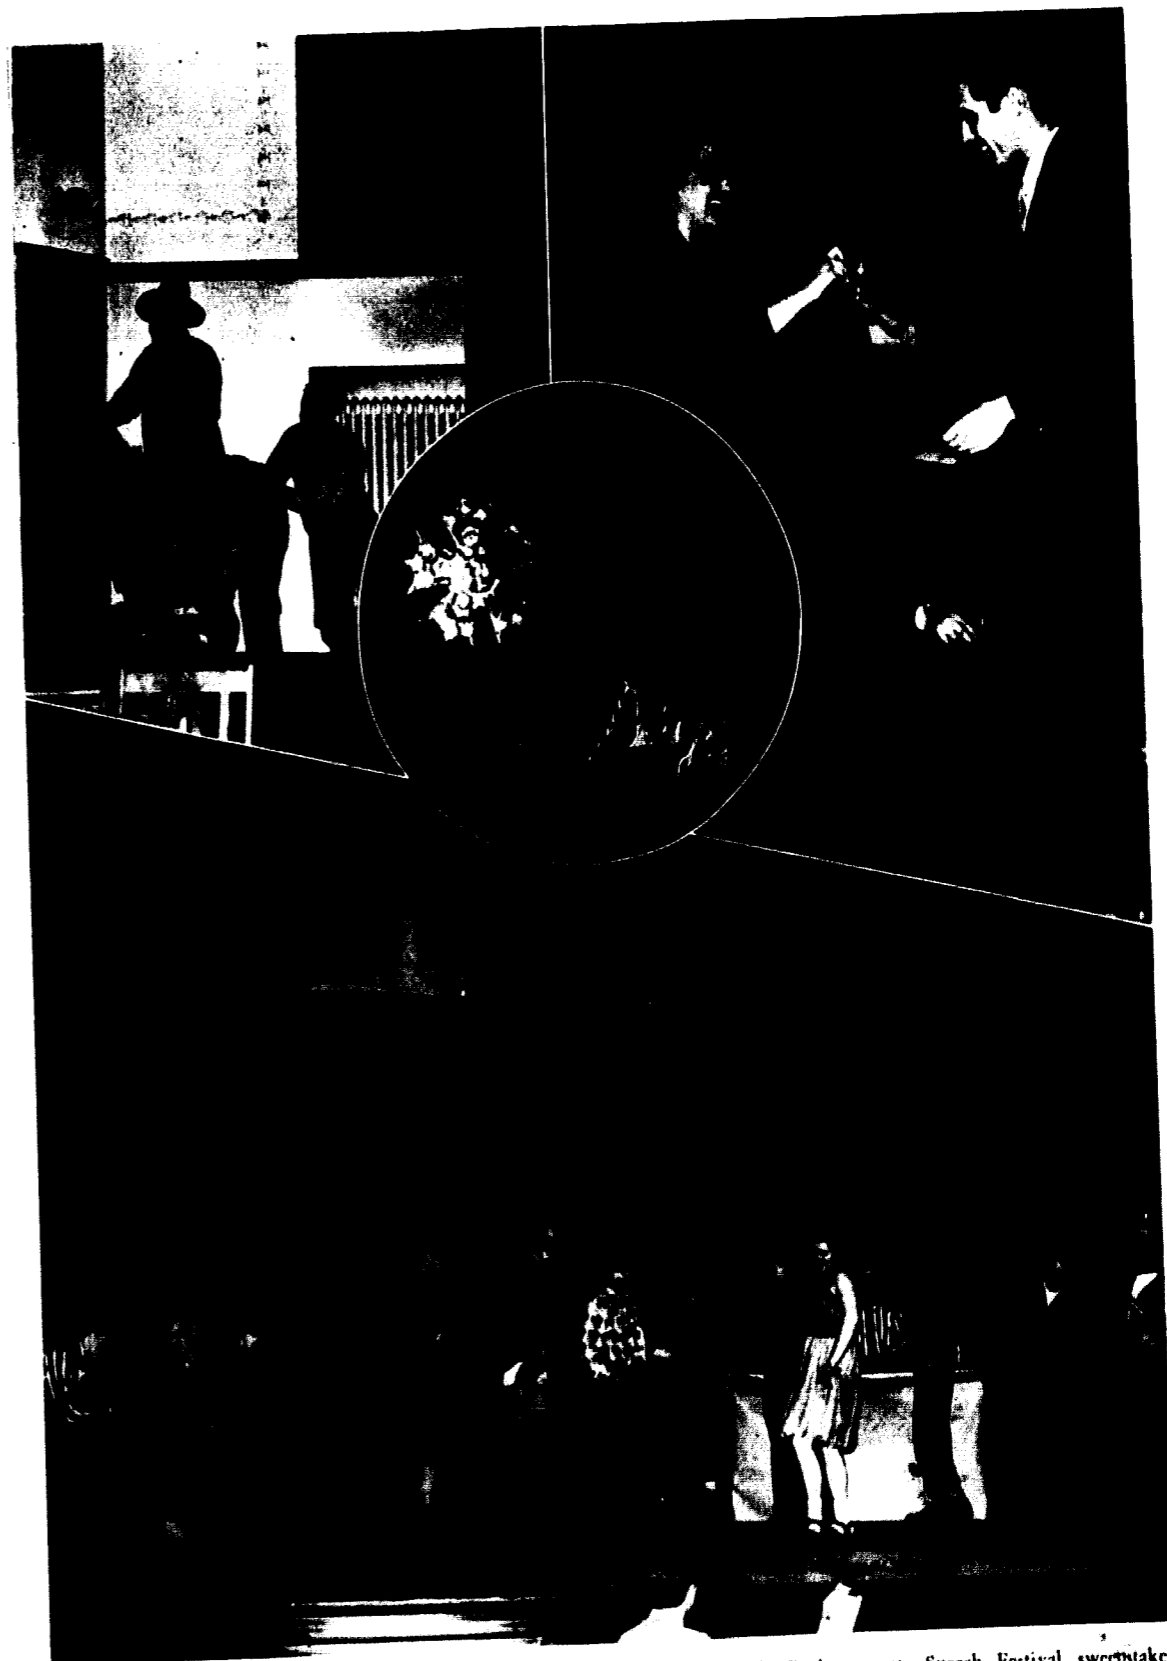

Sigma Nu took third place in the Tatler Revue.

Serving the Student as editor and Business Manager were Don Picinich and Howard Dewell. Bob Payne was V. President of the senior class as was Bob Shumaker V. President of the sophomore class.

