FOREWORD

Footprints made in the crisp, warm days of autumn, the snows of winter and the rains and sun-filled days of spring are footprints impressed upon the sands of time. Echoes of footprints heard lagging up the steep hill, running from Marston to Colonial, reverently standing in chapel, walking to the library desk will be heard for years to come. Unknown to many, they are leaving stamped on the Hill footprints which cannot be removed by the snows and rains or even the crisp, warm days of autumn. For the sands of time have captured the footprints of the Class of 1947.

DR. BINNS' MESSAGE

This year has produced the largest student body in the ninety-eight years of William Jewell's history with enlarged faculty, increased student activity, new material for the "Big Red Team," keener competition in college contests and a more cosmopolitan student personnel.

Trustees and Administration recognize that endowment and campus improvements must keep pace with the new day. Generous gifts have already brought substantial increase in endowment. Renovation of historic Jewell Hall now in process will provide a beautiful and modern classroom building, and yet one which preserves the hallowed associations of the past century. A complete new heating plant will be in operation before another winter. Colonial House is to be restored as the President's home. Bleachers for the football field will be ready

for the next season. These improvements are parts of a master plan of campus development. A new set of tennis courts should come next. Then we must dream and plan for an adequate Student Union Building, a major need for recreation and student activities.

The true greatness of any college is in its spirit — intangible but real — more real than campus, buildings and endowment. The "William Jewell Spirit" means appreciation of a century of honorable history, devotion to sound scholarship, valuation of Christian character, friendship of fellow students, consciousness of intellectual and spiritual kinship with the distinguished alumni around the world who love this college as the source of their inspiration. This spirit forms the lasting bond of fellowship between faculty and students. Here is the real greatness of William Jewell College.

WALTER POPE BINNS, A.B., Th.D., D.D.

Dr. Walter Pope Binns was inaugurated as the ninth president of William Jewell College, November 11, 1943. He is a native of Georgia and was graduated from Mercer University, which later conferred upon him the degree of D.D. He was pastor of the First Baptist Church of Roanoke, Virginia before coming to William Jewell.

Since coming here he has been largely responsible for the building program launched by the school.

During the past four years students as well as faculty members have come to admire and respect Dr. Binns. His views expressed in conferences are always well thought-out and presented clearly. Our school truly is fortunate in having a man with such a gracious manner to preside in our chapel gatherings, and on such occasions as Achievement Day and Graduation.

William Jewell is indeed proud of her president — a gracious gentleman and a noble leader.

DR. H. I. HESTER, VICE PRESIDENT

Dr. Hester became vice-president of William Jewell after serving one year as the interim president. He served the college well in this capacity having held this office in a time of particular crisis. His duties besides the all-important job of taking Dr. Binns' place when he is out of town are many and varied.

He was graduated from Wake Forest College in 1918 with an A. B. degree. He received his Th. M. and Th. D. from the Southern Baptist Theological Seminary. He came to William Jewell in 1926.

Along with his duties as vice-president, Dr. Hester also serves as the chairman of the Committee on Religious Activities, one of the very important faculty committees. With this chairmanship came the drawing up of most of the plans for Religious Focus Week. He has carried out very faithfully many behind-the-scene jobs.

In addition to his administrative duties, Dr. Hester is Head of the Department of Religion and Philosophy. He is well qualified for this position both from the standpoint of his education and his ability to teach. This year he has taught three classes in Bible history. In this department he also serves as the consultant for the ministerial students on the campus.

Dr. Hester serves as consultant not only to the ministerial students on the Hill but to many other students who respect his good judgment and straightforwardness. He has advised students in matters pertaining to every phase of life and many have taken his advice, thereby enriching their lives. His friendly smile and his warm word of greeting are always a source of encouragement to the students. His courtesy, understanding and brilliant mind have won for him a deep appreciation from the students and faculty members.

Dr. Leonard A. Duce has served two years as dean of the college. In this capacity he acts as director of curriculum and improvement of instruction.

He has successfully filled this position which has increased in importance in the last year. Aside from his duties as dean, he has been an invaluable aid in guiding veterans and helping them with the numerous problems which confront them. His friendliness combined with his wisdom and good humor has won for him the sincere respect of both the students and faculty.

DR. LEONARD A. DUCE, DEAN

MISS ALMA F. HUNT, DEAN OF WOMEN

Concerned with the welfare of the women on the campus is Miss Alma F. Hunt, the Dean of Women. Capable and friendly, she is ever ready to deal with the problems of troubled hearts and minds and to give a word of sound advice where needed.

Those desiring to make use of the cultural advantages of nearby Kansas City see Miss Hunt to make the necessary arrangements. It is she who coordinates the activities of the organizations on the campus and all arrangements for social events are made in her office. Her office is seldom deserted and she has truly found a place in the heart of each student.

STUDENT SENATE

The Student Senate represents Jewell's student governing organization and acts as the official link between the student body and the administration. Composed of representatives from each class and under the direction of the student body president, this year's Student Senate has been active in all phases of college activity.

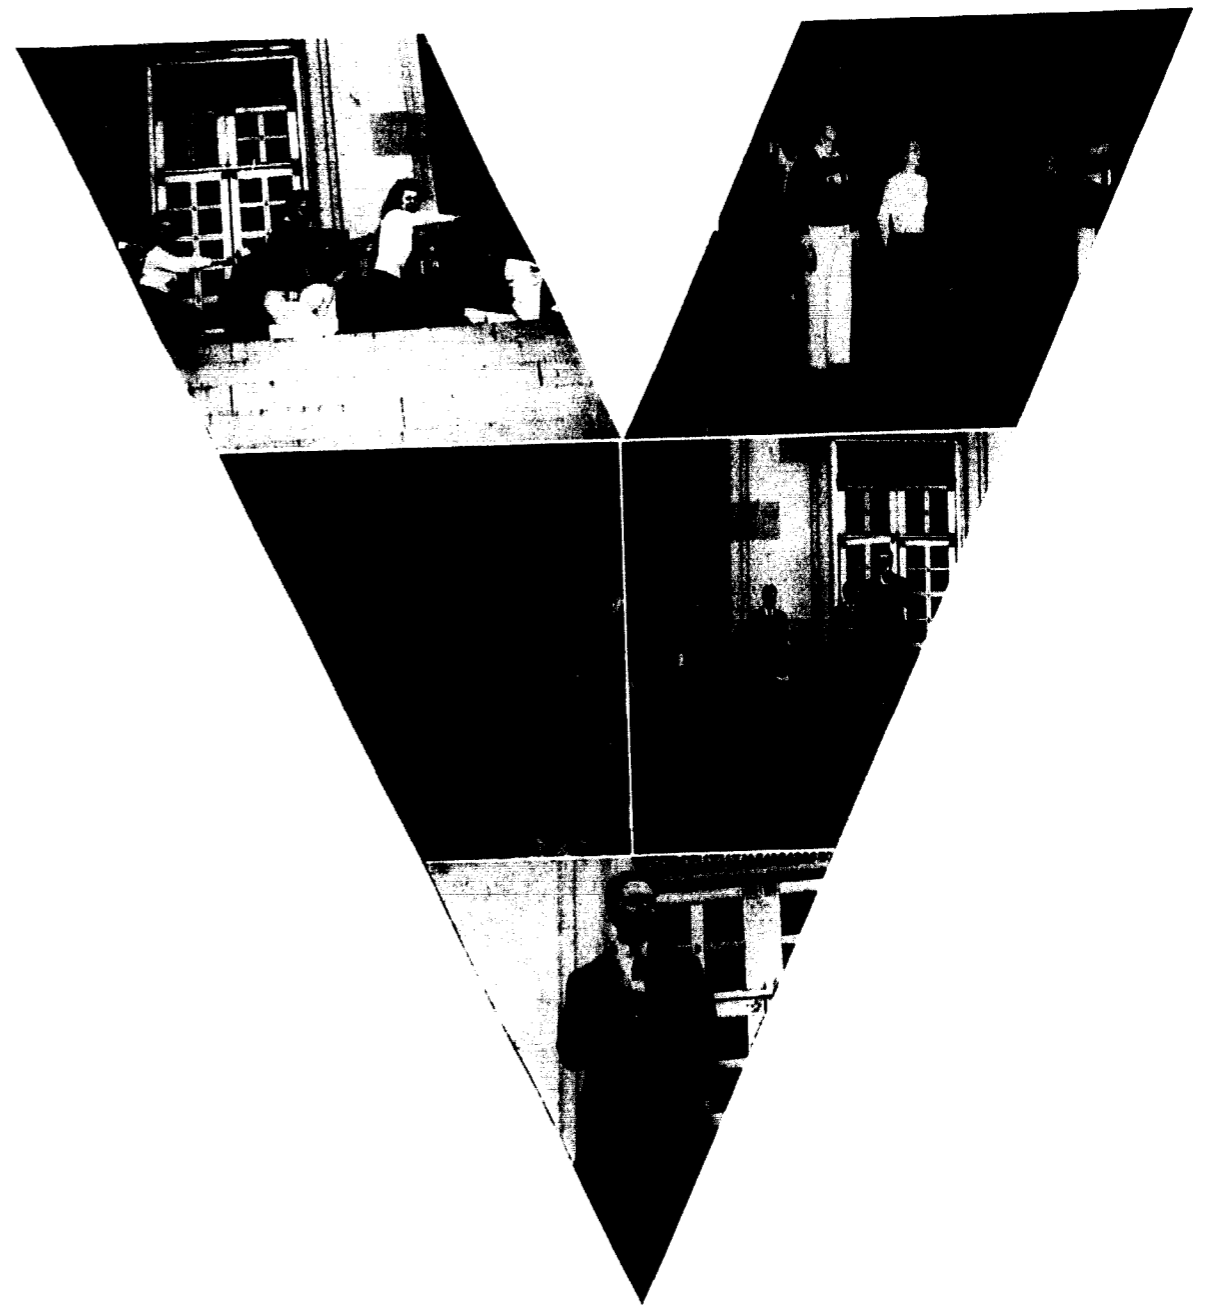

The Senate supervised all general elections during the year and, realizing the need for a constitutional change, appointed a general committee to revise the present constitution and make needed changes. Homecoming was also under the guidance of the Senate with Bill Riggs serving as general chairman. Climaxing the athletic success of the afternoon, a gala all-school party was given at the elementary school building that evening.

Winter term brought to the campus "The Weekend" beginning with an outstanding variety and talent show on Friday night, highlighted by the girls basketball games the next afternoon, and climaxed with the Jewell-Valley basketball game that night. Over eighty-five dollars was collected for Chinese Relief at the "Weekend" show.

Throughout the year the Senate aided such other projects as freshman initiation, student chapels, public address system for athletics, Work Day, and Religious Focus Week. The Senate also met with the Baker University Student Commission to discuss school rivalries. John Truex, student body president, served as the capable chairman of the Senate and Aldyth Osborn was the efficient secretary.

John Truex, President of the Student Body.

HOMECOMING

Victory — a Homecoming dream come true on the home gridiron November 2, 1946. Preparations went on for weeks in advance under the supervision of Bill Riggs, Homecoming Chairman.

In preparation for the exciting game, the traditional pep rally was held Friday night. Cardinal fans grouped around the big bonfire while Baker's dummy smouldered in its bright flame and cheers went up for the big red team.

The clever and beautiful floats in the parade that Saturday morning far excelled anything that a former Homecoming had displayed. Students, alumni, and friends of the college gathered in front of the court house for a pep rally to send the team off to the thrilling victory.

Those who returned to visit their alma mater were royally entertained Saturday night with a Homecoming party held in the Grade School Gym.

HOMECOMING QUEEN

Her majesty, Miss Laura Tapp, who was crowned queen of the 1946 Homecoming by Howard Brazelton. Laura is a senior from Kearney, an English major, and a T.N.T. She was escorted during the Homecoming activities by Walter Binns. Her graciousness and charm in reigning over the activities of the day added much to their enjoyment.

Princesses, Beverly Miller, Pat Crenshaw;
Ladies-in-Waiting, Constance MacGray,
Dorothy Weldon, Pat Davis, Dorothy
Anderson.

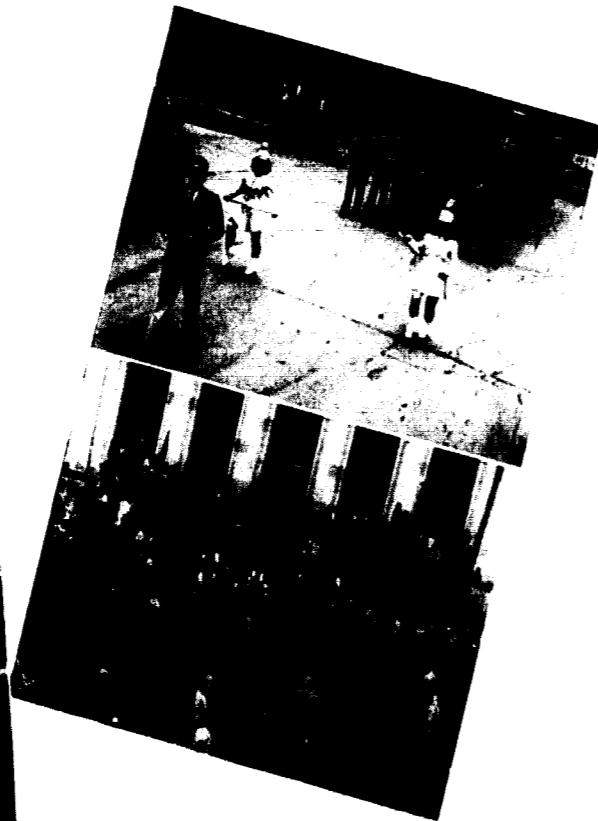

ATTENDANTS TO THE QUEEN

The two princesses to the queen were Miss Beverly Miller of North Kansas City, Missouri, and Miss Pat Crenshaw of Independence, Missouri. Miss Miller, escorted by Mr. Paul Burrell, wore a black ensemble—a skirt with a yellow tailored blouse, black fur coat, black hat, purse, gloves, and shoes. Miss Crenshaw, who was escorted by Mr. Don Redding, wore a red wool dress with dark brown accessories—brown fur coat, hat, purse, gloves, and shoes. Both girls were worthy of this honor that was bestowed upon them and were most gracious in their roles as princesses.

