P. CASPAR HARVEY

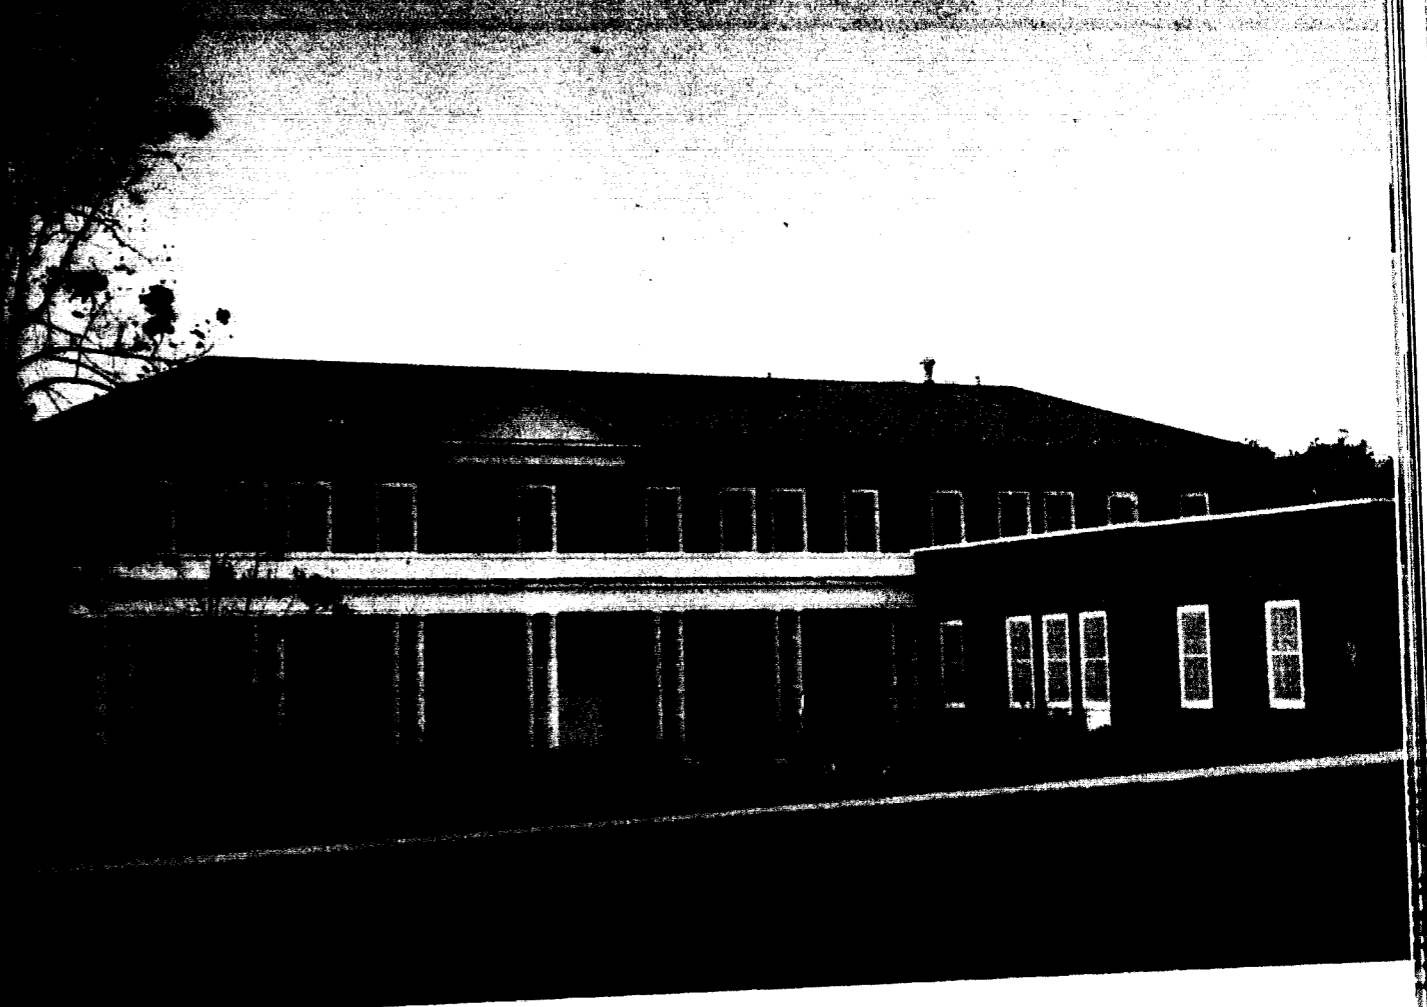

Dedication

IT IS HARD TO SAY just what everyone remembers most about P. Caspar Harvey, but he is one of the first persons an alum asks about upon returning to the hill. Some remember him as "prof" as he taught Browning classes; some knew him as "coach" as he directed forensics; others think of him as a founder, for he initiated Achievement day, started Panaegis and Aeons, and originated the idea of a Colonel Alexander Doniphan and First Lady of the campus elected by the student body. But to all he will be remembered as a familiar figure of a man with pipe and visor hurrying from building to building, meeting to meeting, duty to duty but always with a minute to spare to share a current story or an account of the golf course.

From the moment "P. Cap" entered William Jewell as a freshman in 1905, and even since his retirement as Director of Public Relations in 1958, this perpetuator of the spirit of Jewell has served his alma mater faithfully and unceasingly.

It is to this man, who has always carried, and continues to carry, the interests of our school in his heart, to Paul Caspar Harvey, teacher, administrator, and friend, that the staff of the 1959 *Tatler* proudly and gratefully dedicates this book.

Vice-Presidents

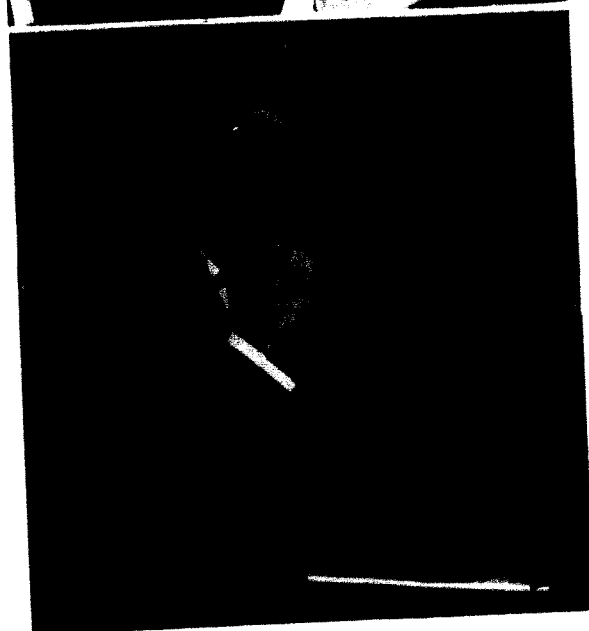

DR. H. I. HESTER

Dr. H. I. Hester serves William Jewell as Vice President; and as head of the Department of Religion, a position he has held for 33 years. In addition, he finds time to be President of the Board of Trustees of Midwestern Baptist Theological Seminary, President of the Missouri Baptist Historical Society, and to hold other offices in denominational organizations. A popular preacher and lecturer, Dr. Hester also is an author of numerous volumes; his latest, "The Book of Books," is to be released this Summer.

MINISTRY L. JONES

As Vice-President in charge of Business Administration, Mr. Ministry L. Jones is responsible for all business affairs of the College. These include the supervision of buildings and grounds; the operation of auxiliary enterprises; the food services, and book store; the administration of the budget; the business office, central purchasing office; and assistance to the Trustees in handling the investments of the College. To these he devotes acumen and experience that are highly profitable to the College, and in addition spends much time planning for future developments.

DR. C. SYLVESTER GREEN

William Jewell welcomes to the administration this year, Dr. C. Sylvester Green, as Vice-President in charge of Public Relations. His areas of responsibility include admissions, alumni activities, publications, publicity, church-college relations, and public events. Dr. Green came to William Jewell from a similar position at Wake Forest College. He is author of two published books, and a regular contributor to numerous secular and church periodicals, as well as active in civic affairs locally and throughout the State.

President Walter Pope Binns

Dr. Walter Pope Binns, the distinguished President of William Jewell College, has for sixteen years faithfully performed the duties of this position.

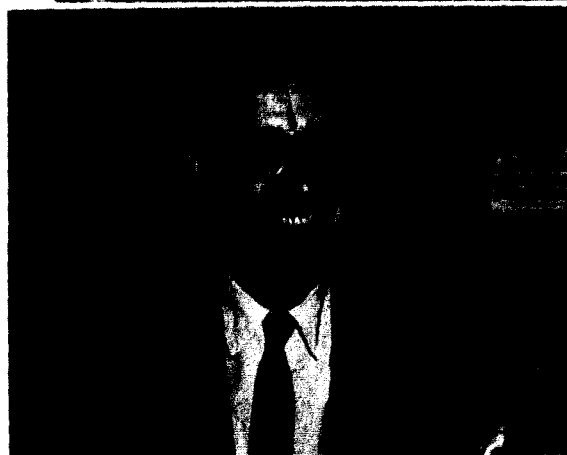

These duties often call Dr. Binns away from the campus. This year he has spoken on a number of special occasions. Among these were the Easter Sunrise Service at Fort Leonard Wood and the International Students' Banquet in St. Louis. Traveling to Hannibal-LaGrange College he spoke on the annual Founder's Day which this year celebrated the centennial of the founding of LaGrange College. Other events for which he was guest speaker were Education Day at East Texas Baptist College, Marshall, Texas, and the celebration of the twenty-fifth anniversary of the

presidency of President John W. Raley at Oklahoma Baptist University.

Dr. Binns is Chairman of the Southern Baptist Convention Public Affairs and World Peace Committees which meet twice a year in Washington. This year he visited the United Nations as an observer in connection with his position on the World Peace Committee.

Dr. Binns was also cited for distinguished service to religious liberty by Protestants and Other Americans United for separation of church and state in a recent conference in St. Louis.

This year the campus was honored to have his wife, Mrs. Binns, selected as Missouri Mother of the Year.

Deans

DR. FRANK G. EDSON

Doctor Frank G. Edson returned to the position of Dean of the College in November, 1958, upon the resignation of Dean Powers.

In addition to the duties as Dean, Dr. Edson is the head of the Chemistry Department. He has written many articles for important publications in this field, and is at present engaged in a special research project concerning organo-germanium compounds.

MISS CATHERINE BATES

"Combination friend, teacher, and advisor" these words describe the work of Miss Catherine Bates, Dean of Women. She serves as advisor to many student groups, plans the social calendar and handbooks. She also writes for denominational publications. Her travels this year included a trip to Cleveland for the annual meeting of the National Association of Women Deans and Counselors.

E. W. HOLZAPFEL

The testing program, enrollment, class attendance, and advising students in vocational fields are some of the many duties of Mr. E. W. Holzappel, Dean of Students. This year in connection with his position Dean Holzappel attended the annual meeting of the American Association for Teacher Education in Chicago.

DR. RICHARD POWERS

Dr. Richard Powers was Dean of the College from July, 1957, until November, 1958, when he resigned to accept a position as senior economist with the Lockheed Corporation in Atlanta, Georgia.

Complete reorganization of the registration program and studies of the curriculum by a faculty committee are among his contributions to William Jewell.

Distinguished Scholars . . . and Our Friends

One of the many advantages of William Jewell as a small college is the opportunity afforded the students, to get acquainted with the members of the faculty.

Not only are they willing to help the students in their academic interests, the faculty members serve in many ways outside the classrooms. They are sponsors of the honorary organizations. Many of them act as chaperones at social functions. By their assistance and attendance they show their interest in the various student activities and organizations.

Further, many of the faculty are occupied with research projects in their fields, especially in science, and in writing articles for learned magazines. Many of the younger members of the faculty are also working on further graduate degrees, and each year several members are away studying at institutions of higher learning.

Alumni are continually testifying to the high quality instruction they receive at William Jewell. The College has a faculty of distinguished scholars who know how to teach, and who prove themselves friends of all the students.

"FIGURES, FIGURES, FIGURES!" exclaims Blanche Lee Damon, Bookkeeper, to Ruth Bundy, Cashier, as they work in Green Hall.

A SURPRISE BIRTHDAY PARTY was given Dr. Hester by the Ministerial Association.

GETTING READY FOR THE EDUCATION CONFERENCE is a big job these students think as they work to complete displays in Mrs. Mitchell's elementary education art course.

A CHRISTMAS TREE MEANS IT'S TIME FOR A VACATION. Getting into the Christmas spirit, Dr. Binns reaches for a high branch of the tree to put on the first ornament at the Union Tree-trimming party.

House Directors Have a Variety of Responsibilities

The house directors job varies from director to director because each residence hall has a different capacity. All of the directors have as their goal that of helping all students to become adjusted and happy in college life. These directors are available as counselors when needed in that capacity and to all they are friends.

This year, we have had eight new house directors in addition to the two returning ones to make students feel at home. At Semple Hall was Mrs. Fred T. Bridges who came from Atlanta, Georgia. Mr. and Mrs. E. Forbes, more commonly referred to as "Dot" and "Ed," took over the responsibilities

of the new boys' dormitory, Eaton Hall. Ely directors this year have been Mr. and Mrs. Max Whites from Kansas City, Kansas. Mrs. Mary Malone came to Jones Hall after the beginning of the first semester. Mrs. Ann Absher, "Abbie" to the students, was again at Melrose.

In the new Lambda Chi house, Mrs. Myrtle Shelton of Liberty became director. Mrs. Clyde G. Atchison of Kansas City was welcomed by the Phi Gamma. Mrs. A. L. Hanna was again director to the KA southern gentlemen, and the Sigma Nu were happy again to have Mrs. H. Huff at their house.

THE CAFE is a popular place for a break in a busy day. At the first table, Beverly Jones, Mrs. Cahin, and Mrs. Loran chat over coffee and cakes. At the second, Dr. Monte seems to have some news worth relating to Bill Dunbar and Dr. Link.

MR. CHARLES F. CURRY
President of the Board

The Board of Trustees of William Jewell College is composed of men—ministers and laymen—who devote great amounts of time to consideration of the affairs of the College. The Board meets as a whole twice a year: on Achievement Day in November, and at Commencement. The Executive Committee of the Board holds monthly meetings at the office of the chairman.

These trustees are charged by charter with full responsibility for setting policies and administering control of the College. Throughout the years the Trustees have been generous with both their time and their money in the advancement of the institution. They have committees at work continuously planning for the development and expansion of the College; and individually and as a whole are always cooperative with the administration in meeting day-to-day problems in the life of the College.

Achievement Day Honors Five Alumni

Formal convocation was held Achievement Day, November 17, in honor of five alumni who received special achievement awards. Dr. Binns presented these awards to Cecil R. Martin '14, business executive, St. Joseph; T. Shad Medlin '34, insurance executive, Hartford, Connecticut; Owen Milas Sherrill '33, minister and church leader, Kennett; Mrs. Elvah Allen Stokes '32, church worker and counselor, St. Louis; and Dr. Orvar Swenson '33, Boston pediatric surgeon and physician of national fame.

Achievement Day began with simultaneous forums conducted by the honorees and attended by the students. These forums were followed by a formal convocation at which Congressman Clarence Cannon received an honorary Doctor of Humanities Degree and delivered the principal address. That evening a traditional banquet was held at the Hotel Muehlebach in Kansas City at which the William Jewell A Cappella Choir presented a musical program.

CONVERSING AT ACHIEVEMENT DAY BANQUET are Mrs. Orvar Swenson, Congressman Cannon, Dr. Binns, and Mrs. Cannon.

Student Senate Officers Voice Student Opinion

The Student Senate, composed of representatives from all segments of the student body, is the official voice of student opinion. It is the coordinator of campus activities such as the All-

School Picnic, Homecoming, Rhythm Roundup, class officer and cheerleader elections, and the publication of the school handbook. The Senate is also ultimately responsible for the functioning of

student publications through its majority membership on the Board of Control.

The bulk of the Senate's work is carried on through committees functioning in the areas of academic affairs, campus grounds, chapel, orientation, school spirit, senate organization and student affairs. This year the committees were expanded to include non-Senate members and were coordinated by the executive committee composed of the student body president, secretary-treasurer and public relations director of the Senate and National Student Association coordinator. Don Herrick and Jim Banning were sent as delegates to the National Student Body Presidents' Conference held in August at Ohio Wesleyan University. Fifteen delegates went to the Fall Encampment held in

the Ozarks. Missouri Valley was the location of the Missouri Student Government Conference attended by eleven Senate members. Charles Durbin went to the Student Editorial Affairs Conference at Kansas University and Don Herrick and Dave Burhans attended the Regional International Student Relations Seminar.

The Senate has done extensive planning for next year. One of the biggest contributions it has made is to set up a series of discussion groups led by student leaders for the freshmen next fall. Formal procedure for freshman elections, cheerleader screening, and Colonel Alexander Doniphan election is being set up. Students from the Senate are to help plan Achievement Day. The Campus Grounds committee is revising the parking plan, and the Senate is to sponsor some chapel programs.