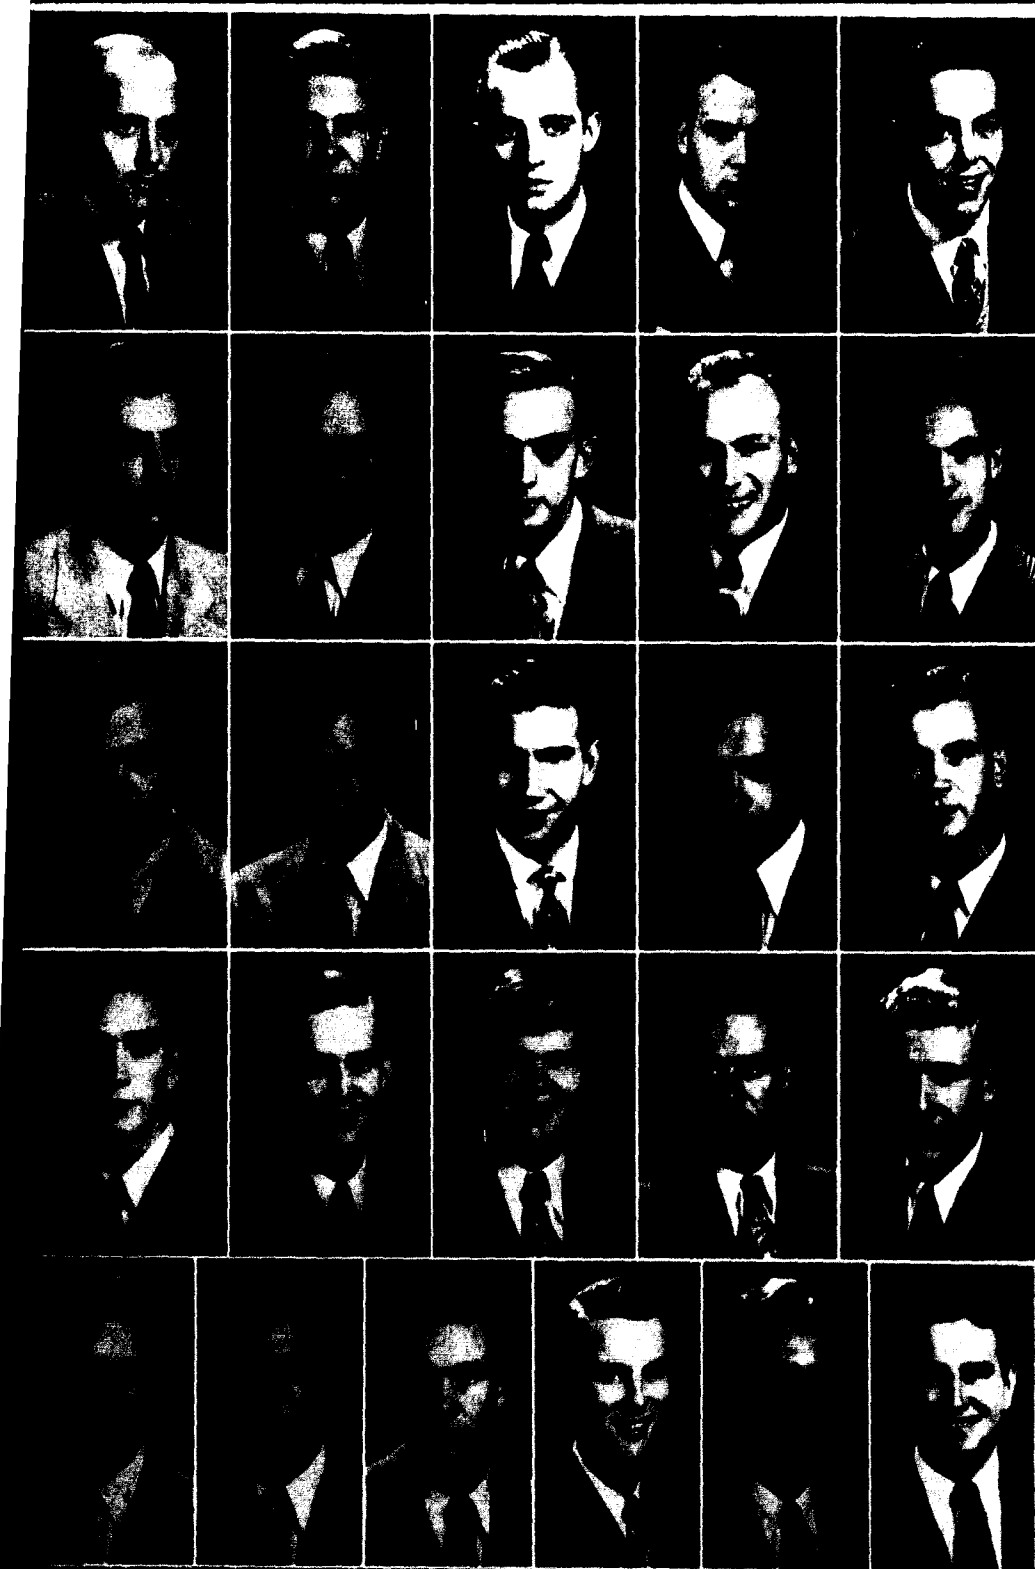

A Citation for Achievement was awarded to Dr. John Q. Cope, research engineer for Standard Oil.

Panhellenic Council

Panhellenic Council is a representative group of the three sororities on the campus which with the collaboration of the dean of women and an alumnae representative of each sorority functions for the furtherance of a cooperative spirit between the three groups, promotes scholarship, and governs rushing and pledging. Pat Crenshaw (Beta Sigma Omicron) was president of the Council for the year 1947-48.

The Interfraternity Council is made up of the president and one other representative from each of the four national fraternities on the campus. The council agrees on regulations for rushing, discusses other questions of common interest, and promotes an interfraternity athletic program. The Council meets at the call of any member and cooperates with the Faculty Committee on Fraternities.

Homecoming

Homecoming proved to be a great day on November 21, 1947. Much preparation was made under the supervision of Tom Bray, Homecoming Chairman.

On Friday night the Central dummy burned as the students' victory cries filled the air.

The long and colorful parade was acclaimed one of the best in the history of Homecoming. This parade included colorful riders on parade horses, waving flags, clever floats, and marching bands.

On the courthouse steps, a rally was begun which pledged allegiance to the Big Red Team.

The buildings were cleverly and appropriately decorated with prizes going to the best.

Black and red buttons were proudly worn by Jewell's sons and daughters. These buttons aided in recognizing alumni.

Following the victory over the Central Eagles, the students, faculty, and alumni visited the chapel where a talent show was given followed by open houses which furnished the concluding fun, food, and fellowship.

Tatler Revue

The 1948 Tatler Revue was presented in its full glory on the evening of February 27, 1948. Following the eight skits presented by the social organizations, the queen presentation skit, "The New Look," directed by Mrs. Pat Lund, climaxed the revue in a grand style. The eight candidates appeared twice during the evening and their beauty and charm were enthusiastically received by the audience.

FINALE

WHAT AN A. B. DEGREE FROM WILLIAM JEWELL MEANS

An A.B. degree from William Jewell means that here is a person who has been trained and given the background to understand world affairs, has been made conscious of social progress and cultural values, and has obtained his or her perspective for satisfactory living. It means that here is a person with an understanding of Christian education and the values obtained from Christian education. It means that here is a person who has received the stimulus which comes from the spirit of achievement.