The winning floats in the parade were, respectively, those designed by Kappa Alpha Order; Beta Sigma Omicron Sorority; and Alpha Gamma Delta Sorority. First place the Kappa Alpha float was an ingenious "mill" through which a cardinal was grinding wildcats with the caption, "Grind-Em-Down." Second place was "Baker's In a Stew," an elaborate float depicting the rivals being cooked in an iron kettle. Third in the contest was the Alpha Gamma Delta "Bring Home the Baker," which showed an ensnared Baker being pulled in by William Jewell captors.

HOMECOMING GAME

The Homecoming Game of 1946 was one that will long be remembered by the students and the many alumni who came back to the Campus of Achievement to watch the Big Red Team achieve victory. Jewell was predicted to be the underdog, being outweighed and outnumbered both in the line and the backfield. Two thousand madly cheering spectators witnessed the Cardinal classic of the year and saw an inspired Jewell eleven outfight, outrun, and outpass their powerful foes from Kansas.

It was an evenly matched tussle in the initial period, but lightning struck after five minutes of

the second quarter when the Cardinals powered 60 yards for their touchdown. Robb's off-tackle smashes, Skeen's end runs, and gains by Short, Benedict, Whitworth, and quarterback Gargotta set up the score, which resulted from a pass from Short to Hyder. Ray Kilpatrick's perfect point-after-touchdown gave Jewell a 7-0 lead, which they held until the half.

An aroused Baker team came fighting back in the third period and soon scored on a 38-yard run. The conversion attempt hit the iron bar of the goal posts and the score stood at the end 7-6.

Davis, Irminger, Jenkins, Listrom, Muncy.

FORENSICS

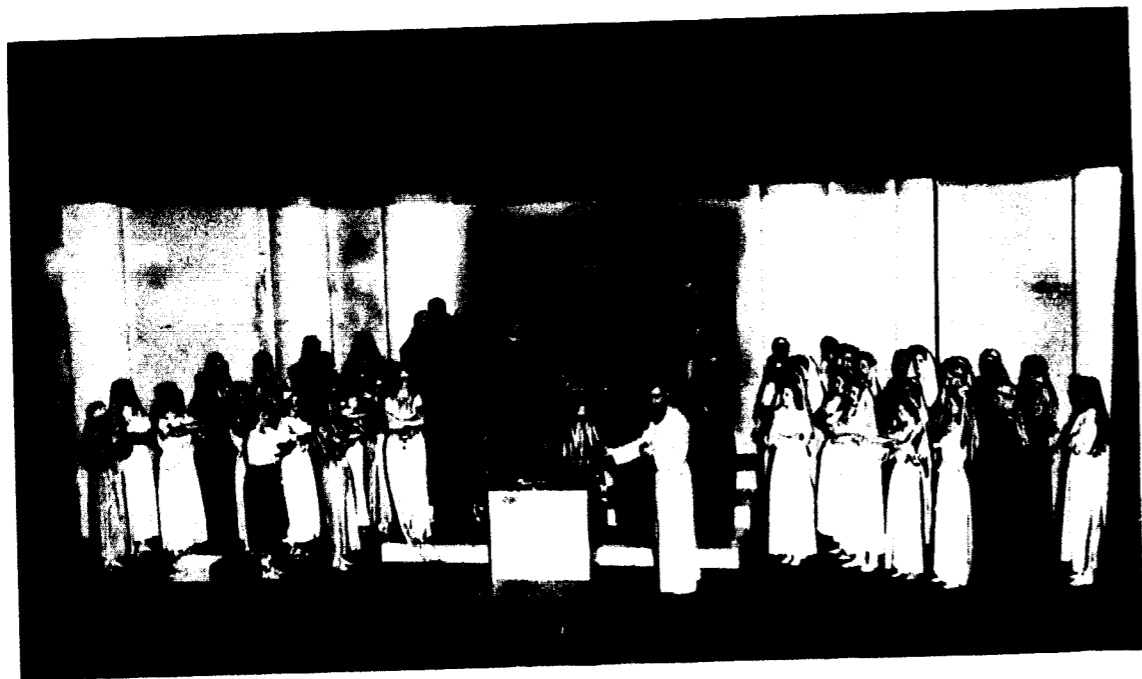

With a record number of seventy-five students signed up for debate and oratory, forensic work got off to a late but enthusiastic start under the guidance of debate coach, James Jenkins, and Director of Forensics, P. Caspar Harvey. For the first time in many years an intra-school tournament was held to give new speakers an opportunity for development, to select the best debaters for intercollegiate teams and to determine a school championship team. The tournament was won by the sophomore men's team of Glenn Muncy and Ladd Listrom in a hotly contested night debate against the second-place senior women's team of Patty Davis and Helen Irminger. Other students who participated in the tournament were M. C. Ballenger, Buford Casebolt, Barbara Stephenson, Rose Ellen Clark, Wylla Ruth Decker, Lois Schillie, Gene Ritter, Stuart Biggerstaff, David Head, Conard Moore, Dorothy Welden, and Barbara Boggs.

At the Drury College tournament in Springfield, Missouri, Jewell's debaters captured second place in their first inter-collegiate competition. Barbara Stephenson and Rose Ellen Clark took second place

in the junior division and Pat Davis and Helen Irminger won third in senior women's bracket. The senior men's team of Buford Casebolt and M. C. Ballenger went through to the quarter finals before falling to the tournament winners from Springfield.

Our teams, reorganized and further trained, swept the tri-state tournament at Warrensburg, Missouri, February 14 and 15 to take first place and bring home another trophy for the school. Represented by James Jenkins and M. C. Ballenger, Glenn Muncy and Buford Casebolt, Patty Davis and Dorothy Welden, and Rose Ellen Clark and Wylla Ruth Decker, the teams lost only one debate apiece and returned with a record of 12 wins out of a possible 16. Ballenger and Muncy brought back ratings of second in Extemporaneous Speaking and Discussion, respectively.

On February 28 and March 1 the same debate teams journeyed to Lincoln Nebraska for an 11 state, 41 school tournament against the cream of mid-western competition. William Jewell achieved the enviable record of winning 16 of 20 debates.

"Elijah" — the musical production of 1946.

MUSIC

Students at William Jewell have found this year, more than ever before, opportunities in the field of music. Some have found places of active participation in this department and others have merely benefited from their work without taking an active part. The decision of the college to make it possible for a student to graduate with a major in music was one that had long been needed and was accepted with enthusiasm. To assist Dr. David Grosch, head of the department of music, were hired two other professors. Mrs. Grosch teaches voice and Mrs. J. E. Lovan teaches piano. New courses in music theory have been added to round out the curriculum available for music majors and other students.

There were approximately sixty students who were known as the Chapel Choir and Glee Club. The Glee Club offers training in group singing and a greater appreciation of fine music. The Glee Club began singing as part of the regular chapel programs in 1944, and since then has been known as the Chapel Choir. One of the first public appearances of the choir was on Achievement Day when they sang, "Come Ye Thankful People Come," by Goldsworthy. Early in the winter term rehearsals were begun on the spring production of the music department.

One of the added features of the music department has been the recitals presented by the students of voice and piano. These have provided three evenings of entertainment and inspiration for the students and people of Liberty. They have also given the pupils an excellent opportunity to bring their music before the public. The first of these recitals was presented on October seventeenth and featured as vocalists Marilyn Settle, Mary Lee Montgomery, Gene Hollmann, and two out-of-town guests, Maurice Walker and Eugene King. Joan Ellis and Norma Moss each gave one piano selection. The second recital was held on November twenty-first and presented the following students in voice: Cecil Topping, Joanne Howard, Gloria Anisman, Willard Middleton, William English, Lola Hanna and Charles Williamson. Piano pupils were also presented. These included Shirley Greene, Roger Sommer and Lillie Wise. The third presentation of students in the music department was made on February thirteenth. This recital was evenly divided between piano and voice students, presenting six of each. Those who gave piano selections were William Spittler, Jackie Sortor, Margaret Ellen Beasley, Joan Ellis, Mary Perry, and Norma Moss. The voice students were Dick Dale, Alice Leavitt, Dorothy

Ray, Jeri Smith, Miriam Grahl, and Gloria Anisman.

Numerous musical programs have been presented during the chapel period. At one program Dr. Grosch told the story or the origin of some of our hymns and told the student body the correct way to sing hymns. Students have sung in the regular chapel hour, in the special chapels for Religious Focus Week and the special student chapel programs. Other musical programs have also been presented for student chapel services.

The band made an outstanding contribution to our school spirit during the football and basketball seasons. Under the direction of Joe Bill Mustion the band played at all the football games dressed in Cardinal and Black uniforms of the school. They marched at the head of the homecoming parade and added much to the spirit of the day. Several students from the band played at the basketball games under the direction of Joe Melton. Although sometimes few in number, they were a big help to the cheer leaders in keeping the pep at a high ebb throughout the games.

Each year during the spring term an outstanding presentation is given by the music department. Last year Mendelssohn's "Elijah" was given on April 25. This year the department is giving the opera, "Cavalleria Rusticana," by Pietro Mascagni. A short resume of the opera and the cast are as follows:

Turiddu, a young villager, is the son of Lucia, and the lover of Lola, who is the wife of Alfio, having married the latter during Turiddu's prolonged absence in military service. Turiddu wins the affections of Santuzza, whom he wrongs, while, in the meantime, he is intimate with Lola. On Easter morning, Alfio is incidentally informed, by Santuzza, of his wife's unfaithful actions. He challenges Turiddu. Turiddu, though regretting his past evil course, accepts his challenge and is killed by Alfio.

ACHIEVEMENT DAY

On November 14, 1946, William Jewell held its third annual Achievement Day. This is a day set aside by the college to honor a group of alumni who have achieved distinction in various fields of endeavor. Those who received citations for achievement were Charles E. Rendlen, John Wright Clark, Frank H. Trimble, Lawrence E. Mahan, Mary Elmore Sauer, William E. King. An honorary degree of Doctor of Laws was conferred upon Rufus Bernard von KleinSmid. The seven alumni chosen for "Citations for Achievement" are selected by a special committee composed of seven members. In the order of events for the day come the forums which are held in the morning by each of the seven alumni honored on this day. Each member of the student body attends one of these forums in order that they might be inspired by the advice of these persons and might themselves receive help in planning and building their careers. The first half of the forum consists of a lecture, usually telling how the speaker became a success in his particular field, and some of the experiences he encountered in the process. The last half is then devoted to answering questions of the students.

STUDENT STAFF

In its fifty-third year of service, the William Jewell Student began its weekly publication of school news under the editorial leadership of Raymond Lavery with Rose Ellen Clark, Woodford Rixie and Willa Ruthe Lewis as associate editors and O. B. Walker as business manager.

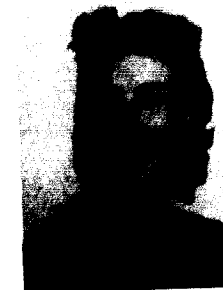

The Student tried to attain this year a goal; to print campus news, present two sides to every ques-

tion, to use copy from "free-lance" contributors and still maintain an editorial policy of "Mr. Inbetween."

The half-year mark saw the editorial red pencil go into the fingers of Willa Ruthe Lewis, and the associate editors chairs were filled amply and stylishly with Bob Payne, Don Picinich, and Ercell Head.

TATLER REVUE

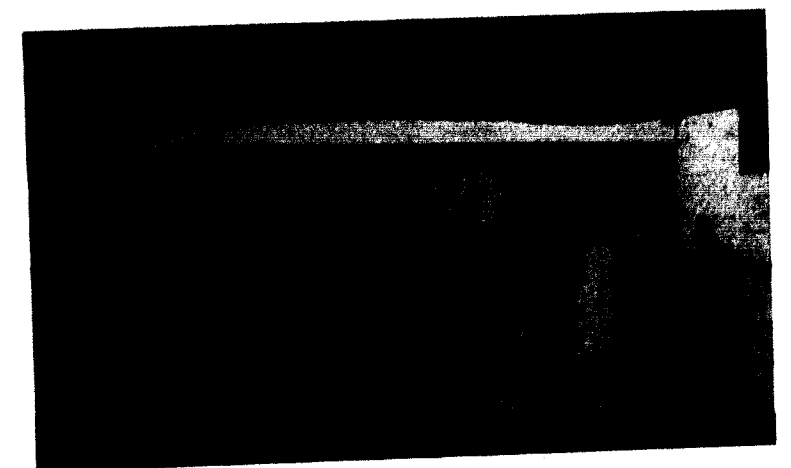

The annual evening of entertainment given by the Tatler Staff was presented this year on February 28. Despite the heavy snow many ventured out to see the show which is one of the most exciting times in the school year. K. A.'s walked off with first place in the skit awards with their take-off on Achievement Day.

The greatest reason for Tatler Revue's increasing popularity during the past three years has been "Flame" Lewis' original skits for presenting the queen candidates. This year's skit with a "Petticoat Lane" theme proved to be a huge success. The stage setting was in front of a Harzfeld's display window. To back Flame up was the singing of Jim and Emma Bereaw and the dancing of Patty and Johnny Lund and Bob Elder.

FOOTBALL

Jewell returned to 1946 football with a hard schedule, playing all the teams in the MCAU conference. The Cardinals finished third in the conference being outclassed only by nationally recognized Missouri Valley and Central.

The school was solidly behind this fighting team led by the great work of the cheerleaders.

Grant Emery, Rosie Giles, Chuck Hall, Patty Lund, and Johnny Lund.

The 1946 William Jewell Cardinals opened the first post-war season with a 20-0 triumph over K.C.K. Junior College under mid-summer temperature. Howard Dewell scored two touchdowns and played an outstanding game as the Cardinals throttled the J.C. attack completely.

The Big Red Team ran into more than it could handle when a powerful Ottawa University team invaded the Jewell field. A powerful single-wing offense rocked the Cardinals time and again and Jewell was playing defensive ball all afternoon. The outstanding efforts of Jim Agee, Knickmeyer, and Wheat could not stem the tide as Ottawa won 27-0.