Union Board Sponsors Varied Activities

The College Union Board, composed of two faculty members, seven student directors, the Union Director, twenty-one committee chairmen and their committees, started the year with a reception for new students and their parents. Following the Homecoming game a "Huddle" was held in the lounge of the Union so that parents and alumni could renew friendships with the faculty. A reception in honor of the five alumni was given at

Achievement Day. The Christmas season was brightened with a tree-trimming party, and following the presentation of The Messiah, with a Christmas party. Throughout the year record shows with student disc jockeys, art displays, news broadcasts, bridge lessons, and tours to the Nelson Art Gallery, Ford Motor Company, and Hallmark Cards were sponsored by this group.

Ministerial Association

The 140 members of the H. I. Hester Ministerial Association are those men preparing for the pastoral ministry, Christian Education, music ministry, and other specialized "full-time Christian vocations."

The group held meetings this year at chapel time on Monday at which they heard speakers selected from the seminaries and nearby churches relate their experiences on topics of vital interest to the present and future ministers. On Fridays, Rev. Tom Bray, director of religious activities, conducted a practical workshop.

BSU

The Baptist Student Movement is the American Baptist Organization on the William Jewell campus. It provides fellowship and inspiration for its members through group discussion, prayer, and devotionals.

The BSM, also known as the Roger Williams Fellowship, holds its weekly meetings on Sunday evenings in the recreation room of Melrose Hall. Programs include various inspirational speakers who are often invited to these meetings, and members profit greatly from the lively discussions which take place.

This year the BSM with the BSU took part in the Student Worship programs held on Thursday nights for students in the College Union.

Interfraternity Council

The purpose of the Interfraternity Council is to further cooperation and friendly relations among the four national fraternities on campus.

The council is composed of one member and the president of each fraternity, and a faculty advisor. Meetings are held at least once a month to discuss problems and promote the general welfare of the fraternities.

The office of the president of the Council rotates among the fraternity presidents. This year the Kappa Alpha No. 1, Dave Splan, has served as president.

The main activity of this group is the organization and directing of the formal rushing activities in the fall and the supervising of pledging.

Left to right: Ian Clayton, Gail King, Carol Ronemous, Anna Margaret Kepley, Mera Lane, Martha LaFrenz, Kate Gokely.

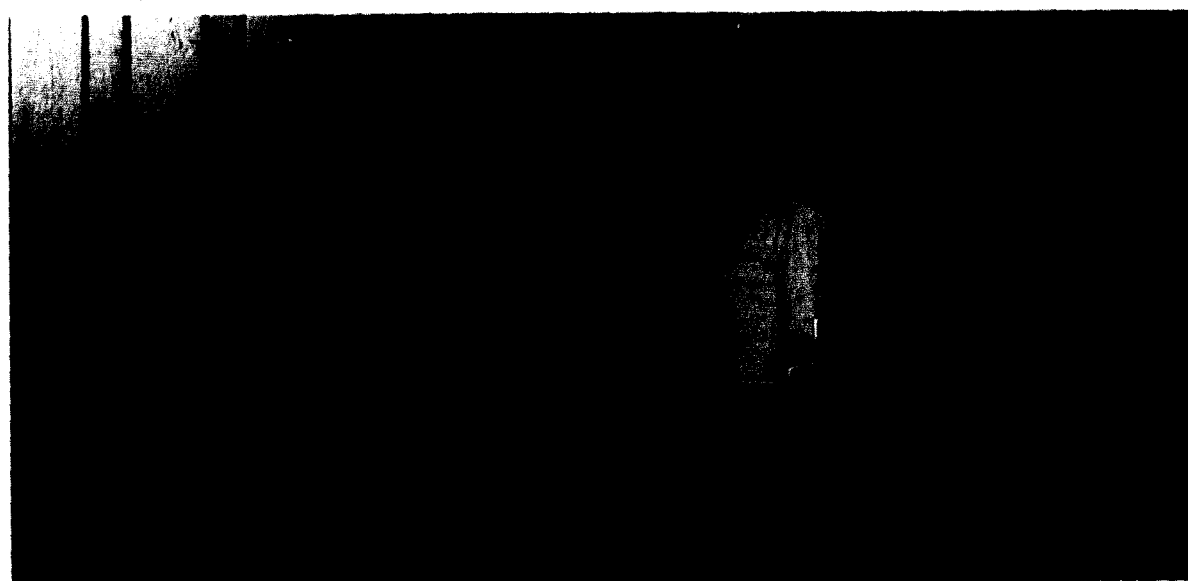

Panhellenic

Promoting a spirit of cooperation between the three sororities on the Jewell campus is the purpose of Senior Panhellenic Council. This group is composed of members from each sorority and holds its meetings twice a month in the office of Miss Bates, dean of women.

The Council discussed mutual problems, and spent some time in setting up the rushing rules to be included in the Panhellenic Handbook.

The two main events of the year were the sponsoring of the Homecoming dance and the annual Panhellenic Banquet. Mrs. Van Williams, Kappa Kappa Gamma, was the speaker at the dinner at which time the officers for the coming year were installed.

Row 1: Ann Moncrief, Billie Krumnick, Linda Hill, Pat Manuel. Row 2: Anna Margaret Kepley, Connie Theodorow, Judy Baker, Tom Bolenbaugh, Dixie Norton.

Junior Panhellenic

Promoting good relations between the pledge classes is the purpose of Junior Panhellenic which was initiated by the Senior Panhellenic seven years ago. The council is composed of three representatives from each of the three national sororities.

The Junior Panhellenic Council is set up in a similar manner to the Senior Council and thus aids in training and preparing the members for future positions on the Senior Panhellenic Council.

The major project of the group during the year is helping the admissions department in providing for visiting prospective women students to the campus.

House Councils

The House Councils from top to bottom are Jones Hall, Melrose Hall and Semple Hall. They are composed of representatives from each wing of the dorms, the dormitory president, a social chairman, and the house director. They meet "after hours" to discuss problems that arise in the wings, and are responsible for seeing that quiet hours are enforced. Problems which they are unable to solve or suggestions for better dormitory living are taken to the group at the bottom of the page. House Presidents' Council, made up of the president of each dorm, the wing president from each sorority and the dean of women. They discuss matters affecting all women students and also such things as "late minutes."

Open house at each dorm was held during the Christmas season. All the rooms were decorated in a Christmas theme and refreshments were served in Melrose recreation room.

Other parties and get-togethers were held in each dorm for the residents throughout the year. At the beginning of the year an "after hours" get-acquainted party was held in the main lounge of Semple Hall where the girls were introduced to their new house director, Mrs. Bridges, and the many other new residents of the dorm. With the beginning of second semester, Semple girls once again squeezed into the lounge for a Valentine party at which cake and punch were served.

The girls of Jones Hall welcomed their new house director, Mrs. Malone, with a lively party at which several of the girls entertained and Mrs. Malone displayed her talents with the "hula hoop." This was followed by a doughnut party and a Christmas party at which carols were sung, gifts exchanged, and each girl received a grab bag.

No one's birthday is forgotten at Melrose Hall, for each month the girls get together in the recreation room for a party honoring everyone who has had a birthday during that month. In October, of course, the celebration took the form of a Halloween party complete with costumes and screams. The Christmas season brought the traditional gift-giving, followed in February by a Valentine party.

SEVEN DOLLARS FOR A BOOK? A familiar phrase heard in the bookstore at Sterling Elbowy, (bottom), Bill Griffith and Charles Noble buy their new texts.

IT'S COKE TIME for the officers of the Sophomore Class as they get together in the Cage. They are Dave Buchanan, President; Laelle Tucker, Treasurer; Rosalie Borgstadt, Secretary; and Jim Conger, Vice President.

"NICE WEATHER WE'RE HAVING," quips Barbara Harmon to Jim Ham and Gus Linley as they smile through chattering teeth.

CLOCKWISE FROM TOP: Boys leaving for Christmas vacation; Max Walker and Kathleen Nelson unpacking on their first day back; and Kyle Fagan unloading his car with his hands full to prove that girls are not the only ones who take a lot home. Then it's back to the books as Lou Esther and Franlee Fox load toward finals.

WHERE'S THE FIRE? an onlooker asks as the ADP's ride atop the fire engine during the homecoming parade.

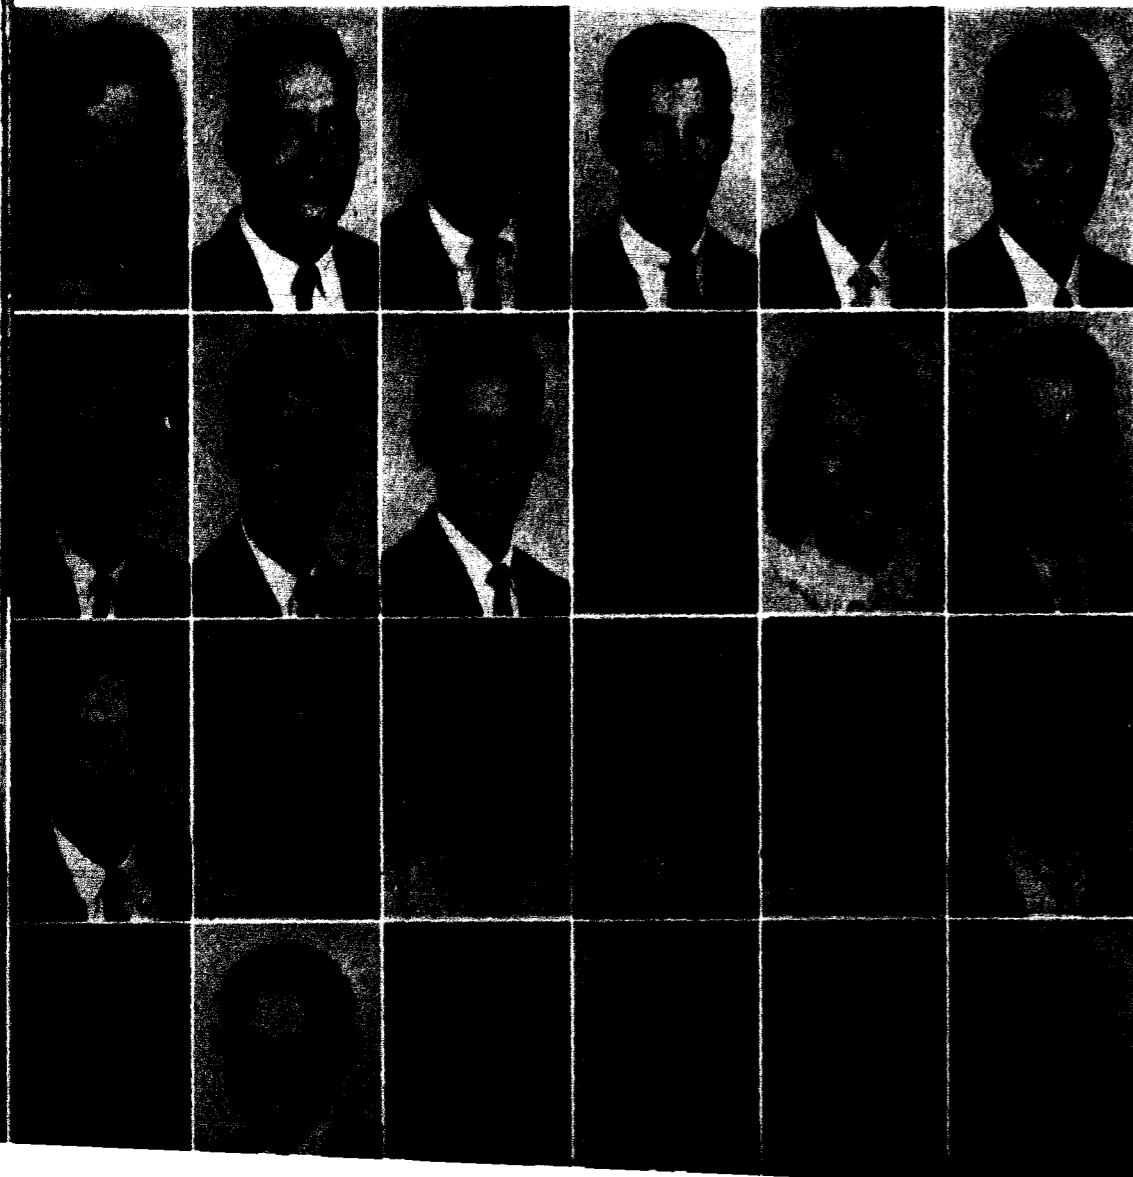

"OH LICK, THEY'RE TAKING OUR PICTURE," says Billie Kinnick, Freshman secretary to Jack Jordan, president. Diana Jones, treasurer, and Myrick Mohler, vice president.

Homecoming Parade

MANY EYES ARE FOCUSED ON THE HALF-MILE HOMECOMING PARADE. Clockwise top left - Sally Lackey presides as Homecoming Queen. Kappa Alphas capture first place trophy with their float "I Taut I Saw a Puddy Tat." "I Did, I Saw a Puddy Tat."

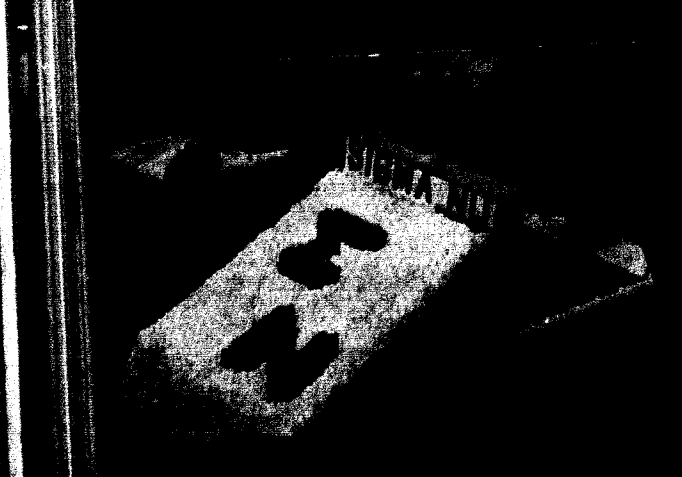

Coming in second place is "Roll Over Wesleyan" presented by the Lambda Chis. Close behind was the ADPi float, "We're Sitting On Top of the World." "Knock 'Em Cuckoo" representing the Alpha Gams and "Rack the Tigers" by the Phi Gams

Around the Square

were the two groups given honorable mention, while "Frank Buck Brought 'Em Back Alive but the Cards Skinned 'Em" was the BSU contribution.

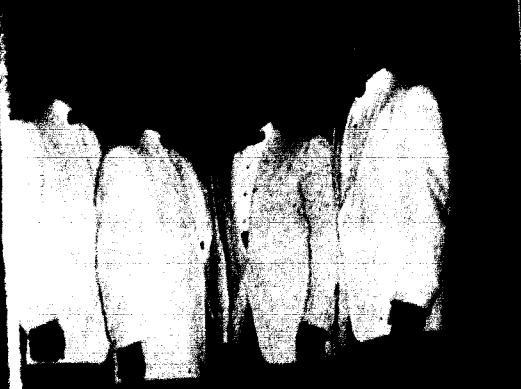

Clad in beaver coat, Dr. David O. "Crank her up" Moore and Mary Bronaugh ride in high style. At the Courthouse, the band warms up for the pre game festivities. Mr. Alumnus, P. Caspar Harvey '10 tells Miss Alumna, Kathleen White Miles '48 to hold on because Gene Voigts isn't the best driver in the world.