The Cardinals played their first conference tilt at Culver-Stockton and promptly spoiled their foe's homecoming with an 11-7 victory. A safety, a fieldgoal by Kilpatrick, and a touchdown pass-lateral play, Robb to Hyder to Gargotta, proved the margin of victory as Chick Benedict starred with his running and kicking.

Spirit and gameness were not enough as the powerful Missouri Valley Vikings came to town. Fighting desperately, the Cardinals held Valley even for over a period and actually led 7-6 on a

touchdown pass from Benedict to Hyder. The roof fell in as All-American Baker broke away time and again. Jewell need not be ashamed of the 47-7 defeat to a superior foe, as all the boys played their hearts out.

Still licking its wounds, the Cardinal team travelled to Maryville and was defeated by the Bearcats 20-0. Scores came in each of the last three periods as Jewell's attack never got started and only alert playing by Tony Gargotta, Rolley Conner, a newly discovered end, and beautiful punting by Chick Benedict held the score down.

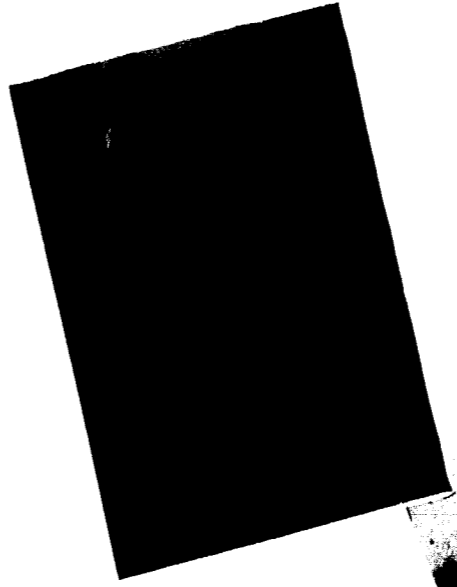

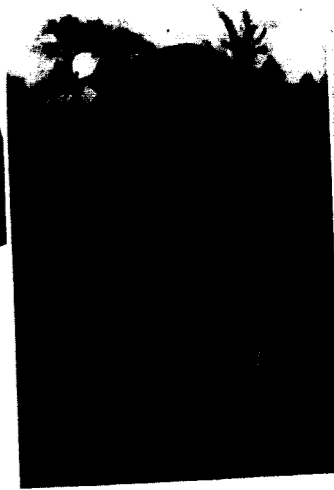

Not much hope was held for the homecoming game against Baker, a team good enough to defeat Ottawa. Apparently inspired by the alumni in the big crowd, the Big Red Team stopped Baker cold on a muddy field. Jewell meanwhile threatened several times, and only some bad breaks kept the

score down. The touchdown came in the second period on a pass from Short to Hyder, after running plays by Whitworth, Gargotta, Robb, Skeen, and Benedict had set up the opportunity. Baker scored in the third period but could not tie up the game as Dave Gragg, Agee, Elrod, Knickmeyer, Conner and Long played a terrific defensive game.

For three periods the Cardinals outplayed their arch-rivals, Rockhurst, but the strenuous season showed its effect in the last stanza as the Hawks scored twice over a tired Jewell eleven to win 21-14.

Chick Benedict, with a 63 yard punting average, one an 81 yard quick-kick, was outstanding.

Jewell finished out the season with conference tilts against Tarkio and Central. Tarkio was completely outplayed by our team in the rain at Jewell field, as Pooch Robb scored twice and Cliff Knickmeyer once on an intercepted pass. Jim Lowe played great defensive ball and the Owls never really got started and lost 6-19.

The Central College juggernaut was too much at Fayette in the last game. The tired Big Red team tried hard, but fumbles hurt them, and the big Eagle line opened huge holes for their fast backs to score through five times. The final score was 32-7.

The 1946 football season produced many thrills, much joy and some disappointments, and William Jewell can well be proud of its hustling Big Red Team which fought so well to keep her fame.

COACH GODFRIAUX

Coach Henri Godfriaux has retired from active athletics after coaching teams in football and basketball for seven years, and will devote his full time to the chemistry department.

Coach Godfriaux was graduated from William Jewell in 1915 and, after five years of coaching at Plattensburg and Marshall high schools, accepted head coach position at Missouri Valley College where he produced six football championships and one tie for the league title.

During Coach Godfriaux's seven years here, excluding the three-year navy reign of which he had no authority as coach, he won two championships and finished second in the conference two other years.

COACH HARP

Coach Harp came to Jewell this year as basketball coach after coaching Kansas City's Aereon quintet last year. Harp, a former Kansas University athlete and swingshot artist for Phog Allen's Kansas teams during the '38, '39 and '40 seasons, placed on All-Big-Six Conference selections his junior and senior years as a result of brilliant team play and individual leadership. In the 1940 NCAA semi-finals, Harp led the Kansas scoring against Southern California to place them in the finals against Indiana.

The twenty-eight year old mentor, married and father of one child, will direct basketball play on Jewell's court next year.

BASKETBALL

The 1946-47 basketball season started with a 33-30 conference win over Central at Brown Gym. Hyder and Short made six point apiece to pad the Cardinal attack. The next conference game was played here against Drury. Billy Jewell, after being completely shackled in the first half by Drury's defense and ball handling, came to life in the second half to wallop their opponents.

In Tarkio the Owls put up a stiff fight before yielding as the Big Red Team chalked up conference win number three. Short and Roberts each scored 13 points and W. Binns and Brazelton were excellent in their defensive play. The Cardinals ran into more than they could handle at Marshall as Missouri Valley inflicted the first conference loss to our cagers. The game was close until midway in the second half.

Harp's cagers resumed their winning ways against Tarkio in another conference tilt at Brown Gym. With 10 minutes to go and the score tied, Brazelton, Short and Heil put on a scoring spree which netted the Cardinals a 13 point win. William Jewell lost its second conference game in six starts

to Culver-Stockton in a squeaker, 38-33. The Canton team had its hands full, leading only by one point at the half.

At Fayette the Jewell cagers snapped out of their losing ways again and defeated Central in an overtime thriller, 42-37. The Eagles fought bitterly but could not stop Short in his scoring spree. Against Westminster Jewell made its conference record six wins in eight games by trouncing the Blue Jays 50-34. Roberts was high man with 18 points as the whole team played superb basketball.

The next game was one of the greatest thrillers ever put on in Brown Gym. The Cardinals, fighting for a chance to win the conference crown, matched the Culver-Stockton team basket for basket only to lose out by a single point, 53-54. The Big Red Team led during the entire first half and left the floor with a 26-25 lead.

Obviously discouraged by their close loss to Culver-Stockton, the Cardinals dropped their remaining three conference games to end up in a tie for third place with Drury, both teams winning and losing six games. Against Missouri Valley, the Big Red Team was handicapped by an injury to Norm

Short. Roberts fouled out early in the second half and from there on, Valley had its own way. Drury could not miss the basket at Springfield and got sweet revenge for an earlier defeat by Jewell. Westminster scored 5 points in the overtime period while shutting out our team to win 42-37 after the score was tied 37-37 at the end of the regulation time.

For their brilliant playing Norman Short was selected on the Associated Press first all-conference team and Bland Roberts was mentioned on the second team. Howard Brazelton received honorable mention. Coach Dick Harp put a smooth team on the floor in his first year here and William Jewell can look with hope and anticipation to its basketball future.

TRACK

William Jewell's 1947 track team, under the leadership of track mentor, Dad Bowles, has displayed one of the better track and field groups of many years. There was power in the dashes, distance running, hurdling, and in the field.

The Redbirds opened the season April 7th, playing host to Maryville Teachers, and won, 79-57, despite the cold wave. Jewell was sparked by Dick Hyder, Jim Woodfill, David Gragg, and Bland Roberts, who collected forty points; each man winning two firsts. Hyder, senior hurdler, breezed over the timber marks, while Gragg raced to the tape in the 100 and 220 yard dashes. Freshman Woodfill coasted to victory in the mile and two mile races, and Bland Roberts won the shot put and discus throw.

Four days later, the Cardinals entertained Baker University under clear skies and easily outpointed the Kansas Conference leaders, 88-48. David Gragg led scoring for Jewell with fifteen points, placing in five events. Eighteen men con-

tributed to the overwhelming score. The Cardinals scored thirty-six points in the field events while Baker gathered only eighteen. In the javelin throw Jewell swept three places by Norcross, Kilpatrick, and Gragg. Johnny Norcross had a heave of 172'9".

On April 17th, we trekked to Central College, where we remained undefeated and raced to our third victory, 88-48. One Central Eagle offered most of the competition, that one being "Zip" de la Roche, who collected seventeen points, and defeated Gragg and Hyder for the first time this season. However, Jewell won firsts in ten events, featuring two splendid relay teams that copped both the half and mile relay events.

Jewell's first triangular meet in several years was held on the local oval, with Tarkio College and Drury College invading on April 25th. The following week, Redbirds were again on the highways enroute to Missouri Valley College for a dual meet. The Conference meet was held in Marshall this year on May 9th and 10th.

TENNIS AND GOLF

The 1946 tennis team met opposition in the Conference meet but defeated Tarkio netters, 2-1, earlier in the season. The Conference Meet was held at Westminster where Walter Binns won his first match in singles, but lost to Missouri Valley in the second contest. Leslie Wise lost his first singles pairing to the Drury netter, who later won the singles tourney. In their doubles, Binns and Wise lost their first pairing to Tarkio.

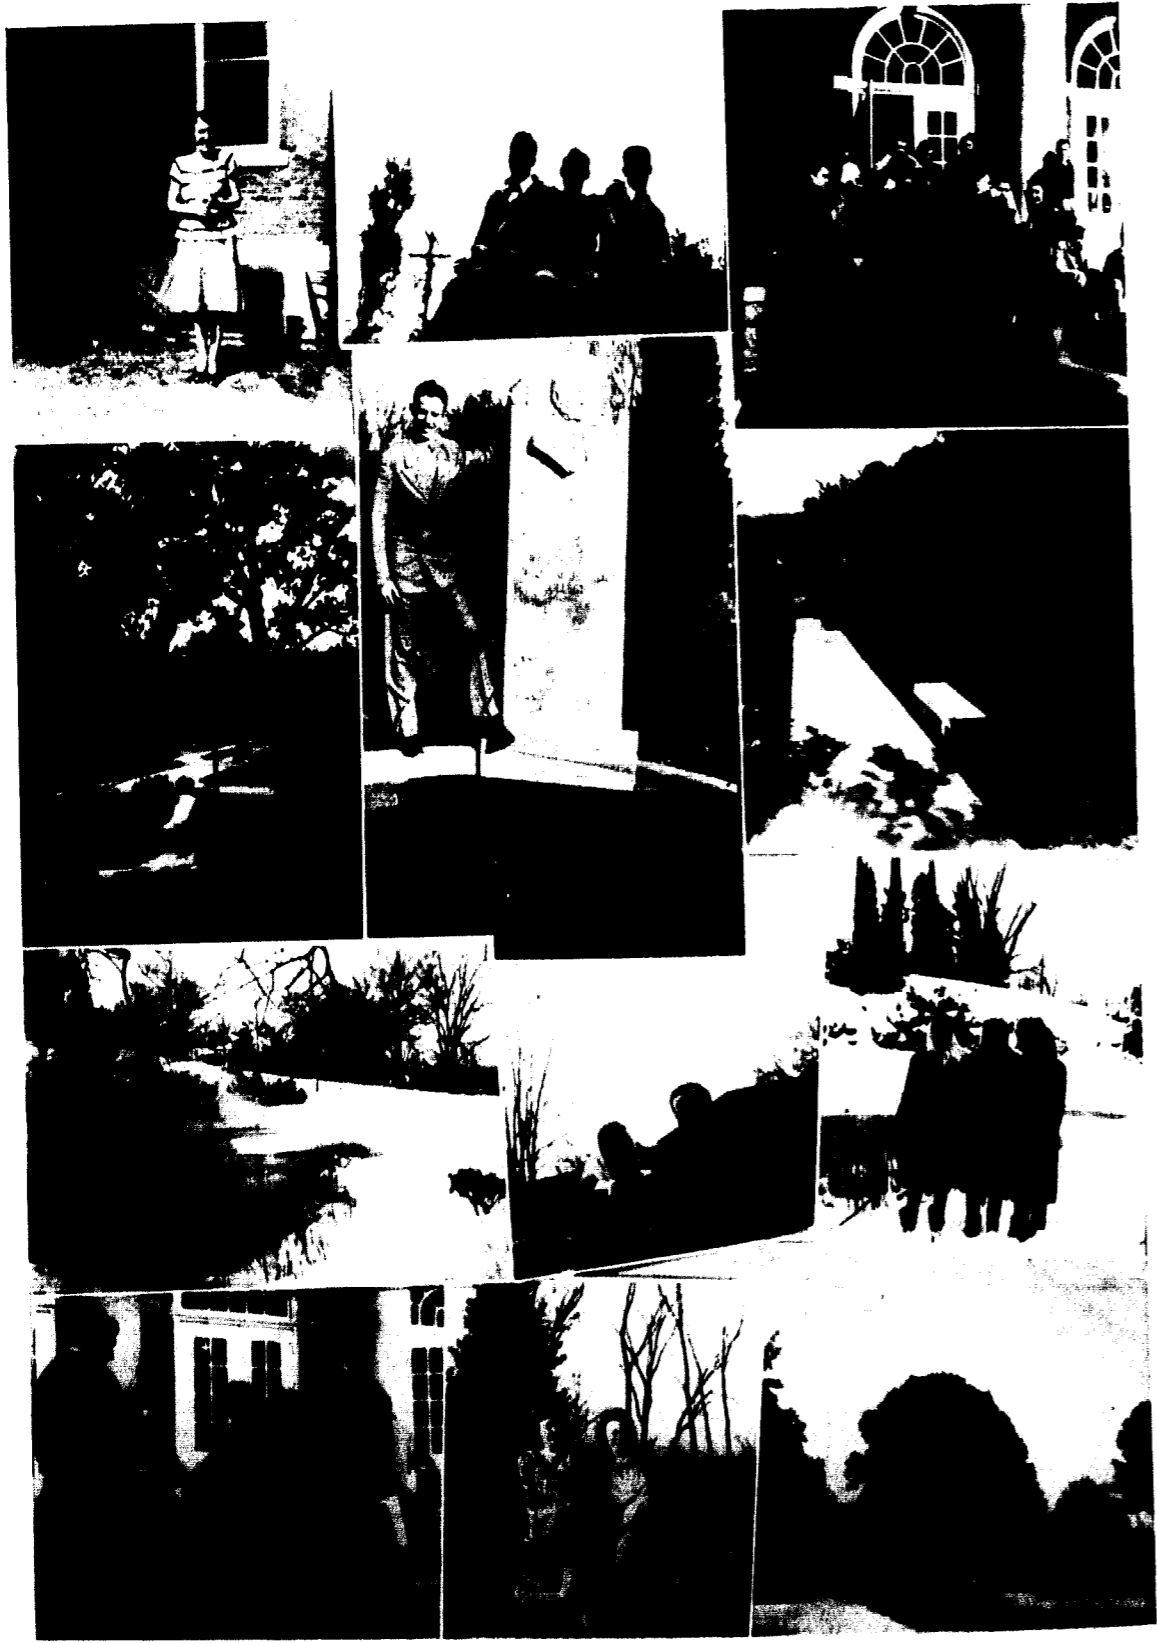

The 1947 tennis team was composed of six men listed in this order: Binns, Bereaw, Brandon, Benedict, Wilcox and Payne. The team suffered two defeats in one week — on April 12 to Kansas City Kansas Junior College and on April 17 to Central College. The entire team made the trip to Kansas City and a team of four went to Central. A match was scheduled on April 22 with Kansas University.

Richard Colgan was William Jewell's medalist in golf last year. He won the conference championship by shooting the lowest score of any man in the tournament. Squad members in golf with Colgan were Bill Overfelt, Jack Perry, and Harry Hutsell.

AEONS

M. C. Ballenger, John Truex.

Honored are those who wear the gold shield the picture of a Greek woman and the inscription, "Panaegis."

Organized of six senior women who together represents the highest type of womanhood on the campus.

Named on the basis of leadership, personality, scholarship, and character.

Oath of the order is administered to selected leaders of the junior class. Advisors are Miss Hunt, Miss McDaniel, Miss Rice, and Mr. Harvey.

Rewarded: Pat Davis, Clara Jones, Willa Ruthe Lewis, Betty Mallett, Mary Moon, and Peggy Sturdy.

Hebrew inscriptions in white on black arm bands and crossed keys identify an Aeon.

Organized of two senior men who's motto, "To serve the best interests of William Jewell," exemplifies the purpose, the ideals, and the aims they stand for.

Named on the basis of their true spirit, their high ideals, and never dying interests, Aeons are non-existent in the eyes of posterity, except for those qualities.

Orders of the highest, rewards are unsought, praise is unexpected, recognition is not essential.

Rewarded: M. C. Ballenger and John Truex

Phi Sigma Iota is a national romance language honor fraternity. The Phi Theta Chapter at Jewell encourages high scholarship, individual research in the field of romance languages, and the promotion of amity between the nations. Membership is open to students who are enrolled in third year French or Spanish courses, and who have an average of "B" in all their work. The officers were: President, Dr. Paul McCarty; Vice-President, Pat Davis; Sec't-Treasurer, Betty Mallett; and Corresponding Secretary, Miss Ruth McDaniel. Maxine Sevier won the national Phi Sigma Iota essay contest this year.

Zeta Kappa Epsilon is a honorary history fraternity established at Jewell in 1939. Membership is open to those who have a deep interest in history and make a high scholastic record. Its aim is to enable its members to gain a better understanding of present world conditions by obtaining a more comprehensive knowledge of the past. Interesting meetings were held monthly with special speakers. The highlight of the spring term was the annual banquet.

Zeta Kappa Epsilon is a local fraternity, but is planning to become a chapter of Phi Alpha Theta.

Pi Gamma Mu, national honorary social science fraternity, promotes the inculcation of the ideals of scholarship and social service. The Missouri Epsilon chapter was chartered at Jewell in 1930. Meeting the first Wednesday of each month, members take part in discussions of current social problems. The motto of the society is "Ye shall know the truth, and the truth shall make you free." The colors are blue and white for truth and light. This year's officers were: President, Jean Moyers; Secretary, Peggy Sturdy; and Treasurer, Merle Bandy.

Sigma Tau Delta, creative writing organization, had a successful year, during which several "literary conversations" were held. The purpose of the club is to encourage the literary ability of college students. The members read and criticize each other's work at the meetings. Contributions were made by several students who showed an unusual mastery of written expression. Of particular interest to the club was a meeting held to honor May Williams Ward, well-known Kansas poet, who read and discussed some of her work.

The William Jewell Chess Club enjoyed its biggest year with a membership of thirty. The highlight of the year was the school tournament, run in three sections. The advanced students' championship was won by Nick Housley, and the beginners' tournament by A. G. Spizzirri. Mr. C. J. Prince, the sponsor, won the non-student tournament. We were defeated in a tournament with Kansas City University. Officers for the year were: President, Nick Housley and Bud Weideman; Vice-president, Bruce Bryant; Secretary-Treasurer, Dick Shannon, Dave Head.

Alpha Nu chapter of Theta Chi Delta, national honorary chemical fraternity, is composed of students who have had five terms in chemistry with a "B" average. The members present papers during the meetings covering a variety of subjects; electroplating and war uses of science, chemotherapy, and the combination of philosophy and science. The sponsors are Dr. Edson, former national president, and Mr. Godfriaux, now national secretary. The officers were: President, Paul Curau; Vice-president, Helen Irminger; Secretary, Buford Casebolt; and Treasurer, Minor White.

Beta Beta Beta is the national honorary biology fraternity. Its purpose is to stimulate sound scholarship, disseminate scientific knowledge, and promote biological research. It encourages its members to strive for new discoveries through scientific investigation.

On January 24, 1946, the Lambda chapter of William Jewell College was reorganized by merging Beta Lambda, the girls' biology club, and Beta Chi Zeta, boys' biology club. The sponsors of these two organizations, Dr. L. J. Gier and Miss Olive Thomas, are the present sponsors of this national biology fraternity.

A banquet is held following initiation each year to which is invited an out-of-town speaker who is an authority in some field of biology. This year Dr. E. H. Taylor from Kansas University spoke on the subject of herpetology, which is the study of reptiles. His speech was not only interesting, but also amusing, and it was enjoyed very much by the fifty-eight guests and members.

This year the chapter sent Gertrude Bridgett and Barbara West to the regional convention, which was held at Dell's Park, Wisconsin, on May ninth and tenth. At this meeting there were discussions on the problems of the different chapters, the policies and changes in policies were discussed, and it also gave the chapters a chance to become acquainted.

To be eligible for membership in Tri Beta a student must have completed at least four terms of biology with a "B" average, and all his grades must be above the average of the student body. All new members are required to prepare a paper on some biological subject and present it to the group at one of the meetings.

The officers for this year were: President, Gertrude Bridgett; Vice-president, Frank Cchafer; Secretary, Joanne Howard; and Historian, Barbara West.

SIGMA PI SIGMA

Sigma Pi Sigma is a national honorary physics society whose purpose is to foster a deeper interest in the field of physics and to provide a fraternal bond among those who excel in this field.

Sigma Pi Sigma was founded on the campus of Davidson College in North Carolina in the year 1921. Nearly ten years later, on May 20, 1930, Xi chapter was founded at William Jewell. Since the founding of Sigma Pi Sigma in 1921, the organization has enjoyed a steadily increasing growth until at present there are in existence forty chapters.

The society seeks to serve the school and the science by awarding distinction to those who have fulfilled the requirements for membership. To be eligible for membership in Sigma Pi Sigma one must have completed at least four terms of college physics, maintained a "B" average, and shall have shown a desire to further the cause of physics through further study.

In addition to the regular monthly meetings, Sigma Pi Sigma held several special meetings, and

three initiation programs were held throughout the year. The high point of the year was the annual banquet and initiation held during the winter term at which time seven new members were initiated.

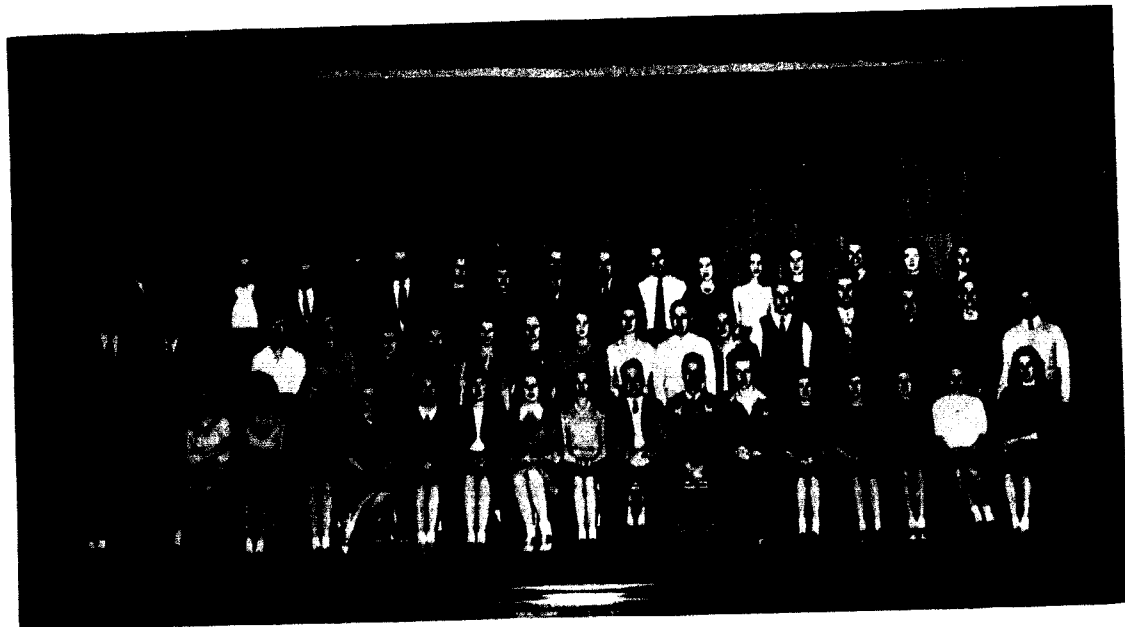

Professor J. E. Davis, head of the physics department and one of the charter members of Xi chapter, this year donated a plaque and instituted an award which shall be known as the J. E. Davis Sigma Pi Sigma Award in Physics. The name of the student having the highest scholarship in general physics for the year will be placed on the plaque which is to be hung in a conspicuous place in the department of physics.

Valuable assistance has been given to the Xi chapter this year by faculty advisors, Prof. J. E. Davis, Dr. W. A. Hilton, and Prof. D. V. La Frenz, and faculty members, Prof. L. O. Jones and Dr. Frank Edson. Officers for the year were: President, J. B. Mustion; Vice-president, Charles Benedict; Sec'y-Treas., Joan Newman and Wyman Shedd.

Seated: LeRoy Heaton, Lloyd Elrod, Mr. Jones, Anna Mae Stigers, Mr. Davis; Standing: Harry Burress, Howard Skeen, Walter Binns, Bill Mann, Joe Bill Mustion, Mr. La Frenz, Dr. Hilton, Bill Hargrove, Buddy Shedd.

WILLIAM JEWELL PLAYERS

Row 1: St. Clair, Petty, Anisman, Wynn, Garrett, Conklin, Davis, Lewis, Cutts, Nelson, Riggs, Lavery, Head, Best, Ganotte, Giles, Derwacter, Howard; Row 2: Spizziri, Gillespie, Ritter, Elder, Luddecke, Tussey, Kasper, Long, Clark, Smith, Ellis, Bray, Beamer, Treaster, Curau, Marsh, Moore, Payne; Row 3: Farmer, Amick, Head, Housley, Jones, Bishop, Sterling, Diestekamp, Speaker, Powell, Kessler, Bohart, Downing, Buckley, Fink, Ray, Swinchart.