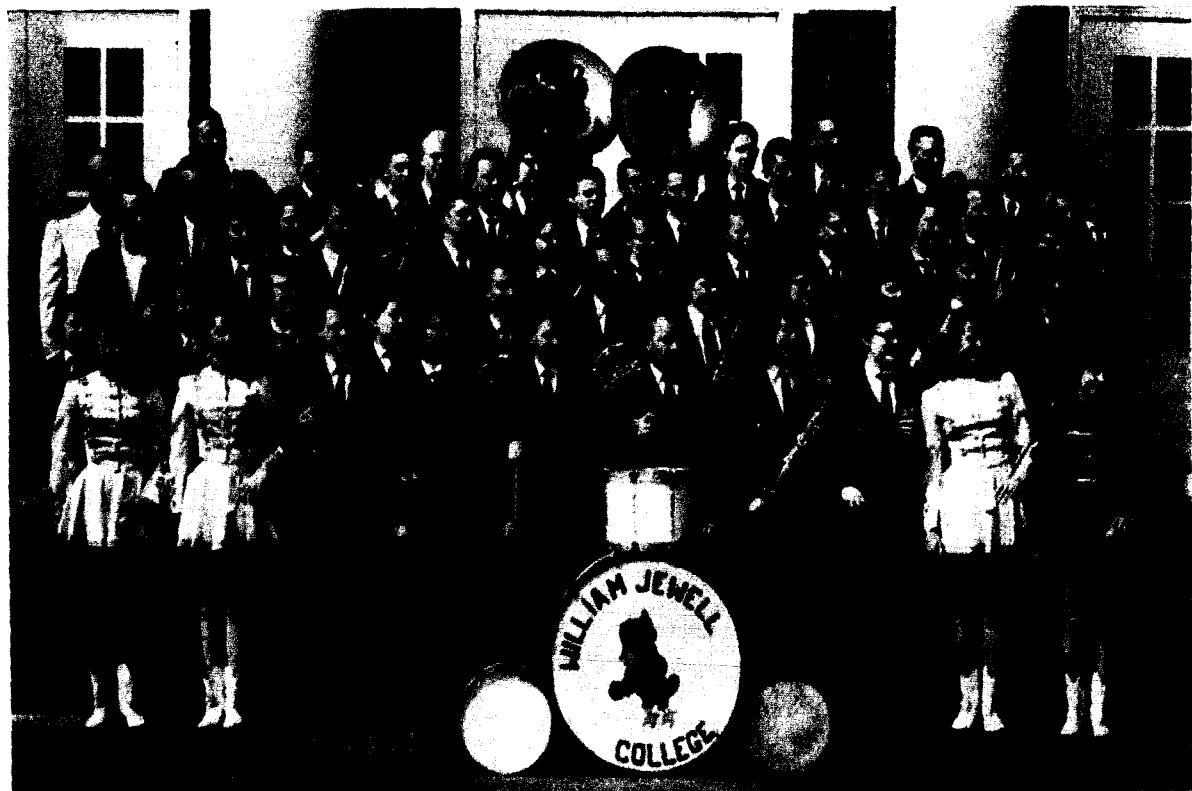

The Sigma Nus say the "Cards Strike Again" and the Independents "Lynch 'Em." "Button 'Em Up" by the Beta Sigs ends the parade.

"HOW 'BOUT HE INK I DINK I DE" AND PEOPLE WILL
 SAY WE ARE IN LOVE, are the slogans of these snaps at the
 top of these two pages. The girls line up for the Homecoming
 Queen election. Dave Williams sings a song from South
 Pacific. Pat Williams, MC of the Talent Show, does a take off
 on Jimmy Durante, and the "Many No Notes," perform a
 selection from Oklahoma. Below Jack Hencke looks like he's
 getting ready to hit a high C, and the Sigma Xi's do a
 fashioned lute-shop quartet number. To the extreme right
 Sgt. Hidera, "Crazy, Houdy, and Private (not even third) and
 Jim Colebrand tell everyone to "RE-PREPARED."
 Charming son chapersoned the Queen and her court and

Band Members Participate in Spring Festival

The College Band, although it is not yet ten years old, has acquired a prominent position in school life and functions. It also presents an excellent opportunity for music-minded students to further develop their abilities.

Under the direction of Mr. Edward Lakin the band appeared during every season of the school year. Members became accustomed to marching as they promoted school spirit before every home football game and presented entertaining halftime features.

Led by the six majorettes and Drum Major, Jim Conger, the band participated in the Homecoming Parade through Liberty providing lively tunes and high stepping to accompany the colorful floats.

In January of this year the band went on a tour of a number of high schools east of Kansas City. These included Lexington, Richmond, and Hardin among others. On this tour as well as through its numerous other off-campus appear-

ances the band contributes greatly to the public relations activities of the college. These appearances broaden the experience of the members, further the reputation and goodwill of the college, and demonstrate to high school musicians the opportunities for developing their talents at William Jewell.

Several times during the year the band joined the cheerleaders to present lively chapel programs to promote school spirit. Band members as well as the student body as a whole get much enjoyment from the many pep rallies with fight songs and cheers.

Anyone who can play a band instrument is invited to play in the band. High school seniors are usually qualified to participate. The band boasts of full instrumentation and complete uniforms. This includes sweaters which will become the property of the band members after three complete semesters of participation and compliance with other rules.

Orchestra Provides Music for College Productions

The William Jewell College Orchestra under the direction of Mr. Edward Lakin has established itself as an integral part of the campus' musical activities.

First organized in 1955, the orchestra grew out of the interest of some music-loving students who were interested in keeping up their music and being in an orchestra for music enjoyment and for practice. By taking part in this musical activity, the orchestra members have become more proficient in the mechanics of playing and also have become more aware of the interpretation and thought behind a musical selection. They broaden their experiences and are given an opportunity to seriously study almost every kind of music, for selections include classic, romantic, and modern. The orchestra also offers students a valuable working experience in learning while playing with a group.

The William Jewell Orchestra is a community project in that it may include not only students from the college but also interested persons from the community of Liberty and surrounding areas.

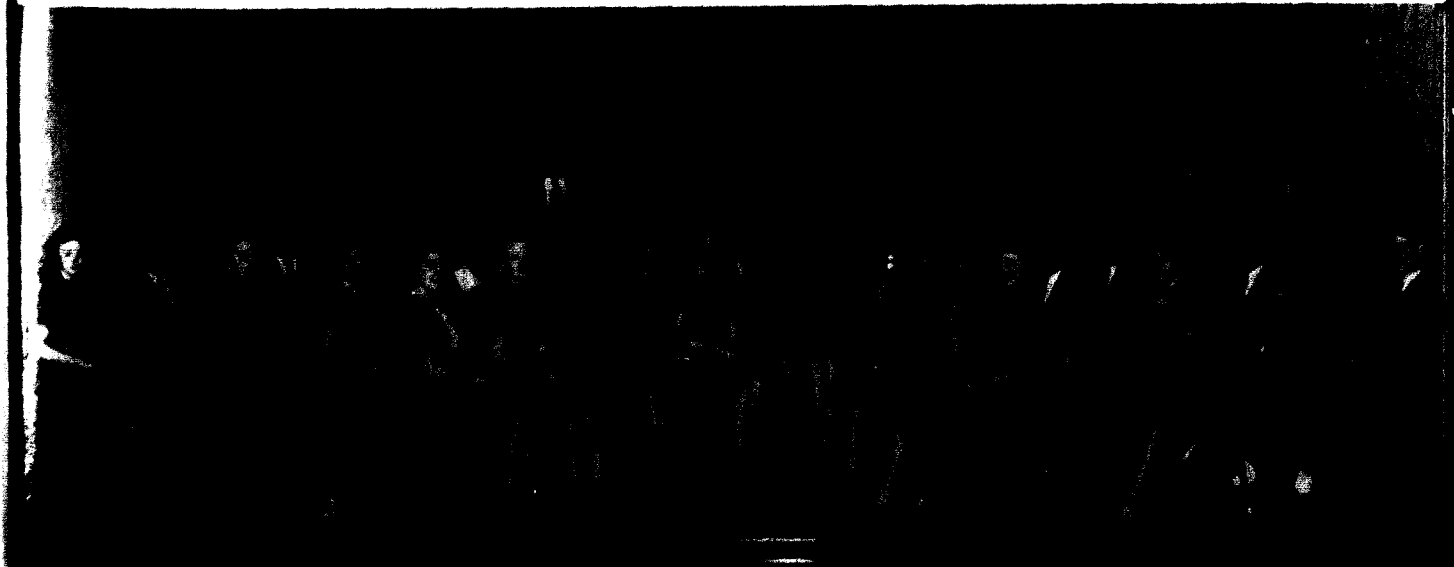

Some especially music-minded orchestra members are also members of the William Jewell Band, thereby gaining experience in playing different types of music with a different type musical organization. Members of the orchestra are also often found performing as instrumental soloists and in ensembles for various college functions and at local community affairs.

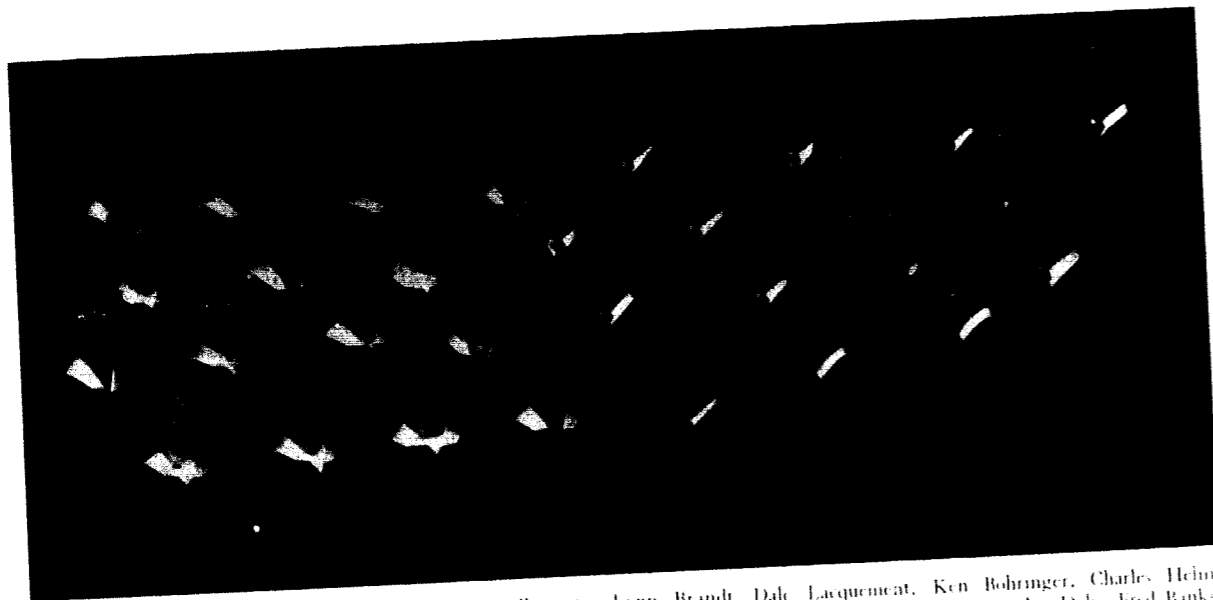

Most Jewell students first heard the full orchestra perform this year as it provided the intricate musical accompaniment for the Christmas presentation of The Messiah.

Also outstanding during the year was the orchestra's participation in the musical and dramatic production, Carousel. The group also took an active part in the annual Music Festival which was held in May and which they concluded with a special concert. A special concert was presented for the student body during chapel.

Since its organization on the campus, student interest in the William Jewell Orchestra has been high and support has been enthusiastic.

Choir Participates in Chapel Services

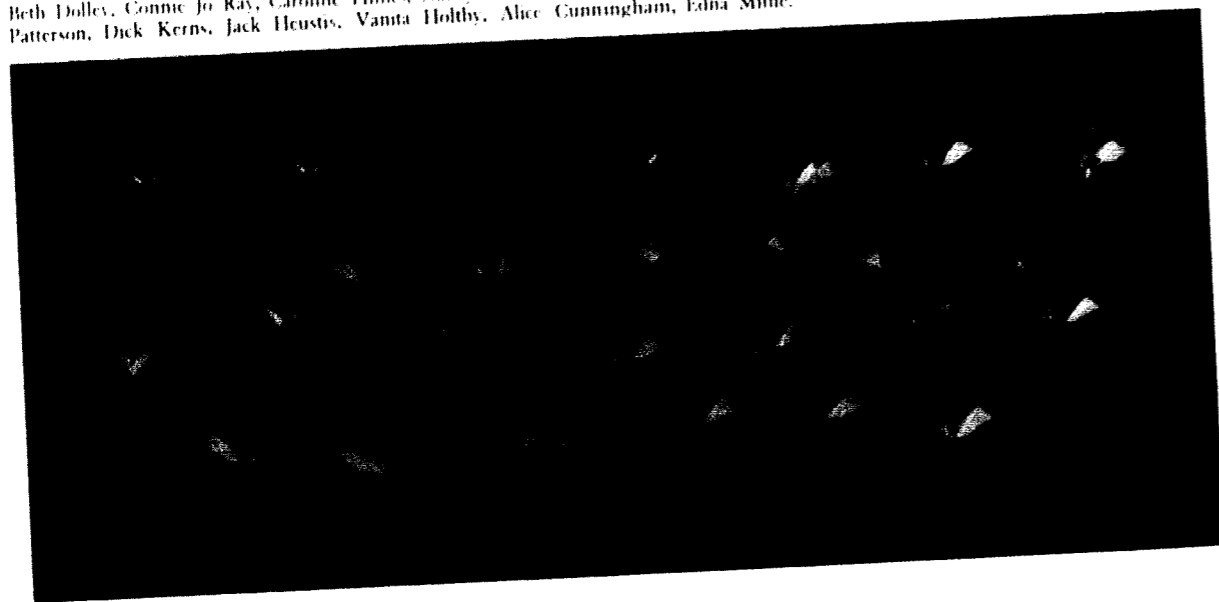

The William Jewell College choir is composed of students interested in music and those willing to put in many extra hours of practice in order to present outstanding music productions. Not all members of the choir are music majors, nor do all of them take voice lessons, but they do enjoy singing.

The choir, under the direction of Professor Henry Cady meets on Tuesday and Thursday at 4 p.m. for practice and participates as a robed

choir in chapel services. Students who sing in the choir for credit receive one credit hour each semester.

This year in addition to singing for Achievement Day the choir presented special numbers on several occasions as well as a special chapel program. Outstanding during the year was the choir's participation in the Christmas presentation of Handel's Messiah and the music and dramatic departments' production of Carousel.

A Cappella Choir Takes Spring Tour

The A Cappella Choir is the varsity music group on the campus. The choir was composed this year of twenty-three voices selected on the basis of tone quality, voice, general musicianship, and academic standing. Selection of members for this choir is by audition with Professor Cady, Head of the Music Department.

Under his direction the choir participates in many campus, civic and religious affairs. Several tours are made throughout the year. One of these tours took the group to Columbia on January 8, where they presented a fifteen minute program at the Music Educators National Conference, held on the University of Missouri campus. On the way to Columbia, the choir stopped at Boonville and gave a concert at the high school there.

The 1959 spring tour which began on April 18 in Joplin took the group through ten engagements in eight Southwest Missouri communities. In Springfield the choir was in charge of the

morning worship service at the University Baptist Church and gave an evening performance at the First Baptist Church and the Temple Baptist Church also of Springfield. Included in this tour were the high schools of Marshfield, Lebanon, Buffalo, Carthage, Nevada, and Butler.

The Choir represented the college on radio and television in addition to the tours of the state of Missouri and many local civic appearances for various organizations.

The students of William Jewell became acquainted with the fine quality and particular talents of this year's A Cappella Choir through its Achievement Day performance and its annual home concert.

Voices of the members of A Cappella Choir added much to the fine performance of Handel's Messiah at Christmas. They also participated memorably in the spectacular presentation of the musical production, Carousel, which was a highlight of spring activity.

A Large Cast Presents the Musical, Carousel

Clockwise: Even before curtain time the cast is busy getting ready for their performance by being "made up." Smiles appear on the faces of visitors who find that there are a few tickets left so they can watch the show. The Orchestra is tuning up, the audience is waiting as the curtain opens on Mullin's Carnival. Next, the dancers perform in the June scene. Julie, Wilma Grove, talks with Carrie, who is really Shilo Lopeman. Above, the group is singing "this is real nice clambake." Billy Bigelow (Ed Damer) is on the death bed. Julie, his wife, sits by his side hoping that he will live. Billy tells her of...

...to tell their daughter for the reason for his death. The Stakeholder and Heavenly Friend listen as Billy asks the condition of his little girl while "up there." At the graduation ceremony, Louise (Mary Worthington), Billy's daughter, finds a hand without a father. As the preacher talks, however, she begins to see a future in her life and feels that she can "walk through a town and hold her head up high." After the show, Miss Rice and Mr. Cady, the directors, smile as their weeks of work have become a reality.

Publishing the Student Is Not a One-Day Job

A loyal staff of workers is on the job every two weeks to put out the *Student* newspaper. This is not quite a one-day job by any means, though some students may entertain this concept!

Preparations for an issue of the paper begin on Monday or Tuesday of the week preceding the distribution of the copies. By Tuesday night, an "assignment sheet" must be made up by the editor, so it can be posted on Wednesday morning. This sheet gives to various reporters the general news stories which are anticipated.

The next thing which is of concern is pictures for the paper. These must be taken by Wednesday or Thursday of the week before so that they can be sent to the engraver on Friday or Saturday. The typed-up stories should be in by at least 11 o'clock Monday morning, so that they can be headlined and sent to the printer sometime Monday afternoon. So from Wednesday until Monday the stories for the *Student* are being written.

About 4 o'clock, usually, on Monday afternoon (the week of the paper) the last piece of copy has been corrected, headlined, and sent to the printer. Sometime before this time, too, all the advertising copy must be turned in. Then at 4 o'clock on

Tuesday afternoon, the "galleys," or the copy which has now been set in type, are ready, and the proof reading begins in earnest. There are two sets of galleys; one set printed on white paper for the proofreaders to correct, and one set on pink paper, which is cut out and pasted up to make a "dummy."

The "dummy" merely consists of placing all of the stories from the galleys in the positions desired in the paper. This "make-up" time will vary from 2 to 6½ hours! The reason for this variation is determined by how evenly copy fills the columns, and how much pre-planning was done in the assigning of headlines the day before.

Then the dummy and corrected galleys are given to the printer by 8 o'clock Wednesday morning, and at noon that day the final or page proof is ready to be read. This process usually takes only about half an hour. The paper is then printed Wednesday afternoon, ready for distribution following chapel Thursday.

Preparations are presently under way to make the *Student* a weekly paper. In this way, the paper would serve the students in a much more thorough and complete informing source.

AT LAST . . .

The Tatler Is Done

Pictures, ads, headings, stories . . . and eleven sections later your Tatler is finished. The job has indeed been a wearing one but also a rewarding one as the book now becomes the official record of this school year.

The Editor wishes to give special recognition to those who were of great help in making the book a reality. To Mr. Nowell, the printer, for his expert advice, to Dr. Green who served as this year's advisor, to Jack Gibben of Sun Engraving Company who made the cuts for our book for the first time, and to Dr. Bowman and Mr. Truex who served on the Board of Control. Also to Mel Spitzer who went everywhere snapping pictures and then spent hours developing and printing them in the new staff darkroom, to Marcia Brown who worked exceptionally long hours and as a result has been selected as next year's editor, and to the staff as a whole for their cooperation in making it possible to meet deadlines.

The Tatler Staff hopes that you, the book's readers, will like the additions we have made and will forgive our imperfections.

HAVING HIS PICTURE TAKEN INSTEAD OF TAKING THEM is Mel Spitzer, the Tatler photographer.

Tatler Revue

Nerve-racking but exciting describes Tatler Revue as members of the seven Greek organizations competed for the first, second, and third place trophies and six sorority and two non-affiliated women "walked for Tatler" hoping to be its Queen.

The Co-Chairmen for this year were Wilma Grove and Ollie Parker. They worked many hours in order to present the best revue possible. Max Von Erds mandorff acted as Master of Ceremonies and announced each skit and the queen candidates who walked between the skits.

Competition was keen but after the skits were presented and the judges' votes were turned in, the results were announced and trophies presented by Marilyn Chandler, this year's Tatler editor. First place went to Beta Sigma Omicron for its skit which was a take-off on Napoleon and Josephine. The group started its performance in a serious mood with the minuet at Napoleon's Ball and ended with a group doing the Can-Can.

Phi Gams won second place with a lively group of gypsies who sang and danced. Capturing the third place trophy was Sigma Nu fraternity as a father and son discussed history "through the ages." One scene, in the bottom picture, shows the reaction of men to the crash in the '30's.

Those who were candidates for queen were Kay Cokely and Rita Rae Wilke representing Alpha Delta Pi; Susan Garnett and Gayle Kamp, members of Alpha Gamma Delta; Linda Long and Jan Seal from Beta Sigma Omicron; and Mary Ana Buck and Janice Ray, Non-Affiliated students.

Two candidates wearing dresses walked between each skit. After the skits were over and the judges were deciding on the winners, the women walked from a garden scene on stage through an arch way, this time wearing formals.

From the top clockwise:

IT WAS A BIG NIGHT for Linda Long (center) who was selected as Tatler Queen. Her attendants were Jan Seal and Janice Ray.

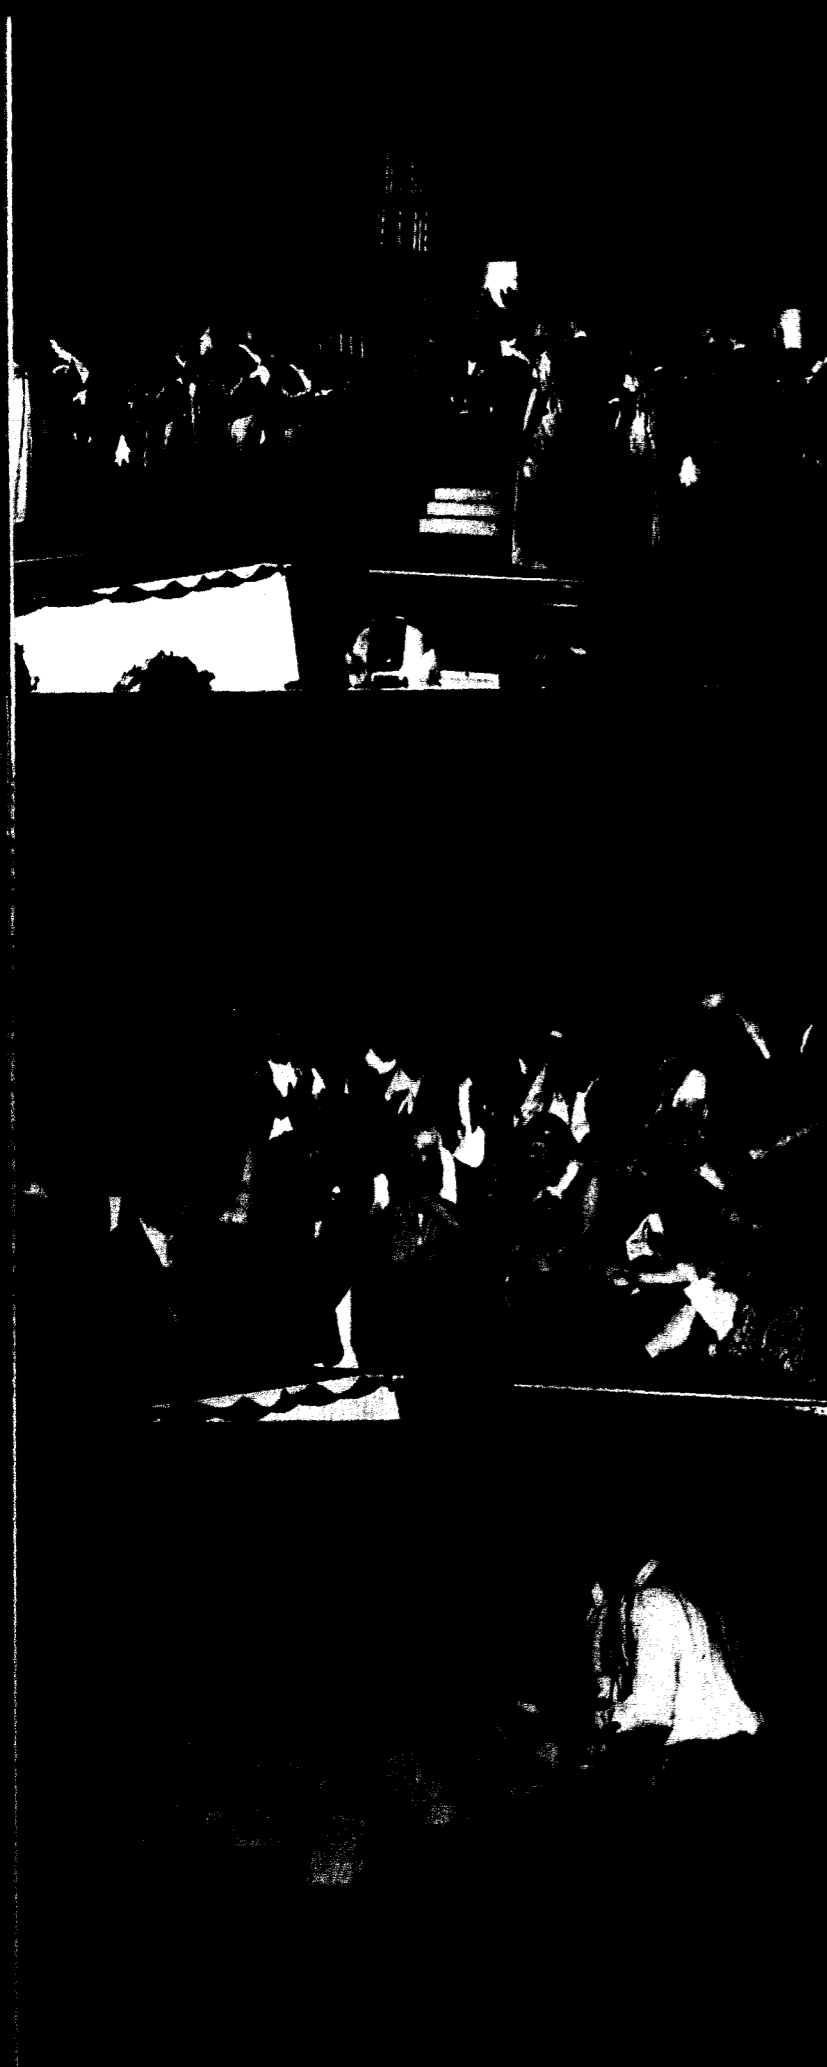

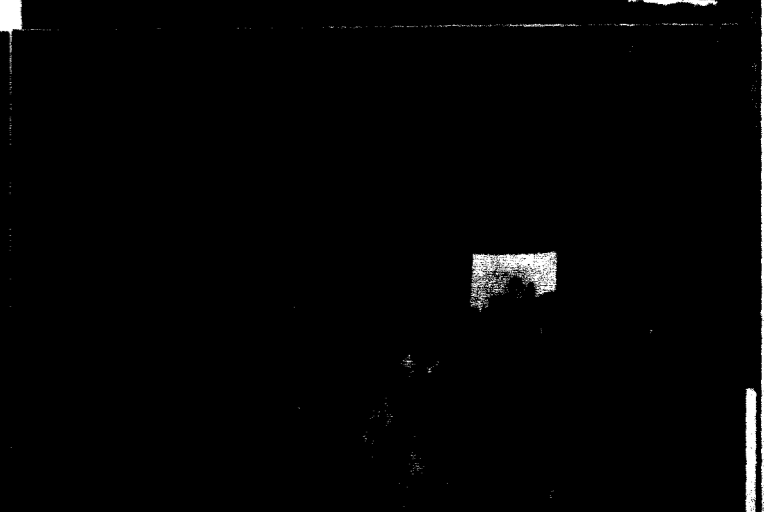

THE SPIRITS APPEAR in the Alpha Gam Skit. The Japanese man had warned the two girls not to open the box but they couldn't resist pecking.

ADPis Are Active in Many Campus Activities

Alpha Delta Pi was founded May 15, 1851, at Wesleyan Female College in Macon, Georgia, and holds the distinction of being the oldest secret society for women in the world. At present, the national organization is comprised of eighty-eight chapters.

On William Jewell campus, Gamma Nu Chapter "rushed" into the beginning of 1958-59 by claiming sixteen pledges who paved the way for a successful year. In a matter of days, the pledges followed active in becoming a part of campus activities. Billie Krumsick and Diana Jones were elected Secretary and Treasurer, respectively, of the Freshman Class, following upper classmen

LaVelle Tucker, Sophomore Class Treasurer, and Sue Carter, Junior Class Treasurer. Helen Berndt, Kay Cokely, Cara Rodenbach, and Linda Leonetti are cheerleaders, and Lou Esther is the Head Majorette.

The ADPis are well represented on campus standing committees and claim membership in leading campus organizations. Two of their members, Nancy Ezell and Shirley Kohler, are members of Panaegis. "Who's Who in American Colleges and Universities" will list Jimmie Carpenter and Nancy Ezell. Busy Nancy Ezell also served as President of Sigma Tau Delta and Secretary-Treasurer of the Student Senate.

Gamma Nu Chapter of Alpha Delta Pi

One of the glories brought to Alpha Delta Pi over the summer was the crowning of Cara Rodenbach as First Runner-Up to "Miss Missouri of 1958."

After long hours and tired girls the huge and beautiful float entitled "Sittin' on Top of the World" was rewarded with a third place trophy. Following the float in the parade were Cara Rodenbach, First Princess; and Kay Cokely, First Attendant. . . . ADPi representatives in the Homecoming Court.

Throughout the year girls kept busy with many activities. Halloween proved to be the perfect time to serenade the fraternities. December brought all sorts of things to do. The money making project

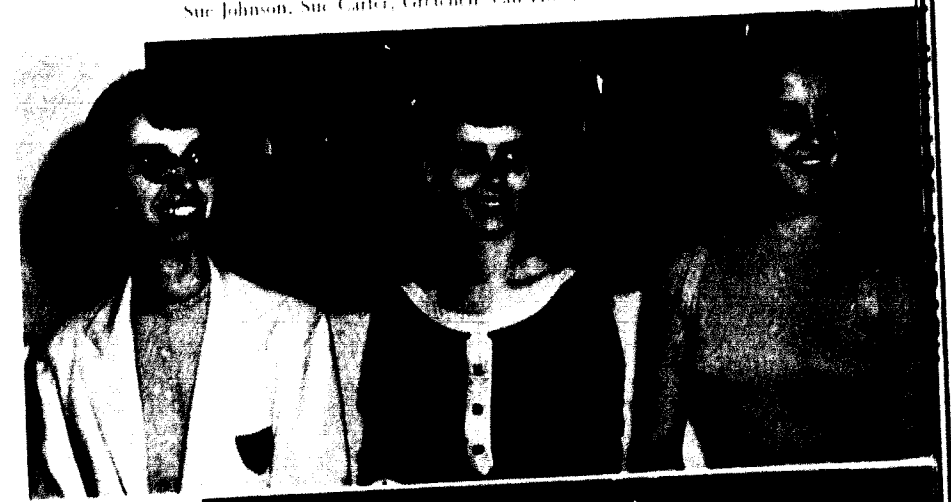

was selling candy. Many boxes of delicious chocolates were sold. No December is complete without a Christmas party for children. This party, complete with candy, toys and Christmas gaiety, was held for the underprivileged children of Liberty.

Winter dances are a specialty and the theme of the December formal was "Cupid's Christmas." The decorations included little Christmas trees and cupids centered around a huge white tree trimmed in blue.

The energetic pledges combined their efforts in a project of car washing. On a bright Saturday afternoon in February the girls shined and polished dozens of cars from the Liberty area.

It has been a year of success and joy punctuated with activities, parties, hard work and ADPi spirit.

Epsilon Epsilon Chapter of Alpha Gamma Delta

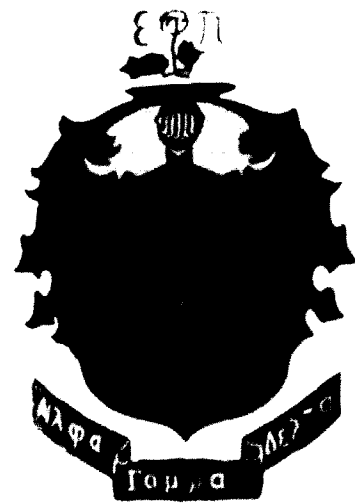

The Alpha Gams of Epsilon Epsilon Chapter began an outstanding year as they emerged from a terrific rush week with twenty-five ambitious new pledges. Two parties were given during the week at which rushees were entertained, first by several hilarious skits aboard the "Showboat," and then at an afternoon tea party given by "Alice in Alpha Gam Land."

As the first semester got under way Alpha Gam activities were soon in full swing with a formal tea in the College Union presenting the new pledges, a surprise picnic given by the actives for the pledges, the pledge dance, "Stardust," and planning and building the Homecoming float featuring the slogan "Knock 'em Cuckoo" which

won honorable mention. Other outstanding events were the annual Christmas party for the Mennonite Children's Home in Kansas City to which each girl took a present and filled stocking to one of the children, and a beautiful winter formal with the theme, "Rhapsody in Blue," impressively carried out in the decorations and music. Memorable occasions throughout the year included many pinning serenades, International Reunion Day, and the traditional spaghetti supper given by the pledges for the actives at which each pledge mother was presented with a pledge paddle colorfully decorated by her daughter.

The most exciting event of the year was the annual Feast of Roses given at Stevenson's Apple

The Epsilon Epsilon Chapter of Alpha Gamma Delta was chartered on the William Jewell campus October, 1946, and is one of the seventy-two chapters located throughout the United States, her possessions and Canada. Since its installation the chapter has striven to maintain the high ideals and aspirations of the fraternity which was founded at Syracuse University in 1904. This year the girls

sold candy to support their national altruistic project, helping cerebral palsied children.

Alpha Gams has been well-represented in activities as its membership includes Myra Lane, Panhellenic Council President, Rhythm Round-up Co-Chairman, and Union Board member; Alice Rowland, Players Vice-President and "Carousel" student director; Marcia Brown, Tatler Associate Editor; Gay Kuettner, Panagis member. Other Alpha Gams participated in honoraries and various other campus groups including Alpha Lambda Delta, Big Sister Council, A Cappella Choir, debate; intramural sports; and Shirley Lopeman and Mary Worthington played leading roles in "The Miser" and the musical production, "Carousel."

Beta Sigs Sweep Top Honors at Tatler Revue

This has been a memorable year for the Alpha Psi Chapter of Beta Sigma Omicron. Since its founding, December 12, 1888, at Stephens College, Columbia, Missouri, members of Beta Sig have very successfully upheld their tradition of achievement. Proud of their distinction of being the oldest sorority on the "Hill" since September, 1931, Beta Sigs have again participated in a wide variety of activities on the campus.