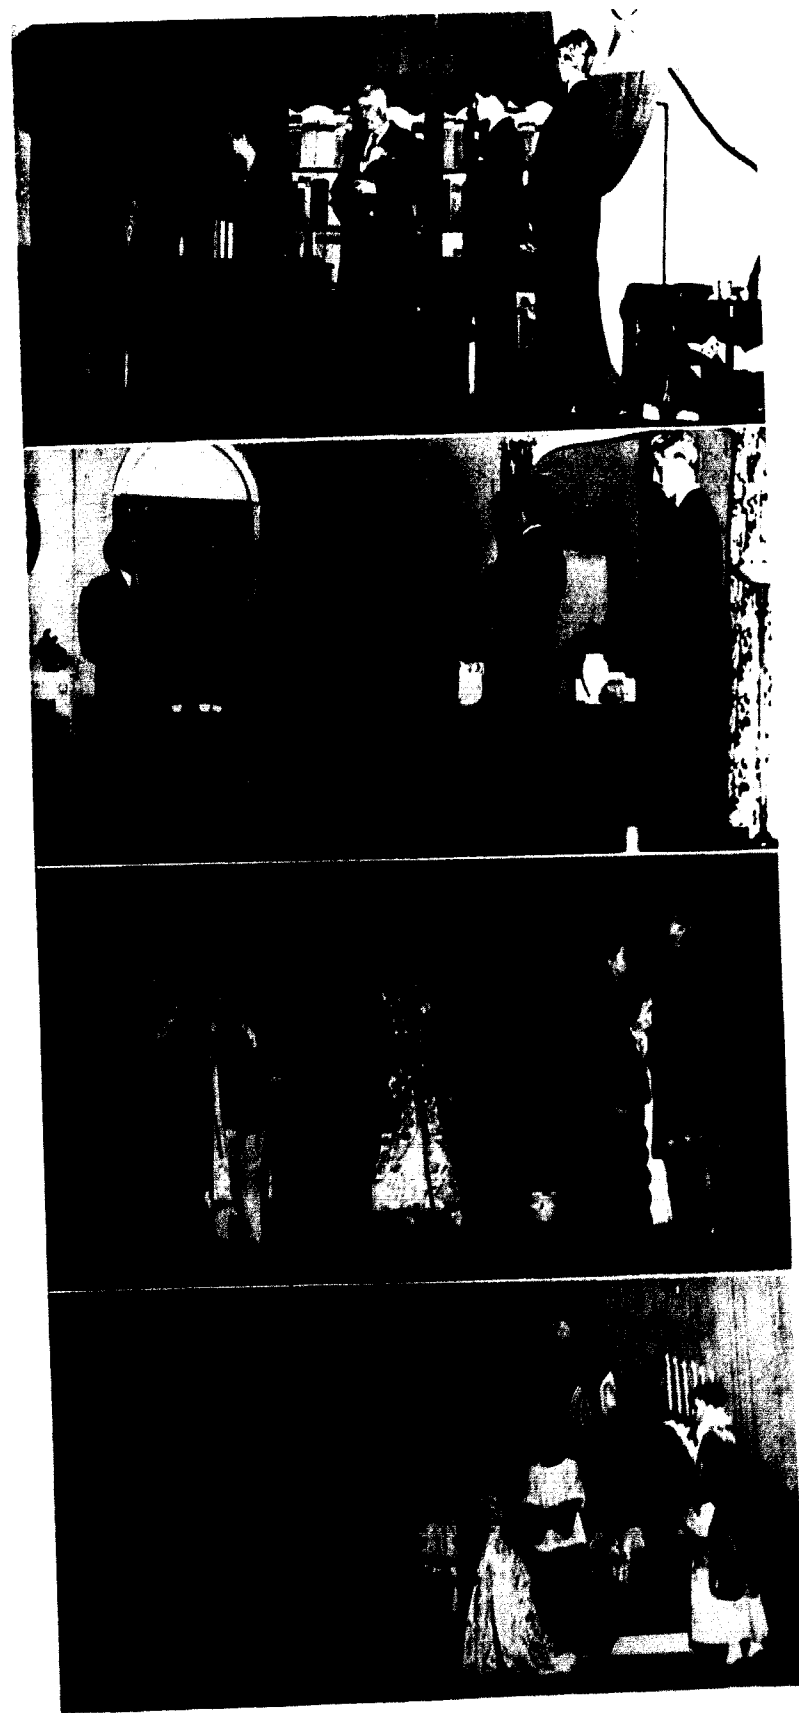

Miss Virginia D. Rice is the competent and well-liked director of the Players. To her goes much of the credit for the successful record of the Players.

Season after season they have turned out productions of quality which have provided much enjoyment to students and the townspeople of Liberty. Miss Rice was greatly missed during her absence of two months necessitated by her illness.

With a large enrollment and a spirit of enthusiastic co-operation, The William Jewell Players have completed another successful year of dramatic activity.

On November 1 "First Lady," the witty and brilliant satire by Kaufman and Dayton, was presented. Dorothy Ray and Ray Lavery were excellent in the parts of the charming and clever Lucy and the kind, high-principled Stephen, and "Flame" Lewis and Armand Spizziri were unforgettable in their comedy leads. Other members of the cast were: Ercell Head, Nancy Bohart, "Woody" Rixey, Patty Davis, Janet Sterling, Jim Gibson, Herbert Levine, Elizabeth Derwacter, Rosie Giles, Eunice Todd, Ann Joy Petty, Charles Miles, J. D. Farmer, Paul Curau, Gloria Anisman, Bob Blanchard, Bill Marsh, Irene Simon, Binnie Nolan, Bob Treaster, David Head, and Ronald Bishop.

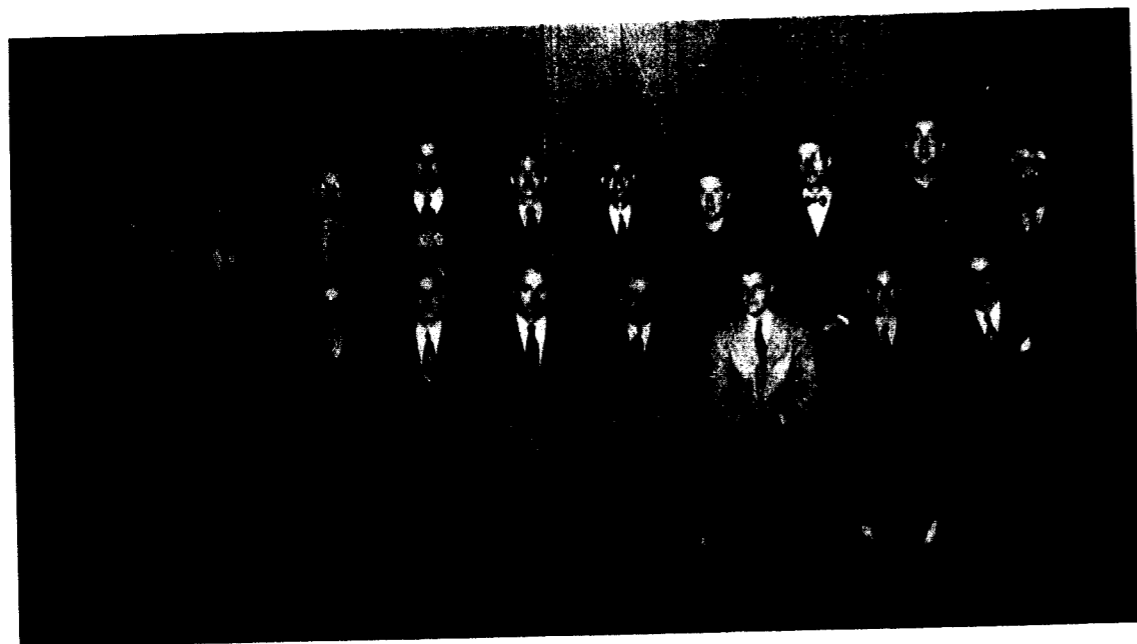

With the presentation of "Much Ado About Nothing" on January 30 and 31, the Players added another Shakespearean play to the roster of those already presented on the Jewell stage: "Hamlet," "The Merchant of Venice," and "Twelfth Night." The large attendance and enthusiastic reception of the play indicated the success of the performance. In the leading roles of Beatrice and Benedict, Betty Mallett and "Woody" Rixey gave a memorable performance evidencing careful and imaginative attention to details of characterization and dialogue. They were well supported by the following cast: Charles Benedict, Katherine McKim, Bill Miller, Jim Gibson, "Boob" Payne, Ronald Bishop, Bill Marsh, Eugene Ritter, Conard Moore, Bill Overton, Alvin Block, Tom Bray, Alba Gillespie, Gene Fink, Binnie Nolan, Jeri Smith, John Beamer, John and Patty Lund, Locke Bowman, and Dick Wallace.

Special commendation is due the following for outstanding work on the technical staff: Jack Powell, Paul Liggett, Charles Brown, Jeanine Tussy, and Ann Joy Petty.

Officers for this year were: President, Bill Riggs, Vice-President, Lorene Nelson, Sec-Treas., Sarah Hazel Cutts, Business Manager, Ray Lavery.

From "First Lady": First Picture: Lewis, Davis, Spizziri, Miles, Levine; Second Picture: Lavery, Ray, Bohart, Head, Gibson; From "Much Ado About Nothing": Third picture: Mallett, Gibson, Benedict, McKim, Miller; Fourth Picture: Payne, Rixey, Nolan, Smith, Mallett, Bishop, Miller, Gibson, McKim, Wallace, Benedict.

ALPHA PHI OMEGA

Row 1: Sanborn, Marsh, Luter, Troop, Ballenger, Gier, Casebolt, Melton, Head; Row 2: Hermann, Williams, Mustion, Kruegger, Moore, Truex, Taylor, Rudd, Whitthaus, Prince.

Alpha Phi Omega was founded on William Jewell campus as a local service fraternity in 1931, and later, in 1934, the local chapter joined the national organization. This fraternity stands for service of every kind, assembling within its fellowship under the Scout Oath and Laws, college men who are willing and eager to serve their fellow students, faculty, and community. The only requirement besides these fundamental purposes is that the student have had previous experience as a Boy Scout.

The motto of Alpha Phi Omega is "Service," and the organization has done much during the year to fully qualify itself in that aim. The group has supplied the school and community with student directories, a handy booklet which lists the names, addresses, and telephone numbers, and the classification of each student. Recently, the members canvassed the men's dormitories in behalf of the local chapter of the American Red Cross. They also afforded messenger service and directed traffic for the Achievement Day proceedings. In many other

fine ways the "A. Phi O." has maintained its distinction as a great service fraternity on the Hill.

The national convention of Alpha Phi Omega was held in Kansas City, December 28-29, and our chapter, Alpha Mu, was co-host to the nation-wide delegates. At this assembly Armand Spizzirri was elected to the National Executive Board.

Twice a month noonday meetings were held at the Colonial Hotel, and this opportunity for fellowship helped to unite the bonds of the group more closely. The chapter fulfilled its pledge quota for the H. Roe Bartle Class, and twenty-five pledges were initiated in an impressive ceremony.

Dr. L. J. Gier is the senior faculty advisor of Alpha Phi Omega, and Dr. Frank G. Edson attended the national convention as our advisor. The officers for the first and second halves of the year were: President, M. C. Ballenger and Buford Casebolt; Vice-president, Buford Casebolt and Eugene Troop; Secretary, Eugene Troop and Bruce Melton; Treasurer, Eugene Troop and David Head; Sergeant-at-Arms, Jim Luter.

YOUNG WOMEN'S AUXILIARY

The annual fall tea welcoming new students opened this year's activities and effectively demonstrated the friendliness of the Y. W. A. girls. Under the leadership of the program chairmen, Shirley Conklin and Maxine Shiner, the monthly meetings have attained that high quality of Christian fellowship and devotion for which the Y. W. A. is known. The officers and members have cooperated in making inspirational contributions to the religious life of the campus. Amy Wick has served as president this year.

A new project of the year was the beginning of prayer meetings for "shut-ins." On Wednesday evenings a group of Y. W. A. girls visited persons who were unable to attend prayer meeting at church, and brought short devotional messages to them. The entire organization has been spiritually strengthened by these services.

Among other accomplishments and events of the year were the sending of "Happiness Cards" to hospitalized persons; a lovely Christmas program climaxed by the Lottie Moon Christmas offering; having one of our missionaries to Africa as guest speaker at one of our meetings; taking charge of

Morning Watch for one week; helping to plan and take part in a program of the Women's Missionary Union at the Second Baptist Church; sponsoring a study course; and finding places of service in the church.

The impressive formal banquet given in April was representative of traditional Y. W. A. banquets by being the highlight of the Y. W. A. activities and one of the outstanding events of the college year.

We deeply regretted the resignation of Mrs. Allen S. Cutts who has been our sponsor from the W. M. U. for several years. She has been a splendid advisor and a mainstay of the Y. W. A. We rejoice in the fact that Mrs. H. I. Hester is our new sponsor for she, like Mrs. Cutts is a capable and devoted leader. We feel certain that under her guidance the Y. W. A. will continue in serviceable activities for the campus and the community.

The Y. W. A. has been highly successful this year in its purpose of uniting the girls in an organization which will help them to grow in Christian character and leadership. Every girl on the campus is eligible for membership, regardless of her faith.

Row 1: Cutts, Mallett, Benson, Morse, Skaggs, Albertson, Denison, Leavitt, Schilon, Wick, Mrs. Hester, Robinson, Giles, Best, Ganotte, Luddecke, Simmons, Honey; Row 2: Shiner, Winston, Bogard, Grahl, Elder, Beasley, Porter, McMakin, Stone, Osborn, Head, Quick, Medearis, Smith, Harder, Higgins, Loomis, Goodrick, Henson; Row 3: Payne, Irmingier, Ackerman, Robinson, Crowley, Hansell, Botts, Fulton, Boggs, Schillie, Sadler, Noland, Ashley, Todd, Jones, Weldon.

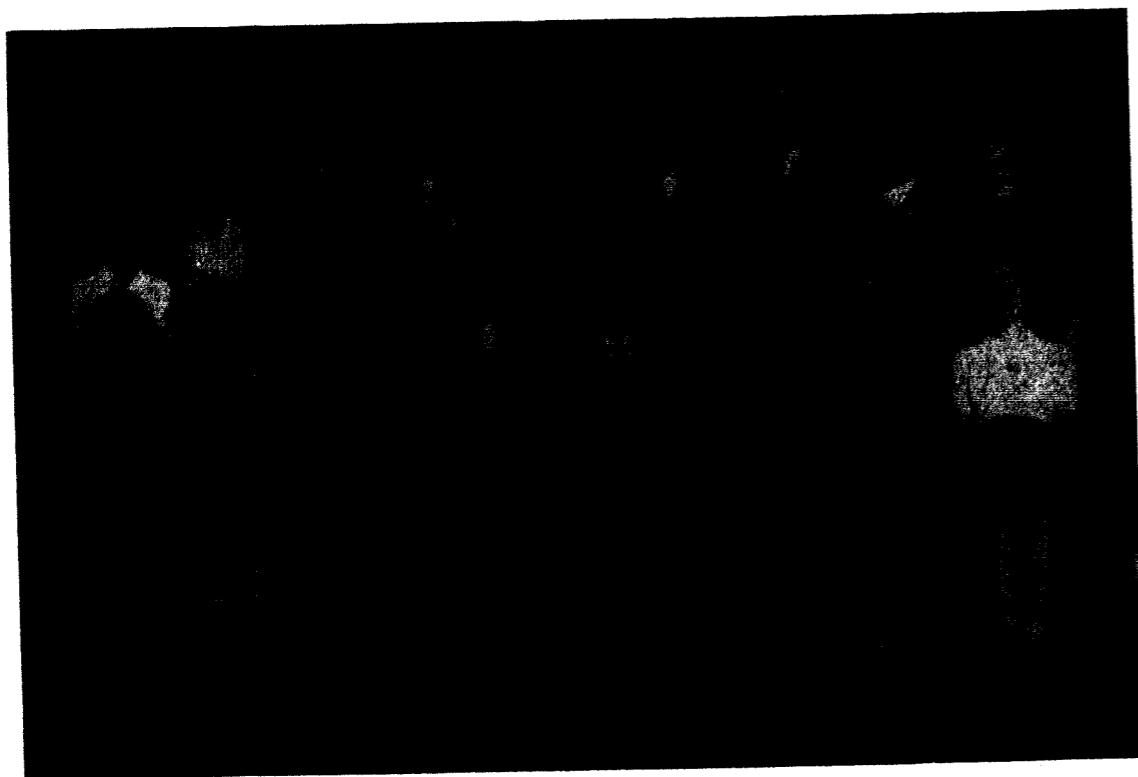

PI KAPPA DELTA

William Jewell's chapter of Pi Kappa Delta celebrated its twenty-fifth full year on the campus by inaugurating a program to raise William Jewell's activities in forensics back to its pre-war heights. The first contribution was its sponsorship of the intramural debate tournament to determine a school champion and to seek out new debate and speech talent. Stimulating interest in intercollegiate competition and aiding in the development of its new members, the chapter went on to complete its year of full participation in forensic events.

Pi Kappa Delta is the largest speech fraternity in the world and has always encouraged excellence in "the art of persuasion beautiful and just." This year the national organization held a national tournament in Bowling Green, Ohio, in the second week of April. This was the first tournament since 1942 when Charles Smith and Jim Jenkins, members of this chapter, won the national championship in debate. This year Jim Jenkins and M. C. Ballenger were acclaimed national discussion champions.

Row 1: Stephenson, Irminger, Davis, Ballenger, Jenkins, Lavery, Halter, Clark; Row 2: Boggs, Moore, Casebolt, Lustram, Harvey, Muncy, Head, Biggerstaff, Decker.

These same two also achieved an excellent rating in debate. Glen Muncy and Pat Davis won excellent ratings in extemporaneous speaking. Pat Davis and Dorothy Welden in the women's debate division won a good rating, and this, plus the points won by Ruth Ellen Halter and Locke Bowman in the oratory division, helped to acquire for Jewell the national sweepstakes award. Pi Kappa Delta is proud of these members.

Pi Kappa Delta has four degrees, each of which represents certain forensic attainments. These are the degrees of Fraternity, Proficiency, Honor, and Special Distinction. The diamond key of Special Distinction has been won this year by M. C. Ballenger, and the double diamond key by James Jenkins, debate coach and chapter president.

In their work this year the students have been aided by Pi Kappa Delta members of the faculty, Joe S. Amery, Jr. (holder of the double diamond key) and P. Caspar Harvey, Director of Forensics.

PHILOSOPHY CLUB

Row 1: Irminger, I. Hargrove, Carlson, Borth, Halter, McMahan, Cutts, Duce, Ballenger, Jones, Mallett, Stone, McClure, Mallinson; Row 2: B. Hargrove, Barnes, Griffith, Brown, Thomas, Wick, Powell, Williams, W. Binns, M. Binns, Payne, Jenkins, Sutton, Beamer.

The purpose of the Philosophy Club on "The Campus of Achievement" is to promote interest in philosophy on the campus and to provide for the extra-curricular pursuit of philosophic interests. The membership is restricted to those students who have a philosophy major or those who are taking philosophy with a grade of "B" and give evidence of interest. Seven meetings are held during the college year. Among the meetings held during this year the following took place: (1.) at the home of Dr. Duce with Gene Barnes reviewing Santyana's "The Idea of Christ and the Gospel," (2.) at the home of Dr. Cutts with Dr. Allen S. Cutts speaking on "The Definition and Nature of Religion," (3.) at the home of Dr. Lawrence Cleland with James J. Jenkins, Kathleen McClure, Betty Mallett, Betty Carlson, Barbara Stephenson, Marion Graham, and M. C. Ballenger discussing "The Nature of Immortality," (4.) at the home of Dr. O. L. Johnson with Dr. Duce speaking on "The Knowledge of God

and Neo-Thomism," (5.) in the recreation room of Melrose Hall with Dr. Harold Durfee of Park College speaking on "Existentialism," (6.) at the home of Dr. and Mrs. Duce who graciously entertained the club with a buffet dinner consisting, among other things, of pragmatized potatoes, golden Empedoclean roots, eclectic salad, frozen idealism with mystical sauce, and Confucial pekoe. Dr. T. B. Maston, Professor of Social Ethics at the Southwest Theological Seminary at Fort Worth, Texas, spoke to the group on "The Sources of Authority for Ethics." The final meeting of the year took place at the home of Jim Jenkins with Dr. Walter P. Binns, entertaining reading of "Enius Africanus." These meetings shall long be remembered by the members of the club.

The officers of the Philosophy Club for this year were: President, M. C. Ballenger; Vice-president, Russell Creason; Secretary, Eunice McMahan; Treasurer, Sarah Hazel Cutts; and Reporter, Betty Mallett. Dr. Leonard A. Duce is the faculty adviser.

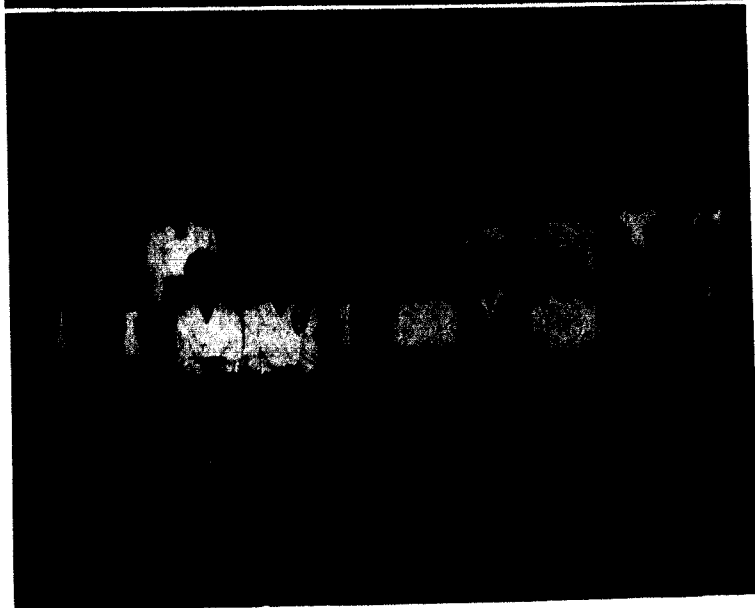

PAN AMERICAN

The Pan American Club was established in 1942-43 with the aim of acquainting the students with Pan America and of furthering the Good Neighbor Policy. William Jewell has been fortunate to have several Pan American students who have brought the club information about their countries.

During the year the club entertains speakers from various cities who are able to speak with knowledge and authority on things which are of interest to the organization. Each year a banquet is held at which Latin American food is served. Pat Lund served the club as president this year.

The motto of Epsilon Omega Pi is "Into Service Prepared." This organization is made up of girls who are preparing for full-time Christian service. The purpose of the organization is to help the members to develop every phase of their lives and that each girl might learn more about the work which she plans to do. The song for E. O. P. is "When I Survey the Wondrous Cross," the colors are blue for loyalty and white for purity. The scripture verse is, "If a man purge himself from these, he shall be a vessel unto honor, sanctified, and meet for the Master's use, and prepared unto every good work."

GAMMA BETA NU

Row 1: Duce, Binns, Crenshaw, Bridgett, Schafer, Derwacter, Cleland, Bartel; Row 2: Martin, Prentice, Voiccy, Allen, Barker, Boyd, Rudd, Perry; Row 3: Ballenger, Cobb, Harrop, Herring, Cole, Hargrove, Cealock, Stigers.

Gamma Beta Nu was organized in 1931 by the wives of ministerial students. Mrs. Amel Whitever, a student as well as a wife, saw the need for an organization among the young wives who had mutual problems and interests which would give them contact with the college and, best of all, would give them friendships to last throughout the years.

The Greek word for the motto "Wives help to win" furnish the initials for the letters Gamma Beta Nu, and this motto inspires the ministerial wives to become better helpmates for their husbands in the work to which they have devoted their lives. This organization seeks to develop a high standard of thinking and living in those who have one of the most difficult tasks in the world, that of being a minister's wife.

The monthly social meetings held at the homes of the members center about discussions of common problems and relaxing entertainment. The outstanding events of the year were the family Fall get-together to form a friendship between the old and

new members, the Christmas party, and the spring banquet in honor of the husbands and wives who are graduating. A memorable message was brought to the group by Mrs. F. M. Derwacter on the customs of the Japanese.

Since the beginning of this organization, Mrs. F. M. Derwacter has served as its sponsor. The honorary members are Mrs. H. I. Hester, Mrs. A. S. Cutts, and Mrs. L. A. Duce. Mrs. L. W. Cleland is an alumna member and a member of the charter group.

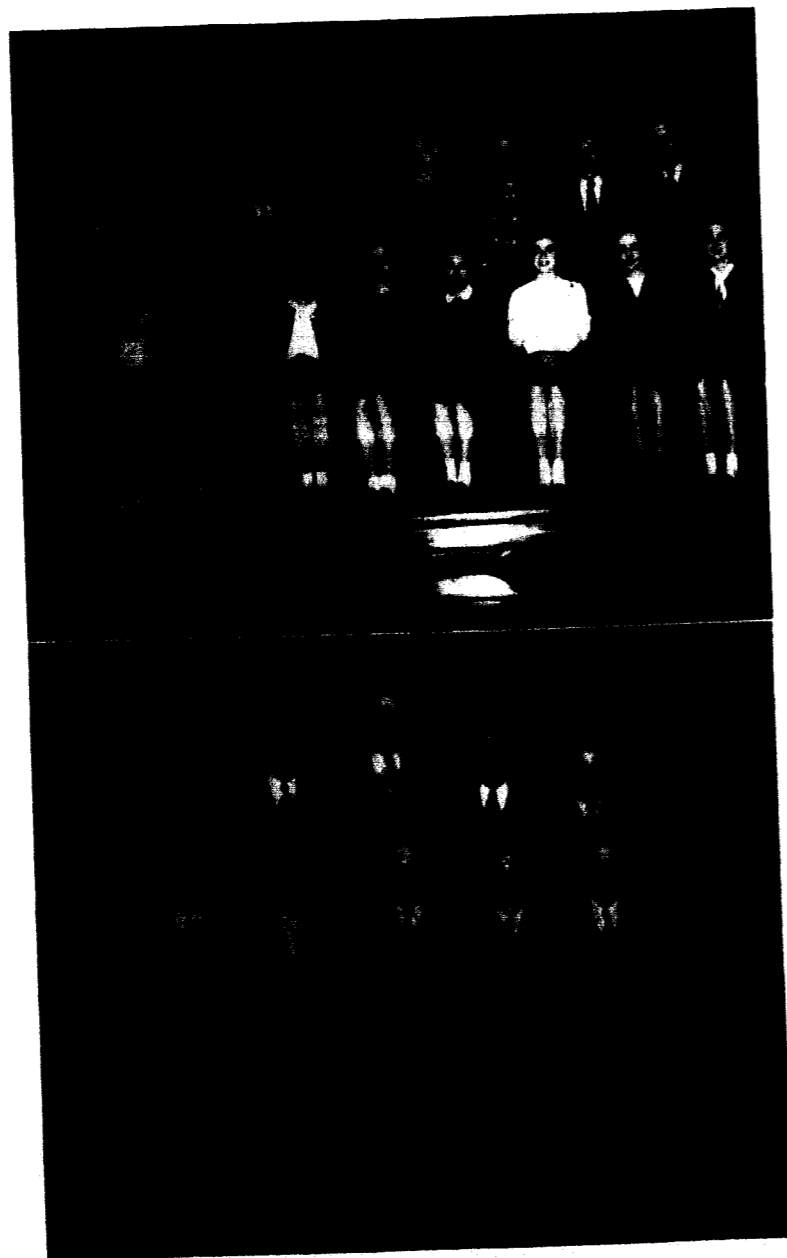

As each leaves the fellowship of William Jewell and goes to a greater task she is thankful for the contacts made and opinions expressed and help given her by the Gamma Beta Nu.

The officers for 1946-47 were: President, first term, Sue Young, second and third term, Gertrude Bridgett; Vice-president, Genevieve Crenshaw; Secretary-Treasurer, La Verne Schafer; and Historian, Jeanette Larsen.

The Baptist Student Union is the connecting link between the college student and his local church. It keeps before him the objectives of the church and sponsors religious activities on the college campus. The council was very ably led this year by Sarah Hazel Cutts as president. This council sponsors such activities as daily Morning Watch services, the prayer-mate movement, the State Baptist Union Convention, the World Student Service Fund Campaign, and fellowship hours. The program was highlighted this year by a "Captivating Carrousel" banquet.

ALPHA ZETA PI

Row 1: John Truex, Medford Speaker, Paul Powell, Harland Ginn, Eugene Troop; Row 2: Jim Bercaw, Jack Farmer, Paul Curau, Dick Wallace, Ward Williams.

The Alpha Zeta Pi is an honorary Christian organization for the promotion of Christian ideals on the campus. The colors are blue and white, and the flower is the lily of the valley. This organization was formed on the campus in 1924.

The highlight of this year was the annual banquet held on April 2 at which the new pledges made an honorary member.

Dr. Derwacter is the faculty advisor, and the officers for this year were: President, Paul Powell; Vice-president, Dick Wallace; and Secretary-Treasurer, Locke Bowman.

Mu Sigma Alpha, honorary mathematics fraternity, is organized to promote the interest of mathematics on the campus. Papers are presented at the meetings, and the talks of faculty members are always of interest. The sponsors are Prof. L. C. Jones, Prof. D. V. LaFrenz, and Dr. W. A. Hilton. The officers are: President, Mary Ruth Carney; Vice-president, Truett Neese, and Sec-Treas., Helen Irminger.

Since writing comes under the classification of work, it is at odds with the philosophy of the Grandsons of Rest, a senior honor society. They are

all peacefully resting.

Founded for the purpose of promoting high sportsmanship in the athletic program sponsored by the college, the Cardinal "J" Club admits only those boys who earn the coveted red and black "J" and pass the board of control requirements of an attitude worthy of honor.

The annual "J" Club show, "Shoot the Works," was one of the most successful shows produced this year. The president this year was Dick Hyder; Vice-president, Jim Agee; Secretary, Dave Gragg; Treasurer, Bryan Smith; Historian, Howard Skeen.

MINISTERIAL ASSOCIATION

The ministerial association is composed of men students at Jewell who have dedicated their lives to Christ in full-time service as ministers, missionaries, or ministers of music. This organization is the oldest on the Hill, having been in existence, even though not identified by its present name, since the beginning of Jewell's history.