Rush week found the Betas welcoming rushees with two colorful parties, a Chinese Lotus Festival and the traditional Pink Lady Party. Twenty of these rushees soon became pledges and got the social season underway as they gave the first dance

of the year for the active members. This dance had the interesting title, "Hag's Drag," inspired by the prehistoric theme which was cleverly carried out in costumes and decorations.

Homecoming was soon at hand with the three Beta Sig cheerleaders, Sally Lackey, Marian Board, and Sandy Glaeseman helping to cheer the team on to victory. Sally Lackey also reigned graciously as Homecoming Queen, with Jan Clayton as second princess.

In dramatics and musicals Beta Sigs were well-represented this year by Nancy Moore as Elise in the fall play, "The Miser," Margaret Ann Johansen, Wilma Grove, and Sondra Morgan as soloists in the music department's Christmas presentation

Alpha Psi Chapter of Beta Sigma Omicron

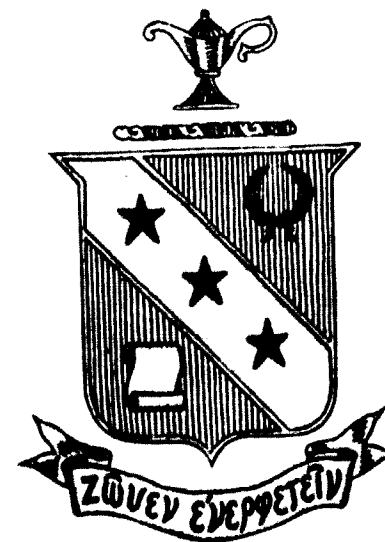

of "The Messiah," and also with important roles in the musical production, "Carousel." Pat Bibler, Margaret Ann Johansen, Linda Kay Welsh, Wilma Grove, and Sondra Morgan sang in A Cappella Choir.

Upholding their tradition for high scholarship the Betas for the ninth consecutive year won the Panhellenic scholarship trophy and retired their national scholarship trophy by winning it for the sixth consecutive year. Martha LaFrenz won the emerald and diamond pin for the Beta girl with the highest grade average, and Toni Bolenbaugh was chosen as the outstanding pledge.

Linda Kay Welsh represented the Betas in "Who's Who" and Sally Lackey was honored by

membership in Panægis. Other Betas were also honored on the "Hill." Marilyn Chandler was Tatler Editor, with Nancy Moore as Associate. Senior Class Secretary was Joyce Burnett; Junior Class Treasurer, Maxine Rice; Secretary of Union Board, Linda Kay Welsh with Anna Margaret Kopley as a student director; Tatler Revue Co-Chairman Wilma Grove; Lillie Shackelford Basketball Queen; WRA Vice-President Martha LaFrenz; Sondra Morgan leading the Big Sister Program.

The Betas were victorious in volleyball and basketball, and Tatler Revue brought top honors with a first place skit, the Queen, Linda Long, and First Princess, Jan Seal.

Alpha Delta Chapter of Kappa Alpha Order

Alpha Delta Chapter of the Kappa Alpha Order has been a substantial contributor to the William Jewell tradition since the founding of this chapter on the campus one Saturday morning back in January of 1887, when a group known as "The Invincible Twenty-three" banded together to form the thirty-second chapter of the Kappa Alpha Order.

From the time of its inception in the heart of the Old South at Washington and Lee University in 1865 until now, Kappa Alpha has sought to instill in young men the ideal of the "Southern Gentleman" as typified in the life of General Robert E. Lee, the spiritual founder. Although this group is the northernmost chapter for the Kappa

Alpha hospitality, it is none the less southern as portrayed by the beautiful southern architecture of the Alpha Delta Chapter house.

The 1959 school year was begun with twenty-four new pledges; eleven more men were acquired during the year, bringing the active chapter up to fifty-one members at the close of the year.

"I Taut I Taut a Puddy Tat - I Did, I Taw a Puddy Tat" won first place for the KAs as their entry in the annual Homecoming Float Parade. The Tatler Revue skit and Rhythm Roundup furnished ample variety to the routine of study.

Four official dances, ranging in themes from "Contemporary Capers," cleverly presented by the

Bill Dreyer, Dave Splan, Ollie Parker.

pledge class, to the "Reb Ball," highlighted the social season. Open House and the annual Mother's Day Tea also proved successful.

Convivium, Kappa Alpha's yearly observance of Lee's birthday and the founding of the Order, was held at the chapter house this year with a large group of alumni in attendance.

The men of Kappa Alpha received many honors and positions during the year. Allen Howard and Bill Pendleton were initiated into Acons and selected to "Who's Who in American Colleges and Universities." Merrick Mohler served as Freshman Class Vice-President. Ron Jenkins was Associate Editor of the Tatler, Bill Dreyer served as President of Political Science Club and Phi Alpha Theta,

Dave Splan led the Inter Fraternity Council, while Gene Voigts worked in debate.

Out of the four fraternities, Alpha Delta's pledge class maintained the highest scholastic average.

Three KAs battled on the Cardinal starting football team, with Bill Pendleton as Co-Captain for 1959-60.

Charlie Rutherford, one of the outstanding returning lettermen, is proudly claimed by the KAs as a key member of Jewell's varsity basketball squad.

Scholarship Trophy Adorns Lambda Chi Mantle

America's largest national fraternity is well represented by Epsilon Nu Zeta. Given a running start by the old local Zeta Chi, the descendants have carried the tradition on with increasing momentum.

The proudest achievement of Epsilon Nu is their acquisition of a new house. The residence on Kansas Street is the realization of dreams and work dating as far back as 1930. Along with a new house came the acquirement of a new housemother, Mrs. Myrtle Shelton of Liberty. In a short time she demonstrated her abilities and is beloved by all the men of Lambda Chi. She and Curt Graham, the alumni advisor, provide guidance for the chapter.

Jerry Curnutt was selected by the student body to be this year's Alexander Doniphan, the man who

is expected to march the farthest in life. Jerry is also a member of Acons and was listed this year in "Who's Who."

The Student Senate finds many Lambda Chis among its members. Richard Schwartz is President of the Senior Class; Donald Witt is Senior Class Vice-President; James Banning is Junior Class President and David Burhans and James Conger are President and Vice-President of the Sophomore Class.

As a result of Lambda Chis being first in scholarship on campus in 1958, a new scholarship trophy adorns the mantle of the fireplace. The chapter at Jewell was second nationally among all chapters of Lambda Chi Alpha in the area of Scholarship. The newsletter, "Epsilon Nu's" under

Epsilon Nu Chapter of Lambda Chi Alpha

the editorship of Stanley Lemons and published by the chapter for the benefit of the alumni was ranked second in Lambda Chi this last year.

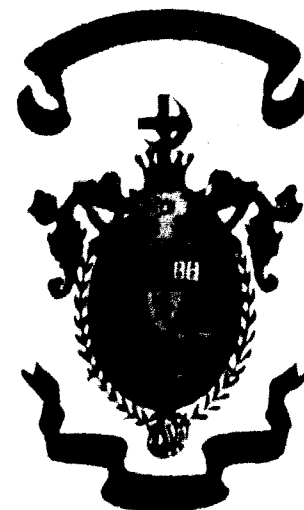

The Chis are not missing from the sport scene either. Stanley Lemons and James Conger were co-captains for the William Jewell cross country team which had its most successful year in many years. Richard Schwartz is co-captain of the track team. Robin Pratt is a standout on the tennis team.

The social world of Lambda Chi took on new dimensions this year. Besides all the usual open houses, Christmas party, Valentine party, taffy pull, and informals, there were new things tried.

The first formal was held in the house when the men converted it into "The House of the Orient." A Greyhound bus was chartered to carry the fellows and their dates to the Mo Valley football game in Marshall. Everyone at the William Jewell Football Banquet was invited to a dance to be held in the social room of the house. There was quite a large turnout including fellows and dates from all of the fraternities and sororities.

Again this year Lambda Chi Alpha has had many of its members in the honorary and service organizations, dramatics, music, student government, and religious groups.

Zeta Phi Chapter of Phi Gamma Delta

Proud of the distinction of being the oldest fraternity on the hill and celebrating their seventy-third year on this campus, Phi Gamma Delta has contributed considerably to the William Jewell activities.

Phi Gamma Delta was founded in 1848 at Washington and Jefferson College in Cannonsburg, Pennsylvania, and came to William Jewell in 1886. Previous to its admission as a chapter in Phi Gamma Delta, Zeta Phi was a local fraternity organized in 1871.

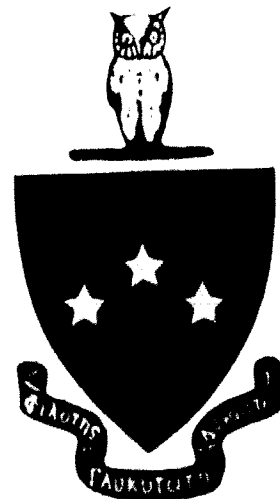

The "Fijis" started the year off in a big way by pledging forty five men. This was the second

largest pledge class in the history of Zeta Phi Chapter.

These men immediately responded by initiating our social season with their pledge dance, "Club Fiji." Following this dance, and in keeping with the seasons, there were dances at Halloween time and for Valentine's Day. Phi Gamma Delta served as a host to each sorority on separate Monday nights.

The big event and the high light of the year was the "Fiji Weekend," which included a Fiji Island Party in costume at the house Saturday night and a picnic Sunday afternoon. Numerous

informal date parties were held throughout the year, in order to celebrate football and basketball victories. For the alumni of Zeta Phi Chapter, the annual "Pig Dinner" was held in March. Many grads were in attendance.

Also adding to the social activities, the Phi Gams had two open houses, a luncheon for their alumni during Homecoming weekend, and several guest speakers at Wednesday night dinners.

Again retaining their domination of Tatler Revue, the Fijis won second place with their skit, "Gypsy Jazz." When Homecoming time rolled around the fellows pitched in and secured an Honorable Mention with their float depicting a pool table and the inscription, "Rack the Tigers."

Phi Gamma Delta has several campus leaders. Rod Swearingen served as a member of the College Union Board and Captain of the Varsity Tennis Team. Lenny Poppenhagen was Vice President of the Junior Class and also served as Business Manager of the Student and as Co-Chairman of Rhythm Roundup. Ray Wilson held the position of Captain of the Varsity Baseball Team while Mike Fligg was on the College Union Board Council and participated on a Rhythm Roundup Committee.

This year the Phi Gams welcomed to their house a new house mother, Mrs. Edith Atchinson. She was liked by everyone who met her, and fitted well into the group. Due to her sympathetic way she has gained the respect and friendship of all.

Sigma Nus Participate Widely in Athletics

The oldest fraternity house west of the Mississippi River is one of the distinctions of Beta Xi Chapter of Sigma Nu, which this year celebrated a very successful sixty-fifth year on the William Jewell campus.

Founded in 1869 at Virginia Military Institute, Sigma Nu now has one of the largest memberships in the National Interfraternity Council. The wearers of the five-armed star have made a valuable contribution to campus life since their coming to the Jewell campus in 1894.

Beta Xi started the year with a bang by pledging seventeen novices. These pledges responded with the first social activity of the year in the form of a hayride. Other social highlights of the year were the lively Pajama dance to which the girls wore

red and white striped pajamas sent to them by their dates, and the Shipwreck dance with proper atmosphere provided by costumed couples and the desert island decorations which transformed the dance floor into a moonlit beach. Then, of course, completing the social season was the beautiful, traditional dance, the White Rose Formal.

Brothers of Sigma Nu contributed to the Homecoming Parade with the float, "Cards Strike Again." In traditional fashion the Cardinals did strike again, defeating Iowa Wesleyan.

Sigma Nus participated widely in the athletic program on the William Jewell campus this year. Butch Watson was a Beta Xi representative to varsity football and served as an able Co-Captain of the successful "Big Red Team." Carl King and

Beta Xi Chapter of Sigma Nu

Larry Markt, Co-Captains of the varsity basketball team led the Cardinals to many a victory, and Bob Jamieson and Ron Kelley filled important positions on the golf and wrestling teams respectively. Many other Sigma Nu brothers were found on all varsity teams including football, basketball, wrestling, track, golf, and baseball.

The members of Beta Xi were all extremely proud of the third place trophy which they won in Tatler Revue with their skit, "Review of the Ages." This skit represented important phases of American life since the turn of the century to the present in a series of episodes connected by a typical father and son discussion as to the merits of studying

history. Episodes included a soft shoe routine done in black face with luminous costumes, a night club of the 1920's, the crash of the stock market, a shipboard scene with a chorus line of sailors, and finally a modern rock 'n roll session complete with "Elvis Presley." Five of the eight queen candidates were also escorted by men of Sigma Nu.

In intramural sports Sigma Nu won many of the major titles and hope to win the intramural trophy for the fifth consecutive year, thereby permanently retiring it.

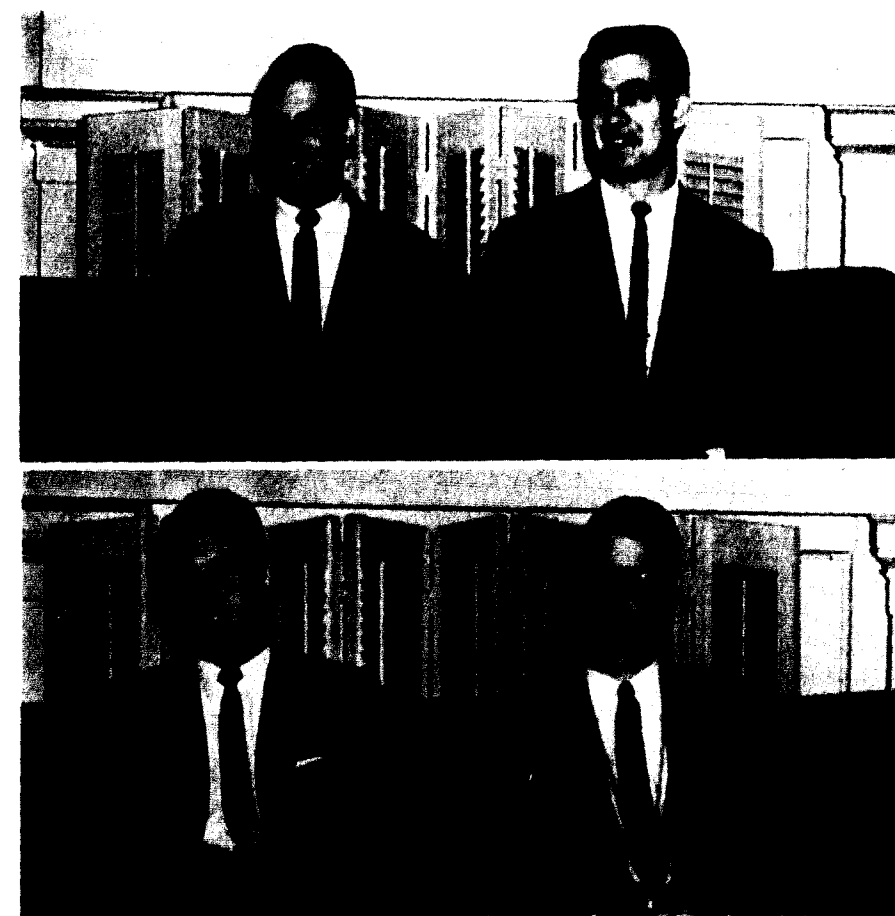

The members of Beta Xi were again very fortunate to have as housemother Mrs. Homer Huff, who proved to be the favorite Sigma Nu Girl.

Living the "Greek" Way . . . From

Singing to Alice in Alpha Gam Land are these girls as they perform at fall rush.

Phi Gams entertain the Beta Sigs on a Monday night at their house.

"We Sing Tonight of the Blue and the White," is what the ADPis are actually singing to their guests at Progressive Tea.

"Is Playing Cards more fun than studying?" Just ask these KA pros.

Holding a third place trophy for a beautiful Homecoming float is Nancy Ezell. Other ADPis are also happy as they sit with her.

At the Beta Sig "Out To Lunch" party these girls just had to dress for the occasion.

The Phi Gams in this picture are singing some songs as Rod Swearingen shows that the piano still works.

On each end of the next row, the Sigma Nu Pledges are busy sending out letters to their alums.

In the center picture, Mother Hanna and her boys are celebrating Convivium with their KA grads.

Below, George Rowland proves that he's taken up the fad of the Hula Hoop and seems to be an expert.

Rush in the Fall Till Finals in the Spring

Visiting with freshmen girls at Progressive Tea are the Beta Sigs.

"What do we do next?" the Phi Gams ask while trying to assemble their homecoming float.

Anxiously awaiting the arrival of new pledges are the Lambda Chis as they stand in front of their new home.

"Anyone for a balloon?" these girls ask at the Lambda Chi Bermuda party.