The purpose of the organization is to unite ministerial students in their common goal and to provide inspiration and instruction in lines pertinent to their later work. The meetings are held each Wednesday afternoon temporarily in Colonial House. Ministers and laymen from the churches in Liberty, those from out of town, especially Kansas

City, and Jewell faculty members are invited to speak each week on pre-selected subjects which are considered of particular value in regard to actual church work. Frequently representatives of the various seminaries are guests of the college and the Ministerial Association, speaking in chapel and later on to the group on specific topics. These conferences are helpful to the ministerial student who is preparing to enter a seminary after completing his college work.

This organization also has its social activities, the most enjoyable of which is the annual banquet. This year's formal banquet was held in the Colonial Hotel, with an inspiring after-dinner message

Row 1: Marsh, Martin, Melton, Moore, Perry, Pfau, Powell; Row 2: Prentice, Qualls, Reynolds, Ross, Rudd, Sanborn, Schaffer; Row 3: Sutton, Troop, Treaster, Tomek, T. Thompson, P. Thompson, Taylor; Row 4: Wagner, Williamson, White, Williams, Wilson, Young.

given by Dr. H. Guy Moore, alumnus of William Jewell and pastor in Kansas City of the Wornall Road Baptist Church. Wives and dates were guests of the members, and fine food and fellowship were enjoyed by those who attended. One of the events of the program was the installation of this year's second set of officers, conducted by Dr. Laurence W. Cleland. As usual, the association has chosen two outstanding sets of officers for the year 1946-1947: President, M. C. Ballenger and Orville Sutton; Vice-president, Paul Powell; Secretary-Treasurer, Bill Hargrove and Eugene Troop; Pianist, Harland Ginn and Vancil Gibson; Assistant pianist, Jack Wilson; Chorister, Merle Brandy and S. C. Williams; Assistant Chorister, Jack Wilson and

Harland Ginn; Reporter, David Head and Conard Moore; and the Group Captains for the first term were: Francis Allen, Bob Bartel, David Cobb, Richard Barker, Harold Hurst, Bill Pfau, Bill Skazik, Orval Sutton; those for the second half were: Ward Williams, Bruce Melton, M. C. Ballenger, Billy Hargrove, Harold Hurst, David Cobb, Sammy Qualls and Bill Marsh.

William Jewell was founded for the purpose of giving academic preparation to ministerial students, and great Baptist leaders have emerged from the Association. The members of the Association take the words of Christ as recorded in John 8:31-32, "If ye continue in my word, then ye are my disciples indeed; And ye shall know the truth and the truth shall make you free."

CO-OP

In its twentieth year of service to the student body the Co-op Bookstore has enjoyed its most prosperous and crowded year. The profits from sales are used each year for various improvements around the campus. This year the sum of one thousand dollars was given for the preliminary development of the northeast section of the campus, where the recreational area and the tennis courts are to be built. Without the cooperation of the student body and the faculty directors the management would never have been able to report such a successful year. To Professor Henri Godfriaux, Thurston Isley and L. O. Jones, and to Bill Riggs, Phyllis Osborne and Dick Newell go much thanks for the hours of consultation and the suggestions they offered during the monthly meetings of the Co-op Board.

In October Jim Bercaw took over the management of the store from Eldon Johnson who served for two years. Jerry Skelton acted as assistant manager until February when Bob Payne was elected to succeed her. Others who served were: Asa Skelton, Jim Gibson, Tillie Robinson, John Whittenburg, Lucy Crouch, Norman Short, Paul Skeen, Ercell Head, Bev Miller, Johnny Cooper, and Bill Marsh.

The management, clerks, and Advisory Board wish to thank the students and faculty for their patience, friendliness and courtesy, all of which went together to make this year the most successful one in the history of the Co-op.

WILLIAM JEWELL PRESS

For the past thirty-three years the William Jewell Press has faithfully served the college, responding to all her needs for printed matter. All of the publications of the college, The Alumni Bulletin, the Church and College, The Student, The Tatler, and The Catalog, are put out by the Press. Besides these publications the Press also serves the college and its various organizations by providing invitations, stationery, cards and other matter necessary for the smooth running of each office and organization.

Outstanding work has been done this year by the Press under the direction of Dawson Newman. He became manager in September after having been employed by the Press for several years. Because of his knowledge of all the various details of press work, he proved to be a capable and efficient manager. Beginning

April first the college leased the Press to the former manager, John Nowell. Both of these men are William Jewell graduates and have had wide experience in the printing field. It is an opportunity to work with two men who are both cooperative and willing to help in any way possible.

With the addition of a new press this year, the output of the printing has been greatly increased and the standard of quality raised. This improvement is a great asset to the Press.

Responsible for the accurate records is Mrs. Robert Haire who, until March 29 was Miss Eleanor Neth. She is always cheerful and friendly to all the students who come to the Press to place orders.

The college is indeed fortunate in having such an efficient business organization located on the campus.

Dawson Newman, Manager

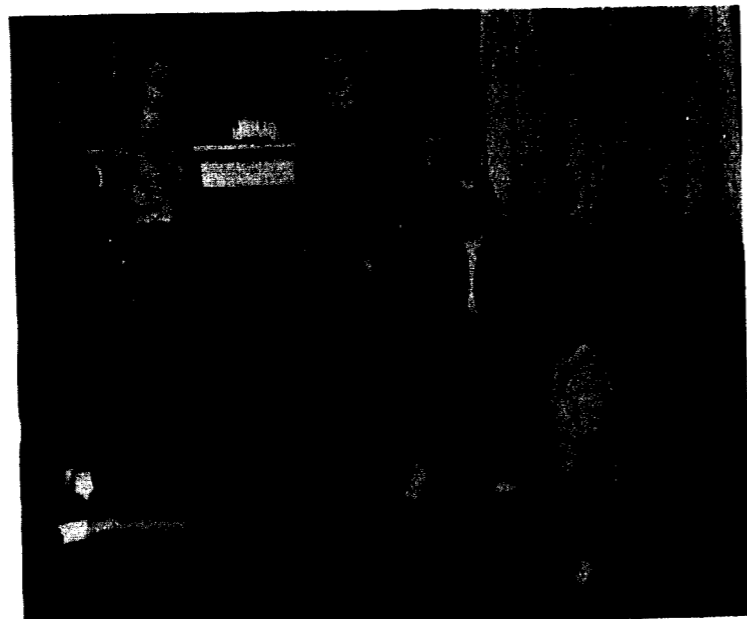

The Panhellenic Council is composed of three delegates from each sorority: the president, rush captain, and one other representative from the sorority. The council has as its purpose the promotion of a friendly and cooperative spirit among the sororities, the adjustment of problems and policies and the drawing up of rules for rushing and pledging.

Under the direction of the council, the "Greek" girls held a workshop for the purpose of discussing and improving the contribution of sorority life to the individual as well as to the school. This project was climaxed by a Panhellenic Dance.

INTER-FRATERNITY COUNCIL

Seated: Heamer, Truex, Spizzirri, Redding, Roberts; Standing: Turnage, Riddell, Smith.

The Inter-fraternity Council is an organization made up of the presidents and one other representative from each of the social fraternities on the campus. The most important functions of the council are to determine the rushing rules of the fraternities, the athletic program between them and to choose the political representatives on the campus. There are no officers of the council since any member may call a meeting at any time and bring up any matter he would like discussed. The aim of the Inter-fraternity Council is to promote mutual cooperation among the fraternities.

INDEPENDENT SOCIETY

Far beyond our college days shall live the experiences which have been written in this year's Independent Book of Memories. To us they mean the fun of social life together but more than that they mean the expression of the ideals and ideas of those of us who are truly independent in our thinking and believe in the "independent way."

The red, white, and blue, indicative of freedom and self-expression, are the colors of the Independent Society and show forth its purpose which is "to establish justice, promote the spirit of sportsmanship and fair play, and to secure recognition, as well as to provide activity, for every student at William Jewell College."

A get-acquainted party, Sunday morning coffee, hay ride and water melons began the activities of another and more wonderful year of college life. As the year rolled by there were weiner roasts, barbeques, a "Friday the Thirteenth" party, a party planned and given by the girls which was very appropriately named "gold diggers," one honoring our engaged couples and another given for the

members of our girls and boys basketball teams. In the spring was the annual Formal Party — a gala occasion.

Mixed in with the fun and social life were honors and victories won by Independents. The girls' and boys' basketball teams fought hard and each came out in second place on the season's score-card. Clara Jones made Who's Who and Panecagis and many Independents were members and officers in the organizations on "the hill" including the honorary fraternities Pi Gamma Mu, Phi Sigma Iota, Tri Beta, Mu Sigma Alpha, Theta Chi Delta, in which they served with "ye ole" Independent Spirit.

Elsie Lewis and Shirley Greene represented us in the Tatler Revue. Both looked lovely and Shirley was chosen as an attendant. Dramatics and forensics were well represented with Independents.

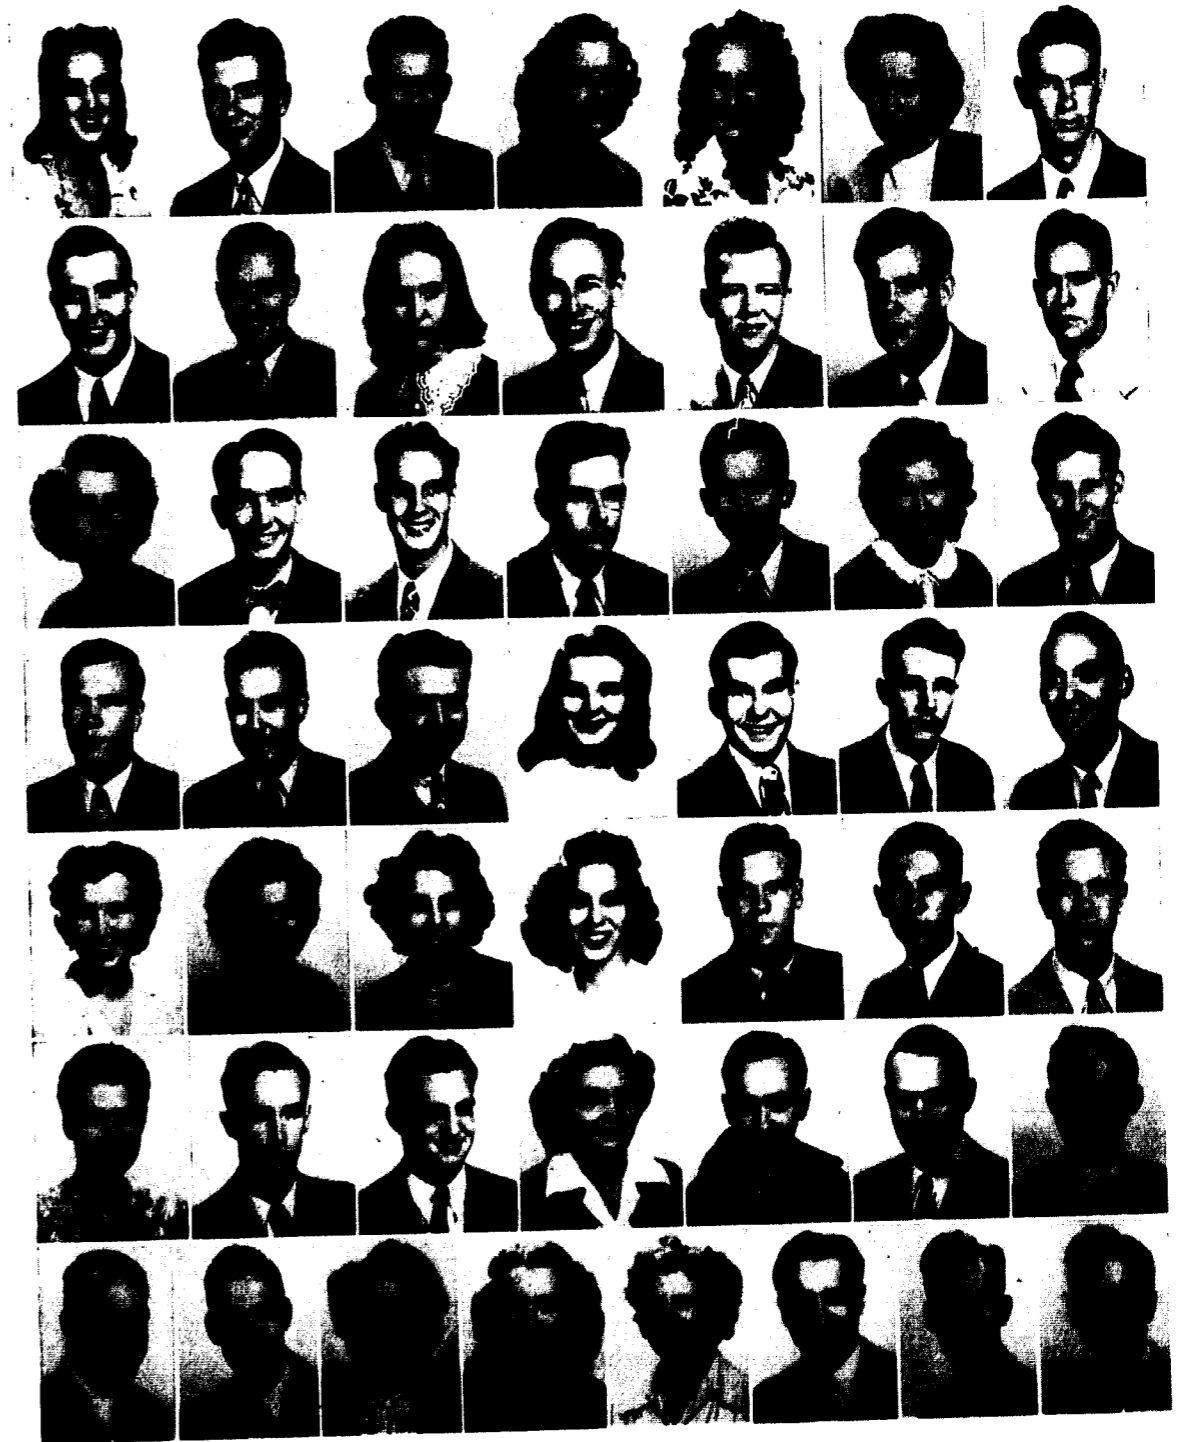

As the year ends we look back on it and think of the good times we had together, but at the same time looking forward that we might work to have a greater Independent Society in the coming years.