It looks like Santa Claus has come to ADPi Town. Are men allowed in the dorms?

It's time out for a rest as the Alpha Gams take a break from rigorous Tatler Revue practice.

Ready—Blow! It looks as though Myra Lane is going to have her wish come true.

Singing at Old South to their Southern Ladies are the KA men.

Stuffin' crepe paper is a tedious job the Beta Sigs discover after hours of work on their Homecoming float.

Are the Sigma Nus getting ready to take a few pledges on a trip? That was the plan but it ended with a party for actives and pledges instead.

Twelve Seniors Are Listed in "Who's Who"

In the fall each year a faculty committee meets to choose from the senior class those students who they feel are qualified for listing in the publication "Who's Who in American Colleges and Universities."

The qualifications for listing are set by the publication board and are sent in the form of a letter to the College.

The faculty committee, which is representative of all phases of campus life, meets the first time to suggest possible names for the group. At a later meeting, a careful evaluation of each student's qualifications in the areas of scholarship, leadership, service, and future promise of service in the community is made and the members selected.

Announcement of those chosen is made in the *Student*, and later in the year certificates are presented to them in Chapel.

"Who's Who" is a national publication which recognizes the achievements of students in over 700 colleges and universities. This year, William Jewell is proud that twelve outstanding seniors will be listed.

Some time ago the Alumni Office of the College made a listing of those who in previous years have received these designations. The records that these students attained in the years since graduation are in keeping with the leadership they demonstrated on the campus, and the promise they gave for the years ahead.

Colonel
Alexander Doniphan

and

First Lady
of the Campus

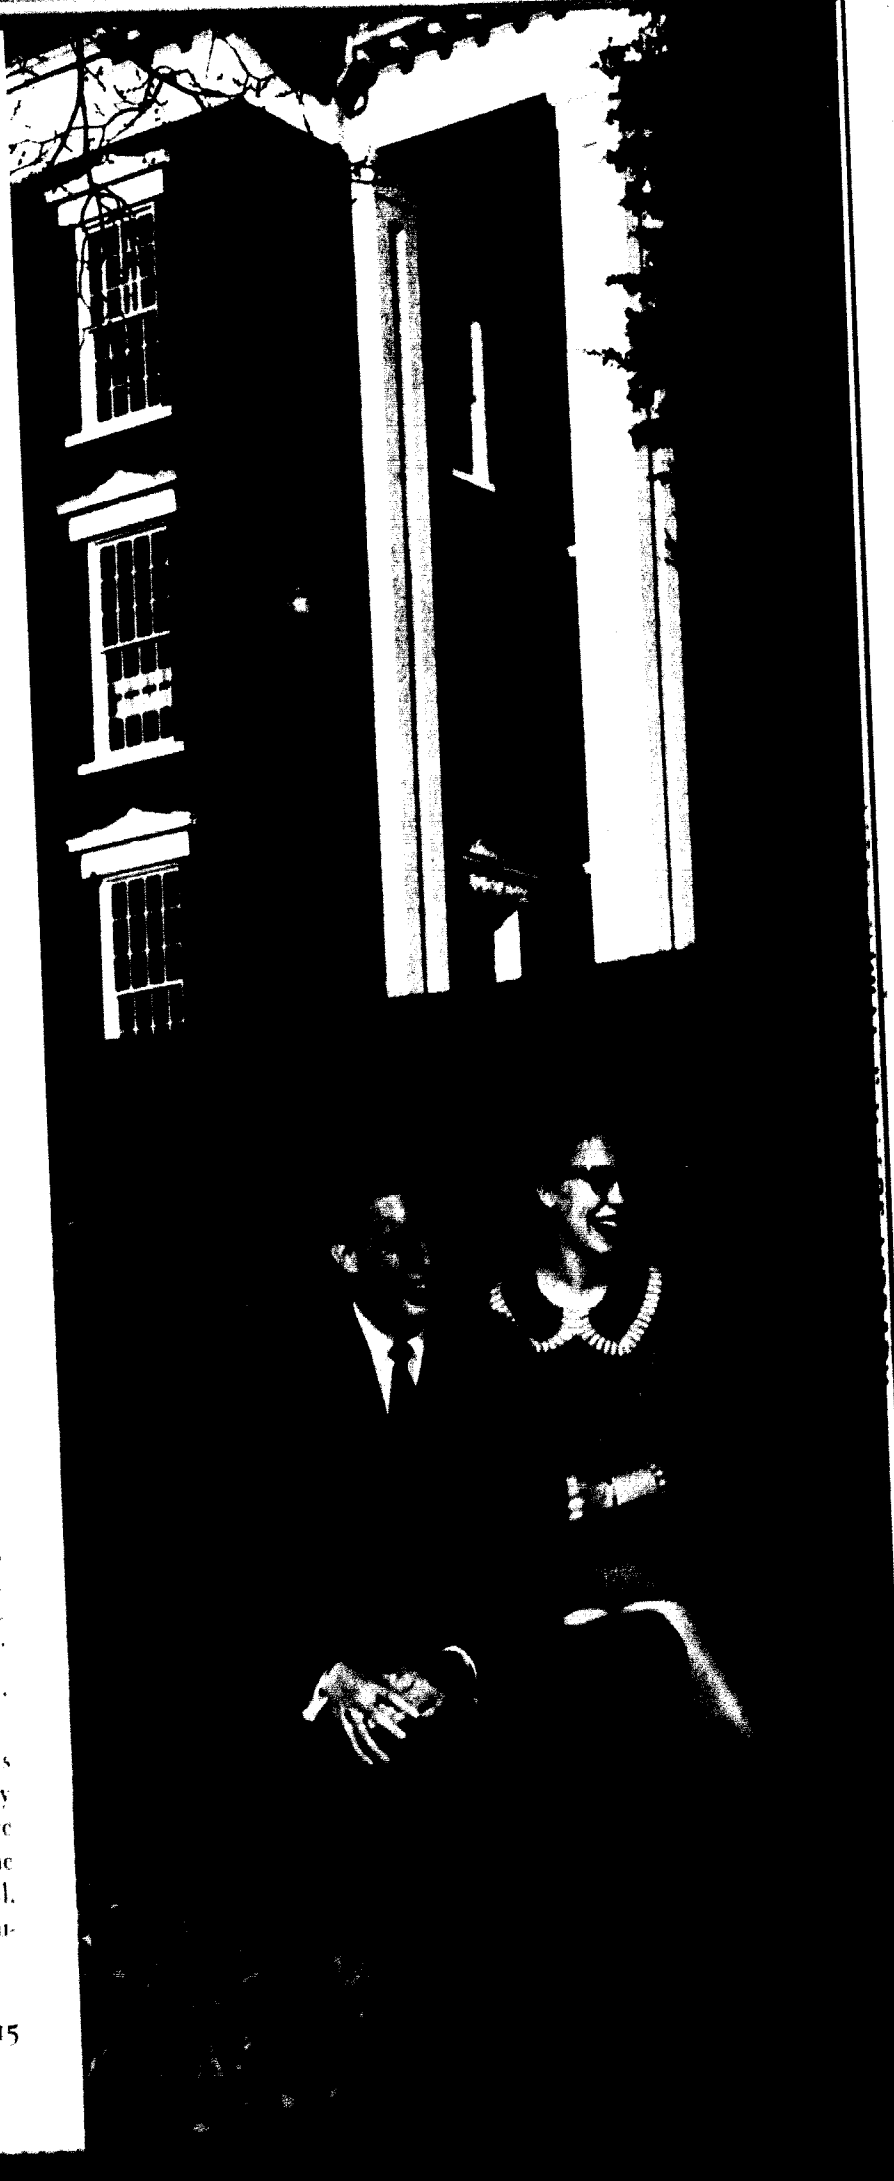

JERRY CURNUTT AND
CAROL ANN CARTER

Each year the student body traditionally selects one senior man and one senior woman whom they feel possess the qualities of leadership which characterized Colonel Alexander Doniphan, the famed hero who led his men in the longest march of the Mexican War in 1846. Colonel Doniphan is the most celebrated and best known name connected with William Jewell College.

Jerry Curnutt of Springfield was voted this year as Colonel Alexander Doniphan, the senior man most likely to "match the furthest in life." Jerry's activities include Student Body President, Lambda Chi Alpha President and Vice President, Acorns, "Who's Who," American Chemical Society, Pi Kappa Delta, Kappa Mu Epsilon President, and Interfraternity Council.

Carol Ann Carter of Thayer, was chosen as the senior woman representing the finest type of womanhood and was thus given the title, First Lady of the Campus. Carol was in "Who's Who," Panagis, Beta Beta Beta, American Chemical Society, Big Sister Council President, House Presidents' Council, YWA, Epsilon Omega Pi, BSU, and Melrose House President.

Because of the leadership qualities they have shown, the contributions they have made, and the service they have given to the Student Body and the College while here at William Jewell, we wish to congratulate these two students on this high honor.

Seated: Shirley Kohler, Alzora Jeffords, Gay Kuettnier.
 Standing: Carol Ann Carter, Nancy Ezell, Sally Lackey.

Panaegis . . . Senior Women's Honorary

Each spring Junior class women outstanding in qualities of character, leadership, scholarship and service are tapped for membership in Panaegis, senior women's honorary organization. This is the highest honor which can come to a William Jewell woman. A tiny gold key on which is inscribed the image of Athena, the goddess of wisdom, identifies the members.

These students render activities of service without recognition, thus showing the qualities which Panaegis members exemplify throughout life.

One event practiced and enjoyed each year is a breakfast held by Panaegis and Aeons on the morning of Baccalaureate Sunday. An alumnus of the college is the speaker, and many former members return for the occasion.

Seated: Allen Howard, Bill Pendleton, Robert Williams.
 Standing: Jerry Gurnutt, Ed Damer.

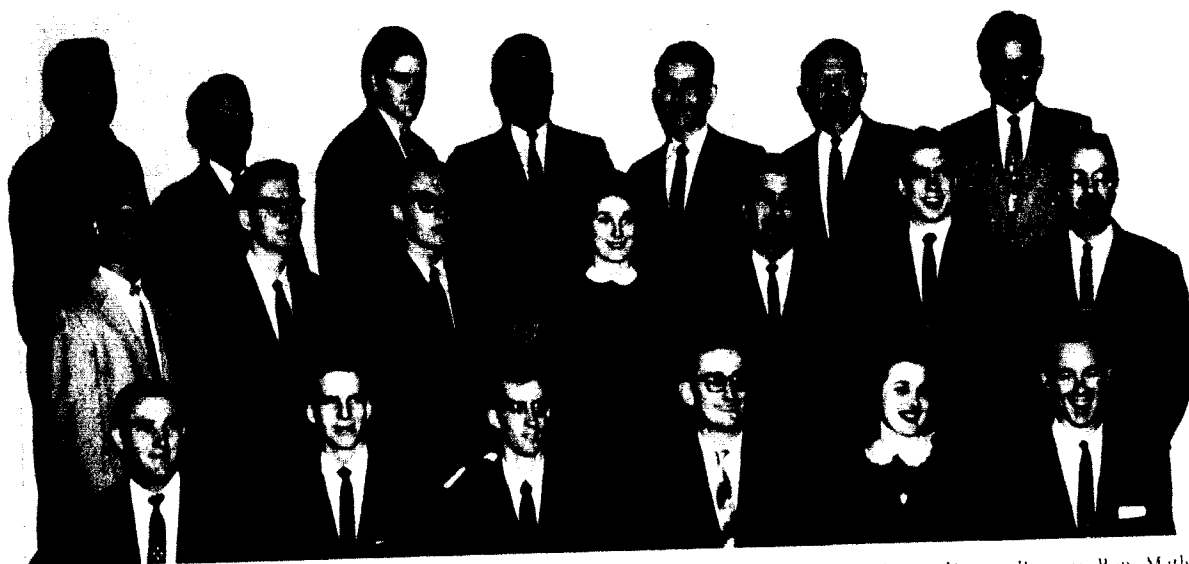

Aeons . . . Senior Men's Honorary

William Jewell's senior men's honor society is known as Aeons. This secret society, founded on the William Jewell campus in 1905, is self-perpetuating. Its members are chosen each year from the outstanding men of the Junior class on the basis of leadership, scholarship, and service. In its more than half a century of existence, the organization

has tried to bring about a higher level of thought and action on the campus.

Except for the black and white arm-bands which are worn at the time new members are elected and their small crossed keys badge, there are few outward manifestations of their honor.

Staff members who are Aeons are Mr. Tom Bray, Dr. Edson, and Mr. William Cuthbertson.

Kappa Mu Epsilon

Students who belong to Kappa Mu Epsilon are required to have above average grades in all subjects, to previously have excelled in all the courses prerequisite to Calculus, and to be presently enrolled in Calculus. At KME's monthly meetings, members are introduced to new concepts in the field of mathematics.

The group participated in the staging of a most successful Science Night on March 12, in cooperation with students in the fields of chemistry, physics, and biology.

Sigma Tau Delta

For membership in Sigma Tau Delta, the creative writer's society, it is required to submit a piece of creative writing to be read and evaluated by present members. Monthly meetings are held in Liberty homes and the Yates College Union, to which guest speakers are often invited.

In cooperation with the Department of English and the Department of Public Relations of the College, Sigma Tau Delta sponsored a publication "The Gryphon," presenting selected writings from students in college this year.

Sigma Pi Sigma

Students with high scholarship and promise of achievements in physics are awarded membership in Sigma Pi Sigma. With the help of the advisor Dr. Hilton, President Bill Pendleton led the group as they presented programs at their monthly meetings promoting interest in research and advanced study. Because of the excellent equipment to be found at William Jewell, and especially because of the national recognition of its faculty, the Physics Department and Sigma Pi Sigma offer students interested in this vital field unusual opportunities for experimental study, and personal development.

Row 3: Kathryn Nelson, Chal Bronshteyn, Jim Birch, Art Carder, Howard Dunn, Marvin Dixon, Robin Pratt, John Brunner, Dr. J. P. Huselton.

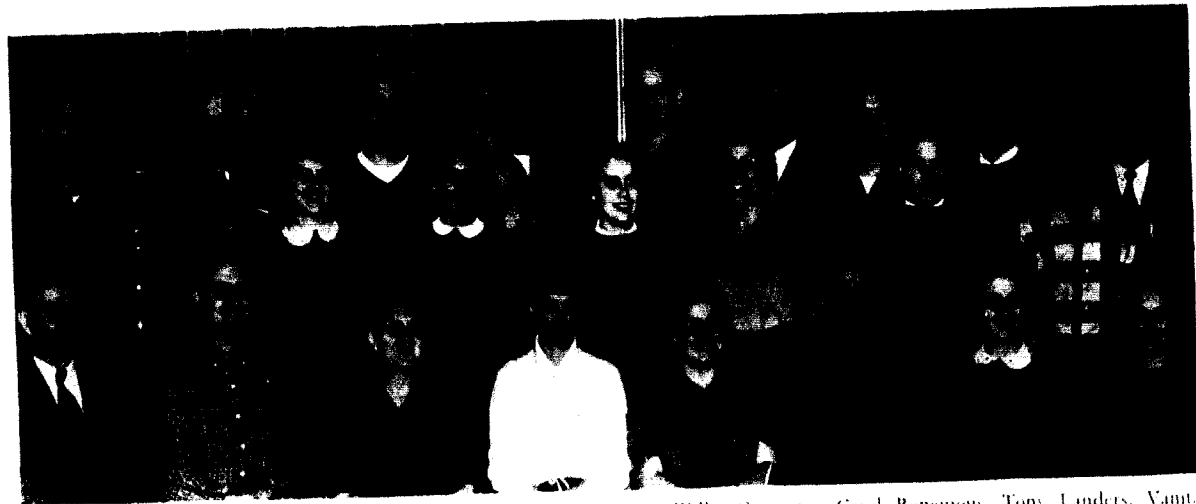

The American Chemical Society

The Student Affiliate Chapter of the American Chemical Society is composed of majors in chemistry, and other interested students.

The Society gives students an opportunity to develop in the fields of chemistry and chemical engineering. Dr. Huselton serves as sponsor, and Francis Botts as president.

Many former members of the local chapter of ACS have already gained distinction in the fields of applied chemistry and research. This is a natural result of the high emphasis of the department and the chapter.

Beta Beta Beta

Beta Beta Beta is the national honorary fraternity for those who have biology as a major interest. It strives to promote scholarship and the development of interest in scientific research. A paper written on a biological subject, a grade point average superior to the average of the student body, the completion of three courses in biology with a value of ten hours or more, and sophomore classification or above are the requirements for membership.

Through this group students are encouraged to do original research. Jimmie Willis Carpenter was president and Dr. Gier was the sponsor.

Row 1: Kermit Wilkins, Mr. Wilbur Bruner, Patricia Bibler, Dr. Paul McCarty. Row 2: Sue Johnson, Delores Ray, Mrs. ElSamman, Miss Ruth McDaniel, Gail Minter, Beverly Odor.

Phi Sigma Iota

The purpose of Phi Sigma Iota, the national Romance language honor society, is to encourage high scholarship and individual research in the field of the Romance languages. Sponsored by Dr. P. T. McCarty and Miss Ruth McDaniel, and led by President Pat Bibler, the members strive to promote amity between our nation and others. There are any number of international students today who feel the need of communications between peoples of the world. This encourages Phi Sigma Iota and other interested groups to believe that breaking down the language barrier can be a great deterrent to misunderstanding and even war between nations of the world.

Pi Kappa Delta

Pi Kappa Delta, National Honor Society for forensics, in the accomplishments of this year, sustained a reputation it has enjoyed for a long time as a center of debate and speech programs.

The teams were undefeated at the University of Iowa, participated at Kirksville, Wichita U., Maryville, Arkansas University, McPherson, Rockhurst, and at the National Tournament in Bowling Green State University.

This active group has also sponsored the Intramural Speech Festival, the Blizzard Tournament, a high school clinic, and the Northwest District High School Debate Elimination Run offs.

La Camerata

La Camerata, composed of music majors, stimulates campus interest in music. In addition to attaining musical skills and tastes the members of this group, under the leadership of their president, Margaret Johansen, assisted the Music Department in the sponsorship of the Senior Recitals.

Although most of the students who come to college and show an interest in music have had previous training in the field, the work here both in the Department of Music and in La Camerata is also designed to both enhance and demonstrate the place of music among the appreciated arts of life.

Phi Alpha Theta

Promoting interest in the field of history is the aim of Phi Alpha Theta, a member of the National Association of College Honor Societies and an honorary history fraternity. The purpose of the society is to stimulate scholarship, promote historical writings, and encourage members in the study of current affairs.

During the year Beta Gamma Chapter, with Dr. Pugh as advisor and William Dreyer as president, brought outstanding speakers to the campus.

Row 1: Sue Johnson, Wlad Janciel, Jo Harvey, Linda Hill, Suzanne Hemley, Betty Merritt. Row 2: Richard Stillwagon, Bill Low, Bill Dreyer, Steve Kallay, James Hicks, Earl Benner, Jack Jordan.

Political Science Club

The Political Science Club was organized on the William Jewell campus in 1956 for students interested in making professional contacts and friends with students interested in this field. Membership is available to students with a grade average of 2.25 in at least ten hours of Political Science. The club publishes the Political Science Newsletter once a semester to which any student may submit articles. William Dreyer served the group as president this year.

Row 1: Augustine Okonkwo, Virginia Hurt, Barbara Byens, Bill Guffey. Row 2: Jerina Guffey, Mr. Earl R. Whaley, Harry A. Kochanowski, Leroy Seat.

Pi Gamma Mu

Pi Gamma Mu is the national social science honor society on the campus. Membership is limited to those persons who have at least 56 hours of college credit and 20 hours in the social sciences. An average of "B" in the social science subjects is also a requirement.

Mr. Earl Whaley served as sponsor of the group and Leroy Seats as the president as they dealt with the problems of human relationships and attempted to utilize sociological theory through practical application.

Augustine Okonkwo, Russell Caviezel, Dean Berts, Arthur Babbitt, Virginia Hurt.

Independent Students' Association

The Independent Students' Association has been affiliated with the National Independent Students' Association for the past five years.

This group offers a social outlet for "non-Greeks" and rounds out the total campus organizations to the end that all students with any interest in campus activities may find a place for their efforts and interests. Although few in numbers this year, they have maintained this spirit. Serving as president of the group was Virginia Hurt.

Big Sister Council

Welcoming new girls to the William Jewell campus is the function of the upperclass women who are members of the Big Sister Council. The Big Sister's duties include writing to the new girl during the summer answering her questions and giving advice concerning campus life during her years at Jewell.

President Carol Ann Carter and other officers serving under her, completely revised the system for selecting the next year's council. A banquet was held in the spring for the incoming and outgoing council.

Alpha Lambda Delta

Alpha Lambda Delta is the national freshman honorary organization. Membership is open to all freshmen women who obtain a 3.5 grade point average either first semester of their freshman year or as a combined average of both the first and second semesters.

Pledging and initiation was held in the spring. During pledging the women wore ribbons of yellow, red and white. The pins worn by this group symbolize a lighted candle.

Rosalie Borgstadt was this year's president and Miss Chiles and Mrs. Lohan served as sponsors.

Epsilon Omega Pi

The motto of Epsilon Omega Pi is "Into Service Prepared." This group was established by young women preparing to enter into fulltime Christian vocations. This year EOP's main project has been to help organize the Valley Memorial Baptist Mission in Kansas City, Missouri. The president this year was Marian Gillenwater. Many of the members of EOP will choose for their areas of life service places where real pioneering will be done in church and community development. On these fields they will recall the experiences of campus life at William Jewell.

YWVA

The Young Women's Auxiliary at William Jewell College is a forerunner of comparable activity the students will find when they return to their homes or settle in other communities. Baptist churches everywhere have utilized this missionary society group as an instrument for teaching missions, and promoting missionary work in local Baptist churches. Its program is attractive and serviceable.

Led by Elizabeth Allen, the campus YWA meets twice a month and provides guidance for the girls at Hilltop House every Tuesday evening.

"Let's try it once more," Miss Rice instructs Harpagon, Keith Dyer, in beginning rehearsals of *The Miser*.

Cleante and La Flèche heatedly discuss an important loan.

As the play nears its end, Cleante proudly announces, "I have found out what you want to know."

"Come on, do your duty," draw up his indictment as a felon and an abductor," the miser screams to the magistrate.

"Good! You are well caught, Lise!" Harpagon observes one of his servants.

William Jewell Players

The William Jewell Players are the "men behind the scenes" in every dramatic production presented in John Gano Chapel. The Players have applied their talent to make successful *The Miser*, the Christmas Vespers, and *Carousel*.

The Miser was a comedy farce play which was received exceptionally well by audiences who viewed it. In "The Miser" the theme is love and money. The comic plot finds its humor in the conflict and disorder created in the play because Harpagon has turned morality upside down by making money the object of love. This obsession of the main character is so great that he is willing to sacrifice his family to keep his money; when, at the close of Act II, he finds he has lost it, we see the man stripped bare, so that the core of his mind is only his mania. His love of money is so possessive that in the last act he refers to it as a lover might speak of his lost love. The miser was portrayed by Keith Dyer in his first starring role on the Jewell stage.

At their annual banquet each spring, the Players admit new members who have proved their worth and ability by working on or in plays and undergoing an initiation which consists of masquerading as some dramatic character for one day on the campus. The Players often travel to the Kansas City

Miss Rice is the sponsor of the group and Jim Colberd, president. This year as in previous years at William Jewell the Players have worked closely with the various organizations of the Department of Music, and both groups have profited from the shared experiences. This was particularly true in the presentation of "Carousel," when the music was one of its highlights.

Gamma Beta Nu

The name, Gamma Beta Nu, represents the motto of the 24 year old organization, "Wives help to win." These wives of ministerial students, who wish to develop themselves in every possible way to encourage and assist the ministry of their husband, find her, with others similar interest. Discussion of problems and friendship is what this group provides. Mrs. F. M. Derwaeter is the sponsor. Althea Noble served this year as president.

WRA

The Women's Recreation Association has adopted an entirely new organization this year. Under the revised constitution each woman student at Jewell is a member of WRA. Specially elected representatives from the student body and the three sororities make up the Women's Recreation Board, which is in charge of arrangements for all women's intramural sports.

This group sponsored an annual high school play day for schools in the surrounding areas, and held a sports day with Park College.

Physical Education Majors

The Physical Education Majors Club, established on the William Jewell campus four years ago, is affiliated with the American Association for Health, Physical Education, and Recreation.

This organization provides an opportunity for PE majors to become better acquainted with professional viewpoints in the Physical Education field. The members officiate at intramural games.

Bill Burns served as president and Miss Thomas, Coach Patterson, Coach Nelson, and Coach Gourley were sponsors.

"J" Club Sponsors Jewell Invitational Meet

Members of "J" Club are those men who have earned a letter by intercollegiate competition as a member of a varsity squad and have gone through the club's three day initiation. To remain in good standing, the members must not miss more than one meeting a semester and as a result this group has the highest attendance of all the organizations on the campus.

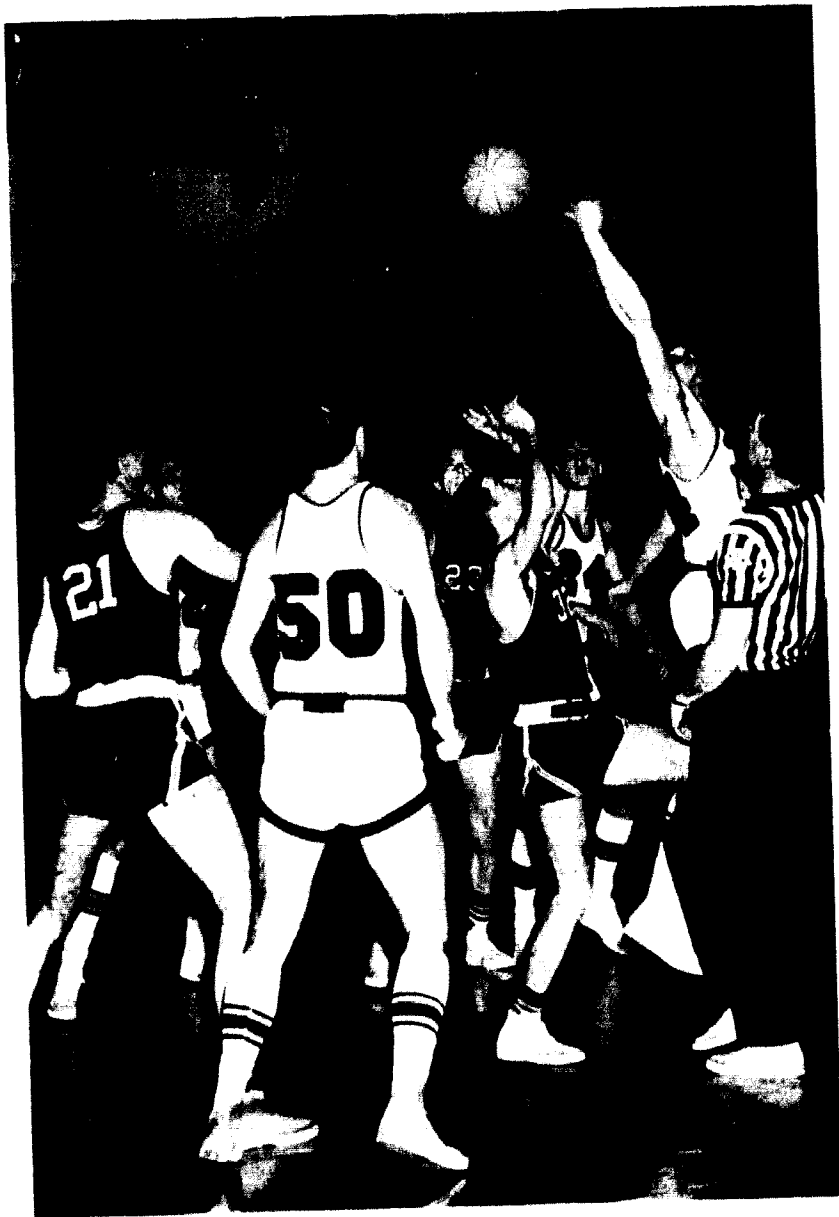

In the fall the group sponsored an alumni

football game and dinner and later in the year took care of the concession stands at the basketball games. The William Jewell invitational meet for surrounding high schools which was attended by 62 different schools was sponsored by "J" Club. A dance was held in April as the year's social event.

A letter sweater is awarded to each first year letterman, a jacket for two year letterman, and each senior in good standing receives a wool blanket.

Football Season Ends With 7-3 Record

The "Big Red" grid team displayed good football in racking up a seven win, three loss record during the 1958 campaign.

In the opener, Coach Norris Patterson's junior-studded squad failed to score in dropping a 9-0 decision to Panhandle A & M of Goodwell, Okla. The next week the Cards some shuffling around and came up with a 32-26 victory over Ottawa University.

Despite the fact the Cardinals handled the ball only half as much as the Wildcats, William Jewell clamped a 34-26 defeat on Culver-Stockton in the third tilt. The Redbirds bumped off Northwest Missouri State in Maryville, Mo., 19-7. Tarkio put up little resistance in losing to Jewell 19-7.

In mid-October the improving Cards slashed up Graceland defenses to the tune of 25-0. But the following week a powerful Missouri Valley eleven reversed the outcome by setting William Jewell back 21-3.

The Cardinals homecoming victory over Iowa Wesleyan of Mt. Pleasant, Iowa, 32-27, was a colorful game. In the raging finish the Redbirds handed Baker its first setback of the season 20-7.

If a team has to lose, William Jewell did so in style in losing the finale to St. Benedict's 21-20 after leading 20-0 at the three-quarter mark.

Three Cardinal gridgers, end Dave Bolsenga, guard Durwood Watson, and center Bob Howard, were named to the Missouri Collegiate Athletic Union all-star team. Fullback Bill Pendleton and halfback Ralph Kincaid placed on the MCAU second-team. Durwood Watson was selected for NAIA Honorable Mention Little All-America.

Coach Patterson will lose five squad members by graduation. Co-captains Bill Pendleton and Durward Watson along with Bob Jamieson, Bert Miller, and Bob Womack have finished their college eligibility.

Letters were awarded to 15 juniors, five sophomores, and six freshmen. Provisional awards were given to eight members.

Patterson's Hundredth Victory

The football game played with Baker University was especially rewarding one for Coach Patterson as it marked the one hundredth victory of his coaching career and halted Baker's seven-game winning streak. All the men in the above picture have been busy this year, however, in trying to coach teams in sports which would not only win games for William Jewell but which would build better men as a result of good hard fair play regardless of the score board's final record.

Basketball Team Ties Second Place in MCAU

William Jewell's Cardinal cagers started off at a fast clip, suffered a mid-season slump, then came back strong in a futile attempt to grab the MCAU title and a shot at a berth in the N.A.A. tournament.

Coach Jim Nelson's force closed the season with a 19-9 record giving the Redbirds a tie with Westminster for second place in the MCAU race. In the district play-off, William Jewell lost out to Culver-Stockton, two games to one.

The Cards took second place in the Kansas City University Invitational tournament and third place trophy in the Ottawa tournament. John Hickman, sophomore guard, was named to the Ottawa all-tourney team.

Senior Carl King, the nation's sixth-ranked field goal percentage shooter, and John Hickman, the team's leading scorer, leading assist artist, and top rebounder, were named to the Missouri Collegiate Athletic Union all-star basketball team.

The Cardinals set down their early foes but lost to Rockhurst in the final game of the Kansas

City University tourney. In the second game of the Ottawa tournament Nelson's five dropped a 65-69 heartbreaker to Southwest Missouri State.

Opening conference action against Culver-Stockton, William Jewell was set down 69-47 on the Wildcat's floor. In a return match the birds beat Culver-Stockton 57-46.

But to put the Redbirds out of the race, they split games with Missouri Valley and Westminster for their second and third losses. Culver-Stockton, MCAU champ, suffered only one other defeat in conference play.

In order to Play Culver-Stockton in the district play-off, the Redbirds had to beat out Westminster in a one-game play-off between the two second place teams.

In the three-game play-off with Culver, William Jewell lost the first game in Liberty, 70-65. In the do-or-die game in Canton, the Cardinals won 65-56, but the Wildcats came back to take the series the next night with a 76-66 win.

Cheerleaders

Encouraging the football and basketball teams to victory this year have been eight energetic cheerleaders, six of them upperclassmen who were elected last spring and two freshmen elected in the fall.