INDEPENDENT SOCIETY

On May 14, 1946, Epsilon Epsilon chapter of Alpha Gamma Delta was formally pledged and thereby introduced to the campus of William Jewell another national sorority. Ten charter members took the red, buff, and green tri-colors and shield, thereby pledging themselves to a thrilling, new adventurous year. Under the capable leadership of Pat Davis as president, first of the pledge class and later of the formally installed chapter, the AGD's were off an exciting year. National officers of Alpha Gamma Delta as well as guests from chapters at other colleges and universities where the red and buff roses and the pearl pin are cherished came from far and wide to take part in the week-end of festivities which marked the climax of several months of planning and preparation, the formal initiation and installation of Epsilon Epsilon chapter of Alpha Gamma Delta. The teas, the party in our honor given by the Inter-fraternity council, the flowers and gifts and the general best wishes of the campus and friends from other campuses, were gratifying rewards for all the painstaking groundwork laid by the charter members.

The first year found Alpha Gams outstanding in debate, active in dramatic productions, editor of the *Student*, writer-director of *Tatler* Revue, in recitals, Pi Kappa Delta, Sigma Tau Delta, and busy in party plans which included the pledges' "Put Away

the Stars" dance, Pirate Party, Mother's Day Tea, International Reunion Day luncheon, and the climax of the social activities of the year, our Anniversary Ball in May.

Beta Sigma Omicron was founded in 1888 at Columbia, Missouri, and the Alpha Psi chapter was established at William Jewell in 1931, replacing the local organization, Iota Pi. Our sorority flowers are the Richmond and Killarney roses, and our colors are ruby and pink.

Our very successful year was begun when twenty-four future pledges were greeted at the door of Bellevue, our BSO headquarters this year. All we Betas will remember this year's outstanding events, such as: numerous radio parties with such themes as "School Days," "Christmas," and "Crazy Daisy" . . . how heartily we all welcomed our sister national sorority, Epsilon Epsilon chapter of Alpha Gamma Delta, holding a tea in honor of their installation . . . our pride at Homecoming on winning second place with our "Baker's in a Stew" float, and they really were with a Jewell victory of 7 to 6, and our two charming princesses and one lady-in-waiting . . . the one week we held morning devotional services of the college . . . our regal queen, Miss Jean Beagle of Pampa, Texas, reigned magnificently over Tatler Revue as the queen of the year . . . our two Betas in Who's Who . . . two Sigma Nu pins, three Kappa Alpha pins, three Phi Gamma Delta pins, and four sparkling diamonds . . . the Cinderella Ball, our winter formal, which was topped only by our gorgeous Annual Rose Formal and formal dinner . . . adding sentiment to the year with our delightful tea held on Mother's Day.

Beta Sigs were active in campus activities—assistant business manager of the Tatler, associate editor of the Student, Vice-president of Panhellenic Council, other officers in scholastic and honorary groups, seven student assistants, and outstanding students in debate and oratory. What a glorious year this has been.

TNT was founded in 1922 at William Jewell College, this being her twenty-fourth year as an organization. The colors are lavender and purple and the flower is the violet.

TNT's who graduate in the spring of 1947 will, as always, carry with them many happy memories of the efforts and accomplishments of their sorority during the past year. They will recall with pride their president who reigned as First Lady of the campus, their four sisters listed in "Who's Who," and the two who became Panagis members. In the social realm they will recall our gracious Homecoming queen, our Tatler Revue attendant, the skit which the same night placed third, and the Christmas party at Mrs. Remley's home.

Not soon to be forgotten are the other campus activities—the winning of the basketball tournament, participation in the plays, debating and the winning of the national Phi Sigma Iota essay contest by one of our sisters. They will remember, too, the fun of entertaining with an alumnae tea on January 25 and with the annual Mother's Day Luncheon on May 10.

More extra-curricular activities which have helped to make this year one of happy progress have included Tatler editor and associate, "Student" associate editor, and student assistants in various departments.

Cupid, too, has been a busy fellow and has visited our chapter frequently, bringing us five weddings, two engagement rings, two Sigma Nu pins, two Kappa Alpha pins, and four "Fiji" pins. Several of our group are planning May and June weddings.

Aside from these honors to TNT's—as a group and individually, thoughts of friendships within her group will linger as more precious and lasting memories throughout the coming years. Such thoughts as the fun of working on dances and then realizing the efforts were not in vain when we saw the decorations of our Autumn pledge dance, our "Home for Christmas" formal, the barbeque dance and the beautiful spring formal. Such memories as

sitting before the camp fire singing sorority songs will remain pleasant thoughts for TNT's.

KAPPA ALPHA

Row 1: Botz, Bowman, Boyer, J. Brandom, T. Brandom, Brammall, Burns, Cantlon, Clemens; Row 2: Crawford, Creason, Dinwiddie, Earls, Etherton, Fancher, Forsyth, Gragg, Greene; Row 3: Hair, B. Hall, C. This year marked the sixtieth anniversary of Alpha Delta Chapter of Kappa Alpha Order, established on the campus of William Jewell as the thirty-second chapter in the United States, in January, 1887. The order was founded in 1865 at Washington and Lee, under the spiritual leadership of Robert E. Lee, whose example the Southern Gentlemen have strived to typify through the years.

Regaining the chapter house in June, 1946, to terminate an occupancy of three years by college girls during the war emergency, the members of Alpha Delta worked industriously through the summer to re-decorate the house in time to have it looking its best during rush week. The social season of the year began with a tea for the new housemother, Mrs. W. T. McWilliams.

Continuing the success of rush week, Kappa Alpha took first place for its ingenious homecoming float, and contributed to the day's victory with five men on the varsity football team.

Soon after the fall formal, four K. A.'s were honored with listings in "Who's Who" -- Bowman, Creason, Jenkins, and Truex. Two alumni, the reverend William E. King and Lawrence E. Mahan, were cited for achievement at the third annual Achievement Day.

In the winter term, the K. A. basketball team received first place laurels in the intra-mural league, while two members were on the varsity squad. The high point of the social season was a Gay Nineties Costume Ball, held at the chapter house, replete with costumes, mustaches, favors, and beaten biscuits.

Kappa Alpha carried away the first place trophy in the Tatler Revue skit contest, with its own version of Achievement Day, on wheels.

LAMBDA CHI ALPHA

Row 1: Beamer, Billingsley, H. Burress, P. Burress, Cox, Dillon, Gillespie, Lawrence Jones, Leonard Jones; Row 2: Larson, Leggett, Overton, Riddell, Rutherford, Sato, Tucker, Turner, Vaughn.

The Epsilon Nu Zeta of Lambda Chi Alpha, the largest fraternity in the country, was activated at William Jewell in May, 1942, having been formerly the Zeta Chi fraternity.

Since its activation, its history has been extremely varied. The war, with its draft, drained the chapter to one or two resident members. However, it was able to retain both its charter and its house throughout that toughest of all fraternity times. From a handful of six members in September, 1946, it has increased nearly seven-fold.

Along with this startling increase in size came increased activity both "on the Hill" and "at the House."

"At the House" activity resulted in new and improved dining and sleeping facilities; excellent study facilities; and fine social and recreational facilities. The house itself, located at 225 North Lightburne Street, contains thirteen rooms and two baths. Countless pleasant memories for pledges active members, and alumni—as well as many guests—hover around the house; memories that are relived countless times, and will continue to be. Several informal parties have been given by Lambda Chi this year at the house, to which many Greeks and their Gals were cordially invited and warmly welcomed.

There were two outstanding social events held outside the house, too. The Autumn Formal dance at the Colonial Hotel was a pace-setter for good times, as was the Winter Formal at the Elementary School. Both of these dances were lively affairs with much fun.

"On the Hill" activities found Lambda Chi men in many places. The William Jewell Players' production of "Much Ado About Nothing" used seven

Lambda Chi's: Overton, Gillespie, Gibson, and Fincke as actors; Leggett and Duncan as property men; and Brown is the lighting technician for all the Players' productions. The "J" club show was under the assistant-leadership of Gibson. Scholastically, too, Lambda Chi men are leaders. Brown is a full-time assistant in the English Department, and part-time assistant in the Sociology Department. Riddell is president of the Sophomore Class. Lambda Chi men are workers on the Hill, too: Beamer in the Library, Cox and Billingsley in the Dining Hall, Brown in the Guidance Center.

Officers for this year were: Bill Riddell, President; Harry Burress, Vice-President; Bob Smith, Secretary; C. D. John Brown, Treasurer; Johnnie Beamer, Social Secretary; and Fred Dahlin, House Manager.

PHI GAMMA DELTA

The Zeta Phi Chapter of Phi Gamma Delta has concluded an eventful year. Outstanding among the "Fiji" social events were the pledge dance, the fall and winter formals and the spring favor dance.

With the coming of fall term the royal purple colors of Phi Gamma Delta were seen on the gridiron, and as a result of a successful season twelve "Fijis" were awarded school letters in football. While these twelve were taking the honors on the varsity gridiron, the "Fiji" intramural football team took top honors by being untied and undefeated for the season.

Winter saw basketball becoming the highlight and again the "Fijis" came out on top by eight receiving their William Jewell letters, and again the "Fiji" intramural five closed a successful season by taking the inter-fraternity cup.

With Spring came a number of events in one of which tribute was paid to the Phi Gam' mothers at the Mothers' Day Tea. April twelfth saw all of the Alumni back for the annual pig dinner.

"Fijis" held many offices of responsibility on the campus this year, and among these were Ray Lavery's efficient editorship of the *Student*, assisted by associate editor, Woody Rixey. O. B. Walker was the business manager for the paper.

Armand Spizzirri along with Bill Cunningham and Ray Lavery were represented in "Who's Who" for this past year. In addition to Spitz being the president of the senior class there were three other Phi Gams who held elected presidencies on the Hill. Medford Speaker was student co-chairman of the Religious Focus Week activities. In Forensics Ladd Listrum and Buford Casebolt kept the "Fiji" banner high.

Officers for the year have been:

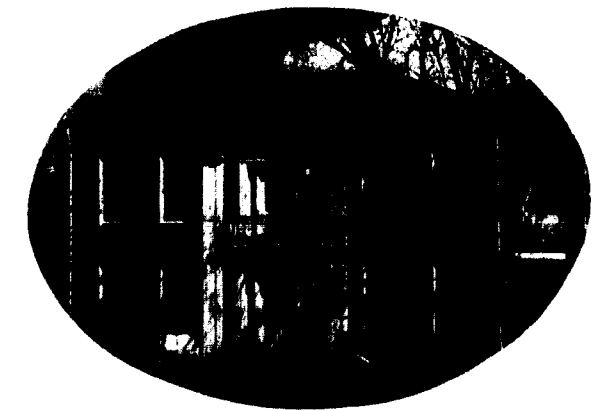

President	Armand Spizzirri
Recording Secretary	Don Redding
Corresponding Secretary	Walter Binns
Treasurer	Charlie Jones
Historian	Buford Casebolt

Row 1: Rheems, Redding, Roorbach, Rone, Rixey, Spence, Skeen, Spizzirri, Smith; Row 2: Scofield, Shanklin, Schmidt, Sims, Schafer, Speaker, Swezey, Torbert, Tuckfield; Row 3: Thurman, Thompson, G. Walker, O. B. Walker, Whitthaus, C. Whitworth, R. Whitworth.

Smith, Ray Smith; Row 5: Roger Smith, Taylor, Tenney, H. Thomas, S. Thomas, Turnage, Twyman, Vollmer, Webbink; Row 6: Wilcox, Willard, Womack, Young.

Sigma Nu was founded in 1869 at Virginia Military Institute and Beta Xi chapter was installed at William Jewell in January of 1894. The chapter house at 307 N. Water has been the home of Beta Xi for the past quarter of a century except for three years when the college took it over as a girl's dormitory. The house is the oldest fraternity house west of the Mississippi River.

This has been an outstanding year for Beta Xi of Sigma Nu in many respects. From the opening of the year with a very successful rush week through spring term, the largest chapter in history contributed more than its share to the life of the campus. Many social events dotted the calendar — the annual hay ride was put on by the pledges and was complete with P. Cap., the fall formal which was a favor and dinner dance, and many informals in the house.

On the Hill the old time homecoming was revived this year with Bill Riggs as chairman. In Tatler Revue our skit depicting Columbus visiting the Campus of Achievement won second.

Sigma Nu was well represented in all activities on the Hill. On the football team were Co-Captain Tony Gargotta, Stan Thomas, Bob Payne, Howard Brazelton, Chic Benedict, Howard Dewell, Bob Long, Pat Bills, Cliff Knickmeyer, and Bob McKim. On the basketball team were Howard Brazelton, Bryan Smith, and Bob Hubbard. Sigma Nus on the track team included Don Vollmer, Bob Long, and Chic Benedict. In intra-mural competition the Sigma Nus gained second place in softball, football, and basketball. Only one game was dropped in football and basketball. Bill Riggs was president of the William Jewell Players and Payne, Benedict, and Riggs were seen in Players productions. Bob Payne was an associate editor of the *Student*.

Officers for the year were:
 H. Raymond Smith, Commander.
 Bill Riggs, Lieutenant Commander.
 Bill Lloyd, Recorder.
 Chic Benedict, Treasurer.
 Carl Ramsey, House Manager.

*WHAT AN A. B. DEGREE
FROM WILLIAM JEWELL MEANS*

An A.B. degree from William Jewell means that here is a person who has been trained and given the background to understand world affairs, has been made conscious of social progress and cultural values, and has obtained his or her perspective for satisfactory living. It means that here is a person with an understanding of Christian education and the values obtained from Christian education. It means that here is a person who has received the stimulus which comes from the spirit of achievement.

For twenty years . . . AND MORE

the William Jewell Press has been printing Tatlers (including prize winners) and other student and college publications. The present personnel has been associated with the Press for over half of that period. Intimate knowledge of the printed requirements of the institutions of the Hill especially equips the Press for service to student and faculty.

Modern equipment and progressive ideas combine in the production of printed matter that is a credit to the publishers and users of its printing.