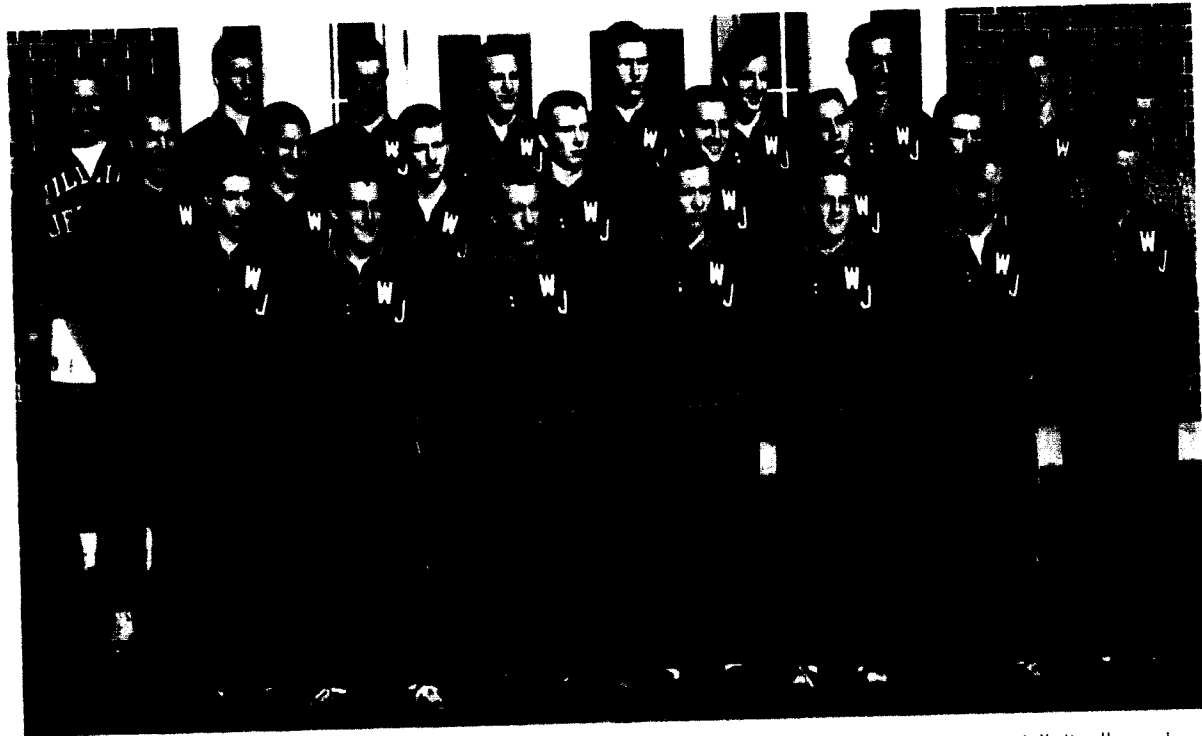

Regular practices were held by this group in order to obtain uniformity in the school yells. Awards were given for attendance at the end of the year.

Pep Band

Providing the music to aid the cheerleaders in yells and the student body in songs was the pep band. Those wearing the black and red striped shirts and black slacks as members of the band were Chal Beisenherz, Sheldon Bivm, Larry Elliott, Bill Fulkerson, Don Gregory, Jim Hicks, Bill Hickin-smith, Bob Jerman, Harold McGuire, Larry Mendenhall, Merrick Mohler, Jim Pate, Lenny Poppenhagen, and Page Seats.

"WHEN THE SAINTS GO MARCHING IN" is the song being played by the pep band as a thrilling basketball game is in progress.

Track Men Meet Heavy Schedule

Coach Darrel Gourley laid out a big schedule for William Jewell's track squad but quickly found a great need for a field crew. Despite the weaknesses, the Cardinals made a fine showing with the material available.

Gourley, the newly installed track coach, lined up dual meets with Central, Kansas City University, Northeast Missouri State, Ottawa, Tarkio, Graceland, Westminster, St. Benedict's, Northwest Missouri State, and Missouri Valley.

Cardinal relay teams were signed up at the Kansas and Drake Relays. Also, William Jewell was entered in the Graceland Relays in Lamoni, Iowa; and the Redbirds participated in the Kansas State Invitational at Manhattan, Kansas.

In addition the Missouri Collegiate Athletic Union track meet was scheduled to run-off on the William Jewell track Friday and Saturday, May 15-16.

Returning Cardinal lettermen included Larry Hamilton, Rich Schwartz, Larry Elliott, Art

Carder, Charles Remeke, Lyle Wullbrandt, and Jim Conger. Carder and Schwartz served as captains for 1959.

The newcomers to the squad included Jim Lewis, Bob Frazier, Jack Jordan, Larry Heaps, Charles Linn, Terry Arnholt, Grundy Newton, Danny Spurck, Art Miller, Alan White, plus transfers Jack Hanson and Jim Crowley.

Through the first half of the season, Coach Gourley's runners fared well against competition but in the field events the lack of members weakened the squad considerably.

The results of the dual meets up to press time were: William Jewell 93, Central 11 (indoor); William Jewell 71, Kansas City University 48; William Jewell 19, Northeast Missouri State 117; William Jewell 52, Ottawa 84; William Jewell 55 1/3, Tarkio 80 2/3; William Jewell 58 1/2, Graceland 77 1/2; William Jewell 73, Westminster 63; William Jewell 71 2/3, St. Benedict's 64 1/3.

Cross-Country

Assistant coach Bill Breckenridge ably directed by Coach Darrel Gourley guided the Cardinal fall distance runners to a winning season.

With three returning lettermen, Jim Conger, Alan White, and Stan Lemons, plus freshmen ace runners, Larry Heaps and Bob West, the Redbirds raced to victory over Tarkio, Graceland, Westminster, and Ottawa.

The Cards were unable to conquer Northeast Missouri State on either of their two meetings. In a triangle meet, William Jewell came in second to Graceland with Missouri Valley third.

Varsity letters went to Jim Conger and Stan Lemons, 1958 co-captains; Alan White, Larry Heaps, and Bob West.

Row 1: Larry Heaps, Jim Conger, Bob West. Row 2: Stanley Lemons, Jim Crowley, Alan White, Coach Darrel W. Gourley.

Wrestling Team Faces Keen Competition

In reality, the wrestling season turned out to be one of the most exciting from the fans' point of view since the sport was added to the William Jewell athletic program.

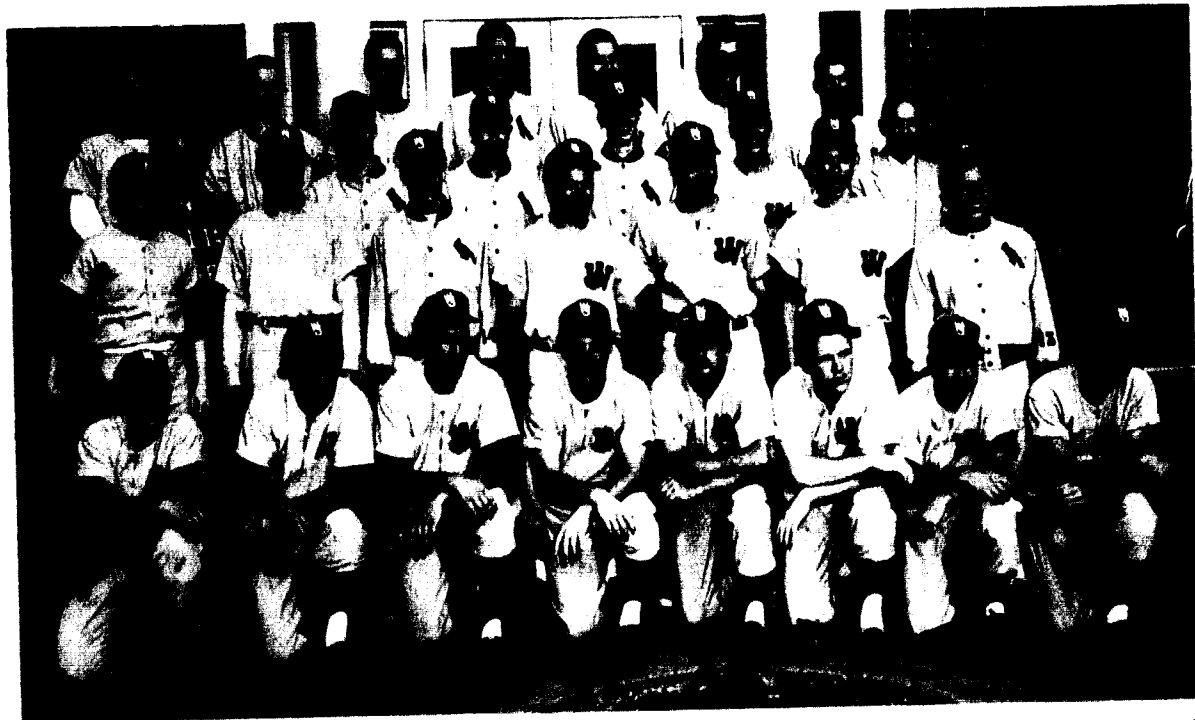

Coach Darrel Gourley took charge of the Cardinal wrestling crew and with an unusual amount of shuffling came up with the squad which finished with a 6-5 record against keen competition.

The Cardinal matmen took two wins from Westminster, one from Missouri University, and split two matches with Graceland and Northwest Missouri State. The other losses were to Fort Hays State and Omaha University.

Captain Ron Kelley was undefeated his senior year. Two other senior lettermen were Bert Miller and Tom Lynch.

Trip South Starts Baseball Season

William Jewell Cardinal baseball squad under the leadership of Coach Norris A. Patterson teamed with Central at Fayette, to make a trip through the Southland as a warm-up to the season.

The 1959 campaign started in St. Louis, against Washington University with the Cards on the short end of a 11-5 scoring spree. But the "Big Red" setdown Millsaps in Jackson, Mississippi, 4-3 the following Monday.

Tuesday, March 24, the Redbirds lost to Mississippi College in Clinton, Mississippi, 2-1. Wednesday the Cards took a 5-2 decision over Whiting Air Force Base in Milton, Fla.

William Jewell trounced Pensacola College in Pensacola, Florida, Thursday to the tune of 12-3. At Tyndall Air Force Base, the Cards lost 5-1 in Panama City, Florida, in wrapping up the Southern journey.

The remaining schedule called for contests with Graceland, Northwest Missouri State, Rockhurst, St. Benedict's, and Kansas City University in outside competition.

In Missouri Collegiate Athletic Union play, the Cardinals competed with Central, Westminster, and Culver-Stockton.

Coach Patterson took over the helm this season after Norman Short moved to the College of Emporia, Emporia, Kansas.

The Redbirds finished the 1958 season with a 5-8 record in over-all competition.

The list of returning lettermen include co-captains Dave Bolsenga and Ray Wilson plus Larry Markt, George Lago, Pat White, Elmer Yordt, Carroll Reed, Ron Morrison, and Don Jamieson.

Scores of William Jewell games after the trip South up to press time are: William Jewell 7, Graceland 1; William Jewell 15, Northwest Missouri State 6; William Jewell 6, Northwest Missouri State 8; William Jewell 3, Rockhurst 7; William Jewell 14, Rockhurst 1; William Jewell 2, Westminster 3.

Last year marked the first season in four attempts that William Jewell hadn't finished in first or a tie for the championship.

Dick Bailey, Jack Purdy, Rod Swearingen, Bill Callis, Bob Howard, Robin Pratt, Coach Nelson.

Tennis Team

With the new tennis courts finished, and a full time coach appointed, new interest was aroused in tennis this year.

Coached by Mr. Nelson, the team had games with the following schools: Ottawa, Graceland, Westminster, Kansas City University, Park College, Northwest Missouri State, and Missouri Valley.

The Jewell team took a trip to Lincoln, Nebraska, to compete in the four state tournament in May, and participated in the M.C.A.U. conference which was held at Jewell on May 15 and 16. Rod Swearingen was this year's captain.

Golf Team

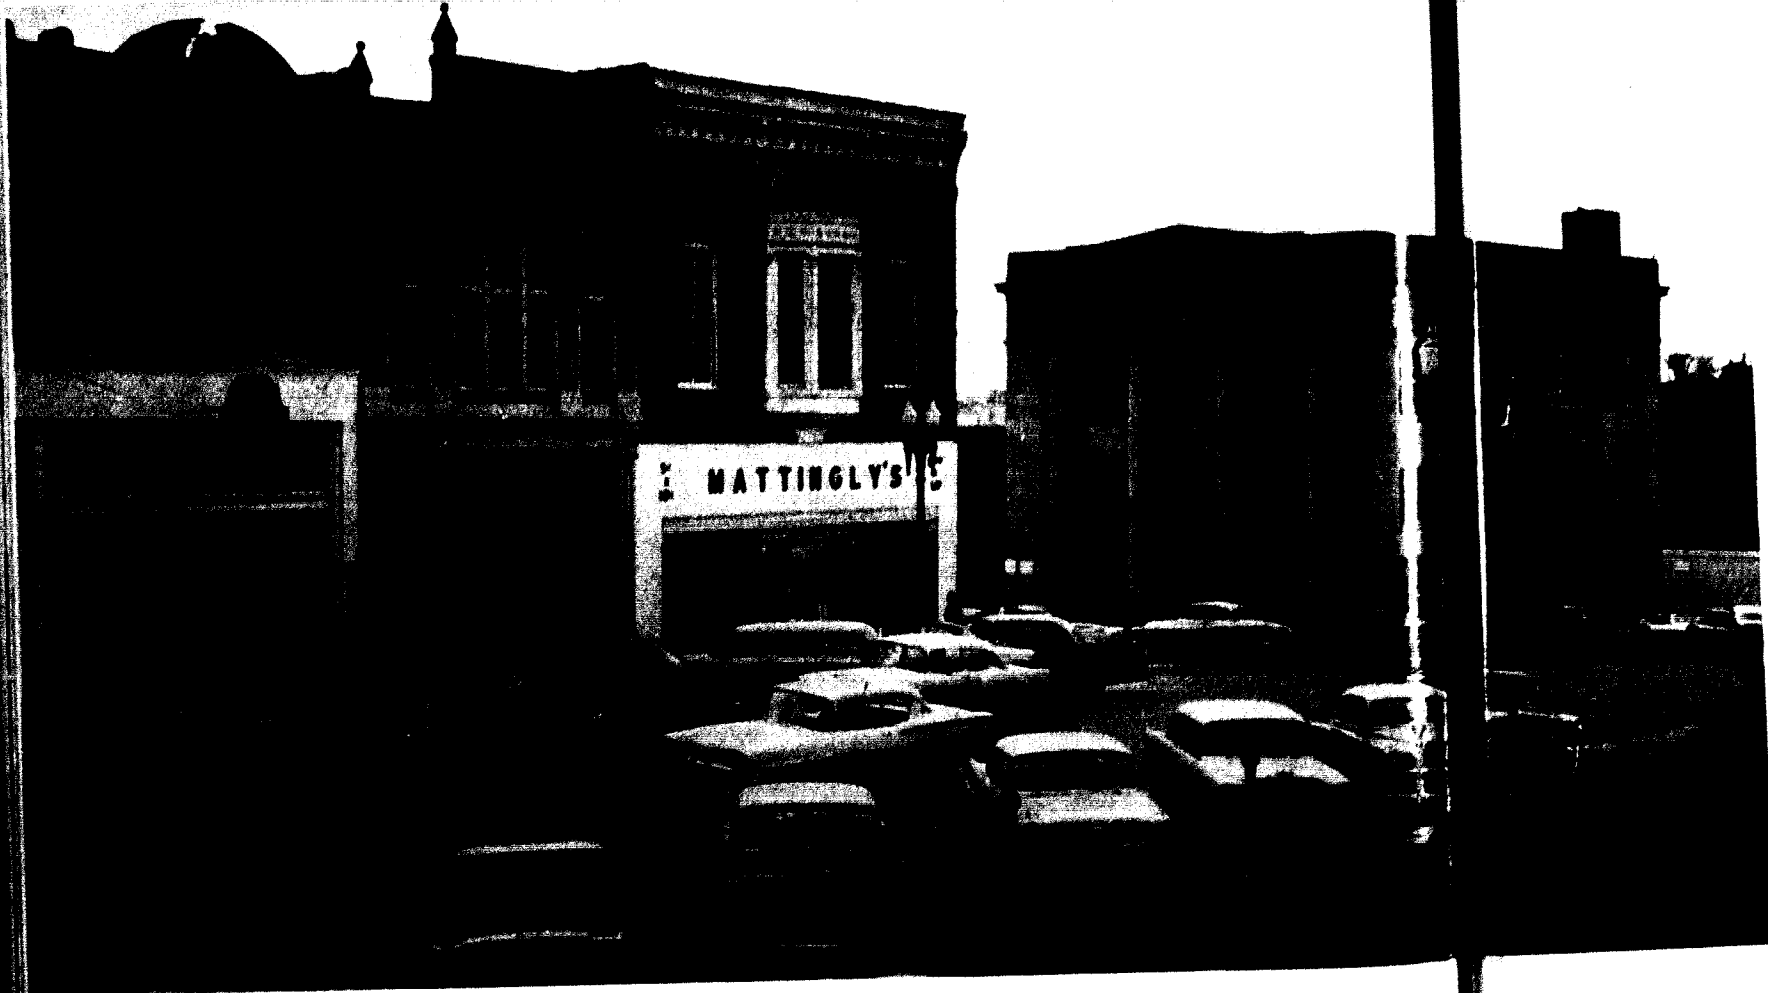

With an exceptionally good group of freshmen this year, the golf team did well. Mr. Nelson and Dr. David Moore coached the team. Games were played with men from Ottawa, Graceland, St. Benedict's, Westminster, Northwest Missouri State and Missouri Valley schools.

One of the highlights of the year was a Southern trip to play games with golfers from the University of Arkansas and Ouchita and Drury Colleges. Dr. Moore took the group on the trip.

Bob Jamieson served as this year's captain. He lettered all four years in golf and was the team's best player.

Bob Jamieson, Freddie Hartman, Rich Herbert, Dave Carney, Terry Borchardt, Art Cunningham, Terry Whitnell, Bill Griffey, Earl Benner.
